☑	6/20/2024 8:15:35 AM	Nancy Chavarin	Per 34 CFR 76.708, your application has been submitted in a substantially approvable state. While you may begin obligating funds for Section 611 - Subgrants to LEAs as of 7/1/2024, reimbursement will not be available until the application is final Director Approved.	C
	12/11/2024 7:46:24 AM	Candice Trainor	Status changed to 'SEA IDEA Part B Consolidated Director Approved'.	S
☐	12/10/2024 7:39:33 AM	GME Administrator	The Individuals with Disabilities Education Act (IDEA) allocation funding may be modified on the Fiscal Year 2025 IDEA Part B Consolidated funding application to reflect the revised allocation. This adjustment results from the full award for IDEA Section 611 and/or IDEA Section 619 being allocated to your public education agency. A revision to the funding application budget will be necessary to reflect current year funding levels. Please review the Organization Contacts section to confirm current information before submitting your revision. If your funding application is approved (SEA Director Approved), it will change to “Revision Started” upon uploading the allocation into the GME by the end of December 2024. Any other status will require a return to draft started before you can adjust your budget. Program Management posted the full allocation amounts, proportionate share obligations for school districts, and CEIS values on the Program Management webpage.	C

			For questions regarding this allocation adjustment, proportionate share, or CEIS, please contact essprogmgmt@azed.gov. CC: LEA Business Manager

General Education Provisions Act (GEPA)
OMB Control Number 1894-0005
Expiration 2/28/2026

GEPA - Section 427 Requirements

EQUITY FOR STUDENTS, EDUCATORS, AND OTHER PROGRAM BENEFICIARIES

Section 427 of the General Education Provisions Act (GEPA) (20 U.S.C. 1228a)applies to applicants for grant awards under this program.

To address this provision and receive funding, LEAs must provide responses to the following:

* 1. Describe how your entity's existing mission, policies, or commitments ensure equitable access to, and equitable participation in, the proposed project or activity.
Applicants are not required to have mission statements or policies that align with equity in order to submit an application.

Pinal County Sheriffs Office recognizes the importance of equitable access to, and participation in, federally assisted programs for students, teachers, and their beneficiaries with special needs.

* 2. Based on your proposed project or activity, what barriers may impede equitable access and participation of students, educators, or other beneficiaries?
Applicants may identify any barriers that may impede equitable access and participation in the proposed project or activity, including, but not limited to, barriers based on economic disadvantage, gender, race, ethnicity, color, national origin, disability, age, language, migrant status, rural status, homeless status or housing insecurity, pregnancy, parenting, or caregiving status, and sexual orientation.

Potential barriers that can impede equitable access to and particip ation in these programs includes gender, race, national origin, color, disability, and/or age.

* 3. Based on the barriers identified, what steps will you take to address such barriers to equitable access and participation in the proposed project or activity?

Individuals who are members of special populations will be provided with equal access to enrollment and placement in educational programs available to individuals who are not members of special populations, including specific courses, apprenticeship programs, Title I, and to the extent practicable, comprehensive career guidance and counseling services, and shall not be discriminated against on the basis of their status as members of special populations.

* 4. What is your timeline, including targeted milestones, for addressing these identified barriers?

1. Ensuring accessibility of facilities and programs for all students, teachers, and other stakeholde rs, by eliminating
natural barriers for the enhancement of mobility and accessibility.
2. Staff Development for teaching students in the least restrictive e nvironment.
3. Providing academic adjustments and modifications in curriculum and instruct ion.
4. Equipment adaptation to ensure special populations can use equipment appropria tely.
5. Providing related services such as occupational and physical therapy services, transpo rtation, etc., to enhance participation programs.
6. Utilizing classroom as sistants and tutors to enhance inclusionary practices.
7. Provide in-service training on teaching strategies for regular classroom teac hers.
8. Teacher Assistance Team for special needs students.

These activities to address barriers are ongoing throughout the school year. Starting in late July, /early August with back-to-school Inservice and throughout the school year on early release Wednesdays.

Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1894-0005. Public reporting burden for this collection of information is estimated to average 3 hours per response, including time for reviewing instructions, searching existing data sources, gathering, and maintaining the data needed, and completing and reviewing the collection of information.

The obligation to respond to this collection is required to obtain or retain a benefit. If you have any comments concerning the accuracy of the time estimate or suggestions for improving this individual collection, send your comments to **ICDocketMgr@ed.gov** and reference OMB Control Number 1894-0005. All other comments or concerns

regarding the status of your individual form may be addressed to either (a) the person listed in the FOR FURTHER INFORMATION CONTACT section in the competition Notice Inviting Applications, or (b) your assigned program officer.

Program Information / Instruction

Eligibility

The local education agency (LEA) assures that it meets all eligibility criteria established in Part B of the Individuals with Disabilities Education Act as Amended by the Individuals with Disabilities Education Act Amendments of 2004 (PL 108-446) and the Education Department General Administrative Regulations.

The LEA assures it has budgeted in fiscal year for the education of children with disabilities, at least the same total, or per capita amount, from either of the following sources (state and local funds combined, or local funds only) as the LEA spent for that purpose from the same source for the most recent prior year for which information is available, 34 C.F.R. § 300.203.

The LEA assures it has obtained a Unique Entity ID (changed from the DUNS Number) and has registered with the CCR.

In addition, the LEA is not identified as ineligible by the Excluded Parties List System at https://www.sam.gov/SAM/. The LEA further assures that all contracted vendors paid with federal funds are not identified by the Excluded Parties List System. Upon request, the local educational agency shall make this complete application available to the public for review.

Throughout the period of the grant award the LEA will comply with all requirements of:

Parts A and B of the Individuals with Disabilities Education Act (IDEA) as Amended by the Individuals with Disabilities Education Act Amendments of 2004 (PL 108-446), and IDEA Federal Regulations; The Arizona Revised Statutes' administrative regulations on special education; All other requirements that are not inconsistent with IDEA, PL 108-446 found in;

- The Education Department General Administrative Regulations (EDGAR); and

- Uniform Grant Guidance, Title 2, Code of Federal Regulations Part 200.

The local educational agency has the opportunity to request a hearing if the State Educational Agency finds areas of noncompliance and consequently disapproves this application and receipt of federal funds. The hearing procedures will be conducted according to Education Department General Administrative Regulations, 34 C.F.R. § 76.401, which are included in this application package. They are also available at https://www2.ed.gov/policy/fund/guid/uniform-guidance/index.html.

All applicants should first read the Individuals with Disabilities Education Act (IDEA) Entitlement Application documentation, which is located on the ESS Program Management page - http://www.azed.gov/specialeducation. This documentation details the provisions which affect the Public Education Agencies (PEAs) funding application, including information expectations for each funding application to be submitted.

All-encompassing IDEA assurances are required to be read and signed prior to substantial approval of the funding application. These assurances are required beyond the general statement of assurance for all PEAs in the state. The special education director, superintendent, or charter holder must complete the Statement of Assurances survey in the ESS Portal of ADEConnect.

If any funds are required or voluntarily used for CEIS, CCEIS and/or Proportionate Share, these items should be explicitly identified in the Budget in separate budget narrative line items for those expenditures.

Questions should be directed to the ESS Program Management staff at: essprogmgmt@azed.gov

Please visit the ESS Program Management website to view allocation amounts, proportionate share obligations for districts, maximum CEIS values, allowable expenditures guidance, and additional technical assistance documents for the IDEA Consolidated - Entitlement Grant, http://www.azed.gov/specialeducation.

ESS Program Management will not be able to grant substantial approval of the funding application until the LEA has:

- •General Statement of Assurances accepted by ADE Grants Management
- •IDEA Statement of Assurances completed in ESS Portal
- •Complete budget and funding application submitted to LEA Authorized Representative Approved
- •Met requirements for IDEA Maintenance of Effort Eligibility test

Questions regarding dates and deadlines (with the exception of reimbursement requests deadlines) should be directed to ESS Program Management staff.

* Arizona school districts do not use a dollar threshold for determining whether an item is equipment or a supply. The detailed equipment classifications above allow correct coding of equipment in accordance with Arizona requirements and separate identification of lower cost items for federal grant reporting, including indirect cost reporting.

An item should be coded as equipment if it is included in the examples below or if it meets all three equipment criteria below the tables. Items listed as equipment examples below should not be evaluated using the equipment criteria. The examples are provided to ensure consistent treatment by all districts. Also, the examples include certain items that are exceptions to the equipment criteria, such as component parts.

Substantial Approval Guidance

• What is the difference between substantial approval and SEA Director Approval?

Substantial approval means there is a submitted funding application with a reasonable attempt at a budget and that there is a General Statement of Assurances (GSA) in "SEA General Statement of Assurance Accepted" status. This is affirmation that an LEA intends to accept monies from a particular funding source and agrees to abide by all assurances in the GSA.

SEA Director Approval, on the other hand, is confirmation that the grant program area has provided final director approval to the funding application submitted, and via this director approval the LEA understands that grant expenditures must meet all applicable rules and requirements of the funding source. SEA Director Approval status also enables the LEA to submit GME Reimbursement Requests during the applicable project period.

• What is the earliest date for substantial approval?

The grant's project start date is the earliest substantial approval date. For instance, July 1st is the project start date for many federal and state grants and thus July 1st would be the earliest substantial approval date.

Applications submitted in a substantially approvable state ***prior*** to or on a grants project start date will receive the project start date as the substantial approval date.

• What if my funding application isn't substantially approved by the grant's project start date?

It is important to remember that the substantially approved date is the **obligation date** tied to the date your funding application is submitted in a substantially approvable state. This means that once your grant project receives SEA Director approval, you may submit Reimbursement Requests in GME. Expenditures can then be reimbursed from the date the funding application was substantially approved.

A substantially approved date of August 15th, for example, would prevent an LEA from being reimbursed for any expenditures which happened between July 1st and up to the August 15th substantial approval date.

• Can my LEA just submit a request for pre-award costs to allow for missing a timely substantial approval date?

The ADE no longer has the authority to approve pre-award costs per the US Department of Education CFR200.458.

Pinal County Sheriffs Office (116012000) Public District - FY 2025 - Medium Risk - Global Hold(s): (2023) - IDEA Part B Consolidated - Rev 1 - IDEA Part B Consolidated Checklist

This checklist is a means of communication between the ADE and LEAs regarding the allowability and allocability of the items submitted in the funding application. Please follow the steps below to ensure that the funding application contains items that are in compliance with program requirements.

- After the LEA submits the application, the ADE will review the application and mark each section as OK, Not Applicable, or Attention Needed. If the application contains no items that are marked as Attention Needed, the application approval process will continue.
- If the application contains items that are marked as Needs Attention, the application cannot be approved and will be returned to the LEA for edits. The LEA will review the checklist for items that are marked Attention Needed and make the necessary changes to those items. Only the checked items in the sections marked Attention Needed are to be corrected and/or explained. Each section marked Attention Needed also has a place where the ADE may provide notes to explain items needing attention. The LEA should check for notes and additional comments.
- Once the LEA has made the necessary adjustments, the LEA will resubmit the application. If the ADE determines that the item has been corrected, Attention Needed will be changed to OK by the ADE Reviewer. If the items needing attention still have not been corrected, the application will be returned again to the LEA with a status of Not Approved.
- Applications that contain no items that are marked Attention Needed can be moved forward through the approval process.

For Profit/Non Profit Disclaimer & Attestation

By accepting a Grant Award from the Arizona Department of Education, Subrecipient hereby agrees to comply with all applicable local, state, and federal laws, rules and regulations and guidance now in effect or as may be amended during the term of this Grants Award.

Some grant funding ***may not*** be available to all entities seeking grant funds and will require entity validation before the funding process can continue.

In order to maintain compliance with local, state and federal laws, **entities must identify their For Profit or Non Profit status** on the annual General Statement of Assurances (GSA).

The identified status must also be attested to on all funding applications to further qualify eligibility for grant funding review.

*** Please select one status from the drop-down menu**

Non Profit ▼

If "For Profit" was selected, please contact the program area for this grant before proceeding with the application, as further eligiblity consideration may be required.

Subrecipient certifies that the status selected above is valid and that the General Statement of Assurances (GSA) also reflects this status:

☑ *** Yes**
