Dear Pinal County - Court Administration

Pinal County Superior Court

Re: Field Trainer Application

Your grant application for the funding of a field trainer in Pinal County has been approved in the amount of \$25,000.00.

In addition, the Field Trainer will also be partially funded through the funds identified on the application.

A funding agreement has been routed separately from DocuSign directly to the signers of this application/submission.

NOTE: Could you please alert all leadership staff that they will be receiving a DocuSign document for their review and signature. You may also want to alert them that this may come into a spam folder. DocuSign will forward us actions taken once all signers have reviewed and signed. Disbursement will only be made after the receipt of signed agreement and will go out as soon as administratively possible.

A final status report is required and due on **August 15, 2025**. Please note that Field Trainers are required to attend meetings and trainings provided by the AOC and submit required reports (final annual report and monthly reports). These reports will assist in measuring the continued effectiveness of the program.

If you have any questions, please don't hesitate to replay to this email or use the messaging feature in the grant's portal.

Sincerely,

CSD Grants
