Re: Electrical District Number Six – Cancellation of Election

Dear Ms. Villarreal:

As you are aware, if an election that is to be held pursuant to Arizona Revised Statutes Title 15, Title 48 or § 16-822, and the total number of persons who file a nomination petition for a candidate and the number of persons who file a nomination paper for a write-in candidate as prescribed by chapter 3, articles 2 and 3 of this title is less than or equal to the number of positions to be filled at the election for which the nomination petition or nomination paper is filed, the County Board of Supervisors may cancel the election.

The final day for candidate nomination papers for the Electrical District Number Six Directors' election was September 30, 2022. As there are two Director positions up for election this year, and only one candidate petition was filed for each position, the District hereby requests that the Pinal County Board of Supervisors cancel the January 14, 2023, Directors' election. The Board positions that are up for election in 2023 are Director seats that currently are filled by Vinson Dobson and Milton Le Smith. Copies of their nomination papers are enclosed.

Please place this matter on the agenda for the next formal Pinal County Board of Supervisors meeting which, we understand will be on or near October 19, 2022.

Please call me if you have any questions.

Very truly yours,
