Demographics

Do you capture demographics data on the population(s) served?	No
Please confirm why you are not currently collecting demographic data	Pinal County serves all residents within the county. General demographic data is obtained from sources like the U.S. Census. However, programs within the county may track the demographics of their participants.
Has your organization identified racial/ethnic disparities and additional equity factors in the selected health priority area(s)?	No
Briefly outline any strategies for closing racial/ethnic gaps or addressing identified equity issues and explain how these approaches will achieve your goals within your influence.	Addressing racial and ethnic gaps and promoting equity requires multifaceted strategies. Here are examples of what Pinal County does: 1. Employment Opportunities: Providing training and support programs to enhance the skills and employability of underrepresented groups. Creating partnerships with businesses to expand job opportunities in marginalized communities. 2. Healthcare Access: Increasing access to affordable healthcare services, especially in underserved communities. 3. Housing Equity: Enforcing fair housing laws and combating housing discrimination. Implementing affordable housing initiatives and providing subsidies for low-income families. Investing in neighborhood revitalization efforts to create safe and sustainable communities. 4. Community Engagement: Fostering partnerships between government, nonprofits, and community organizations to address systemic inequities. Empowering marginalized communities through participatory decision-making processes and grassroots organizing. Promoting cultural competency training for service providers and policymakers. These approaches aim to address the root causes of racial and ethnic disparities while promoting inclusivity and opportunity for all.
