Municipality Information	
1. Date of Application: 2/4/2025	
2. Name of City, Town or County: Pinal County	
3. Mayor (City or Town) or Board of Supervisor's Chairman (County): Stephen Q. Miller	
4. Mailing Address: P.O. Box 1348	
5. City: Florence	State: Arizona Zip Code: 85132
6. Acknowledgement of Submission by Authorized Municipality Representative: Typed Name/Title: Heather Patel, Grants Manager Email Address: heather.patel@pinal.gov Signature:	
Applicant Information	
7. Department/Organization Name: Pinal County Library District	
8. Select Organization Type: Municipality  If Non-profit please attach IRS Determination Letter	
9. Application Contact Person: James Mahoney Title: Emerging Technologies Librarian	
10. Phone Number: 520-866-6469	
11. Mailing Address: 92 W Butte Ave	
12. City: Florence	State: Arizona Zip Code: 85132
13. Email Address: james.mahoney@pinal.gov Website Address: pinal.gov/library	
Project Information	
14. Project Title: PCLD Informal Learning Technology Grant	
15. Purpose of Grant: To provide laptops and appropriate software for computer labs at Arizona City Community Library and San Tan Valley Library, for the purpose of informal learning by county residents.	
16. Priority Funding Area	Education
17. Annual amount requested	\$68228.44
18. Number of years that funding is requested	1
19. Total amount requested (annual amount x number of years)	\$68228.44
20. Has your organization received past funding from GRIC? If yes, list each year and amount	Pinal County – Yes (see #12), Library District - No
21. Geographic area served	Pinal County

For Office Use Only:		
Data Entry	Receipt	Evaluation
☐ Approval – Amount/Term		☐ Denial

Gila River Indian Community Grant Application Grant Cycle 2025

Narrative

Please structure your proposal to provide the following information in the order indicated. Provide the narrative in paragraph form in the text field provided. Please be thorough but strive for brevity.

1. Briefly describe your organization's history, mission and goals.

The mission of the Pinal County Library District is to provide information access and support services to County residents so they can fulfill their informational, educational, and recreational needs, and to affiliate libraries, so they can experience an enhanced ability to provide library services.

2. To determine eligibility for this grant please select one item in the drop-down below.

Municipality

If Municipal, please go to number 3 below.

If Non-Municipal or Non-profit, please describe how the services provided by your organization align with a government service of the supporting municipality. Explain how this project will support that service and describe the municipality's role in the project if applicable (beyond serving as a pass-through).

[Click here to enter text.](#)

3. Describe the proposed project, objectives, and your plan to implement.

Introduction: The Arizona City Community Library (ACCL) and San Tan Valley Library (STVL) are essential community resources, offering access to knowledge, technology, and lifelong learning. To enhance our services and bridge the digital divide, we seek funding to acquire laptops for public use, with a strong focus on expanding our library programming and providing computer skills classes for all ages.

Objectives:

1. **Increase Technology Access:** Provide approximately 20 laptops each for both ACCL and STVL for public use.
2. **Expand Digital Literacy Programs:** Offer workshops and training sessions on computer skills.
3. **Enhance Library Programming:** Develop and implement a variety of programs using the laptops to engage the community.

Project Plan:

Gila River Indian Community Grant Application Grant Cycle 2025

1. **Purchase and Setup:**

- Acquire approximately 20 laptops for each library with appropriate specifications.
- Install necessary software and security measures.

2. **Implementation:**

- Train staff on laptop usage and maintenance.
- Create a user-friendly check-out system.

3. **Programming:**

- **Digital Literacy Workshops:** Regular sessions on basic to advanced computer skills, internet safety, and software usage.
- **Job Support Services:** Workshops and one-on-one sessions to help users create resumes, apply for jobs, and prepare for interviews.
- **Educational Programs:** Collaborate with local schools and educational institutions to support online learning and homework help.
- **Creative Projects:** Use laptops for creative writing classes, graphic design workshops, and other artistic endeavors.
- **Community Engagement:** Host virtual book clubs, author talks, and community discussions using the laptops.

4. Describe how the proposed project satisfies one or more of the priority funding areas identified by the Gila River Indian Community.

Education: The purchase of 40 laptops will enable the PCLD to offer educational opportunities to bridge the digital divide, expand our library programming, and provide computer skills classes for all ages. Teaching computer skills to Pinal County residents in both Arizona City and San Tan Valley directly relates to providing support services in the realm of information and education.

5. Identify the needs/problems to be addressed, the target population and number of people to be served by the project.

Needs Assessment: a. We are targeting the subset of the general public that have limited computer skills, including children, adults, and older adults. b. ACCL has had many patrons requesting computer classes, and STVL is also in a position where many patrons could benefit from such classes. c. Patrons at both locations have expressed a desire for classes on how to use computers and other computer-related technology. d. ACCL and STVL are both county-run facilities under the administration of the Pinal County Library District (PCLD), whose mission is “to provide information access and support services to County residents so they can fulfill their informational, educational, and recreational needs, and to affiliate libraries, so they can experience an enhanced ability to provide library services.” Teaching computer skills to Pinal County residents in both

Gila River Indian Community Grant Application Grant Cycle 2025

Arizona City and San Tan Valley directly relates to providing support services in the realm of information and education.

Basic computer skills are essential in today's digital world for several reasons:

1. **Employment Opportunities** – Most jobs require basic computer knowledge for tasks like emailing, document processing, and data entry.
2. **Communication** – Computers enable efficient communication through emails, messaging apps, and video calls.
3. **Information Access** – The internet provides a vast amount of information, and basic skills help in researching and staying informed.
4. **Efficiency** – Knowing how to use basic software like word processors and spreadsheets can make work faster and more organized.
5. **Education** – Many learning resources, online courses, and educational tools require basic computer skills.
6. **Everyday Tasks** – Banking, shopping, and even scheduling appointments often require computers or smartphones.
7. **Cybersecurity Awareness** – Understanding basic computer functions helps in protecting personal data from online threats.

Number of people to be served: The population of Pinal County is 425,264 as of the 2020 census. As county-run facilities, ACCL and STVL are both available for any county resident's use and benefit. Arizona City's 2020 census population total was 9868, with 12.2% of residents living below the poverty line. Arizona City Community Library has an average daily visitor total of 95. SanTan Valley's 2020 census population total was 99894, with 7.5% living below the poverty line. San Tan Valley Library has an average daily visitor total of 227. We anticipate holding 1 class per month at San Tan Valley and 2 classes per month at Arizona City libraries, reaching 20 patrons per class for a total of 60 patrons per month. While this will persist throughout the grant period, classes will continue beyond the end of the grant period as well.

6. Define the project as a new or continuing program. Has GRIC previously funded this project?

This is a new program, and GRIC has not previously funded it.

7. Provide a brief timeline including start and finish dates. Indicate if the timeline is flexible.

The anticipated award date is October/December 2025. The procurement of the computers may take up to three months, followed by one month for the Pinal County IT Department to set up the laptops. Classes would begin in May 2026. By the September reporting period, information would be available to demonstrate the impact of the program including the number of people who attended the classes.

Gila River Indian Community Grant Application Grant Cycle 2025

8. Identify other organizations, partners or funders participating in the project and their roles.

N/A

9. Would you be able to implement the proposed plan if your organization received partial funding for this project?

Yes. Although the grant anticipates 40 total laptops and 2 charging carts, any number of laptops would still allow for the creation of these computer labs, albeit on a smaller scale.

10. Describe your plan for project financial sustainability beyond the grant period. If this is a program/project previously funded by the Gila River Indian Community, describe efforts made towards the previously described sustainability plan.

The costs of running the computer labs will be undertaken by PCLD, and staff at San Tan Valley Library, Arizona City Community Library, and the PCLD office will be the instructors for the community informal learning classes that the computer labs will support.

11. Describe your plan to document progress and results.

Staff at Arizona City Community Library, San Tan Valley Library, and PCLD will offer periodic classes, and attendance will be tracked as a metric for project success.

12. Indicate any application to and/or awards made by a tribe other than the Gila River Indian Community for state shared revenues for this and any other project for the past five (5) years.

Community	Department	Year	Award
Gila River Indian Community	County Attorney	2020	\$ 5,000

Project Budget Detail

Please provide a narrative description for each of the project budget items listed on the previous page. Include the dollar figure and how it was attained.

1. For 40 laptops with the required software included, Pinal County Information Technology department gave us a price quotation of \$1495.82 per laptop. This totals \$59832.80.
2. For 2 charging carts with capacity for 20+ laptops per cart, a supplier was located that sells carts for \$850 each.
3. A cornerstone of office productivity, Microsoft Office licenses will be included on each laptop at \$156.88 each, for a total cost of \$6695.64.

CONNECT WITH DELL:

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecifictterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.
