Dear Judge Brown,

I am requesting to be appointed as a Justice of the Peace Pro Tempore for the Copper Corridor Justice Court. I have completed New Judge Orientation and I am currently a Civil Traffic Hearing Officer and a Small Claims Hearing Officer for the Copper Corridor Justice Court. After completing NJO I also successfully completed the required Arizona Supreme Court's new judge orientation computer-based training.

Thank you for your consideration with this request. Please don't hesitate to let me know if you need anything further from me.

Respectively submitted,

To Whom It May Concern:

Please accept this correspondence as approval and support for the appointment of Mrs. Darenday as pro-temp for the Copper Corridor Justice Court, Superior and Oracle locations, #1105.

Darenday has completed New Judge Orientation and is currently a Civil Traffic Hearing Officer and a Small Claims Hearing Officer for the Copper Corridor Justice Court. Darenday has also successfully completed the required Arizona Supreme Court's new Judge orientation computer-based training.

Due to the location of these two courts within the Copper Corridor being rural, we do have difficulty having JPPT appointments on the current list travel to these locations. One of the pro temps locally continues to practice law in her private business and is usually not readily available when needed. The other pro temp is rarely called to serve here as such but has in other JP courts.

While Darenday's participation in this role would not be on a regular basis, having her serve as pro temp would be very resourceful when I am not physically at the Superior location, out of the office or not able to see the defendants over video.

This extra resource could expedite the process for the defendant if with a warrant, arraignment, or other walk-in process. It is important not to turn anyone away from the court if they have tried to be there for their due process or any other important matter such as Injunction of Harassments or Order of Protections arise.

Darenday would adhere to the policies established for pro temps and would also serve in that position with my permission. She is trustworthy and serves her current role as Judicial Office Supervisor professionally and efficiently.

Sincerely submitted,

Judge Ellie Brown
