Melissa:

I will get an invoice created. You should have the accounts payable information from last year's grant. Let me know if I need to redo anything.

Have a great day!

Thank you,

Heather,

We have Pinal County Housing Division active in our payment system with the address from the W9 you uploaded in our application portal. Is this the correct address to use for payment? If so, I only need an invoice from you with the same address on the W9.

If you want payment to go to 31 North Pinal, we will need to complete the accounts payable paperwork to set this address up in our system.
