THIS PURCHASE AGREEMENT SHALL SERVE AS THE ESCROW INSTRUCTIONS

N/A The Escrow Agent shall first apply the purchase price on deposit to satisfy such taxes, mortgage claims, leasehold interests, special assessments, fines, fees, or charges to be paid to the homeowners' association and other encumbrances as may be authorized for payment, and the balance thereof shall be paid in accordance with the terms hereof. If the subject property is encumbered with Covenants, Conditions and Restrictions, the Escrow Agent shall send a Notice of Pending Sale pursuant to A.R.S. 33-1806.

X The Escrow Agent shall deposit all escrowed funds in escrow account and disburse same by check; pay encumbrances in accordance with this agreement; prorate all agreed items; record such escrowed instruments as are necessary or proper in the issuance of title insurance; and pay the balance of the escrowed funds to the party or parties entitled thereto. THIS PURCHASE AGREEMENT SHALL SERVE AS THE ESCROW INSTRUCTIONS

N/A The Escrow Agent shall first apply the purchase price on deposit to satisfy such taxes, mortgage claims, leasehold interests, special assessments, fines, fees, or charges to be paid to the homeowners' association and other encumbrances as may be authorized for payment, and the balance thereof shall be paid in accordance with the terms hereof. If the subject property is encumbered with Covenants, Conditions and Restrictions, the Escrow Agent shall send a Notice of Pending Sale pursuant to A.R.S. 33-1806.

X The Escrow Agent shall deposit all escrowed funds in escrow account and disburse same by check; pay encumbrances in accordance with this agreement; prorate all agreed items; record such escrowed instruments as are necessary or proper in the issuance of title insurance; and pay the balance of the escrowed funds to the party or parties entitled thereto. It is further understood and agreed that the Title Company shall not be responsible for any liens or encumbrances not of record at the closing of escrow.

X The Grantor agrees that should further encumbrances be attached to this property subject to this transaction during the escrow period, including but not limited to, monetary liens, leases, easements and permits, Grantor shall remain responsible for any damages in the event of non-compliance.

X The Escrow Agent is to withhold \$0.00 as a cost to cure and/or site-clearance deposit pending satisfactory delivery of the subject property to the PCFCD by the Grantor. The cost to cure and/or site-clearance is described as N/A. PCFCD will make written authorization to the Escrow Agent for disbursement of the cost to cure and/or site-clearance deposit in accordance with this agreement, after PCFCD acceptance of delivery and possession of the subject property.

N/A The Grantor is to notify the PCFCD, of the date Grantor intends to vacate the subject property.

N/A If cost-to-cure moneys have been paid to remove or relocate improvements on the property conveyed, Grantor agrees to remove all buildings and appurtenances including fences, floors other than concrete, plumbing lines above grade, and all combustible material not later than 30 days from the date of payment. The Grantor assumes all liability connected with said removal. It is further agreed that upon expiration of the time provided for removal, all improvements remaining partially or wholly upon the lands conveyed shall become the property of the PCFCD, and all rights of the Grantor to said improvements shall cease and terminate. Grantor shall be liable for the reasonable costs incurred in removing said improvements. License is hereby granted to the PCFCD to enter upon the Grantor's remaining lands where necessary to accomplish the purpose of this paragraph.

X The PCFCD will pay the costs of any escrow services and/or title insurance desired by it, but may, at its option, waive escrow and/or title insurance. Upon such waiver, the references to Title Company, Escrow Agent, and title insurance herein are not applicable. If this transaction is not handled through a title company, the conveyance will be delivered direct to the PCFCD and payment will be made direct from the Grantee to the Grantor after approval and acceptance by the PCFCD and the final filing and recording of the documents.

X The Escrow Agent shall request the Grantor acknowledge receipt of the amount shown on the closing statement as due Grantor. Either a copy of this request or a copy of a signed receipt is to be retained in the escrow file.

It is further understood and agreed that this temporary right will expire and terminate thirty (30) days after completion of PCFCD's project.

Further, said consideration shall constitute a waiver of any and all claims for damages or compensation to said abutting lands that may hereafter arise or result from the establishment and construction of the highway in the manner proposed by the PCFCD.

X PCFCD is acquiring Grantor's property through its right of eminent domain under threat of condemnation; therefore, it is not a voluntary sale in the ordinary course of real estate negotiation. Further, the settlement herein is in lieu of condemnation and not admissible as evidence of value, nor for any other evidentiary purpose, in conjunction with any judicial or administrative proceeding.

THIS PURCHASE AGREEMENT SHALL SERVE AS THE ESCROW INSTRUCTIONS

The Escrow Agent shall first apply the purchase price on deposit to satisfy such taxes, mortgage claims, leasehold interests, special assessments, fines, fees, or charges to be paid to the homeowners' association and other encumbrances as may be authorized for payment, and the balance thereof shall be paid in accordance with the terms hereof. If the subject property is encumbered with Covenants, Conditions and Restrictions, the Escrow Agent shall send a Notice of Pending Sale pursuant to A.R.S. 33-1806.

The Escrow Agent shall deposit all escrowed funds in escrow account and disburse same by check; pay encumbrances in accordance with this agreement; prorate all agreed items; record such escrowed instruments as are necessary or proper in the issuance of title insurance; and pay the balance of the escrowed funds to the party or parties entitled thereto. It is further understood and agreed that the Title Company shall not be responsible for any liens or encumbrances not of record at the closing of escrow.

The Grantor agrees that should further encumbrances be attached to this property subject to this transaction during the escrow period, including but not limited to, monetary liens, leases, easements and permits, Grantor shall remain responsible for any damages in the event of non-compliance.

The Escrow Agent is to withhold \$0 as a cost to cure and/or site-clearance deposit pending satisfactory delivery of the subject property to the COUNTY by the Grantor. The cost to cure and/or site-clearance is described as _____. The COUNTY will make written authorization to the Escrow Agent for disbursement of the cost to cure and/or site-clearance deposit in accordance with this agreement, after COUNTY acceptance of delivery and possession of the subject property.

The Grantor is to notify the COUNTY, of the date Grantor intends to vacate the subject property.

If cost-to-cure moneys have been paid to remove or relocate improvements on the property conveyed, Grantor agrees to remove all buildings and appurtenances including fences, floors other than concrete, plumbing lines above grade, and all combustible material not later than 30 days from the date of payment. The Grantor assumes all liability connected with said removal. It is further agreed that upon expiration of the time provided for removal, all improvements remaining partially or wholly upon the lands conveyed shall become the property of the COUNTY, and all rights of the Grantor to said improvements shall cease and terminate. Grantor shall be liable for the reasonable costs incurred in removing said improvements. License is hereby granted to the COUNTY to enter upon the Grantor's remaining lands where necessary to accomplish the purpose of this paragraph.

The COUNTY will pay the costs of any escrow services and/or title insurance desired by it, but may, at its option, waive escrow and/or title insurance. Upon such waiver, the references to Title Company, Escrow Agent, and title insurance herein are not applicable. If this transaction is not handled through a title company, the conveyance will be delivered direct to the COUNTY and payment will be made direct from the Grantor to the Grantor after approval and acceptance by the COUNTY and the final filing and recording of the documents.

The Escrow Agent shall request the Grantor acknowledge receipt of the amount shown on the closing statement as due Grantor. Either a copy of this request or a copy of a signed receipt is to be retained in the escrow file.

The Escrow Agent shall furnish the COUNTY a copy of the Grantor's closing statement with the following certification signed by an authorized officer: "This is to certify this is a true and correct statement of disbursement of funds collected from Pinal County".

If the COUNTY is acquiring only a portion of Grantor's property, then Grantor grants to the COUNTY, its agents, employees and contractors, the right to enter Grantor's remaining property as necessary for utility reconnection, driveway reconnection, facilitating removal of buildings or appurtenances where portions of acquired buildings or appurtenances are situated on Grantor's remaining property, and to facilitate sound wall construction on adjacent COUNTY-owned right of way, if required. It is further understood and agreed that this temporary right will expire and terminate thirty (30) days after completion of COUNTY's project.

It is understood and agreed the consideration expressed herein is accepted by the Grantor as full and complete compensation for the interest being acquired, and in settlement for all injury or damage to the Grantor's remaining abutting lands. Further, said consideration shall constitute a waiver of any and all claims for damages or compensation to said abutting lands that may hereafter arise or result from the establishment and construction of the highway in the manner proposed by the COUNTY.

COUNTY is acquiring Grantor's property through its right of eminent domain under threat of condemnation; therefore, it is not a voluntary sale in the ordinary course of real estate negotiation. Further, the settlement herein is in lieu of condemnation and not admissible as evidence of value, nor for any other evidentiary purpose, in conjunction with any judicial or administrative proceeding.
