Good morning OPSG Stakeholders,

The FFY 2025 OPSG grant application cycle is now open! All applications are due via email to me by **Friday, February 14, 2025 at 5:00pm.**

Attached to this email are the following documents:

1. FFY 2025 OPSG Social Security Application
2. FFY 2025 OPSG Non-social Security Application

You only need to complete one based on whether or not you pay into/receive Social Security.
All IPT meetings that have been scheduled. If you did not get an invite please let me know.

When you are crafting your applications please take into consideration your current balance, when you will exhaust your current funding, and your FFY 2024 allocation. We want to ensure we are requesting an appropriate amount of funding.

Please be aware that the mileage rate changed as of 1/27/2025. We have updated the reimbursement log to reflect the new rate from $0.655 to $0.67. An updated log will be provided soon.

As a reminder, you can always expend more mileage funding, taking from OT/ERE. This will have a small impact on your OT/ERE funds, but it should be minimal.

If you have any questions, please contact me.

Thank you,

Belinda
