RE: Property Owners Meeting

Dear Property Owner,

We own an approximate 21 acre site of vacant land in the Casa Grande-Maricopa County, AZ area that is located within 1,200' of land which the Assessor's Office Website shows that you own. See the Written Narrative enclosed for more information including the exact location of our property.

We will be filing an application with Pinal County to rezone our land which is currently zoned GR to I-3. Our rezoning request falls within the County's Employment Designation which makes it supportable within the context of the Comprehensive Plan. Since the city of Casa Grande has lands in the immediate area that are incorporated into the City of Casa Grande, we have obtained a letter from the City indicating their support of our rezoning.

As required by Pinal County, we will be holding a neighborhood meeting for the property owners who own land in our immediate area, to present information about our rezoning request and answer your questions. The meeting will be held at Radisson Hotel located at 777 N. Pinal Ave., Casa Grande, AZ 85122 in the Canyon Room, at 5:00 p.m. on September 14, 2023.

You may communicate any question, comments or concerns you may have regarding this proposed rezoning to me at the email address provided below. Additionally, should you not be able to attend the meeting on September 14th in person and would like to join the meeting by Zoom, please contact me for the Zoom Meeting Link. We endeavor to be a good neighbor and look forward to receiving your input.

There will be other meetings for you to attend, should you so desire, including public hearings with the Planning & Zoning Commission and the County Board of Supervisors.

If you have any questions prior to the above-mentioned meeting, please feel free to contact me at the contact information below. Thank you.

Sincerely,

IFIDA AZ Land Partners, LLC
