Organization Information

- * Legal Name Pinal County

* Address P.O. Box 1348

* City Florence

* State Arizona

* Zip 85132

* Telephone 520-866-6422

* E-mail Address heather.patel@pinal.gov

* Website Address www.pinal.gov and www.pcceh.com

* Organization Mission Statement The purpose of the PCCEH is to coordinate the implementation of a housing and service delivery system that meets the needs of persons experiencing or at risk of homelessness throughout Pinal County. Through a coordinated response, the PCCEH aims to ensure all people experiencing a housing crisis are quickly identified, have their needs assessed, and are connected to housing and assistance based on their needs.

Value of goods or services
per ticket associated with
this event sponsorship

* Event Type Conference or Seminar

* Event Start Date 11/30/2023

* Event End Date 11/30/2023

* Time of Event 8-2

* Event Location TBD - possibly Central Arizona College

* Event Purpose The goal of the Strategic Planning Committee is to convene a roundtable discussion, that includes members of the LCEH, representatives from the criminal justice system (i.e., Probation, Parole, correctional facilities, jails and supporting partners) to discuss strategies that result in individuals exiting correctional facilities/jails so they have support in finding secure housing, sustainable jobs, transportation and other needs (i.e. substance abuse, mental health and addiction) to meet the obligations to continue and strive in securing these goals. By convening all resources together, with the same goal, those entering communities again are assured to remain healthy and productive citizens and a benefit to the communities they reside in. This goal should be completed by December 2023.

* Share your plan to recognize our contribution to your program. Recognition will be on the marketing materials.

Total Attendees Expected Attendees 100

Is this event hosted in coordination with another agency/organization? Pinal County is the lead agency of the Pinal County Coalition to End Homelessness. Members of PCCEH include governmental agencies, non-profit organizations, health agencies, housing providers, and more.

The AZ Town Hall will work with the coalition membership to create discussion questions for the roundtable participants based on their vast experience in hosting discussions in this area, moderate the event, gather the information from the roundtable discussions, and provide a report for the coalition with the findings, results, and solutions resulting from the roundtable discussion. This report would become the property of the Pinal County Coalition to End Homelessness and its agency partners as a tool for the success of eliminating recidivism in the re-entry population.

* Select Your Health Funding Priority Level County level

* Please pick the most primary appropriate category for your grant application: Activities that reduce recidivism for the justice involved population

* Please pick the most secondary appropriate category for your grant application: (2) Housing (Transitional/Sober Living Housing, permanent supportive housing rental subsidies etc)

Regarding the health priority area(s) selected, has your organization identified any potential racial/ethnic

disparities? If so, has your organization identified what factors may be driving those (both the immediate causes and the deeper causes)?

Are other issues of equity (e.g., class, sexual orientation, language capacity, or other factors) relevant to the health priority area you're addressing? If you do not have the data or knowledge about these issues, how do you plan to obtain it?

Please provide a brief statement about how you intend to close the racial/ethnic gaps or address other issues of equity that you have identified, and have the ability to influence. How will these strategies achieve those goals? How will you measure success?

Demographics

Should funding be awarded, demographic information for your organization will be required.

* Do you capture demographic data on the population(s) served? No

Please confirm why you are not currently collecting demographic data

Pinal County is part of the balance of state continuum of care which includes all counties except for Pima and Maricopa. Because of this, narrowing data can be difficult. We are only able to extract data from the HMIS system as
