Certification regarding Non-Supplanting

As outlined in the U.S. Department of Justice, Office of Justice Programs, Federal Financial Guide,

Federal funds must be used to **supplement** existing State and local funds for program activities and must not supplant those funds that have been appropriated for the same purpose. Furthermore, supplanting is defined as “to deliberately reduce State or local funds because of the existence of Federal funds. For example, when State funds are appropriated for a stated purpose and Federal funds are awarded for that same purpose, the State replaces its State funds with Federal funds, thereby reducing the total amount available for the stated purpose.”

The following example is provided in the Federal Financial Guide to help clarify the difference between supplementing and supplanting:

State funds are appropriated to hire 50 new police officers, and Federal funds are awarded for hiring 60 new police officers. At the end of the year, the State has hired 60 new police officers, and the Federal funds have been exhausted. The State has not used its funds towards hiring new officers, but instead reduced its appropriation for that purpose and assigned or appropriated the funds to another purpose. In this case, the State has supplanted its appropriation with the Federal funds. If supplanting had not occurred, 110 new officers would have been hired using Federal funds for 60 officers and State funds for 50 officers.

As a subrecipient of Victims of Crime Act (VOCA) Assistance funds, each agency shall certify its understanding of and adherence to the prohibition against supplanting of State or local funds with Federal funds.

I certify that the _____ (name of subrecipient organization) will comply with the prohibition against supplanting as outlined above.
