Amendments may not be implemented until ADOH consents in writing and an amendment to the Agreement has been executed.
- Homeless Projects funded with HTF, HPF, HSSF or COC.** To the extent that the changes cause the schedule timeline to be extended, Recipient must submit a written request for a contract amendment to ADOH with a revised *Schedule of Completion and Performance Report* attached. Contract amendment requests must be received by

ADOH a minimum of thirty (30) days prior to the contract expiration date. ADOH will respond to the written request within fourteen (14) business days. Amendments may not be implemented until ADOH consents in writing and an amendment to the Agreement has been executed.

Recipients will have twelve (12) months to complete the Scope of Work with no extensions. ADOH may, based on a review of the progress of Recipient completed units and expenditures, move funds from a non or under-performing Recipient to a Recipient meeting or exceeding their performance goals. - SFRF Projects.** To the extent that the changes cause the schedule timeline to be extended, Recipient must submit a written request for a contract amendment to ADOH with a revised *Schedule of Completion and Performance Report* attached. Contract amendment requests must be received by ADOH a minimum of thirty (30) days prior to the contract expiration date. ADOH will respond to the written request within fourteen (14) business days. Amendments may not be implemented until ADOH consents in writing and an amendment to the Agreement has been executed.

## Section 9. BUDGET

Recipient agrees to use the funds provided pursuant to this Agreement in accordance with the Budget that is attached as Attachment C. Recipient further agrees that any project costs, unless otherwise specified, exceeding the Budget shall be the sole responsibility of Recipient.

Availability of funding under this Agreement is contingent on final review and approval of the Budget. Budgetary considerations for specific programs are described below:

- CDBG Revisions to the Budget.** Recipient must obtain written approval from ADOH to move funds from one Budget Activity Line Item to another. The following substantial revisions to the *Budget* require a contract amendment:

- (a) Funds are moved from one Budget Activity Line Item to another and the change in the Budget Activity Line from which it is moved or to which it is being moved exceeds fifty percent (50%), unless the move is from administration to a non-administration activity, in which case only written notice without a contract amendment is required;
- (b) Additional funding sources are added to the Project;
- (c) Recipient is requesting a change to the grant terms.

**HOME, HOPWA, HPF, NHTF and HTF Revisions to the Budget.** Recipient must obtain prior written approval from ADOH to move funds from one Budget Activity Line Item to another. ADOH will only approve changes to the Budget for eligible costs as outlined in the State Housing Fund program. The following substantial revisions to the *Budget* require a contract amendment:

- (a) Additional funding sources are added to the project which require a project to be re-underwritten to determine gap;
- (b) Recipient is requesting a change to the loan terms.

**HSSF, CCSNF and SFRF Revisions to the Budget.** Recipient must obtain written approval from ADOH to move funds from one Budget Activity Line Item to another. ADOH will only approve changes to the Budget for eligible costs.

**WEATHERIZATION Revisions to the Budget.** Recipient must obtain written approval from ADOH to move funds from one Budget Activity Line Item to another. ADOH will only approve changes to the Budget for eligible costs. Administration, Technical Assistance and Health and Safety line items cannot be increased unless the overall award of funds increases.

See Section 10 for changes that affect the Budget.

Recipient shall not retain any funds that are drawn down in excess of immediate cash needs (to be utilized within fifteen (15) days of draw down) to cover subsequent requests for reimbursement and must return them to ADOH within thirty (30) days of receipt. Recipient must also return to ADOH any interest that is earned on these funds that are drawn down and not expended for eligible costs within fifteen (15) days of draw down.

## **Section 10. AMENDMENTS AND MODIFICATIONS**

ADOH may consent to amendment or modification of this Agreement upon written request of Recipient. All amendments or modifications to this Agreement shall be by mutual consent of the parties in writing.

Requests for amendments or modifications that result in changes to the Budget must be supported by a revised Budget that is otherwise consistent with Section 9.

ADOH will respond to the request for amendment or modification to this Agreement within fourteen (14) business days.

## **Section 11. ENVIRONMENTAL REVIEW CONDITIONS**

In accordance with 24 CFR 50 and 24 CFR 58 (“Environmental Review”), the environmental effects of each activity carried out with federal funds must be assessed. Local government entities are responsible for conducting environmental reviews and requesting a release of funds from ADOH. Non-profits and other non-governmental entities are responsible for conducting Environmental Reviews before ADOH requests a release of funds from HUD. Completion of the Environmental Review Record (“ERR”) is mandatory before taking any physical action on a site or entering into contracts. Only exempt activities such as architecture, engineering and administration may be undertaken and reimbursed by ADOH prior to receiving a written release of funds. Exempt activities described in 24 CFR 58.34(a)(1)-(11) are activities that generally have no physical impact on the environment. If federal funds are involved in a project, neither federal nor non-federal funds may be expended or committed by contract (conditional or not) for property acquisition, rehabilitation, conversion, lease, repair or construction activities, until HUD or ADOH has provided written authorization based on approval of an ERR.

An option agreement (to purchase land) on a proposed site or property is allowable prior to the completion of the Environmental Review if the option agreement is contingent upon an ADOH or HUD authorization to use funds based on a completed ERR. The cost of the option must be a nominal portion of the purchase price.

Projects funded solely with Housing Trust Funds do not require an ERR but are required to meet the requirements of the State Historic Preservation Act by consulting with the State Historic Preservation Office (SHPO). For State Housing Funded projects, Phase I Environmental Assessments are required to be completed on properties for which new construction/change in use is proposed, regardless of whether federal or state funds are the source of funding. Expenditures incurred or obligated by construction contract prior to ADOH’s release of funds or consultation with SHPO will not be reimbursed by ADOH.

Recipients who had committed or expended non-federal funds to begin a project before receiving the authorization from ADOH or HUD may still be eligible to use federal funds on the project under the following circumstances:

- (a) Recipients started the project without the intention of using federal assistance (i.e. as evidenced by other anticipated funding, the original project budget, etc.);

- (b) All work on the project ceases once an application for federal funds is made and an ERR is begun on all activities (i.e. acquisition, construction, etc.). ADOH or HUD provides authorization to proceed based on the completed ERR.

- WEATHERIZATION (DOE WAP, DOE WAP BIL, DOE WRF, LIHEAP WAP).** DOE has made a final NEPA determination for all activities under this Funding Agreement that are listed in the State Plan formally approved by DOE and incorporated into this Funding Agreement. Recipients are responsible for compliance with Section 106 pursuant to 36 CFR Part 800.2 (c)(4).

A summary of discrepancies noted by ADOH during monitoring visits will be specified in writing. Appropriate time for correction of discrepancies will be specified in the written report to Recipient. ADOH shall follow up on discrepancies to ensure that they have been corrected in a timely manner. The failure of ADOH to require timely performance of any provision of this Agreement shall in no way affect the right of ADOH thereafter to enforce such provision nor shall the waiver of any succeeding breach of such provision act as waiver of the provision itself.

ADOH shall provide reasonable technical assistance to assist Recipient to comply with program requirements for the provision of services under this Agreement. However, this in

no way relieves Recipient of full responsibility for its acts or omissions in the performance of activities required by this Agreement.

#### **Section 18. SUBCONTRACTING**

Recipient is responsible for determining the adequacy of performance under subcontractor agreements and procurement contracts and for taking appropriate action when performance issues arise.

#### **Section 19. FAILURE TO MAKE PROGRESS**

Failure of Recipient to make progress according to the Schedule of Completion, attached hereto as Attachment B may result in contract termination, de-obligation of funds or recapture of funds. If ADOH so determines, it shall notify Recipient in writing by certified mail, return receipt requested, of such termination for cause with such notification to include the reason(s) for the termination and the effective date of termination. If ADOH terminates this Agreement pursuant to this Section, ADOH shall recapture all funds allocated to Recipient under this Agreement pursuant to Section 15.4 hereof and obtain repayment of funds expended pursuant to Section 15.6, hereof.

If Recipient so determines, it shall notify ADOH in writing by certified mail, return receipt requested, of such termination for convenience and the effective date of termination. **Note:** Several templates have been collapsed into this reporting template—including LCEH profile information and the Housing Inventory.

**Program Report Schedule:** Because the two contracts that support LCEH planning and capacity are for different terms, quarterly reports for activities provided through both grants can be reported in this **single** format. Quarterly Report due dates to cover both grant terms are as follows:

- January 25, 2024

All of the information from each LCEH will be aggregated into a single report that will be updated.

- An updated LCEH Coordinated Entry Assessment. As of October 2023, the Coordinated Entry Committee is doing a review of the Coordinated Entry Policy. A revised template for the LCEHs to use to assess their local coordinated entry processes will be available in April of 2024. The assessment will need to be completed by December 2024

## Background Information—AZ Balance of State Continuum of Care/Local Continuum/Coalitions to End Homelessness

**AZBOSCOC GOAL:** Homelessness is unacceptable in Arizona. All individuals and families have the right to safe, affordable housing in healthy communities with access to a network of supportive services. In pursuing AZBOSCOC goals of ending homelessness through housing and supportive services, the AZBOSCOC Local Continuums/Coalitions to End Homelessness (LCEH) are committed to addressing justice, equity, dignity, and inclusion in all CoC activities.

Consistent with the requirements of the HEARTH Act (24 CFR §578), the LCEHs are a collaborative and inclusive community-based process responsible for planning and facilitating homeless assistance resources and services effectively and efficiently across the AZ Balance of State geographical area. The LCEHs include a system of outreach, diversion, coordinated entry, engagement, and assessment; emergency shelter; rapid rehousing; transitional housing; permanent housing; and prevention strategies to address the various needs of persons who are experiencing homeless or at risk of homelessness.

The Hearth Act—

<https://www.govinfo.gov/content/pkg/CFR-2017-title24-vol3/xml/CFR-2017-title24-vol3-part578.xml#seqnum578.1>

provides the following guidance for the AZBOSCOC including the LCEHs:

The Continuum of Care program is authorized by subtitle C of title IV of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11381-11389). The program:

- (1) Promotes communitywide commitment to the goal of ending homelessness;
- (2) Provides funding for efforts by nonprofit providers, States, and local governments to quickly rehouse homeless individuals (including unaccompanied youth) and families, while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness;
- (3) Promotes access to and effective utilization of mainstream programs by homeless individuals and families; and
- (4) Optimizes self-sufficiency among individuals and families experiencing homelessness.

**Performance Expectations. The following is a summary of performance expectations for all LCEHs that will contribute to ending homelessness in the LCEH communities:**

- Conduct LCEH meetings either virtually or in-person at a minimum quarterly.
- Participate in all AZBOSCOC LCEH Lead Agency meetings. Participation can be either main or alternative contact for the LCEH Lead Agency.. Meetings will primarily be virtual, but occasionally will be in-person.
- Recruit LCEH membership that has broad sector representation. Membership is defined as those individuals that represent sectors that attend LCEH meetings and participate in LCEH activities. Individuals that are only on a distribution list are not considered members of the LCEH. Sector representation, at a minimum, must align with HUD expectations. If possible, the membership will meet HUD expectations and also include sectors specifically beneficial to the LCEH.
- Through community collaborations establish/enhance outreach and engagement activities so that households experiencing homelessness will have knowledge about resources available to them.
- Set performance goals related to number of persons that are engaged in outreach.
- Through community collaboration, operate access points throughout the geographic area of LCEH. Plan and implement processes to expand access points as needed so that households experiencing homelessness can engage with services and resources needed.
- Provide/Coordinate the resources for the management of the By Name List (BNL).

## Certification A: Certification Regarding Debarment, Suspension, and Other Responsibility Matters - Primary Covered Transactions

1. The prospective primary participant certifies to the best of its knowledge and belief that its principals;

a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal debarment or agency;

b. Have not within a three-year period preceding this proposal, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;

c. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

d. Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State, or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

### Instructions for Certification (A)

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms **covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded**, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of these regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause of default.

**Certification B: Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions**

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

**Instructions for Certification (B)**

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms **covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded**, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of these regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph (5) of these instructions, if a participant in a lower covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies including suspension and/or debarment.

Arizona Balance of State Continuum of Care  
Local Continuum/Coalition to End Homelessness  
July 2023-June 2025 Strategic Action Plan

Overview: The following template provides a guideline for your LCEH strategic action plan for covering the time period of July 2023 to June 2025. *If the LCEH covers more than one county, a single plan can be completed—Indicate in activities—if a particular activity is limited to a single county.*

The strategic action plan for 2023-2025 should align to four or more major performance outcomes

- with the Federal Strategic Plan—*All In: the Federal Strategic Plan to Prevent and End Homelessness (issued December 2022)*. A link to the plan is on the U.S. Interagency Council on Homelessness website and can be found here: <https://www.usich.gov/fsp>
- with the AZBOSCOG Strategic Action Plan approved by the Governance Advisory Board in December 2022 and can be found here: [https://housing.az.gov/documents-links/forms/special-needs-continuum?tid\\_2=752](https://housing.az.gov/documents-links/forms/special-needs-continuum?tid_2=752)

This template is designed to articulate the minimum requirement. LCEHs may have more robust plans beyond this requirement. Please use this format for the LCEH Strategic Action Plan—so that all LCEH plans can be aggregated and incorporated into the overall AZBOSCOG Strategic Action Plan.

This plan should be submitted to the CoC Coordinator, once developed, but no later than March 31<sup>st</sup> 2024.

#### Goals

AZBOSCOG: End Homelessness in the geographic area of the AZBOSCOG.
