Grant Type	Federal Competitive
Funding Entity	US Department of Justice, Bureau of Justice Assistance, Office of Justice Programs
Project Name	FY 2020 Coronavirus Emergency Supplement Funding Program 2020-H3084-AZ-VD
Project Description	<p>Since the beginning of the Coronavirus pandemic, Pinal County put up its EOC and the Pinal County Sheriff's Department has been responsive in attendance and cooperation with other Departments including EOC, Health and Finance. The Sheriff's Office was immediate with precautions by changing how we deal direct with the public during this crises. We limited our direct contact to only those calls which absolutely need contact. We also initiated policy to change the availability of one on one contact between civilian employees and the public at our facilities county wide. During this time, the Pinal County Sheriff's Office had a massive increase in its PPE usage. We are seeking \$63,329 dollars to purchase equipment and supplies to combat this epidemic. As you can see in the attached BDW our plan includes the purchase of 3 cordless electrostatic sprayers, 1 Ozone sterilizer, and a vacuum sealer with associated bags, boards and film along with needed electrical circuit to operate. Our employees will need additional PPE to protect themselves while using the above equipment. PCSO employees come into contact with the public on a regular basis. What they may encounter as far as infected subjects is completely unknown. They need N95 masks, gloves, suits and other PPE to include hand sanitizer to keep them safe from being infected. There is a likelihood that this virus will mutate and make a comeback in the fall during other virus seasonal episodes. PCSO will still be in constant contact with the general public enforcing laws and saving lives. We hope that his funding will arrive and we can purchase this necessary equipment and supplies to mitigate our exposure in the coming months.</p>
Amount	\$63,329.00
Matching Funds	\$0.00
Fiscal Year	2020-2021
Request Type	New
Department	Sheriff
Admin Reporting	<input type="checkbox"/> Blake King
