Dear Judge Glover and Interested Parties;

Please accept this as my formal Letter of Interest to serve as a Judge Pro tempore for the Pinal County Justice Courts.

I have a passion for and have worked in the legal field for over 35 years. My career began as a Legal Secretary for a County Attorney in Kansas, became a Certified Paralegal with emphasis in criminal law, jury behavior and later with a further interest in landlord tenant disputes. After a move, I accepted a position in the District Court and was promoted quickly to the Assistant Chief Clerk of the Court where I supported all channels of the legal process.

After moving to Oregon, I worked in the Salem Municipal Court in the Violations Bureau, promoted to Senior Court Operations and then as the Interim Court Administrator. Prior to moving to Pinal County, I was the Office Administrator for the Marion County District Attorney's Office where I oversaw the inner workings of five divisions and over 150 employees and volunteers. I worked closely with our District Attorney to ensure our 35 prosecutors, paralegals, and all support staff had the tools they needed to be successful as well as be a voice of experience and reason at the management table. solve disputes, strategize and be a liaison with the courts, defense bar, law enforcement and community partners.

I retired from the Marion County District Attorney's Office in Salem, Oregon in August 2024. Becoming a pro tem would allow me to support the Justice System and the citizens of Pinal County, as well as giving back to the community using experience and sound judgment.

I appreciate the opportunity to work as a pro-tem for Pinal County and look forward to hearing next steps should I be selected to serve.

Sincerely,

Dawn R. Thompson

Dear Justice Glover,

I am writing to you to express my interest in becoming a part of the Justice of the Peace Pro Tempore Pool of appointments. I have been a Maricopa resident since 2008 and would love to be a positive part of the local justice system.

I have a Bachelor's Degree in Sociology from Purdue University. With this degree, I worked in Northwest Indiana for a social service program for many years. In this role, I worked directly with high needs families and families in distress. I was a Data Coordinator and Parent Educator. I also developed and ran group meetings for families and their children. I held many other responsibilities in these roles. The asset I utilized the most was working with all people.

I later returned to Calumet College of St. Joseph and received my Post Baccalaureate in Education. I spent many more years working with adults, children, and families. I hold Indiana and Arizona teaching licenses. In 2019, I obtained my license to be a Real Estate Sales Agent and I am a Realtor. I work with people and contracts daily. In the past, I have volunteered for the Maricopa Police Department for the Victims Assistance Program.

As you can see, I have the ability to learn and succeed in many areas. My career, schooling, and life has kept close to my strong feelings of working with the community and people. This is why I am interested in the Justice of the Peace Pro Tempore role. I appreciate you giving me the opportunity to research with you if this is a good fit. Thank you for your consideration.

Sincerely,

Dawn M Dutra
