Hi folks,

The FY25 VP Grant solicitation will be posted and available on the Ecvivis platform in early April, due May 24, 2024. To assist with your budget planning, we do not anticipate any funding increases for FY25. The AATA Board will review and approve the grants at the June 19, 2024 meeting for funding after July 1st and once contracts are received back. I'll send a notification once the Grant application is available in Ecvivis.

Thank you,
Ann
