ARIZONA MUTUAL AID COMPACT

This Compact was made and entered into by and among the signatory Parties, including the State of Arizona, through the Emergency Management Division of the Arizona Department of Emergency and Military Affairs (DEMA/EM).

Recitals

WHEREAS one or more Parties may find it necessary to utilize all of their own resources to cope with emergencies, and may require the assistance of another Party or other Parties; and,

WHEREAS it is desirable that all resources of all Parties be available to all other Parties on pre-established terms, in order to respond to such emergencies; and,

WHEREAS it is desirable that each of the Parties should assist one another when such emergency occurs by providing such resources as are available and needed, including, but not limited to, fire, police, medical and health, environmental, communication, and transportation services to cope with the problems of response; and,

WHEREAS it is desirable that a compact be executed for the interchange of such mutual aid; and,

WHEREAS it is desirable to utilize this Compact in exercising adopted emergency plans; and,

WHEREAS it is desirable that the manner of financing of such cooperative undertakings be resolved in advance of such emergency.

NOW, THEREFORE, IT IS HEREBY AGREED by and between each and all of the Parties as follows:

COMPACT

1. Purpose.

The purpose of this Compact is to establish emergency management terms and procedures for participating Parties to provide mutual aid assistance to any affected area in accordance with local ordinances, resolutions, emergency plans, or agreements. This Compact shall be construed in accordance with all applicable laws.

2. Scope.

The Scope of this Compact is to (1) provide the procedures to notify the Providing Parties of the need for emergency assistance; (2) identify available resources; and (3) provide a mechanism for compensation for resources.

3. Definitions.

- **Automatic Mutual Aid** means the dispatch and response of requested resources without incident-specific approvals under an agreement separate from this Compact. These agreements are usually basic contracts; some may be informal accords.
- **Compact** means this document, the Arizona Mutual Aid Compact (AZMAC).
- **Director** means the Director of the Emergency Management Division of the Arizona Department of Emergency and Military Affairs (DEMA/EM).
- **Emergency or Emergencies** means any disaster or contingency situation that requires a collaborative effort among multiple Parties.
- **Local Mutual Aid Agreements** are separate agreements between Parties and/or other entities that involve a formal request for assistance.
- **Party and Parties** refers to any entity(ies) that have signed this Compact. All state agencies, tribal nations, and political subdivisions in the State of Arizona are eligible to sign this Compact as Parties.
- **Political Subdivision** means any county, incorporated city or town, or school district, community college district, or other tax-levying public district.
- **Providing Party** means the Party rendering aid under this Compact to another Party in the event of an emergency.
- **Requesting Party** means the Party seeking aid under this Compact from another Party in the event of an Emergency.
- **Self-deploy** refers to the act of a Party responding to another Party's emergency without being requested by the affected Party.

4. Guiding Framework.

Unless otherwise expressly agreed to in writing by a Providing Party and a Receiving Party in a separate agreement, the Parties agree to interpret the language of the Compact as operating consistently with:

- Arizona Revised Statute (A.R.S.), Title 26, Military Affairs and Emergency Management.
- Arizona Administrative Code (A.A.C.), Title 8, Chapter 2, Article 3 (addressing the Governor’s Emergency Fund).
- National Incident Management System (NIMS), 2017.

5. Procedures for Requesting Assistance.

Any Party experiencing an emergency may request assistance from any other Party under this Compact. However, when making such requests, consideration should be given to the geographical proximity of the other Parties from which assistance is being requested. All requests for assistance from the State must be coordinated through the Requesting Party’s county emergency manager or tribal emergency manager, whichever is applicable.

Any request for assistance must specify:

1. What the emergency is.
2. The amount and type of resources needed.
3. The estimated period during which such mutual aid is required.

Parties must use the Resource Request form provided in Appendix A. Additionally, it is recommended that Parties utilize WebEOC to track requests.

6. Providing Party's Assessment of Availability of Resources and Ability to Render Assistance.

In all instances, the Providing Party shall render such mutual aid as it is able to provide consistent with its own service needs at the time, taking into consideration the Providing Party's existing commitments within its own jurisdiction. The Providing Party shall be the sole judge of what mutual aid it has available to furnish to the Requesting Party pursuant to this Compact.

7. Implementation Plan.

Each Party that plans on retaining or seeking eligibility to receive Emergency Management Performance Grant (EMPG) funds must have an emergency operations plan that includes a process to provide for the effective mobilization of its resources, both public and private, including acceptance of mutual aid to provide or receive assistance under this Compact, and must provide a copy of its most current plan to DEMA/EM Grants Administration upon request.

8. Contact List.

Each Party shall develop a contact list as outlined in Appendix B, which shall be provided to the Director to make available to all other Parties. A minimum of two contacts, preferably

three, must be provided in Appendix B. A Party may update its contact information, at any time, by providing the updated contact information in writing to the Director, who shall make available the updated contact information to all other Parties. The contact list should be updated periodically, when necessary (i.e., personnel change).

9. Reimbursement Procedures between Parties.

If the Providing Party desires reimbursement for the assistance it is providing, the Requesting Party shall reimburse the Providing Party for one hundred percent (100%) of all costs incurred, and as agreed to, within the mutual assistance compact, whether an emergency has been declared or not. The Providing Party must declare its intent to seek reimbursement as part of its response to the Requesting Party's request for assistance (see Appendix A). The Providing Party and the Requesting Party shall agree upon allowable costs, both actual and estimated, for mutual assistance prior to the dispatch of any mutual assistance resources. In the event that the agreement includes reimbursement of all agreed to activities by the Providing Party, the Providing Party must submit a claim for all costs incurred during the execution of the mission assignment to the Requesting Party. The claim must include copies (no original documents) of all documentation to support their claim of reimbursement, including but not limited to timecards, payroll reports, fringe benefits information, pay policies, vehicle/daily logs, maintenance records, equipment lists, invoices, contracts, receipts, procurement policies, inventory reports, proofs of payments, insurance policies, rental agreements, etc.

The Requesting Party shall reimburse the Providing Party for all sufficiently documented submitted costs, as agreed to, regardless of the existence of a State Declaration or a State-Level Emergency, or a federal Emergency or Major Disaster Declaration.

Self-deployed resources will not be reimbursed under this Compact.

10. Reimbursement Procedures from the State or Federal Government.

The Providing Party shall be reimbursed for costs associated with this Compact by the Requesting Party only. The Providing Party is not eligible for reimbursement from the State or federal government under the terms of this Compact; eligibility for reimbursement from the State or federal government is determined solely by state and/or federal laws and policies. Additionally, neither the State nor the federal government is liable for any claim arising from an emergency for which the applicant receives funds from another source.

Costs and work performed by the Providing Party may, or may not, be reimbursable by the State or federal government, if submitted by the Requesting Party for reimbursement under a State Declaration for a State-Level Emergency, or federal Emergency, or Major Disaster declaration. Regardless of eligibility for reimbursement from the State or the federal government under a State Declaration for a State-Level Emergency, or federal Emergency or Major Disaster declaration, the Requesting Party shall fully reimburse the Providing Party's claim, providing all requirements are met. Failure to fully reimburse claims may establish a history of non-payment of AZMAC claims and may disqualify a Requesting Party from being able to be reimbursed under future State Declaration for a State-Level Emergency, or federal Emergency, or Major Disaster

declaration events.

11. Personnel Compensation and Insurance.

Except to the extent that reimbursement is separately agreed to, the Requesting Party and the Providing Party each shall be responsible for all compensation of their respective employees and insurance coverage for their respective equipment.

12. Immunity.

Notwithstanding the indemnification provision set forth below, the Parties shall have such immunity as provided by applicable state, federal, or tribal law.

13. Indemnification.

To the extent permitted under applicable laws, each Party (as "Indemnitor") agrees to defend, indemnify, and hold harmless the other Party (as "Indemnitee") from and against any and all claims, losses, liability, costs, or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "Claims") arising out of bodily injury of any person (including death) or property damage, but only to the extent that such Claims are caused by negligent act or omission or other fault of the Indemnitor, its officers, officials, agents, employees, emergency workers, or volunteers. If a Claim or Claims become subject to this indemnity provision, the Parties in question shall expeditiously meet to discuss a common and mutual defense, including proportional liability and payment of possible litigation expense and money damages. Notwithstanding the foregoing, nothing herein shall be construed to modify the gross negligence standard applicable to each Party under the law applicable to that Party. Should a Party to this Compact use a contractor for any purpose, that Party must ensure that its contractor(s) (and all of their subcontractors and materials suppliers, regardless of their degree of removal from the Party's contractor) are required to abide by the insurance requirements which are set forth in Appendix C. The obligations under this Section shall survive termination of this Compact.

14. Term.

This Compact shall terminate ten years after the effective date or until participation in this Compact is terminated by the Party. The 2014 Compact shall cease to be effective as of midnight Arizona time on the evening of December 31, 2023, and this Compact shall go into effect immediately thereafter for all Parties that have signed this Compact before that date and time. This Compact shall continue in effect until midnight Arizona time on the evening of December 31, 2033.

15. Effect of Termination by a Party.

The termination by one or more of the Parties of its/their participation in this Compact shall not affect the operation of this Compact as between the other Parties. The Director shall identify on DEMA's website, with updates as needed, all Parties to this Compact.

16. Compliance with Laws.

Each Party shall comply with all federal, tribal, state, and local laws, rules, regulations, standards, and Executive Orders, as applicable, without limitation to those designated within this Compact. Any changes in such laws, rules and regulations during the terms of this Compact shall apply without the need to amend this Compact.

17. Workers' Compensation.

Each Party shall maintain Workers' Compensation insurance coverage on all of its own employees providing services pursuant to this Compact.

18. Insurance.

Except as expressly provided in this Compact, each Party shall bear the risk of its own actions, as it does with all its operations, and shall determine for itself an appropriate level of insurance coverage and maintain such coverage. Nothing in this Compact shall be construed as a waiver of any limitation on liability that may apply to a Party.

19. Non-Appropriation.

Every payment obligation of each of the Parties under this Compact is conditioned upon the availability of funds appropriated and allocated for the payment of such obligation. If a Party's funds are not appropriated, allocated, and available or if the appropriation is changed by the legislature or other governing body resulting in funds no longer being available for the continuance of that Party's participation in this Compact, that Party may terminate its participation in this Compact as of the end of the period for which funds are available by providing written notice in advance to the Director. No liability shall accrue to the Party in question in the event this provision is exercised, and that Party shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.

20. No Third-Party Beneficiaries.

Nothing in this Compact confers any rights or remedies to any person or entity that is not a Party. Nothing in this Compact affects the legal liability of any Party to this Compact by imposing any standard of care different from the standard of care imposed by law.

21. Entire Compact.

This document constitutes the entire Compact between the Parties pertaining to the subject matter hereof. This Compact shall not be modified, amended, or altered.

22. Jurisdiction.

Nothing in this Compact shall be construed as otherwise limiting or extending the legal jurisdiction of any Party.

23. Conflict of Interest.

If applicable to the Party in question, that Party may terminate its participation in this Compact, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting, creating, or executing this Compact on behalf of the Party is, at

any time while this Compact or any extension is in effect, an employee, agent or consultant of another Party with respect to the subject matter of this Compact.

24. Supervision and Control.

Management of an emergency shall remain with the Party originally responsible for responding to the emergency. From the time of arrival to the time of departure at the emergency scene, the Providing Party shall be considered for all purposes to be under the direction and control (other than for the purposes of Workers' Compensation, as provided in Section 17 of this Compact) of the Requesting Party. In proceeding to and returning from the emergency scene, the Providing Party shall not be under the direction and control of the Requesting Party. Supervision and control of Providing Parties' personnel and equipment shall be in accordance with the National Incident Management System. All equipment and personnel used pursuant to this Compact shall be returned to the Providing Party upon being released by the Requesting Party or on demand of the Providing Party for such return.

25. Severability: Effect on Other Agreements.

It is expressly understood that this Compact shall not supplant existing agreements between any of the Parties that provide for the exchange or furnishing of goods and/or service.

26. Severability.

If any provision of this Compact is held to be invalid or unenforceable, the remaining provisions shall continue to be valid and enforceable to the fullest extent permitted by law.

27. Responsibility of the Department of Emergency and Military Affairs.

Nothing in this Compact limits or restricts the legal duties and obligations of DEMA/EM when responding to the emergency of any Party.

28. Execution Procedure.

Execution of this Compact shall be as follows:

This Compact, which will be designated as "ARIZONA MUTUAL AID COMPACT," shall be executed in counterparts by the governing body of each Party. Upon execution, the counterpart will be provided to the Director. This Compact will be effective between all Parties that execute this Compact even if it is not executed by all eligible entities.

29. Termination.

Termination of participation in this Compact by any Party may be affected by that Party as follows:

Notice of termination will be given to the Director 20 days prior to termination. Any Party may, by resolution of its governing body or person, terminate its participation in this Compact by providing a copy of such resolution to the Director. The Parties understand and acknowledge that a Party's participation in this Compact may be subject to cancellation or termination by that Party pursuant to the terms of this Compact, or pursuant A.R.S. § 38-511, or applicable tribal law. Pursuant to the provisions of A.R.S. § 11-952(B)(4), in the event of termination by a Providing Party or a Requesting Party, any property belonging to such Party shall be returned to that Party.

30. Dispute Resolution.

The Parties to this Compact agree to resolve all disputes arising out of or relating to this Compact through arbitration, after exhausting applicable administrative review, to the extent required by law.

31. Record Retention.

Each Party shall retain all records relating to this Compact for a period of five (5) years after the expiration of its term. All records shall be subject to review and copying by any other Party that participated in the emergency response to which such records relate (including such entities that are former Parties whose participation in this Compact was terminated within the five years preceding a request to review and copy) at reasonable times.

32. Forced Labor of Ethnic Uyghurs.

To the extent applicable under A.R.S. § 35-394, each Party warrants and certifies that it does not currently, and agrees that it will not for the duration of this Compact, use the forced labor, any goods or services produced by the forced labor, or any contractors, subcontractors, or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China. If a Party becomes aware that it is not in compliance with this paragraph, it shall notify all other Parties of the noncompliance within five business days of becoming aware of it. If the offending Party fails to provide a written certification that it has remedied the noncompliance within 180 days after that, said Party's participation in this Compact shall terminate unless the termination date of this Compact occurs before the end of the remedy, in which their participation will terminate on the Compact's termination date.

33. Counterparts.

This Compact may be executed simultaneously or in counterparts, each of which constitutes an original, but all of which together constitute one and the same agreement.

Arizona Mutual Aid Compact (AZMAC) Use of A Contractor

Each Party shall cause all of its contractor(s) and subcontractors performing any service or work or providing any equipment or material relating to an emergency response undertaken through this Compact to defend, indemnify, and hold harmless the State of Arizona, all Requesting Parties, and all Providing Parties participating in responding to the emergency in question under this Compact, and their respective directors, officers, officials, agents, and employees (hereinafter referred to as "Indemnitee") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "Claims") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of that Party's contractor or any of the directors, officers, agents, or employees or subcontractors of such contractor. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of such contractor to conform to any applicable federal, state, tribal or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the Parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by such contractor from and against any and all claims. It is agreed that such a contractor will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. The State of Arizona in no way warrants that the minimum limits contained herein are sufficient to protect the Party or Contractor from liabilities that might arise out of the performance of the work under this Contract by the Contractor, its agents, representatives, employees or subcontractors, and Contractor and the Party are free to purchase additional insurance.

Addendum #1

Arizona Mutual Aid Compact (AZMAC)

Cyber-Related Mutual Aid For Participating Tribal Parties

1. Purpose.

The purpose of this Addendum #1 (“Addendum”) to the Arizona Mutual Aid Compact is to define for the participating Parties the Arizona National Guard Cyber Joint Task Force of the Arizona Department of Emergency and Military Affairs (AZNG-CJTF) terms and procedures which will be used among the participating Parties for dispatching cyber-related mutual aid assistance to any affected area in accordance with tribal laws, resolutions, and emergency plans or agreements. The AZNG-CJTF may work with other applicable State and federal cybersecurity entities, as needed. Except as expressly stated in this Addendum, all of the terms of the Arizona Mutual Aid Compact itself apply to this Addendum as if set forth in this Addendum in full.

2. Scope.

The scope of this Addendum is to (1) identify the available cyber resources of the AZNG-CJTF; (2) identify the terms and conditions for Requesting Parties to utilize those resources; and (3) provide a mechanism for compensation for those cyber resources.

3. Definitions.

In addition to the definitions listed below, all of the definitions set forth in the Arizona Mutual Aid Compact shall apply here.

- **Cyber** refers to both information and communications networks.
- **Cyber Attack** means any kind of malicious activity that attempts to collect, disrupt, deny, degrade, or destroy information system resources or the information itself.
- **Cyber Emergency** means any actual, imminent, or potential cyber-related incident that will adversely affect public health, safety, or security; the environment; or economic prosperity on a level materially significant.
- **Cyber Incident** means actions taken through the use of an information system or network that result in an actual or potentially adverse effect on an information system, network, and/or the information residing therein.
- **Cyber Threat** means any circumstance or event with the potential to adversely impact organizational operations (including mission, functions, image, or reputation), organizational assets, or individuals through an information system via unauthorized access, destruction, disclosure, modification of information, and/or denial of service. Also, the potential for a threat-source to successfully exploit a particular information system vulnerability.
- **Cybersecurity** means prevention of damage to, protection of, and restoration of computers, electronic communications systems, electronic communications services, wire communication, and electronic communication, including information contained

therein, to ensure its availability, integrity, authentication, confidentiality, and nonrepudiation.

4. Types of Assistance.

The AZNG-CJTF offers two types of assistance, (1) vulnerability assessment and (2) cyber incident response. Vulnerability assessments are pre-emptive examinations of a party's physical and electronic safeguards in place protecting the party's information system or network. Vulnerability assessments are not done in response to a particular cyber incident. Cyber incident response is assistance provided following a cyber-attack or intrusion on a party's information system or network.

Regardless of whether a party requests AZNG-CJTF assistance to conduct either a vulnerability assessment or a cyber incident response, AZNG-CJTF assistance is limited to examinations of relevant physical and electronic security measures for an information system or network, an outline of AZNG-CJTF identified risks, threats, or breaches that were found as a result of any examination, and AZNG-CJTF recommendations to either address or minimize any identified risks, threats, or breaches and how a party could undertake such measures. AZNG-CJTF assistance does not include implementing any cyber security recommendation it or its personnel make, nor does it include directly thwarting or eliminating any ongoing cyber incident.

To request a vulnerability assessment from the AZNG-CJTF, contact AZCyberJointTaskForce@arizona.gov. For cyber incident response, refer to section 5.

5. Procedures for Requesting Assistance.

All procedures for requesting cyber-related assistance should follow the provisions outlined below:

1. Notify the DEMA/EM Duty Officer of the incident via phone at (602) 469-3401.
2. Submit a Resource Request into WebEOC detailing:
 - a. When the Cyber Incident began,
 - b. what the Indicators of Compromise (IoCs) are,
 - c. the systems that have been affected (i.e., host machines, servers, other devices),
 - d. the steps that have been taken, and
 - e. what assistance is being requested.

Additionally, prior to any cyber-related assistance is provided, the Requesting Party and AZNG-CJTF must enter into either a Memorandum of Understanding (MOU) or a Memorandum of Agreement (MOA). These Memoranda will outline the scope of the cyber-related assistance that the Requesting Party desires from the AZNG-CJTF and the conditions under which this assistance will be conducted. These conditions can include terms or limitations from both the Requesting Party and the AZNG-CJTF.

An MOU will be entered if the cyber-related assistance being requested relates to a preventative computer and network vulnerability assessment that is not in response to a particular Cyber Incident. Any cyber-assistance provided by the AZNG-CJTF pursuant to an MOU will not involve reimbursement or any other form of cost-sharing by the Requesting Party. An MOA will be entered if the cyber-related assistance being requested relates to a particular Cyber Incident and not merely preventative assessments or examinations. Cyber-related assistance conducted pursuant to an MOA may require the Requesting Party to reimburse some or all of the AZNG-CJTF costs to conduct such assistance.

Any cyber-related assistance may be available regardless of whether there has been a federal declaration of emergency. However, if the AZNG-CJTF provides cyber-related assistance pursuant to an MOA that requires the Requesting Party to reimburse assistance costs to DEMA, the Requesting Party shall be solely responsible for determining whether these costs can be reimbursed by the federal government. Whether or not any cyber-assistance costs incurred by the Requesting Party to the AZNG-CJTF are reimbursable by the federal government shall not be a basis by the Requesting Party to delay reimbursing these costs to the Arizona National Guard Cyber Response Revolving Fund in the timely manner outlined in the respective MOA.
