PROBLEM IDENTIFICATION AND RESOLUTION:**Agency Background:**

Pinal County consists of 5,386 square miles and includes 10 cities and 16 unincorporated communities, some of which are highly populated, such as San Tan Valley, Gold Canyon, and Arizona City. There are 3 Native American Reservations in Pinal County. The terrain varies from farmland, desert, and mountain regions. The rural areas are expanding with new residential communities and commercial businesses. There are many roadways throughout Pinal County, including interstates, state highways, county roads, and residential streets. There are multiple major roadways that allow Pinal County commuters to get to other locations in Pinal County and into Maricopa County. These roadways vary from one lane to multiple lanes of travel, with no median and separated medians. Speed limits vary from 25 miles per hour to 50 miles per hour on most county-maintained roadways.

The Pinal County Sheriff's Office (PCSO) employs approximately 506 people, which includes sworn deputies, detention officers, and civilian and support staff. There are 226 sworn deputies with 22 vacancies, 132 detention officers with 19 vacancies, and 149 civilian staff with 23 vacancies. The PCSO has three patrol regions and multiple specialty divisions, including but not limited to traffic, criminal investigations, search and rescue, aviation, K-9, anti-smuggling, range, training, civil, and narcotics. The deputies are responsible for patrolling the unincorporated and populated areas, rural areas, and assisting city agencies as needed.

Organization size/number of sworn officers: 226 Sworn Deputies (248 authorized, 22 vacancies)

Total population in city/town/county served: 500,000

Total road mileage: Highway: 2,500, Local: 1,300, Total: 3,800

Agency Problem/Attempts to Solve Problem:

Pinal County continues to grow at a rapid pace, due to its proximity to the Phoenix and Tucson areas. The climate, affordability, and job opportunities that Pinal County offers attract families from all over the nation. The increase in population puts a strain on the roadway system, and multiple areas of Pinal County transitioned from a suburban area to an urban area within years. The growth requires residential and commercial construction that includes roadway construction and expansion. Resulting from this rapid growth is increased traffic that produces reckless and impatient drivers, many that are found to be impaired by drugs and alcohol.

Due to the size and population of Pinal County, the Pinal County Sheriff's Office has a Traffic Unit that consists of two sergeants and eight deputies to supplement the patrol regions in promoting traffic safety. The main duties and responsibilities within the traffic unit include intensive traffic enforcement with a focus on moving violations, identifying and removing alcohol and drug-impaired drivers, and collision investigations ranging from civil non-injury to criminal fatality crash investigations. Over 26,000 traffic stops were conducted by deputies, resulting in 554 DUI arrests, 3,357 civil speed citations, and 377 criminal speed citations in 2024.

Agency Funding:

State DUI Abatement Funds will support Personnel Services (Overtime) and Employee Related Expenses to enhance DUI Enforcement and Training Overtime Activities throughout Pinal County.

How Agency Will Solve Problem With Funding:

The Pinal County Sheriff's Office is requesting funding to supplement DUI enforcement overtime throughout Pinal County during State Fiscal Year 2026. The PCSO Traffic Unit will conduct saturation patrols and DUI task force deployments during peak times where impaired driving is prominent, such as weekends and holidays. The funding could also allow PCSO instructors to teach new deputies and officers Governor's Office of Highway Safety (GOHS) approved training classes in order to identify and arrest impaired drivers.

PROGRAM MEASURES:**Grant Agreement Objectives:**

The Pinal County Sheriff's Office will host an SFST/HGN Technician course, scheduled for September 17-19, 2025. The PCSO has instructors who are able to assist in teaching various training blocks offered as part of this training course to teach deputies and officers to become HGN certified.

The PCSO Traffic Unit will be deployed for DUI Task Force operations during the weekends of the 4th of July, Labor Day, Halloween, Thanksgiving, Christmas, New Year's Eve, the Superbowl, St. Patrick's Day, Country Thunder, Cinco De Mayo, and Memorial Day. These task force deployments are proactive in nature and strive to stop, identify, and remove impaired drivers. The deployments also are educational for law-abiding citizens who operate motor vehicles on our roadways.

Quarterly reports will be submitted to document activities and successes in a timely manner.
