Dear Pinal County - Court Administration

Arizona Superior Court in Pinal County

Your Supplemental Reduction of Case Backlogs (formerly ARPA #2) application has been approved in full for the total amount of \$28,000.00]. A funding agreement will be routed separately from DocuSign directly to the signers of this application/submission.

NOTE: Could you please alert all leadership staff that they will be receiving a DocuSign document for their review and signature. You may also want to alert them that this may come into a spam folder. DocuSign will forward us actions taken once all signers have reviewed and signed. Disbursement will only be made after the receipt of signed agreement and will go out as soon as administratively possible.

For multi-year proposals, a progress report is required and due on August 15th of each fiscal year as outlined in the funding agreement and should include a financial report along with responses to the following measures:

- Provide proof of purchase (invoices/receipts) for grant-funded (items/services)
- Hours worked and rate of pay for grant-funded staff.

- Number of criminal backlogged cases January 2023 vs current reporting period (Must be criminal, delinquency or DV related, per CPAF authority).
- Narrative on progress of reducing pandemic-related backlogs.

A final status report is due no later than 45 days from the end of the grant, February 14, 2025.

In the event that the Supplemental Reduction Case Backlog funds are insufficient to fund the approved request, there is no obligation or approval to provide funds from the Administrative Office of the Courts (AOC)

If you have any questions, please don't hesitate to replay to this email or use the messaging feature in the grant's portal.

Sincerely,

CSD Grants
