RE: Request for no-cost extension, Award # 2019-ZB-BX-0006
Digital Transformation of Community Supervision (DTCS)

Latanza Wilson, DOJ Grant Manager/State Policy Advisor
Department of Justice

Dear Ms. Wilson,

We are writing to request a no-cost extension for BJA Award # 2019-ZB-BX-0006 *Digital Transformation of Community Supervision (DTCS)*. This contract award began October 1, 2019, and is set to terminate on September 30, 2022. Due to the delayed funding for this grant and unforeseen circumstances related to the COVID-19 pandemic, we were unable to meet certain implementation plans for this project.

The Pinal County Attorney's Office requests to extend the Award # 2019-ZB-BX-0006 termination date from September 30, 2022, to September 30, 2023. This will provide sufficient time to implement the recommendations from the short-term stakeholder committees, and allow us to focus on enhancements to the platform, develop policies and procedures, complete a cost-effectiveness analysis and explore interoperability.

Respectfully,

Jeffrey McClure, Chairman
Pinal County Board of Supervisors
