**AFFIRM SEXUAL AND REPRODUCTIVE HEALTH
FAMILY PLANNING PROGRAM CONTRACT**

This AFFIRM SEXUAL AND REPRODUCTIVE HEALTH FAMILY PLANNING PROGRAM CONTRACT (the “**Contract**”) is entered into by and between the Arizona Family Health Partnership dba Affirm Sexual and Reproductive Health, an Arizona not-for-profit corporation (“**Affirm**”), and **Pinal County Public Health Services District** (the “**Contractor**”). Affirm or the Contractor may be referred to individually as the “**Party**” or collectively the “**Parties**”.

RECITALS

WHEREAS, Affirm has received Grant # 5 FPHPA006520-02-00 (the “**Grant**”) dated March 23, 2023, from the Office of Population Affairs (“**OPA**”) and the United States Department of Health and Human Services (“**DHHS**”), to provide family planning and related preventative health services to eligible clients in the State of Arizona;

WHEREAS, the Grant is made pursuant to Title X of the Public Health Service Act, 42 U.S.C. 300, et seq., as amended and program guidelines and requirements issued by DHHS and OPA (“**Title X**”). Title X authorizes federally funded grants “to assist in the establishment and operation of voluntary family planning projects which shall offer a broad range of acceptable and effective family planning methods and services (including natural family planning methods, infertility services, and services for adolescents).”

WHEREAS, the Contractor provides services that qualify for reimbursement under Title X.

WHEREAS, the Parties desire to provide for a sub-award of the Grant to reimburse the Contractor’s actual, allowable costs associated with providing the Family Planning Services, defined below.

AGREEMENT

NOW THEREFORE, in consideration of the mutual promises and covenants herein contained and intending to be legally bound thereby, Affirm and the Contractor agree as follows:

ARTICLE I
TERM AND STATEMENT OF WORK

1.1 **Term**. The Contract will begin on **April 1, 2023 and terminates March 31, 2024**, unless earlier terminated or amended pursuant to Article VI (the “**Term**”).

1.2 **Services and Standards**. The Contractor will provide **2,800** unduplicated clients the comprehensive sexual and reproductive services identified in the Affirm Agency Health Center Report (the “**Family Planning Services**”), attached as Attachment 1. The Family Planning Services will be performed in strict compliance with Title X and:

1.2.1 The Contractor’s Client Data Projections described in the Client Data Summary (“**Client Data Summary**”), attached as Attachment 2;

1.2.2 The Contractor’s total 2023-2024 Family Planning Program Budget (“**Budget**”), which includes all revenues and expenses for the Contractor’s Title X-funded site(s). The Budget is attached as Attachment 3.

1.2.3 Any Title X regulations, including 42 C.F.R. § 59 et seq. (the “**Title X Regulations**”). The current Title X Regulations are attached for reference as Attachment 4;

1.2.4 OPA Program Policy Notices (“**Program Notices**”) attached as Attachment 5;

1.2.5 Affirm’s Title X Program Standards and Policy Manual (the “**Manual**”), including the Legislative Mandates referenced therein, attached as Attachment 6; and

1.2.6 All other applicable federal and State laws and regulations.

1.3 Related Preventive Health Services. The Contractor will ensure clients have access to related and other preventive health services on-site or by referral (“**Related Preventive Health Services**”). Related Preventive Health Services are beneficial to reproductive health, are closely linked to family planning services, and are appropriate to deliver in the context of a family planning visit but do not contribute directly to achieving or preventing pregnancy: examples include breast and cervical cancer screening, screening for lipid disorders, skin cancer, colorectal cancer, or osteoporosis. The Contractor’s employees and agents will be trained and equipped to offer these services onsite or by referral.

1.4 Subcontractors. The Contractor will submit a list of any subcontractors and/or independent consultants providing Family Planning Services within 30 days of the execution of this Contract or the subsequent engagement of any subcontractor(s) and/or independent consultant(s). Each will be attached as Attachment 7. All subcontractors and/or consultants must be insured, as required herein, and comply with Title X, the Title X Regulations, the Manual, Program Notices, and any other applicable laws and requirements.

ARTICLE II REIMBURSEMENT

2.1 Reimbursement. Affirm will reimburse a portion of the Contractor’s Budget for properly documented and allowable costs to provide the Family Planning Services (“**Reimbursement**”). The total Reimbursement payments by Affirm will not exceed **\$350,000** (“**Reimbursement Award**”). Notwithstanding the foregoing, if Contractor has complied with all provisions of this Contract and Affirm receives additional discretionary funds through DHHS, Affirm may, in its sole discretion and upon written notice to Contractor, pay Contractor a one-time supplementary award in addition to the Reimbursement Award (“**Supplementary Award**”). The Contractor will not receive any Reimbursement until it identifies in writing and submits to Affirm the source and allocation of up to **\$409,542** (“**Contractor Contribution**”) to satisfy its Budget. At a minimum, the Contractor Contribution must constitute at least ten percent (10%) of the Budget. An amendment to the Contract is not required for Affirm to provide Contractor with the Supplementary Award, and the amount of the Supplementary Award may be provided to Contractor in the form of a reduction in Contractor Contribution without an amendment. The Contractor Contribution must: (i) be from non-Federal funds; (ii) be allowable by Federal regulations; (iii) cannot be used by more than one project; and (iv) must be auditable. The Contractor Contribution may include third party payments for Family Planning Services and patient collection fees, donations, local and State government contributions, agency in-kind and agency contributions. Reimbursement is contingent on: (i) the Contractor’s satisfactory performance of the Family Planning Services and terms of this Contract, which determination will be in Affirm’s sole discretion; and (ii) Affirm’s receipt of monies from DHHS in the amount specified in the Notice of Grant Award for the applicable funding period.

2.1.1 Reduction of Reimbursement Award. If Contractor provides Family Planning Services for less than 100%, but at least 97% of the unduplicated clients anticipated in the Affirm Agency Health Center Report, the Contractor will earn the full Reimbursement Award, provided that the Contractor Contribution are expended in full, and that the Contractor's total Title X family planning revenue equals the total cost of providing the Family Planning Services. If the Contractor serves less than 97% of the unduplicated clients anticipated in the Affirm Agency Health Center Report, the base Reimbursement will be reduced by \$125 for each client below the 97% threshold.

2.2 Reporting and Reimbursement Procedure. On a monthly or quarterly basis, the Contractor will submit the Arizona Family Health Affirm Request for Title X Contract Funds Form (the "**Reimbursement Request**") to Affirm, indicating the total funds used during that period. The Reimbursement Request is attached as Attachment 8. Within 30 days of receipt and approval of the Reimbursement Request and financial report as described in 2.2.2 by Affirm, Affirm will pay the Reimbursement. If the Contractor fails to deliver the Reimbursement Request or the following reports at the appropriate times, or otherwise comply with the terms of this Contract, Affirm may, upon reasonable notice, suspend Reimbursement until such reports are delivered to and approved by Affirm:

2.2.1 Encounter Data Report. The Contractor will submit encounter data through Affirm's Centralized Data System (CDS) on at least a monthly basis, no later than 15 days after the end of each month. Encounter data elements and format are described and defined in Affirm's Data Manual.

2.2.2 Financial Reports. The Contractor will submit monthly or quarterly financial reports through Affirm's Program Information Management System (PIMS). The Contractor will furnish Affirm with reports of its revenues and costs by the 25th of the month following the end of each calendar quarter. If the 25th falls on a weekend or holiday, the report will be due on the next business day.

2.2.3 Ad Hoc Reports. The Contractor will submit additional statistical or program information as requested or required by DHHS.

2.3 Limitations on use of Reimbursement. The Contractor will not use Reimbursement for any costs disallowed by Title X, Affirm, DHHS, or other appropriate federal officials ("**Disallowed Costs**"), which may include but are not limited to:

2.3.1 Costs to perform abortions or to supplant any funds used to perform abortion;

2.3.2 Costs to perform sterilization or to supplant any funds used to perform sterilization;

2.3.3 Indirect costs over 10% of the total program direct cost. (To charge indirect costs, the Contractor must submit a current Federally approved Indirect Rate letter or be limited to the de minimis indirect cost rate defined in 2 C.F.R. § 200.414);

2.3.4 Salaries over the current Executive Level II of the Federal Executive Pay Scale. For the purposes of the salary limitation, the direct salary is exclusive of fringe benefits and indirect costs. An individual's direct salary is not constrained by the legislative provision for a limitation of salary. A Contractor may pay an individual's salary amount in excess of the salary cap with non-federal funds.

2.3.5 Those funds used for publicity or propaganda purposes, for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation designed to support or defeat the enactment of legislation before the Congress or any State or local legislature or legislative body, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any State or local government, except in presentation to the Congress, any state or local legislature or legislative body, or the executive branch of any State or local government itself;

2.3.6 Costs for salary or expenses of any Grant or Contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulations, administrative action, or Executive order proposed or pending before Congress or any State government, or a State or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by any agency or office of a State, local, or tribal government in policymaking and administrative processes within the executive branch of that government;

2.3.7 Advocating or promoting gun control; or

2.3.8 As described in 2 C.F.R. § 200.216, the Reimbursement may not be used to procure, obtain, or enter into a contract to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

2.4 Return of Disallowed Costs and Appeal. If Affirm determines that the Contractor has spent Reimbursement funds on Disallowed Costs, the Contractor will remit to Affirm any such amounts. If the Contractor fails to remit such amounts within 30 days of notice of the Disallowed Costs from Affirm, Affirm may offset such amount against future funding obligations by Affirm or take other action available to it under law to reclaim such amount. If DHHS disallows any cost incurred by the Contractor under this Contract, at the Contractor's request, Affirm may pursue appropriate administrative appeals to DHHS. In the event Affirm elects to pursue such administrative appeals, the Contractor will pay into an escrow account such amount as Affirm deems appropriate to cover the Disallowed Costs and appeal costs, including attorney's fees and interest penalties. The Contractor agrees to cooperate fully with Affirm in providing documentation and other supporting material relevant to such a determination. If applicable, payment of questioned costs may be withheld from Reimbursement until the questions are resolved. Affirm will make Reimbursement of all otherwise properly documented and allowable costs not in question.

2.5 Reallocation. Should the Contractor fail to expend its Reimbursement Award, Affirm may reallocate the Reimbursement Award to ensure that funds are expended efficiently. Affirm will review the Contractor's Budget at the beginning of the last quarter of the Term, and upon determination that the Reimbursement Award is not being expended efficiently or will not be expended fully during the Term, Affirm may, in its sole discretion, reallocate all or a portion of the remaining Reimbursement Award to another organization. The Contractor may not carry over any non-obligated portions of its Reimbursement Award to the next grant or contract period.

ARTICLE III
THE CONTRACTOR'S REPRESENTATIONS AND WARRANTIES

The Contractor represents and warrants to Affirm the matters set forth in this Article III.

3.1 Title X System. The Contractor has had the opportunity to review the Title X Regulations and Manual, and fully understands Affirm's and Title X requirements for receiving Reimbursement. The Contractor has a system in place to meet these requirements, including a financial management system that is able to effectively segregate Reimbursement funds, revenue, and expenses.

3.2 Debarment and Suspension. The Contractor's employees and sub-contractors, its current and future subcontractors and their principals: (i) are not presently and will not be debarred, suspended, proposed for debarment or declared ineligible for the award of subcontracts, by any U.S. Government agency, any state department or agency, in accordance with federal regulations (53 Fed. Reg. 19161-19211) or has been so within the preceding three (3) year period; (ii) have not within a three (3) year period preceding this Contract had one or more public transactions (federal, state, or local) terminated for cause or default; and (iii) in the event any employee or sub-contractor of the Contractor's is debarred, suspended, or proposed for debarment, the Contractor must immediately notify Affirm in writing.

3.3 HIPAA Compliance. The Contractor is a Covered Entity as defined in 45 C.F.R. § 160.103 of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and is required to comply with the provisions of HIPAA with respect to safeguarding the privacy and confidentiality of protected health information. Affirm is neither a Covered Entity nor business associate under HIPAA; however, Affirm acknowledges that it is subject to the privacy and security requirements imposed on Grantees by DHHS under the Title X Program. In the event of a "breach" requiring notification under A.R.S. § 18-552, Affirm will notify Contractor of the breach of Contractor's data promptly, and in all cases, within 45 days of discovering the breach.

3.4 Conflict of Interest. This Contract does not create a conflict of interest, under any statute or rule of any governing jurisdiction, between the Contractor's officers, agents or employees and Affirm. The provisions of A.R.S. § 38-511 apply.

3.5 Equal Opportunity. The Contractor is an Equal Employment Opportunity employer in accordance with the requirements of 41 C.F.R. § 60-1.4(a), 60-250.5, 60-300.5(a), 60-741.5(a) and 29 C.F.R. § 471, Appendix A to Subpart A, if applicable, and the required equal opportunity clauses contained therein are hereby incorporated by reference.

ARTICLE IV

The following is a non-exclusive list of other laws and regulations by which the Contractor will abide:

ARTICLE V INSURANCE AND INDEMNIFICATION

5.1 Insurance. The Contractor will procure, maintain, and provide proof of coverage of: (i) a Medical Malpractice Professional Liability Insurance Policy and such policy will be written on an occurrence basis in the minimum amount of \$1,000,000 for all medical provider employees and subcontractors and consultants, unless the Contractor qualifies for such insurance pursuant to Section 5.2; (ii) General Liability coverage of at least \$1,000,000 per occurrence and \$3,000,000 Annual aggregate against general liability endorsed for premises-operations, products/completed operations, contractual, property damage, and personal injury liability; (iii) Workers compensation in accordance with applicable law; and (iv) Fidelity coverage adequate to protect against loss due to employee dishonesty of at least \$5,000. The Contractor will provide certificates indicating the proof of such insurance and incorporate them as Attachment 9. The insurance policies referred to above must name Affirm as an additional insured under each policy. The Contractor will promptly provide Affirm with written notice of any ineligibility determination, suspension, revocation or other action or change relevant to the insurance requirements set forth above. The Contractor may provide all or a portion of the required coverage through programs of self-insurance as allowed by law.

5.2 FTCA Status. If applicable as a Federally Qualified Health Center ("**FQHC**"), the Contractor has been deemed eligible and approved for medical malpractice liability protection through the Federal Tort Claims Act (FTCA), pursuant to the Federally Supported Centers Assistance Act of 1992 and 1995. The Contractor must remain in deemed status during the Term of this Contract. Should the Contractor lose its designation as an FQHC or lose its deemed status during the Term, the Contractor must immediately secure Professional Liability Malpractice Insurance as required by Section 5.1 and must provide a copy of the insurance certificates confirming such insurance protection.

5.3 Indemnification. To the extent allowed under Arizona law, the Contractor will indemnify, defend, save, and hold harmless Affirm and its officers, officials, agents, and employees (hereinafter referred to as "**Indemnitee**") from and against any and all claims, actions, liabilities, damages, losses, or expenses (including court costs, attorneys' fees, and costs of claim processing, investigation and litigation) (hereinafter referred to as "**Claims**") for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of the Contractor or any of its owners, officers, directors, agents, employees, or subcontractors. This indemnity includes any claim or amount arising out of or recovered under the Workers' Compensation Law or arising out of the failure of the Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation, or court decree. It is the specific intention of the Parties that the Indemnitee will, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by the Contractor from and against any and all Claims. It is agreed that the Contractor will be responsible for primary loss investigation, defense, and judgment costs where this indemnification is applicable. To the extent permitted by law, the Contractor agrees to reimburse Affirm for any monies which Affirm is required to pay to the DHHS or other agencies of the United States Government or the State of Arizona for any Claims arising solely from the failure of the Contractor to perform in accordance with this Contract or, local, state, or federal laws and regulations. Affirm will appropriately invoice or file a Claim with the Contractor for any such reimbursement by the Contractor, and the Contractor will have opportunity to review, and protest when appropriate, the Claim prior to making any timely reimbursement to Affirm. The indemnification provided herein will survive the termination of this Contract.

ARTICLE VI TERMINATION AND AMENDMENT

6.1 Termination of Contract. This Contract will terminate on the last date discussed in Section 1.1, unless earlier terminated pursuant to the terms of this Section. Upon termination: (i) the Contractor will return to Affirm any unencumbered balance of the Reimbursement disbursed under this Contract; and (ii) all nonexpendable personal property, finished or unfinished documents, data, studies, and reports purchased or prepared by the Contractor under this Contract will, at the option of Affirm, become Affirm's property or be disposed of in accordance with Affirm's procedures or instructions. Final payment to the Contractor, if applicable, is contingent upon the Contractor completing closeout procedures as detailed in Affirm's Delegate Closeout Checklist, as defined in the Manual.

6.1.1 Termination by the Contractor. If the Contractor is unable or unwilling to comply with additional conditions as may be lawfully imposed on the Contractor, the Contractor may terminate this Contract by giving written notice to Affirm signifying the effective date thereof. The Contractor may terminate this Contract for any other reason by providing Affirm with at least 90 days written notice. In the event the Contractor terminates this Contract, the Contractor will be entitled to compensation for any un-reimbursed expenses necessarily incurred in satisfactory performance of this Contract.

6.1.2 Termination by Affirm. Affirm may terminate this Contract or suspend Reimbursement, in whole or in part, in the event the Contractor: (i) fails to fulfill in a timely and proper manner its obligations under this Contract; or (ii) violates any of the covenants, agreements, or stipulations of this Contract, by providing the Contractor written notice of termination specifying the date of termination. Affirm may give the Contractor an opportunity to cure deficiencies by providing a cure period, of at least 10 days, in any notice of termination. If Affirm does not provide a cure period or if Contractor does not cure all deficiencies within the time specified by Affirm, the Contract will be terminated. Despite any termination hereunder, the Contractor will not be relieved

of liability to Affirm for damages sustained by Affirm by virtue of any material breach of this Contract by the Contractor. Affirm may withhold any reimbursement to the Contractor for the purpose of offset until such time as the exact amount of damages, if any, due Affirm from the Contractor is agreed upon or otherwise determined.

6.1.3 Termination or Reduction of DHHS Funding. Affirm has been informed by DHHS that the Grant provides funding for the Term. However, in the event any DHHS funding is reduced, terminated or otherwise negatively altered (including any change or limitation upon whom Affirm may pay or distribute monies to under this Contract), whether before or after this Contract is effective, Affirm may terminate this Contract in whole or in part by providing the Contractor a written notice of termination. The effective Contract termination date will be the date such DHHS funding is reduced, terminated or otherwise negatively altered ("**DHHS Funding Termination Date**"). Notwithstanding anything in this Contract to the contrary, if the Contract is terminated because of the foregoing, Affirm is relieved of all obligations under the Contract. Termination of this Contract hereunder will not be deemed a breach of this Contract by Affirm.

6.1.4 Termination due to Non-Appropriation. Notwithstanding any other provisions in this Contract, this Contract may be terminated by Affirm if the Contractor's governing body does not appropriate the Contractor Contribution or other sufficient monies to provide the Family Planning Services. In such an event, the Contractor will notify Affirm of its inability to appropriate the requisite funds and Affirm may, at its discretion, terminate this Contract.

6.2 Amendment. The Contract, together with Attachments referenced herein, fully expresses all understanding of the Parties concerning all matters covered and will constitute the total Contract. No amendment of, addition to, or alteration of the Terms of this Contract, whether by written or verbal understanding of the Parties, their officers, agents or employees, will be valid unless made in a writing that is formally approved and executed by the Parties or made pursuant to the following procedures:

6.2.1 If Affirm obtains additional Grant funding for periods after the expiration of the Term, the Contractor may request to extend the Term by updating the annual application forms and submit them through Affirm's Program Information Management System (PIMS). Any extension of the Term will be mutually agreed on by the Parties, in writing.

6.2.2 The Contractor may make changes to staff and location of its Family Planning services, provided that the Contractor will notify Affirm, in writing as soon as possible for staff changes and within 30 working days of any changes or closures of a Title X clinic site location.

6.2.3 The Contractor must submit written requests for any change in the Family Planning Services including, but not limited to, Affirm Agency Health Center Report, Client Data Summary, and Budget. Affirm will determine whether changes require Contract revision or amendment.

6.2.4 The Contractor must submit Budget modification requests within 30 days for prior approval by Affirm in the following instances: (i) The Contractor requires allocations of additional funds beyond the specified base amount; (ii) the Contractor wishes to reduce the Reimbursement Award; and (iii) the Contractor provides changes to the Budget representing a variance of 10% of any individual Budget category.

6.2.5 Changes in policies, procedures, and/or forms related to the Family Planning Services must be submitted in writing to Affirm for approval prior to implementation.

6.2.6 Within 15 days of change, the Contractor must notify Affirm of changes in key clinical or management personnel, including administrative officers and Family Planning Services program directors.

6.2.7 Affirm's exercise of Supplementary Award pursuant to Section 2.1 does not require an amendment to this Contract.

ARTICLE VII MISCELLANEOUS PROVISIONS

7.1 Nonexclusivity. That this Contract is nonexclusive in nature and Affirm retains the authority to contract with other Parties for the delivery of Family Planning Services in the Contractor's geographic area.

7.2 Governing Law. Any action relating to this Contract will be brought in a court of the State of Arizona in the county in which the Family Planning Services are provided, unless otherwise prohibited by prevailing federal law. Any changes in the governing laws, rules and regulations that do not materially affect the Contractor's obligation under the Contract during the Term will apply but do not require an amendment.

7.3 Intangible Property and Copyright. The Contractor will ensure that publications developed while providing the Family Planning Services do not contain information that is contrary to Title X, the Manual, or to accepted clinical practice. Federal and Affirm grant support must be acknowledged in any publication. The Contractor will obtain pre-approval from Affirm for publications resulting from activities conducted under this Contract. The Contractor will also provide all publications referencing Affirm to Affirm for pre-approval prior to distribution. Restrictions on motion picture film production are outlined in the "Public Health Service Grants Policy Statement." The word "**publication**" is defined to include computer software. Any such copyrighted materials will be subject to a royalty-free, non-exclusive, and irrevocable right of the Government and Affirm to reproduce, publish, or otherwise use such materials for Federal or Affirm purposes and to authorize others to do so, as allowed by law.

7.4 Dispute Resolution. The Parties will first attempt to resolve any dispute arising under this Contract by informal discussion between the Parties, subject to good cause exceptions, including, but not limited to, disputes determined by either Party to require immediate relief (i.e., circumstances which may result in a misappropriation of the Reimbursement). Any dispute that has not been resolved by informal discussions between the Parties within a reasonable period of time after the commencement of such discussions (not to exceed 30 days), may be resolved by any means available.

7.5 Notice. All notices required or permitted to be given hereunder will be given in writing and will be deemed to have been given when sent by certified or registered mail, postage prepaid, return receipt requested.

Either Party may change its address for notices by giving written notice of such change to the other Party.

7.6 Severability. If any provision of this Contract is declared void or unenforceable, such provision will be deemed severed from this Contract, which will otherwise remain in full force and effect. If any provision of this Contract is declared void or unenforceable, the Parties will engage in good faith efforts to renegotiate such provision in a matter that most closely matches the intent of the provision without making it unenforceable.

7.7 No Third-Party Beneficiary. This Contract was created by the Parties solely for their benefit and is not intended to confer upon any person or entity other than the Parties any rights or remedies hereunder.

7.8 Waiver. Performance of any obligation required of a Party hereunder may be waived only by a written waiver signed by the other Party, which waiver will be effective only with respect to the specific obligations described herein. The waiver of a breach of any provisions will not operate or be construed as a waiver of any subsequent breach.

7.9 Execution. This Contract will not be effective until it has been approved as required by the governing bodies of the Parties and signed by the persons having executory powers for the Parties.
