Ballot Tabulation Equipment

- **Accurate and Reliable:** Prior to an election, we test 100% of tabulators and accessible voting devices. Publicly attended Logic & Accuracy testing was conducted October 4th with success!
- **Monitored & live stream 24-7-365:** There is restricted access to the tabulation area & additional cameras were installed in the warehouse.
- **No Internet Connections:** No equipment or programs in the tabulation area are connected to internet, the server and programming PC have been moved to the tabulation room.

Polling Places Needing Poll Workers to Sign Up:

#11 Picacho: Meeting with PESD on 11/28 to discuss needed resources

#20 Randolph: *Voters will now be using the Wild Horse Estates Sunscape as a polling location

#56 Apache Junction North: was Santa Fe RV no longer interested, contacted Happy Days RV park...

#59 Apache Junction South: was Golden Vista, called Quail Run MHP and Mountain Lutheran Church

#33 Casa Grande N. Central: First Presbyterian Church Fellowship Hall has confirmed – YAY!

#84 Gold Canyon North: *Voters will now be using Gold Canyon Community Church as a voting location

#87 Johnson Ranch East; Bella Vista LDS Church has informed us they can't accommodate our dates.

#112 Sunland Ranches: First Baptist Church has confirmed – YAY!

Now we look for commercial spaces to rent and do our best to communicate all these changes to the voters.
