Hi Brett:

Lisa spoke with Secretary Fontes who said that there was a gas leak near a polling site in Pinal County. The leak had nothing to do with their election facility, building, or polling locations. Mr. Cavanaugh's reference to Secretary Fontes' comment appears to have been taken out of context.

Sincerely,

Colleen Connor
Policy Director
Arizona Secretary of State

Hi Colleen and Amy –

Thank you again for the assistance in making yesterday (and wrap up today) a success. I just feel bad that Lisa had to spend the day with Joe.

We are hoping you (or your PIO) can assist on another facet of the claims made by Mr. Cavanaugh. On page 3 of the attached, he makes reference to Secretary Fontes' statement on a radio show about Pinal County. We were hoping to get insight into the context of the statement, etc. Would you have time to discuss tomorrow or early next week?

Thanks,

Brett W. Johnson, P.C.
