Fiscal Year 2025/2026
Budget Procedures

The Board of Supervisors of Pinal County, Arizona, adopts and establishes procedures governing the management and appropriation of budgets for elected and appointed county officials.

Section 1. Budget Transfers

A. After the Board of Supervisors adopts the fiscal year budget, any budget unit has the authority to reprogram funds within the same fund. These budget units will be controlled by the bottom line total only. The department-level budget details in the financial system are designed and used as a management tool for individual departments. Budget transfers between budget units or funds will require approval or ratification by the Board of Supervisors.

B. The Non-Departmental category in the General Fund includes appropriations for employee benefits, authorized salary and ERE increases as approved in the Pinal County Employee Compensation Plan, legislative and statutory salary and ERE increases, new positions budgeted for the fiscal year, limited-term double-fill for succession, and separation payouts. Budget transfers for the General Fund and Non-General Funds, which cannot sustain such changes, are based on actual amounts, and budget transfers are authorized with the adoption of the Final Budget and do not require future board approval.

C. The Non-Departmental category in the General Fund includes appropriations for disaster recovery or emergency funding for the Information Technology Department and the Office of Emergency Management. Budget transfers for the General Fund and Non-General Funds will be reviewed and approved by the County Manager and are authorized with the adoption of the Final Budget and do not require future board approval.

D. The Board of Supervisors' District-approved baseline budget will be $371,149. Budget transfers within the general fund, up to the baseline budget, are authorized upon the adoption of the final budget and do not require future board approval.

Section 2. Fund Balance

Fund balances will be spent in the following order unless otherwise specified by laws, regulations, grantors, or contributors. (1) Committed for specific use (by the Board of Supervisors in a public meeting); (2) Assigned for specific use (the Board of Supervisors must delegate authority to officials and County personnel to assign amounts); and (3) Unassigned.

For amounts that have not otherwise been restricted by external parties or committed for a specific use, the Board of Supervisors will delegate the authority to assign amounts to

be used for specific purposes to (1) Elected Officials, (2) County Manager, (3) Deputy County Managers, and (4) Chief Financial Officer.

Amounts committed for specific use by the Board of Supervisors in a public meeting will only be modified or rescinded through the same type of action used by the Board of Supervisors to commit those amounts.

Budget units must manage their resources to maintain an appropriate positive fund balance and stay within budget. Budget units incurring negative fund balances or forecasted budget overages must develop a corrective action plan, with the concurrence of the Office of Budget and Finance and the County Manager, to be approved by the Board of Supervisors when appropriate.

Section 3. Financial Stability Reserve

The Financial Stability Reserve appropriation aims to maintain a reserve of expenditure authority from which specific amounts can be transferred to other appropriated budgets after the adoption of the annual budget to cover emergency or critical items. The reserve appropriation will be established in the Non-Departmental category of the General Fund. The Financial Stability Reserve will not incur any expense or revenue bookings.

Section 4. Positions and Infrastructure Projects

Positions

Departments must submit requests for positions to Human Resources and the Office of Budget and Finance for review, including detailed reasoning, expected benefits, applicable needs, and the funding required for the proposed position. Human Resources will review relevant position description questionnaires, job descriptions, and salary information, and determine the appropriate classification. If the outcome of this review results in a new position classification (classifications that do not currently exist in the County's structure), regardless of the funding source (from Elected, Judicial Branch departments, appointed county departments/special districts/enterprise funds), the new position classification must be approved by the Board of Supervisors. Simultaneously, the Office of Budget and Finance will review the documentation for budgetary impacts, ensuring that funding has been allocated to the position and is sustainable in future fiscal years. If a request is denied, Elected or Judicial Branch departments may appeal the decision to the Board of Supervisors.

Funding requested during budget development for newly requested positions in the general fund will be held in a central non-departmental budget unit until the position has been established and filled. Upon the appointment of a new hire to the position, the Office of Budget and Finance will transfer the pro-rated budget capacity to the requesting budget unit, based on the new hire's salary, established by Pinal County Policy 4.2 (Wage and Salary Administration).

All authorized filled positions must be fully funded. If a filled position becomes unfunded or underfunded, it must be fully funded immediately or eliminated. An underfunded

position occurs when a department or funding source has only 1% to 99% of the funding required to support a position annually. If eliminating filled, unfunded, or underfunded positions results in a Reduction in Force, the County Manager shall approve a layoff plan, if applicable, in accordance with Pinal County Policy and Procedure 3.96, Reduction in Force, and Pinal County Merit Rule #10 - Terminations before it is effective.

Facility Infrastructure Projects

Before forwarding information to the County Manager, all facility infrastructure project requests, regardless of the funding source (from Elected, Judicial Branch departments, appointed County departments/special districts/enterprise funds), must be submitted to the Master Facilities Planning & Construction Committee for review. The Committee serves as an advisory body to the County Manager. The County Manager will recommend the project for approval by the Board of Supervisors if appropriate. If the County Manager denies the project request, departments of the Elected or Judicial Branch may appeal the decision to the Board of Supervisors.

Section 5. Appeal to the Board of Supervisors.

All elected branches of government shall retain the ability to appeal directly to the Board of Supervisors should a dispute or disagreement arise concerning an interpretation or application of these procedures by the County Manager or the Office of Budget and Finance and any Elected Branches of Government.

Notice of Pending Financial Statement Filing

Date: March 27, 2025

Arizona Revised Statutes (A.R.S.) §11-661 requires counties to file a copy of their financial statements with the Arizona Auditor General pursuant to A.R.S. §41-1279.07 within 9 months after the close of each fiscal year. These financial statements must be posted in a prominent location on the county's official website within 7 business days of filing the reports with the Auditor General.

We posted this form on our website in place of the financial statements until we file the financial statements with the Arizona Auditor General. We have sent a copy of this form to the Arizona Auditor General, the Speaker of the House of Representatives, and the President of the Senate.

If the financial statements are not completed as prescribed on or before our budget–adoption process pursuant to A.R.S. § §42-17103 and 42-17105, this form will be published in the budget for the subsequent fiscal year to notify taxpayers that the required financial statements are pending, and of the reasons for the delay and the estimated date of completion.

County Name: Pinal County

Fiscal reporting year: 2023 – 2024

Reasons for delayed report:

As reported in previous single audit findings and corrective action plans, the county is in the process of updating processes and procedures to improve the timing of monthly and annual financial closings and reconciliations. Also, the county is evaluating its financial management software system and has approved adding additional staffing to have adequate resources available.

PINAL COUNTY
WIDE OPEN OPPORTUNITY

Progress has been made to improve processes and procedures and some of the new positions have been hired, however, the full impact of the corrective actions and timely reporting will likely be delayed due to the need to educate existing staff on the changes; hire and train new staff; monitor and validate revised procedures to ensure the desired results are achieved; and, on a more long term basis, ensure the deficiencies in the current financial management software are resolved.

In addition, the fiscal year 2022 – 2023 audit was not completed until February 2025 which delayed the start of the fiscal year 2023 – 2024 audit. The current audit plan estimates the completion of the fiscal year 2023 – 2024 audit in August 2025.

Estimated date of completion: August 31, 2025

PINAL COUNTY
FINAL BUDGET ADOPTION

FISCAL YEAR 2025-2026

Pinal County's FY 2025-2026 Budget

$1,229,099,966

FY 2025 - 2026
Pinal County Employee Compensation Plan

Purpose:

To establish guidelines for I) Across-the-Board pay increases, and II) Discretionary Performance, Market, Equity Adjustments, Premium Pay, and One-Time Awards necessary to: encourage critical recruitment and retention; be responsive to current inflationary challenges and the exceptionally tight labor market; promote internal equity based upon relevant qualifications and performance; and maintain consistency in the County's market position among comparators so that the County continues to have the engaged, professional workforce needed to provide quality services to its residents.

Statement of Policy:

The basis for this Plan is established in Pinal County Policy and Procedure, 4.20, Wage and Salary Administration, 4.25, Evaluation and Compensation Plan, and 4.28, Compensation Plan Maintenance.

Scope:

This Plan applies to all Pinal County Elected Offices, appointed departments, and special districts, as well as, the Superior Court of Arizona in Pinal County. Excluded from the Plan are all elected officials and salaried officials whose compensation is set by statute. Also excluded are Pinal County Sheriff's Office deputy and detention personnel covered under a separate Board of Supervisors' authorized step plan. Chief Deputies of elected officials are eligible to receive the across-the-board increase with the concurrence of the elected official.

I. Across-the-Board Increase (ATB)

In accordance with Policy 4.25, across-the-board increases shall be distributed equally among eligible employees.

A. Employee Eligibility Criteria

For purposes of this FY 2025 – 2026 Plan only, the following eligibility criteria applies and supersedes Policy 4.25.

1. Be a full or part-time employee as of June 30, 2025.

2. Meet minimum performance standards (successful/proficient or above) as documented on a current performance evaluation completed and submitted to Human Resources by August 31, 2025.

3. Employees with less than one year of continuous service as of June 30, 2025, shall be eligible once they have successfully completed their initial probationary period or six (6) months of continuous employment if the employee is in a position which is not covered by a Merit System. In either case, an evaluation covering the applicable period with a rating of 2 or 3 or equivalent must be completed and on file with County Human Resources before an ATB increase will be processed.

4. Employees meeting or exceeding minimum performance standards who have been promoted or voluntarily demoted and who do not have an evaluation on file covering the current position held will be eligible for the ATB increase. However, an evaluation for the currently held position should be completed and submitted to County Human Resources by August 31, 2025, or at the end of the promotional probationary period, whichever is later.

5. Departments with employees on approved leave who do not have the required performance evaluations on file with County Human Resources should contact County Human Resources for guidance.

6. Employees who were promoted, transferred, or voluntarily demoted are eligible as long as they meet all other criteria.

7. Employees on Terminal Leave (Pinal County Policy and Procedure, 7.34, Separation Payout and Terminal Leave) are not eligible.

8. Employees who terminate employment before their pay increases are processed through the payroll system are not eligible.

B. Performance Evaluations

Performance evaluations shall be completed for all employees as outlined in Policy 4.25.

C. Funding

The Board of Supervisors has authorized a three (3) percent across-the board increase for eligible employees. Department budgets have been or will be adjusted as necessary to cover regular salaries and associated employee related expenses to cover the costs of the Plan.

D. Effective Date

1. The effective date for the implementation of the ATB increase for eligible employees is September 14, 2025.

2. Increases for employees who will become eligible on or after September 14, 2025, will be at the beginning of the first pay period after they become eligible.

E. Implementation

1. Departments will be provided spreadsheets by County Human Resources and are expected to verify that all eligible employees are included and that employee information is correct.

2. Increases will be applied to the base pay unless doing so would cause the employee's salary to exceed the maximum of the market range for their position grade. Any salary adjustment above the maximum of the range for the grade shall be given as a one-time lump sum.

   a. Part-time employees shall be considered at the maximum of the range for their position if their current hourly rate multiplied by 2080 hours meets or exceeds the maximum of the range.

3. Employees who become eligible for an increase on or after September 14, 2025, shall be processed once notification has been sent to County Human Resources documenting the employee has successfully completed their initial probation, or six months of employment if not covered by a Merit System, to include a performance evaluation demonstrating the employee meets performance eligibility standards, i.e., a rating of 2 or 3 or equivalent.

II. Discretionary Performance, Market, Equity Adjustments, Premium Pay, and One-Time Awards (Critical Recruitment and Retention)

When necessary to attract, hire, and/or, retain employees identified as critical to the successful achievement of strategic goals and priorities, additional salary, one-time performance, premium pay, or critical retention awards, and/or market adjustments may be authorized according to the guidelines detailed in this Plan.

For difficult to fill positions, one-time sign-on awards or retention milestone awards, etc., may also be considered to promote market competitiveness and retention. Additionally, "employee recruiter" incentives may be authorized to promote global employee engagement and individual employee investment in the County's efforts to connect quality applicants with employment opportunities and enhance a county-wide high performing, retention focused culture.

This limited discretion, enables the County Manager and Elected Officials to:

1. Resolve critical recruitment and retention issues that require agility in order to be responsive in a timely, productive, and cost-effective way.

2. Implement pay grade changes and market and equity adjustments necessary to encourage recruitment and retention and maintain consistency in the County's market position.

3. Address internal pay equity issues based upon relevant qualifications and/or performance.

4. Reward high performers when supported by documented evidence which distinguishes the employee from his/her peers for having contributed to a program or practice which has had a significant, quantifiable, positive impact on the operations of the County, department, or community.

A. Criteria for Consideration: Performance, Market and Equity Adjustments

For consideration to be given to a discretionary performance, retention, and/or, equity adjustments, appointing authorities shall provide documentation clearly establishing each of the required elements below:

1. Identify the *critical* recruitment or retention issue. Detail why the compensation adjustment is required. For example:

    a. A high performing employee, as documented in his/her personnel file, holding a key professional level position has been offered a higher salary for an equal or lesser position with a comparator and the cost for a replacement exceeds the cost of retention, and/or, the market data and position recruitment experience indicates a qualified replacement is unlikely, and, the loss of experience and skills will have a substantial impact on the quality of services provided.

    b. A critical position is posted for recruitment and all available, reasonable recruitment and marketing efforts have resulted in no or insufficiently qualified applicants.

    c. The turnover rate for the position consistently exceeds 10 or more percent (excluding trainee, entry level positions, and/or promotions) and exit interviews substantiate compensation is the primary contributing factor.

    d. A high performing employee has distinguished himself/herself by making a significant, quantifiable contribution to the department or County beyond that which would be expected of the role. The justification for this award should be fully supported and fully documented in the employee's performance evaluation. If necessary, a separate detailed statement

outlining their contributions to the department or County shall be submitted to support the award.

2. Establish an objective business case for the change proposed, to include:

   a. Data and analysis which shows how the failure to address the critical need will have a significant negative impact on the department's ability to provide mandated or essential services.

   b. Data and analysis which demonstrates how the proposed compensation adjustment will enable the department to better meet the County's and/or customers' current and emerging needs in a productive and cost-effective way.

   c. Information which indicates why the compensation adjustment is more important than other financial and/or resource priorities.

3. Determine the funding.

   a. Does the department have sufficient current and ongoing budget capacity to fund the increase(s)?

   b. If additional budget capacity is required, why is this compensation adjustment more important than other financial and/or resource priorities?

4. Determine the impact.

   a. Will the compensation adjustment have a positive (or negative) impact on other employees, departments, mandates, or services?

B. Criteria for Consideration: One-Time Recruitment Incentives

For consideration to be given for one-time sign-on awards, employee based recruitment incentives, etc., appointing authorities shall:

1. Identify the critical recruitment issue. Detail why the recruitment incentive is recommended.

2. Establish the criterial for award eligibility, for example, for an employee recruiter or sign-on award, the percent to be awarded the employee recruiter and/or the new hire upon employment, and/or, the percent to be awarded the employee recruiter and the new hire upon successful completion of one year of employment.

3. Establish any exclusion to eligibility, i.e., may not hold a lead, supervisory, or above role in the department employing the new hire.

4. Set the time frame for the incentive award.

5. Identify the budget capacity to consistently and equitably fund the incentive award through the time frame established.

C. Criteria for Consideration: Premium Pay

Premium Pay is additional pay, above base pay, provided to employees on a temporary basis for performing necessary and critical duties beyond the scope of their job classification and/or for performing duties under special conditions or circumstances. Premium Pay is not required, is discretionary, and is allowed at the direction of the Appointing Authority with approval from the County Manager. When applied, the same premium pay rates must be used for all similarly-situated employees and may only be used for actual time worked. An example of Premium Pay is Elections Day Poll Worker Pay.

For consideration to be given for Premium Pay, appointing authorities shall:

1. Identify the critical business need for the non-standard duties to be performed or the special conditions required.
2. Demonstrate how the duties or the conditions in which the duties are performed are beyond what would normally be expected of the employee in their role.

   Job classifications include a statement indicating “other duties as assigned” given all possible duties and responsibilities consistent with a position cannot always be anticipated nor described. Therefore, it is important for Appointing Authorities to distinguish between other duties as assigned and duties warranting consideration for premium pay.

3. Explain how the need cannot be or is not best met through other authorized temporary pay Rules or policies, i.e., Job Detail Assignment or Management Assignment Pay.
4. Work with County Human Resources to establish a rate consistent with pay practices for special assignments and/or market factors.
5. Confirm funding for the premium pay is available through the department’s budget appropriation.

D. ATB increases and Market Adjustments for Chief Deputies and Board of Supervisors’ Staff and Direct Reports.

This Plan authorizes the County Manager to implement the Board of Supervisor approved ATB increase for all eligible employees to include Chief Deputies of Elected Officials and Board of Supervisors’ staff and direct reports without further review by the Board of Supervisors.

Market based adjustments, if applicable, consistent with the Board of Supervisor approved Pinal County Policy 4.28, Compensation Plan Maintenance, may also be

applied to Chief Deputies of Elected Officials and direct reports to the Board of Supervisors. ~~However, t~~The authority granted the County Manager to implement market adjustments impacting upon Chief Deputies and Board of Supervisor direct reports shall be agreed upon by the elected official and shall not exceed placement at the midpoint of any newly applied pay grade consistent with Board of Supervisor action on February 15, 2023. Direct reports to the Board of Supervisors, as a body, shall be compensated in a consistent manner subject to review by the Chairman of the Board. Placement above the midpoint shall require approval by the Board of Supervisors.

. **E. Responsibilities and Approval Authority**

Elected officials and department directors shall submit completed requests for discretionary increases, premium pay, or one-time recruitment or retention incentive strategies through the County Human Resources Department and Office of Budget and Finance to the County Manager for consideration and approval.

The County Human Resources Department shall provide and/or verify the following information as applicable: performance, market, recruitment, equity, and turnover data.

The Office of Budget and Finance shall verify current and recurring funding.

The County Manager shall collaborate with the elected official when making a determination for approval. At any point in the process, and at the discretion of the County Manager and/or the elected official, the request may be brought to the Board of Supervisors for consideration.

Approval for requests made by appointed departments shall be determined at the sole discretion of the County Manager.

Unless otherwise stated, any additional discretionary salary adjustments, performance based adjustments, or onetime retention awards that may impact upon the Board of Supervisors' staff and/or direct reports, e.g., County Manager, Clerk of the Board, District Administrators, or that may impact upon Chief Deputies of Elected Officials, must be brought to the Board of Supervisors for consideration and approval.

F. Funding

In the FY 2025-2026 budget, the Board of Supervisors set aside funds to be used for critical compensation, performance, and market based adjustments as needed during the year.

Compensation adjustments authorized by this Plan shall first be funded within the department's authorized budget, if possible.

If insufficient funding exists in the department, department budgets will be adjusted as necessary to cover regular salaries and associated employee related expenses for ATB or market based pay increases authorized in accordance with this Plan.

The total amount of the Plan shall not exceed the departments' ability to fund authorized adjustments in combination with funds set aside for this purpose in the Board of Supervisors' approved FY2025 - 2026 budget without prior Board authorization.

G. Effective Date

Approved changes to salaries and/or position funding necessary to address critical recruitment and retention of employees shall be effective the first pay period following approval and implementation.

Variations:

Variations to this Plan which do not change its purpose or intent may be made with the approval of the County Manager.

FY 2025 - 2026
Pinal County Employee Compensation Plan

Purpose:

To establish guidelines for I) Across-the-Board pay increases, and II) Discretionary Performance, Market, Equity Adjustments, Premium Pay, and One-Time Awards necessary to: encourage critical recruitment and retention; be responsive to current inflationary challenges and the exceptionally tight labor market; promote internal equity based upon relevant qualifications and performance; and maintain consistency in the County's market position among comparators so that the County continues to have the engaged, professional workforce needed to provide quality services to its residents.

Statement of Policy:

The basis for this Plan is established in Pinal County Policy and Procedure, 4.20, Wage and Salary Administration, 4.25, Evaluation and Compensation Plan, and 4.28, Compensation Plan Maintenance.

Scope:

This Plan applies to all Pinal County Elected Offices, appointed departments, and special districts, as well as, the Superior Court of Arizona in Pinal County. Excluded from the Plan are all elected officials and salaried officials whose compensation is set by statute. Also excluded are Pinal County Sheriff's Office deputy and detention personnel covered under a separate Board of Supervisors' authorized step plan. Chief Deputies of elected officials are eligible to receive the across-the-board increase with the concurrence of the elected official.

I. Across-the-Board Increase (ATB)

In accordance with Policy 4.25, across-the-board increases shall be distributed equally among eligible employees.

A. Employee Eligibility Criteria

For purposes of this FY 2025 – 2026 Plan only, the following eligibility criteria applies and supersedes Policy 4.25.

1. Be a full or part-time employee as of June 30, 2025.

2. Meet minimum performance standards (successful/proficient or above) as documented on a current performance evaluation completed and submitted to Human Resources by August 31, 2025.

3. Employees with less than one year of continuous service as of June 30, 2025, shall be eligible once they have successfully completed their initial probationary period or six (6) months of continuous employment if the employee is in a position which is not covered by a Merit System. In either case, an evaluation covering the applicable period with a rating of 2 or 3 or equivalent must be completed and on file with County Human Resources before an ATB increase will be processed.

4. Employees meeting or exceeding minimum performance standards who have been promoted or voluntarily demoted and who do not have an evaluation on file covering the current position held will be eligible for the ATB increase. However, an evaluation for the currently held position should be completed and submitted to County Human Resources by August 31, 2025, or at the end of the promotional probationary period, whichever is later.

5. Departments with employees on approved leave who do not have the required performance evaluations on file with County Human Resources should contact County Human Resources for guidance.

6. Employees who were promoted, transferred, or voluntarily demoted are eligible as long as they meet all other criteria.

7. Employees on Terminal Leave (Pinal County Policy and Procedure, 7.34, Separation Payout and Terminal Leave) are not eligible.

8. Employees who terminate employment before their pay increases are processed through the payroll system are not eligible.

B. Performance Evaluations

Performance evaluations shall be completed for all employees as outlined in Policy 4.25.

C. Funding

The Board of Supervisors has authorized a three (3) percent across-the board increase for eligible employees. Department budgets have been or will be adjusted as necessary to cover regular salaries and associated employee related expenses to cover the costs of the Plan.

D. Effective Date

1. The effective date for the implementation of the ATB increase for eligible employees is September 14, 2025.

2. Increases for employees who will become eligible on or after September 14, 2025, will be at the beginning of the first pay period after they become eligible.

E. Implementation

1. Departments will be provided spreadsheets by County Human Resources and are expected to verify that all eligible employees are included and that employee information is correct.

2. Increases will be applied to the base pay unless doing so would cause the employee's salary to exceed the maximum of the market range for their position grade. Any salary adjustment above the maximum of the range for the grade shall be given as a one-time lump sum.

   a. Part-time employees shall be considered at the maximum of the range for their position if their current hourly rate multiplied by 2080 hours meets or exceeds the maximum of the range.

3. Employees who become eligible for an increase on or after September 14, 2025, shall be processed once notification has been sent to County Human Resources documenting the employee has successfully completed their initial probation, or six months of employment if not covered by a Merit System, to include a performance evaluation demonstrating the employee meets performance eligibility standards, i.e., a rating of 2 or 3 or equivalent.

II. Discretionary Performance, Market, Equity Adjustments, Premium Pay, and One-Time Awards (Critical Recruitment and Retention)

When necessary to attract, hire, and/or, retain employees identified as critical to the successful achievement of strategic goals and priorities, additional salary, one-time performance, premium pay, or critical retention awards, and/or market adjustments may be authorized according to the guidelines detailed in this Plan.

For difficult to fill positions, one-time sign-on awards or retention milestone awards, etc., may also be considered to promote market competitiveness and retention. Additionally, "employee recruiter" incentives may be authorized to promote global employee engagement and individual employee investment in the County's efforts to connect quality applicants with employment opportunities and enhance a county-wide high performing, retention focused culture.

This limited discretion, enables the County Manager and Elected Officials to:

   a. Will the compensation adjustment have a positive (or negative) impact on other employees, departments, mandates, or services?

B. Criteria for Consideration: One-Time Recruitment Incentives

For consideration to be given for one-time sign-on awards, employee based recruitment incentives, etc., appointing authorities shall:

1. Identify the critical recruitment issue. Detail why the recruitment incentive is recommended.

2. Establish the criterial for award eligibility, for example, for an employee recruiter or sign-on award, the percent to be awarded the employee recruiter and/or the new hire upon employment, and/or, the percent to be awarded the employee recruiter and the new hire upon successful completion of one year of employment.

3. Establish any exclusion to eligibility, i.e., may not hold a lead, supervisory, or above role in the department employing the new hire.

4. Set the time frame for the incentive award.

5. Identify the budget capacity to consistently and equitably fund the incentive award through the time frame established.

C. Criteria for Consideration: Premium Pay

Premium Pay is additional pay, above base pay, provided to employees on a temporary basis for performing necessary and critical duties beyond the scope of their job classification and/or for performing duties under special conditions or circumstances. Premium Pay is not required, is discretionary, and is allowed at the direction of the Appointing Authority with approval from the County Manager. When applied, the same premium pay rates must be used for all similarly-situated employees and may only be used for actual time worked. An example of Premium Pay is Elections Day Poll Worker Pay.

For consideration to be given for Premium Pay, appointing authorities shall:

1. Identify the critical business need for the non-standard duties to be performed or the special conditions required.
2. Demonstrate how the duties or the conditions in which the duties are performed are beyond what would normally be expected of the employee in their role.

   Job classifications include a statement indicating “other duties as assigned” given all possible duties and responsibilities consistent with a position cannot always be anticipated nor described. Therefore, it is important for Appointing Authorities to distinguish between other duties as assigned and duties warranting consideration for premium pay.

3. Explain how the need cannot be or is not best met through other authorized temporary pay Rules or policies, i.e., Job Detail Assignment or Management Assignment Pay.
4. Work with County Human Resources to establish a rate consistent with pay practices for special assignments and/or market factors.
5. Confirm funding for the premium pay is available through the department’s budget appropriation.

D. ATB increases and Market Adjustments for Chief Deputies and Board of Supervisors’ Staff and Direct Reports.

This Plan authorizes the County Manager to implement the Board of Supervisor approved ATB increase for all eligible employees to include Chief Deputies of Elected Officials and Board of Supervisors’ staff and direct reports without further review by the Board of Supervisors.

Market based adjustments, if applicable, consistent with the Board of Supervisor approved Pinal County Policy 4.28, Compensation Plan Maintenance, may also be

applied to Chief Deputies of Elected Officials and direct reports to the Board of Supervisors. The authority granted the County Manager to implement market adjustments impacting upon Chief Deputies and Board of Supervisor direct reports shall be agreed upon by the elected official and shall not exceed placement at the midpoint of any newly applied pay grade consistent with Board of Supervisor action on February 15, 2023. Direct reports to the Board of Supervisors, as a body, shall be compensated in a consistent manner subject to review by the Chairman of the Board. Placement above the midpoint shall require approval by the Board of Supervisors.

. **E. Responsibilities and Approval Authority**

Elected officials and department directors shall submit completed requests for discretionary increases, premium pay, or one-time recruitment or retention incentive strategies through the County Human Resources Department and Office of Budget and Finance to the County Manager for consideration and approval.

The County Human Resources Department shall provide and/or verify the following information as applicable: performance, market, recruitment, equity, and turnover data.

The Office of Budget and Finance shall verify current and recurring funding.

The County Manager shall collaborate with the elected official when making a determination for approval. At any point in the process, and at the discretion of the County Manager and/or the elected official, the request may be brought to the Board of Supervisors for consideration.

Approval for requests made by appointed departments shall be determined at the sole discretion of the County Manager.

Unless otherwise stated, any additional discretionary salary adjustments, performance based adjustments, or onetime retention awards that may impact upon the Board of Supervisors' staff and/or direct reports, e.g., County Manager, Clerk of the Board, District Administrators, or that may impact upon Chief Deputies of Elected Officials, must be brought to the Board of Supervisors for consideration and approval.

F. Funding

In the FY 2025-2026 budget, the Board of Supervisors set aside funds to be used for critical compensation, performance, and market based adjustments as needed during the year.

Compensation adjustments authorized by this Plan shall first be funded within the department's authorized budget, if possible.

If insufficient funding exists in the department, department budgets will be adjusted as necessary to cover regular salaries and associated employee related expenses for ATB or market based pay increases authorized in accordance with this Plan.

The total amount of the Plan shall not exceed the departments' ability to fund authorized adjustments in combination with funds set aside for this purpose in the Board of Supervisors' approved FY2025 - 2026 budget without prior Board authorization.

G. Effective Date

Approved changes to salaries and/or position funding necessary to address critical recruitment and retention of employees shall be effective the first pay period following approval and implementation.

Variations:

Variations to this Plan which do not change its purpose or intent may be made with the approval of the County Manager.

Streamlined Annual PHA Plan *(Small PHAs)*	U.S. Department of Housing and Urban Development Office of Public and Indian Housing	OMB No. 2577-0226 Expires: 03/31/2024

Purpose. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, including changes to these policies, and informs HUD, families served by the PHA, and members of the public of the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low- income families

Applicability. The Form HUD-50075-SM is to be completed annually by **Small PHAs**. PHAs that meet the definition of a Standard PHA, Troubled PHA, High Performer PHA, HCV-Only PHA, or Qualified PHA do not need to submit this form.

Definitions.

(1) ***High-Performer PHA*** – A PHA that owns or manages more than 550 combined public housing units and housing choice vouchers and was designated as a high performer on both the most recent Public Housing Assessment System (PHAS) and Section Eight Management Assessment Program (SEMAP) assessments.

(2) ***Small PHA*** - A PHA that is not designated as PHAS or SEMAP troubled, and that owns or manages less than 250 public housing units and any number of vouchers where the total combined units exceed 550.

(3) ***Housing Choice Voucher (HCV) Only PHA*** - A PHA that administers more than 550 HCVs, was not designated as troubled in its most recent SEMAP assessment and does not own or manage public housing.

(4) ***Standard PHA*** - A PHA that owns or manages 250 or more public housing units and any number of vouchers where the total combined units exceed 550, and that was designated as a standard performer in the most recent PHAS or SEMAP assessments.

(5) ***Troubled PHA*** - A PHA that achieves an overall PHAS or SEMAP score of less than 60 percent.

(6) ***Qualified PHA*** - A PHA with 550 or fewer public housing dwelling units and/or housing choice vouchers combined and is not PHAS or SEMAP troubled.

D.1

Affirmatively Furthering Fair Housing. (Non-qualified PHAs are only required to complete this section on the Annual PHA Plan. All qualified PHAs must complete this section.)

Provide a statement of the PHA's strategies and actions to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). Use the chart provided below. (PHAs should add as many goals as necessary to overcome fair housing issues and contributing factors.) Until such time as the PHA is required to submit an AFH, the PHA is not obligated to complete this chart. The PHA will fulfill, nevertheless, the requirements at 24 CFR § 903.7(o) enacted prior to August 17, 2015. See Instructions for further detail on completing this item.

Fair Housing Goal:

Describe fair housing strategies and actions to achieve the goal

It is the policy of the Pinal County Housing Authority (PCHA) to comply fully with Fair Housing and Equal Opportunities (FHEO), Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act (ADA), the U.S. Department of Housing and Urban Development (HUD) regulations, notices/guidance, and the PCHA's Agency Plans, Procedures Manual, County Personnel Policy, and Federal, State and local housing laws.

The PCHA promotes and advance fair and inclusive housing opportunities for all individuals, regardless of race, color, religion, sex, familial status, national origin, disability, or LGBTQ+ status. By affirmatively furthering fair housing, the PCHA strives to create communities that are diverse, inclusive, and free of discrimination.

Fair Housing Goal:

Describe fair housing strategies and actions to achieve the goal

The PCHA will not, on the grounds of race, color, creed, sex, religion, age, disability, national origin, actual or perceived sexual orientation, gender identity, marital status, or familial status:

a. Deny an eligible person or family admission to housing.
b. Provide housing assistance, which is different from that provided to others, except for elderly and/or disabled where accessibility features, may be required.
c. Subject a person or family to segregation or separate treatment.
d. Restrict a person or family's access to any benefit enjoyed by others in connection with housing programs.
e. Treat a person or family differently in determining eligibility or other requirements for admission.
f. Deny any person or family access to the same level of services provided to others.
g. Deny a person the opportunity to participate in a planning or advisory group that is an integral part of the housing programs.

This policy is grounded on the belief that every individual should have equal access to housing opportunities and that no one should be unjustly denied the chance to live in a safe and welcoming community. The PCHA emphasizes the need for proactive and intentional steps to address housing disparities and to promote fair housing practices at the federal, state, and local levels.

Furthermore, the PCHA emphasizes the importance of collaboration between government agencies, housing providers, and community organizations to achieve fair housing objectives. By working together, these stakeholders can develop strategies and policies that promote equitable housing opportunities address systemic barriers to fair housing.

	Fair Housing Goal: ***Describe fair housing strategies and actions to achieve the goal*** **The PCHA will continue outreach efforts to local property owners throughout Pinal County to allow HCV program participants to move to areas where there is not a concentration of low-income housing. PCHA will have staff members to dedicate to increasing landlord participation and building stronger relationships the current landlords.** **All PCHA public housing and HCV staff have completed Fair Housing Training conducted by Southwest Fair Housing. PCHA is committed to continue to require annual Fair Housing Training for aa PCHA staff.**

GOALS AND OBJECTIVES

A. Preserve and expand affordable housing:

1. Apply for additional voucher opportunities that would add value to the PHA's housing programs.
2. Maintain an occupancy level of at least 98% in the Public Housing Program.
3. Leverage private funds through developers to develop new affordable housing units.
4. Identify opportunities to use voucher in developments for the creation of additional affordable housing units.

B. Improve the quality of assisted housing units:

1. Achieve a designation status of High Performer by;

a. Timely response to work order request, completion of work orders, and comprehensive oversight of fixed asset inventories.

b. Ensure operational funds are available to maintain properties at a high level of quality.

2. Modernize or renovate existing public housing units. Over the next five years the PHA will;

a. Maximize the utilization of Capital Funds for capital improvements.

b. Remodel kitchens, bathrooms, and flooring upon unit turnovers.

c. Implement a Preventive Maintenance program.

d. Continue to address curb appeal and site improvement needs.

3. Demolish or dispose of obsolete housing with a focus on redevelopment or replacement housing.

4. Maintain the High Performer designation for the Housing Choice Voucher Program.
    a. Follow Housing Quality Standard inspection protocols.
    b. Monitor and track SEMAP indicators.
    c. Conduct routine quality control inspections and tenant file audits.

C. Promote efforts towards self-sufficiency:

1. Promote participation in economic self-sufficiency programs with strong social connections, access to education, and economic opportunities.

2. Develop relationship/partnerships with local service providers to provide supportive services to program participants, including elderly or families with disabilities.

D. Improve organizational management

1. Attract and retain a competent, committed, and professional workforce that align with the mission of the county and the housing department.
2. Ensure employees receive adequate training and designations appropriate to their job function and professional growth.
3. Conduct annual performance evaluations to identify organizational strengths and weaknesses.

STATEMENT OF HOUSING NEEDS

Pinal County Housing Authority (PCHA) owns and manage 139 public housing units scattered throughout Pinal County. The PHA housing stock consist of 9 one-bedroom units, 49 two-bedroom units, 67 three-bedroom units, and 14 four-bedroom units.

Currently there are 10,275 applicants on the Public Housing Waiting List, which consist of 2,209 applicants on one-bedroom waiting list, 4,409 applicants on two-bedroom waiting lists, 2,964 applicants on three-bedroom waiting lists, and 693 applicants on four-bedroom waiting list.

The PCHA has an allocation of 809 Housing Choice Voucher's (HCV). Currently there are 663 participants being served through the HCV program; however, due to the high cost of rents, the Housing Authority is over utilizing the available funding and are currently in shortfall.

There are currently 4,485 applicants on the Housing Choice Voucher/ Section 8 Waiting list; however, due to the shortfall status of funding, the Housing Authority is unable to pull applicants from the waiting list until a future time when voucher utilization and funding has stabilized.

The PCHA's combined waiting list data indicates that there is a dire need for more affordable housing units in Pinal County that can accommodate families in need of one, two, and three-bedroom units.

Strategy for Addressing Housing Needs

The PCHA has 17 acers of undeveloped land at Eleven Mile Corner Road that we will continue to seek opportunities to develop more affordable housing on with the use of non-grant funding. In addition, The PCHA will continue to seek opportunities to partner with developers for increasing the affordable housing stock in opportunity areas.

The PCHA will continue to increase Housing Choice Voucher Landlord participation with community Landlord information sessions and new landlord leasing incentives.

The PCHA will continue to submit Letters of Registration of Interest for the Family Self-Sufficiency (FSS), Moving to Work Demonstration (MTW) and the Home Ownership Programs to enhance self-reliance and sustainability while reducing reliability on subsidized programs. Which will ultimately afford opportunities for applicants on the waiting list to utilize housing program services.

DECONCENTRATION POLICY

ACOP Chapter 17 Offering the Units (Tenant Selection and Assignment Plan)

As units become available for occupancy, the PHA will offer units to applicants on the waiting list. In accordance with the QHWRA, the PHA encourages occupancy of its developments by families with a broad range of incomes. At a minimum, 40% of all new admissions on an annual basis will be extremely low-income families (See Appendix E for Income Limits). The offer of assistance will be made without discrimination because of race, color, religion, sex, national origin, age, disability or familial status.

A. Deconcentration

The offers will be made in the following manner. To the maximum extent feasible, the deconcentration and income-mixing requirements of the QHWRA will be followed.

a. Families with incomes ranging from 0% to 80% of median income will be selected in accordance with the tenant selection section of this ACOP.

   1) Families with the highest incomes will be offered units in developments where average family incomes are lowest.

   2) Conversely, families with the lowest incomes will be offered units in developments with the highest average family incomes.

   3) The PHA may offer incentives to families to accomplish the deconcentration and income mixing objectives.

b. The PHA may employ a system of income ranges in order to maintain a resident body composed of families with a range of incomes and tenant rent paying abilities representative of the range of incomes among low-income families in the PHA's area of operation and may take into account the average tenant rent the PHA should receive to maintain financial solvency.

c. The PHA's selection policies are designed so that selection of new public housing residents will bring the PHA's actual distribution of tenant rents closer to the projected distribution of tenant rents.

d. The PHA will select, based on date and time of application and preferences, two (2) families in the extremely low-income category and two (2) families from the lower income category (31% to 80% of area median income) alternately until the 40% admission requirement of extremely low-income families is achieved (2 plus 2 policy).

e. After the minimum level is reached, all selections will be made based solely on date, time and preferences.

f. Any applicants passed over as a result of implementing this 2 plus 2 policy will retain their place on the waiting list and will be offered a unit in order of their original placement on the waiting list.

B. Unit Offer

The PHA will offer the eligible applicant at the top of the waiting list a unit of appropriate size and type (including accessible features if required and available) which has been ready to lease the longest in the development that has the most vacancies.

a. Method of Notification of Unit Offer

   a. The PHA will make the unit offer by telephone or by other communication methods as designated by the applicant.

   b. Unit offers made by telephone will be confirmed by mailing the applicant a written notice of the unit offer.

b. The PHA will make unit offers in sequence and will not offer the applicant another unit until the first unit offer has been refused.

c. The PHA will give the applicant five (5) days after the date of the telephone call to accept or refuse the unit offer.

d. If the applicant refuses the first unit offer, the PHA will offer the applicant a second unit of appropriate size and type (including accessible features if required and available) in the development when a unit become available or the next development that has the most vacancies.

e. If the applicant refuses the unit without good cause, the PHA will remove the applicant from the waiting list.

f. Good Cause for Refusal of Unit Offer

   The applicant should be able to document that the claimed of good cause for refusing an offer of housing. If good cause is verified, the refusal of the offer(s) will not require that the applicant be removed from the waiting list. The applicant's application will remain at the top of the waiting list until the applicant receives an offer for which they have no good cause refusal. The applicant will not be considered to have been offered a suitable unit if:

   a. The applicant is unable to move at the time of the offer and presents clear evidence that substantiates to the satisfaction of the PHA. Examples:

      1) A physician verifies that the applicant has just undergone major surgery and needs a period of time to recuperate; or

2) A court verifies that the applicant is serving on a jury which has been sequestered.

b. A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (each as listed on the final application) or live-in aide necessary to the care of the principal household member.

c. The unit is not ready for move-in at the time of the unit offering.

1) Meaning the unit has Uniform Physical Condition Standard (UPCS) deficiencies.

2) If the unit is not ready for move-in, the PHA will offer the next appropriate unit ready for move-in to the applicant.

d. The applicant demonstrates to PHA's satisfaction that accepting the offer will place a family member's life, health, or safety in jeopardy.

1) The family should offer specific and compelling documentation such as restraining orders, other court orders, or risk assessments related to witness protection from a law enforcement agency.
2) The reasons offered must be specific to the family.
3) Refusals due to location alone do not qualify the applicant for this good cause exemption.

e. The unit is inappropriate for the applicant's disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.

f. Inaccessibility to employment, education or job training, children's day care or educational programs for children with disabilities if the move would require an adult household member to quit a job, drop out of an education institution or training program, or take the child out of day care or an educational program for children with disabilities.

g. The unit contains lead-based paint and accepting the offer could result in subjecting the applicant's children who is under six (6) years of age to lead-based paint poisoning.

h. The unit is not of the proper size and type, and the applicant would be able to reside there only temporarily (e.g., a specially designed unit that is awaiting a disabled applicant needing such a unit).

i. An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing.

7. When leasing a vacant unit, the PHA will offer the unit to applicants on the waiting list in sequence, until an applicant accepts the unit, in accordance with the PHA's local preferences and/or the date and time of application.

8. The PHA will maintain a record of the units offered, including location, date, the circumstances for each offer, and each acceptance or refusal.

9. To the maximum extent possible, the offer will also be made to affect the PHA's policy of economic deconcentration.
10. If more than one unit of the appropriate size and type is available, the first unit to be offered will be the unit that will serve to achieve the PHA's goal of economic deconcentration.

RENT DETERMINATION

ACOP Chapter 19 Choice Rent

The PHA will provide through its orientations, individual counseling, and by written notices, sufficient information to allow families to make an informed choice of rent payment options. At a minimum, families will be advised of:

1. The dollar amounts of the flat rent and the income-based rent; and
2. The PHA's policies on switching the type of rent in circumstances of financial hardship.

A. Rent Options and Annual Reviews

Annually, the PHA will give families the option to choose between paying the flat rent or the income-based rent. The PHA will not give families the choice of rent option more than once per year, except in the case where the family has chosen the flat rent and experiences a financial hardship.

1. The PHA will provide the following information to allow a family to make an informed choice regarding rent options:
   a. The PHA's policies on switching the type of rent due to financial hardship; and
   b. The dollar amount of the flat rent and the income-based rent.
2. Regardless of whether the family chooses to pay a flat rent or income-based rent, the family must pay at least the minimum rent.
3. Non-Public Housing Over-Income Families
   a. If allowed by the PHA to remain in a public housing unit, NPHOI family will not have a choice in rent.
   b. NPHOI families must pay the alternative non-public housing rent.
4. Annual Reviews

   The PHA will comply with the requirement to review rent option annually with families and to provide families with sufficient information to make an informed choice of rent. The PHA will do the following:

   a. At initial occupancy, or in any year where a current program participating family is paying the income-based rent:

1) Conduct a full reexamination of family income and composition at the first annual rent option (Year 1);
2) Inform the family of the flat rent amount and the rent amount determined by the reexamination of family income and composition;
3) Inform the family of the PHA's policies on switching rent types due to a financial hardship; and
4) Apply the family's rent choice at the next lease renewal.

b. At the second and third annual rent options, for families that choose to switch from income-based rent to pay the flat rent, the PHA:

a. Will not conduct a full reexamination of family income and composition for the second and third annual rent option. If the PHA chooses not to conduct a reexamination of family income for this annual rent option, the PHA must use the income information from the reexamination of family income and composition from the first annual rent option.

b. For a family that has paid the flat rent for the previous three (3) years, and for which the PHA has not conducted a re-examination of family income and composition in the last three (3) years, the PHA must complete a full reexamination of family income and composition in order to update the income-based rent amount.

c. Must inform the family of the updated flat rent amount, and the rent amount determined by the most recent reexamination of family income and composition;

d. Must inform the family of the PHA's policy of switching rent types due to a financial hardship; and

e. Must apply the family's rent decision at the next lease renewal.

3. At the next annual rent option, the PHA will offer the updated flat rent amount and permit the family to choose between the flat rent amount or the income-based rent, subject to the phase-in requirements.

4. For a family that chooses the flat rent option, the PHA will conduct a reexamination of family income and composition at least once every three (3) years, except for families a PHA determines exceed the over-income limit. Once a PHA determines that a family has an income exceeding the over-income limit, the PHA must follow the income reexamination and notification requirements.

B. Flat Rent

The FY 2014 Appropriations Act required PHAs to establish flat rents at no less than 80% of the applicable Fair Market Rent (FMR), and established rent increase phase-in requirements to prevent family rental payments from increasing by more than 35%.

The FY 2015 Appropriations Act maintained the FY 2014 rent increase phase-in requirements and amended the 2014 Act to require that flat rents for each public housing unit be set at no less than the lower of:

1. 80% of the applicable FMR; or
2. At the discretion of the Secretary, 80% of such other applicable FMR established by the Secretary that the Secretary determines more accurately reflects local market conditions and is based on an applicable market area that is geographically smaller than the applicable market area used for purposes of the applicable FMR (such as the applicable Small Area Fair Market Rent (SAFMR) or unadjusted rent).

C. Flat Rent, Utilities and Utility Allowance

5. The PHA will consider who is responsible for direct utility payments to the utility suppliers and provide for a utility allowance as necessary.
6. For units where the utilities are tenant-paid, the PHA must adjust the flat rent downward by the amount of a utility allowance for which the family might otherwise be eligible.
7. Formula to Calculate an FMR-Based Flat Rent

   Flat rents are always inclusive of utilities. In the case of a flat rent set using the FMR, the utility allowance should be subtracted before setting the flat rent.

   a. FMR (or SAFMR/unadjusted rent as applicable) x 80% - utility allowance
   b. If the PHA sets an exception flat rent using a market study, then the market study takes into account and adjusts for the value of utilities. The cost of utilities is included in the flat rent.
   c. If the PHA sets a flat rent above 80% of the FMR, the PHA will maintain the appropriate records to document the rent levels.

D. Annual Flat Rent Compliance

To comply with the flat rent requirements annually, no later than 90 days after the effective date of the new FMRs or SAFMRs published by HUD, the PHA will:

1. Compare the current flat rent amount to the applicable FMRs or SAFMRs/unadjusted rent. The PHA will be in compliance with the flat rent requirement and no further action is necessary, if the flat rent is at least equal to the lower of:

   a. 80% of the applicable FMR; or
   b. 80% of the applicable SAFMR (or if no SAMER is available, 80% of unadjusted rent).
   c. If the current flat rent is less than the lower of the above, the PHA must set flat rents at no less than 80% of the lower of the 80% FMR or 80% SAFMR/80% unadjusted rent, subject to the utilities adjustment, or the PHA may request an exception flat rent;

2. Update the flat rent policies in the ACOP, as necessary;
3. Permit the family to choose between flat rent amount and the income-based rent for all new admissions; and

4. Offer flat rent amount at the next annual rent option for families that are current public housing residents and permit the family to choose between the flat rent amount and the income-based rent, subject to the phase-in requirements.

E. Flat Rent Exception

The PHA does not need to submit exception requests to set flat rents at or above 80% of the FMR or SAFMR, or if the SAFMR is not available, 80% of the unadjusted rent.

1. HUD requires flat rent exception requests if the PHA's current flat rent is less than the lower of:
    a. 80% of the FMR, or
    b. 80% of the SAFMR (or if a SAFMR is not available, 80% of the unadjusted rent).
2. The PHA will have 90 days from the effective date from the current year's FMR to submit a flat rent exception request.
3. Market Analysis Content and Justification
    a. In order to demonstrate the need for an exception flat rent, the PHA must submit a market analysis that demonstrates the value of the unit. The PHA may not request an exception flat rent that is lower than the demonstrated market value of the unit.
    b. The PHA must demonstrate, based on the market analysis, that the proposed flat rent is a reasonable rent in comparison to rent for other comparable unassisted units, based on the location, quality, size, unit type, and age of the public housing unit and any amenities, housing services, maintenance, and utilities to be provided by the PHA in accordance with the lease.
4. Approved Flat Rent Exception Request

    The PHA must receive written HUD approval to utilize an exception flat rent prior to implementing the new exception flat rent rates.

    a. The PHA may continue to utilize its current flat rent schedule, while HUD is reviewing the PHA's flat rent exception request and supplemental information.
    b. The approved exception request will remain in effect until the end of the 90-day period commencing upon the effective date of HUD's Final Fiscal Year FMRs or the date on which a PHA updates and makes effective its flat rent schedule based on that fiscal year's FMRs, whichever comes first.
    c. The PHA must update its flat rents to the approved flat rent exception amount immediately after the date of HUD's approval for all intake and reexamination activities.
    d. The PHA will apply the approved flat rent exception amount immediately to intakes and reexaminations and must apply it to any intake or reexamination that takes effect 60 days or more after the approval date.
5. Previous Approved Flat Rent Exception Request
    a. If HUD approved the PHA's flat rent exception request from a previous fiscal year, the PHA may request an extension of this approval under the following circumstance:
        1) The PHA request an extension of the exact rents as previously approved by HUD;
        2) The market study accompanying the previously approved request is no more than two (2) years old;
        3) The market conditions remain unchanged; and

4) The PHA submits the extension request to HUD no later than 90 days after the effective date of the final FMRs published by HUD.

b. HUD will not approve extension requests that include changes or additions to previously approved exception flat rents.

6. Disapproval of Flat Rent Exception Request

HUD will review the PHA's flat rent exception request.

a. HUD will respond with the results of its review and provide the PHA two (2) opportunities to cure deficiencies or provide additional information.
b. The PHA must respond in writing no later than 30 days after receiving HUD's notification of the insufficient submission. The PHA's response should include any new information the PHA believes is necessary to supplement the original submission.
c. The PHA may continue to utilize its current flat rent schedule while awaiting the results of HUD's review of the additional information.
d. If the PHA cannot provide sufficient information to justify the exception after two (2) requests, HUD will deny the flat rent exception request.
e. If the PHA's exception request is denied, the PHA must immediately revise its flat rent rates using the applicable FMR and the updated flat rent must be applied to any intake or reexamination that takes effect 60 days after the denial date.

7. Flat Rent Increase Phase-In Requirements

If an existing flat rent tenant's rental payment prior to any applicable adjustments for utilities payments increases by more than 35% as a result of changes to the flat rent amount, the increase must be phased-in such that a family does not experience an increase in their rental payment of more than 35%.

a. On a case-by-case basis at the family's next annual rent option, the PHA will compare the updated flat rent amount applicable to the unit to the rent that was being paid by the family immediately prior to the annual rent option:

1) If the new flat rent amount would not increase a family's rental payment by more than 35%, the family may choose to pay either the updated flat rent amount or the previously calculated income-based rent;
2) If the PHA determines that the updated flat rent amount would increase the family's rental payment by more than 35%, the family may choose to pay the phased-in flat rent amount resulting from the flat rent impact analysis or the Previously calculated income-based rent.

b. Families paying flat rent will not have their rent adjusted until their annual reexamination or annual update.

F. Income-Based Rent

Is a tenant rent which is based on the family's income and the PHA's rent policies for determination of the rent.

1. The income-based tenant rent must not exceed the total tenant payment (TTP) for the family minus any applicable utility allowance for tenant-paid utilities.

2. If the utility allowance exceeds the TTP, the PHA will pay such excess amount (the utility reimbursement) directly to the utility supplier of the family's choice to pay the utility bill on behalf of the family.
3. The PHA will use the standard formula for calculating income-based rent.

G. Switch from Flat Rent to Income-Based Rent Because of Financial Hardship

If the family that is paying a flat rent experiences a financial hardship, the family may at any time, before the next annual choice of rent option, request to be switched to income-based rent.

1. The PHA has established the following policies for determining when payment of flat rent is a financial hardship:
   a. The family's income has decreased because of changed circumstances, including loss or reduction of employment, death in the family which results in reduction of income or payment of funeral expenses, reduction in or loss of earnings, or reduction or loss of other assistance;
   b. The family has experienced an increase in expenses, because of changed circumstances, for unreimbursed medical costs, childcare, transportation, education, or similar items; and
   c. Other reasonable financial hardship circumstances which may be applied on a case- by-case basis at the discretion of the PHA.
2. The PHA will switch the family's rent from flat rent to income-based rent on the first of the month following verification of the financial hardship.
3. Once the family switches from flat rent to income-based rent due to financial hardship, the family may not change back to flat rent until its next annual reexamination.

H. Prorated Tenant Rent

For families that include both members who are citizens or have eligible immigration status and members who do not have eligible immigration status (or elect not to state that they have eligible immigration status), the amount of tenant rent.

1. To calculate prorated tenant rent, the PHA will follow the steps below:

Step 1. Determine the TTP.

Annual income includes income of all family members, including any family member who has not established eligible immigration status.

Step 2. Subtract the TTP from the PHA-established flat rent applicable to the unit.

The result is the maximum subsidy for which the family could qualify if all members were eligible ("Family Maximum Subsidy").

Step 3. Divide the family maximum subsidy by the number of persons in the family (all persons) to determine the maximum subsidy per each family member who has citizenship or eligible immigration status ("Eligible Family Member").

The subsidy per eligible family member is the "Member Maximum Subsidy."

Step 4. Multiply the Member Maximum Subsidy by the number of family members who have citizenship or eligible immigration status ("Eligible Family Members").

Step 5. The product of Steps 1 through 4 is the amount of subsidy for which the family is eligible ("Eligible Subsidy").

The family's rent is the PHA-established flat rent minus the amount of the Eligible Subsidy.

2. Method of prorating assistance when the mixed family's TTP is greater than the public housing flat rent.
   a. When the mixed family's TTP is greater than the flat rent, the PHA must use the TTP as the mixed family TTP.
   b. The PHA subtracts from the mixed family TTP any established utility allowance, and the sum becomes the mixed family rent.

RENT DETERMINATION

ACOP Chapter 20 Tenant Rent and Other Charges

The following outlines the policies for calculating rental fees and other charges to be paid by PHA residents.

A. Tenant Rent

Tenant rent is the amount of rent payable by the family to the PHA.

1. The tenant shall pay the amount of the monthly tenant rent determined by the PHA in accordance with HUD regulations and other requirements.
2. The amount of the tenant rent is subject to change in accordance with HUD requirements.
   a. The lease shall specify the initial amount of the tenant rent at the beginning of the initial lease term.
   b. The PHA will give the tenant written notice stating any change in the amount of tenant rent, and when the change is effective.
3. Tenant rent is due and payable on the 1st day of the month and is delinquent if not paid by the close of business on the 5th day of the month, unless the falls on 5th day a weekend or holiday, in which case tenant rent will be late as of the close of business on the next full business day.

B. Changes in Addition to Tenant Rent

Appendix B contains the PHA's list of charges in addition to rent. The lease imposes charges for the following:

1. Penalties for late payments
2. NSF check charges
3. Security deposits, see Chapter 21
4. Charges for maintenance and repair beyond normal wear and tear
5. Charges for the consumption of excess utilities
6. Pet security deposits
7. The payment of all court costs, expenses and attorney fees incurred in enforcing the dwelling lease or in recovering possession of the premises, if ordered by the court, unless the tenant prevails in such legal action.
8. The PHA will provide basic pest control services without charge to the tenants. Only PHA staff or contractors who possess current pest control licensing will conduct pest control activities subject to law or regulation.
9. The pet security deposit and/or fee is paid in full prior to the pet being brought into the unit. Partial payments for pet security deposits or fees will not be considered for any reason. Security deposits for a pet are not charged if the animal is determined to be a service animal needed by a person with a disability.
10. The other charges listed above will become due and payable the first day of the month

following the month in which the charge or charges incur and two (2) weeks after the PHA notice is provided to the resident.

11. The tenant will be left a copy of the work order with charges or will be invoiced by the PHA. Invoices and work orders will state that the tenant has a right to grieve said charges according to the PHA's established Grievance Procedures.

C. Forms of Payment

1. The PHA's policy does not allow acceptance of cash for tenant rent or other charges.
2. Tenant rent and other payments will be accepted only in the form of money orders, cashier's checks or personal checks.
3. Personal checks may be presented until or unless more than one Non-Sufficient Funds (NSF) check is presented. An insufficient fund (NSF) fee of $35 will be assessed against the resident's account. The resident will then be required to make payment using money orders or cashier's checks.

D. Delinquent Charges and Late Fees

If rent is unpaid by the close of business on the 6th day of the month of the month, a one- time per month late fee of $25 will be assessed.

E. Total Tenant Payment (TTP)

The Income-Based TTP for families shall be the highest of the following, rounded to the nearest dollar:

1. Thirty percent (30%) of the family's Monthly Adjusted Income;
2. Ten percent (10%) of the family's Monthly Gross Income;
3. Welfare rent (in as-paid welfare states); When welfare rent is the higher, the PHA will recalculate rent once after the welfare department recalculates welfare based on the PHA's initial rent determination.
4. A minimum rent of $50; or

   The minimum rent requirement may be waived under certain financial hardships providing that the family requests the waiver in writing prior to the rent becoming delinquent as detailed in Section G of this Chapter.
5. For public housing only, the alternative non-public housing rent, as determined in accordance with § 960.102 of this title.

F. Minimum Rent

The minimum rent is the minimum rent payable by the family.

1. The PHA may establish a minimum rent up to $50.
2. The PHA has established a minimum rent for the public housing program at $50.

G. Minimum Rent Hardship Exemption

The PHA recognizes that in some circumstances the minimum rent may create a financial hardship for families.

If the PHA adopts a minimum rent greater than $0, the PHA must grant exemptions from the minimum rent requirement to any family if the PHA determines that the family is unable to pay the amount due to financial hardships, unless the hardship is temporary.

1. Financial hardship includes the following:
    a. The family has lost eligibility or is awaiting an eligibility determination to receive federal, state, or local assistance, including a family having a non-citizen household member lawfully admitted for permanent residence and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;
    b. The family income has decreased due to changed circumstances such as separation, divorce, and/or abandonment;
    c. One or more family members have lost employment;
    d. The family would be evicted as a result of imposing the minimum rent requirement;
    e. There has been a death in the family; or
    f. There are other hardship situations determined by the PHA on a case-by-case basis, i.e., alimony, child support, etc.
2. The PHA may request documentation of the hardship and will promptly, within five (5) business days determine if the hardship is temporary or long term.
3. The PHA will suspend the minimum rent requirement and adjust the HAP accordingly beginning the month following the family's written request for a hardship exemption until the PHA determines whether there is a qualifying financial hardship, and whether the hardship is temporary or long term.
    a. The financial hardship exemption only applies to payment of minimum rent for determining the TTP.
    b. The TTP is still calculated excluding the minimum rent.
    c. The family will pay the higher of 30% of the monthly adjusted income, 10% of the monthly income, or the welfare rent, as applicable, during the term of the suspended minimum rent.
4. Temporary Hardship Exemption

    The PHA has defined a temporary hardship as a hardship to last less than 90 days.

    a. If the hardship is determined to be temporary, the PHA will not impose the minimum rent during the 90-day period beginning the month following the date the family's request for a hardship exemption.
    b. At the end of the 90-day suspension period, the minimum rent is reinstated retroactively to the date of suspension.
    c. The family must execute a Repayment Agreement for the back rent owed by the family.
5. Long Term Hardship Exemption

    The PHA has defined long term hardship as a hardship that last more than 90 days.

a. If the hardship is determined to be long term, the PHA will exempt the family from the minimum rent requirements for long as such hardship continues.

b. The PHA shall apply this exemption from the beginning of the month following the family's request for a hardship exemption until the end of the qualifying financial hardship.

c. The family is not required to repay the difference between the TTP and the minimum rent to the PHA once the hardship is over.

6. If the PHA is unable to determine if the hardship exemption will be temporary or long term, the PHA may approve a temporary hardship exemption and redetermine the family's status at the end of the temporary hard exemption term.

7. No Qualifying Hardship

   a. If the PHA determines there is no qualifying financial hardship, the PHA must reinstate the minimum rent, including back rent owed from the beginning of the suspension.

   b. The family must execute a Repayment Agreement for the back rent owed by the family.

8. Denial of a minimum rent hardship exemption is subject to the PHA's informal hearing process.

H. Special Reexamination

1. If, at the time of admission, a family's existing conditions of employment are too unstable to develop the adjusted income into the coming 12-month period for the purpose of determining TTP, the PHA will schedule a special reexamination.

   a. This special reexamination will take place within 30, 60, or 90 days of admission, or at a date by which the PHA estimates that the family's circumstances will be stable.

   b. If at the time of such special reexamination it is still not possible to make a reasonable estimate of adjusted income, special reexaminations will continue to be scheduled until a reasonable estimate of the adjusted income can be made.

   c. Increases in rent determined at special reexaminations shall be made effective the first of the second month following the final rent determination. If the determination results in a decrease in rent, the effective date will be the first of the month following the reexamination verification.

   d. Until the final rent determination can be made, the family will pay rent based upon the existing adjusted income.

2. Persons reporting zero income will have their circumstances reexamined every 90 days until they have a stable income.

3. Persons claiming zero income will also be asked to complete a family expense form. This form will ask residents to estimate how much they spend on food, beverages, transportation, health care, childcare, debts, household items, etc. Residents will then be asked how they pay for these items.

Move to Work (MTW)

The Move to Work (MTW) is a Department of Housing and Urban Development (HUD) demonstration program that allows housing authorities to design and test innovative, locally-designed strategies for providing low-income families with affordable housing and new paths to economic independence. Congress established three statutory goals for MTW:

- Reduce cost and achieve greater cost effectiveness in Federal expenditures;
- Give incentives to families with children where the head of household is working, is seeking work, or is preparing for work by participating in job training, educational programs, or programs that assist people to obtain employment and become economically self-sufficient; and
- Increase housing choices for low-income families.

Pinal County Housing Authority (PCHA) plans to submit an application for the Move To Work (MTW) program as an initiative to encourage self-sufficiency as well as allow the PCHA to move funds to the areas in need in order to better operate our programs and better serve the community.

The PCHA understands that there are some families who may be elderly, disabled, or handicapped who may always need a basic level of housing assistance; therefore, the needs of those families will be best served by maintaining an income-based rent structure. However, the PCHA also understands that there are families that housing assistance should be a temporary bridge to achieving total self-sufficiency.

The PCHA believes that encouraging work and individual responsibility, we will see a higher percentage of working families as well as a significant voucher turnover rate, which will allow the PCHA to continue to issue new vouchers to many of the neediest families in Pinal County.

Expanding Affordable Housing
Housing Choice Voucher Program

During fiscal year 2024, Pinal County Housing Authority provided subsidy support to over 650 families through the Housing Choice Voucher Program utilizing over 100% of its allocated funding.

PCHA's Housing Choice Voucher program currently has a waiting list of 4,485 families waiting for subsidy assistance.

Expanding Affordable Housing
Landlord Recruitment and Retention Efforts

The PCHA's website is a one-stop shop for landlord resources, targeted specifically for landlords interested in participating in the HCV program. Current and perspective landlords can find presentations and handouts explaining how the voucher program works, how to list new properties, information on payment standards, utility allowance, reasonable rent, rental increase request, direct deposit, Violence Against Women Act (VAWA), and Fair Housing

2025 Agency Goals and Objectives

- **Goal 1: Expand affordable housing by leveraging project-based vouchers and other PCHA resources.**
  Objectives:
  - Provide vouchers to support affordable housing; increasing affordable housing units over the next 4 years.
  - Dispose of non-performing assets; reinvest proceeds for future development projects.
  - Solicit affordable housing proposals from developers interested in Project Based Vouchers.

Attachment B. 4

VIOLANCE AGAINST WOMEN ACT (VAWA) GOALS

Protects tenants and applicants, and affiliated individuals who are survivors (While VAWA, HUD regulations, HUD forms, and other HUD guidance generally use the term "victim," this policy will use the VAWA 2022 preferred term "survivor," which will have the same meaning as "victim.") of domestic violence, dating violence, sexual assault, and/or stalking (collectively VAWA violence/abuse) from being denied, evicted, or terminated from housing assistance based on acts of such violence against them.

A. Who is Eligible for VAWA Protections

For the purposes of VAWA, the term "tenant" shall refer to the assisted family and members of the household on the lease.

1. Only tenants who are assisted by the PHA can invoke VAWA protections that apply solely to tenants.
2. VAWA protections are not limited to women.
3. Survivors of VAWA violence/abuse are eligible for protections without regard to sex, gender identity, or sexual orientation.
4. Survivors cannot be discriminated against based on any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age.
5. As per the HUD's Equal Access Rule, the VAWA protections also cover eligible individuals and families regardless of actual or perceived sexual orientation, gender identity, or marital status.
6. VAWA protections are provided to tenants regardless of citizenship or eligible immigration status.
7. Youth under the age of 18 years old living in an assisted household may invoke VAWA protections if the youth is a survivor of VAWA violence/abuse.
8. Affiliated Individual (replaced family member)
   a. A spouse, parent, brother, sister, a child of that person, and/or an individual to whom that person stands in loco parentis; or
   b. Any other person living in the household of that person and related to that person by blood or marriage.

9. Self-Petitioners

   Noncitizens who claim to be survivors of "battery or extreme cruelty" by their spouse or parent who is a U.S. citizen or lawful permanent resident (LPR).

10. Live-In Aides

    Are entitled to VAWA protections if they are applicants for housing assistance or if they are an affiliated individual of a tenant.

11. Applicants

    VAWA protections also cover applicants when they are applying for admission to the public housing program.

B. Who is Ineligible for VAWA Protections

Guests, unassisted members, and live-in aides of the family are ineligible for VAWA protections that are available only to tenants.

1. As a reasonable accommodation, a tenant can request VAWA protections based on the grounds that the live-in aid is a survivor of VAWA violence/abuse. In addition, other reasonable accommodations may be needed on a case-by-case basis.
2. Where a guest or unassisted member is a survivor of VAWA violence/abuse, a tenant cannot be evicted or have assistance terminated on the basis of the VAWA violence/abuse of the guest or unassisted member.
3. Unassisted members who are also on the lease may qualify by way of the lease for VAWA protections.

C. VAWA Notice of Occupancy Rights and Certification Form

1. The PHA will provide the Notice of Occupancy Rights, form HUD-5380, and the Certification Form, form HUD-5382, to each adult applicant and to each adult participant no later than at each of the following times:
   a. At the time the applicant is denied assistance or admission;
   b. At the time the individual is provided assistance or admission;
   c. With any notification of eviction or notification of termination of assistance; and
   d. During the 12-month period following December 16, 2016, either during the annual reexamination or if there will be no reexamination for the tenant during the first year after the rule takes effect, through other means.
2. In accordance with Executive Order 13166 (Improving Access to Services for Persons with Limited English Proficiency), the PHA shall make available The Notice of Occupancy Rights and the Certification Form in multiple languages.

D. VAWA Notice of Occupancy Rights, HUD-5380

The VAWA Notice of Occupancy Rights explains the VAWA protections for applicants and for

participants, including the rights to confidentiality and any VAWA protection limitations.

1. The PHA will provide the VAWA Notice of Occupancy Rights without changes to the core VAWA protections and confidentiality rights.
2. VAWA Protections for Applicants

   If the applicant otherwise qualifies for public housing assistance the applicant cannot be denied admission or denied assistance because the applicant is or has been a survivor of VAWA violence/abuse.
3. Protections for Tenants
   a. If a tenant is receiving public housing assistance, the tenant may not be terminated from participation or be evicted from the assisted unit because the tenant is or has been a survivor of VAWA violence/abuse.
   b. If a tenant or an affiliated individual of the tenant is or has been the survivor of VAWA violence/abuse by a member of the tenant's household or any guest, the tenant may not be denied rental assistance or occupancy rights under the public housing program assistance solely on the basis of criminal activity directly relating to that incident of VAWA violence/abuse.

E. VAWA Certification Form, HUD-5382

The Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternative Documentation form is an optional way for survivors to comply with a written request for documentation about an incident or incidents of VAWA violence/abuse.

1. VAWA Certification Form
   a. Provides that the survivor or someone on the survivor's behalf may complete the form.
   b. Provides a list of alternative third-party documentation to satisfy a request by a PHA.
   c. Explains the time period for responding to a written request for documentation.
   d. Describes the confidentiality protections under VAWA.
   e. Requires that the survivor or someone filling out the form on the survivor's behalf must answer 10 numbered questions and provide a brief description of the incident(s).
   f. Clarifies that the name of the accused perpetrator does not have to be provided if it is unknown to the survivor or it cannot be provided safely.
   g. Clarifies that the date and time of incident should be completed only if known by the survivor.
   h. Requires the survivor or someone filling out the form on the survivor's behalf to certify to the truth and accuracy of the information being provided and explains that false information could be the basis for denial of admission or termination of assistance.
2. The PHA will advise tenants and applicants that when the HUD-5382 is submitted on the survivor's behalf, the submission will take the place of the tenants or applicants submitting their own statement.

F. Certification and Documentation

1. Acceptance of a Verbal Statement

   a. The PHA is not required to ask for documentation when an individual presents a claim for VAWA protections.

   b. The PHA may choose to provide benefits to an individual based solely on the individual's verbal statement or other corroborating evidence.

   c. The PHA will accept a verbal statement of an incident or incidents of VAWA violence/abuse if the PHA was aware of the abuse and encouraged the survivor to request VAWA protections.

2. Requesting Documentation

   The PHA may choose to request an individual to document their claim of VAWA violence/abuse.

   a. The PHA must request the documentation in writing.

   b. Providing the survivor with the form HUD-5382 does not constitute a written request for the documentation, unless the form HUD-5382 is accompanied by the written notice requesting the documentation.

   c. The survivor may satisfy the PHA's written request for documentation by providing any one of the following:

      1) Form HUD-5382; or

      2) A document:

         a) Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional or a mental health professional (collectively, "professional") from whom the survivor has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse;

         b) Signed by the applicant or tenant; and

         c) That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of a VAWA violence/abuse that is the ground for protection and remedies under the VAWA Final Rule, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking.

      3) A record of a federal, state, tribal, territorial, or local law enforcement agency (may include a police report), court, or administrative agency; or

      4) At the discretion of the PHA, a statement or other evidence provided by the tenant or applicant.

3. Time to Submit VAWA Documentation

   a. The PHA will require submission of documentation within 14 business days after the date that the individual received the written request for documentation.

b. The PHA may extend this time period at its discretion.

c. During the 14-business day period and any granted extensions of that time, no adverse actions, such as eviction or termination, can be taken against the individual requesting VAWA protection.

4. Third-Party Verification

The PHA shall not require the survivor to provide third-party documentation of survivor status, unless:

a. More than one tenant or applicant provides documentation to show they are survivors of VAWA violence/abuse and the information in one person's documentation conflicts with the information in another person's documentation; or

b. Submitted documentation contains information that conflicts with existing information already available to the PHA.

c. The PHA shall give the tenant or applicant 30 calendar days from the date of the written request to provide such documentation.

G. Limitations of VAWA Protections

The tenant may invoke VAWA protections on more than one occasion and the PHA will not subject additional conditions that would adversely affect the tenant's tenancy because they have invoked VAWA protections. There are no limitations on the number of occasions a survivor can invoke VAWA protections.

1. Nothing in this Chapter limits the authority of the PHA, when notified of a court order, to comply with a court order with respect to:

   a. The rights of access or control of property, including civil protection orders issued to protect a survivor of VAWA violence/abuse; or

   b. The distribution or possession of property among members of a household.

2. The PHA may evict or terminate assistance to a tenant for any violation not premised on an act of VAWA violence/abuse that is in question against the tenant or an affiliated individual of the tenant.

   The PHA will not subject the tenant who is or has been a survivor of VAWA violence/abuse or is affiliated with an individual who is or has been subject to VAWA violence/abuse, to a more demanding standard than other tenants when determining whether to evict or terminate assistance.

3. The PHA may terminate assistance or evict a tenant if the PHA can demonstrate an actual and imminent threat to other tenants, PHA employees, or those employed at or providing services to the PHA would of be present if that tenant or lawful occupant is not terminated from assistance or evicted.

   a. An actual and imminent threat refers to a physical danger that is real, would occur within an immediate time frame and could result in death or serious bodily harm.

   b. Words, gestures, actions, or other indicators can be considered an actual and

imminent threat.

c. In determining whether an individual would pose an actual and imminent threat, the PHA will consider the following factors:

1) The duration of the risk,

2) The nature and severity of the potential harm,

3) The likelihood that the potential harm will occur, and

4) The length of time before the potential harm will occur.

4. The PHA will utilize termination of assistance or eviction only when there are no other actions the PHA can employ to reduce or eliminate the threat, including but not limited to transferring the survivor to a different unit, barring the perpetrator from the property, and contacting law enforcement in order to keep the property safe to prevent the perpetrator from acting on a threat.

5. The PHA will terminate tenancy or assistance to any household member who is the perpetrator of VAWA violence/abuse or who engages in criminal acts of physical violence against family members or others.

H. VAWA Confidentiality

Given the significant safety issues faced by survivors of VAWA violence/abuse, it is critical that the PHA establish or update existing policies to maintain the confidentiality and privacy of survivors who seek protections under VAWA.

1. The PHA shall retain in strictest confidence all information pursuant to VAWA including the fact that an individual is a survivor of VAWA violence/abuse.

2. The PHA shall not allow any individual administering assistance on behalf of the PHA, in the employ of the PHA, or any persons with the PHA's employ (e.g., contractors) to have access to VAWA confidential information unless explicitly authorized by the PHA that specifically call for these individuals to have access to the information under applicable Federal, State, or local law.

3. The PHA shall not enter the VAWA confidential information into any shared database or disclose the information to any other entity or individual, except to the extent that the

disclosure is:

a. Requested or consented to in writing by the individual in a time-limited release;

b. Required for use in an eviction proceeding or hearing regarding termination of assistance; or

c. Otherwise required by applicable law.

4. Communicating with the Survivor

When communicating with an applicant, participant, or tenant who has requested VAWA protections, the PHA will take precautions to avoid inadvertent disclosure of confidential information to another individual or entity.

a. The PHA will not leave messages that contain confidential information or refer to VAWA, the VAWA protections, or VAWA violence/abuse on the survivor's voicemail or with other individuals, including members of the survivor's household.

b. The PHA will not send mail regarding VAWA violence/abuse (e.g., a written request to complete form HUD-5282, or written extension of the 14-business day timeframe to respond to the PHA's request for documentation) to the survivor's address as the perpetrator may have access to the survivor's mail.

5. The PHA may employ the following to address the challenges of collecting information from and communicating with survivors of VAWA violence/abuse to avoid unintentional disclosure:

a. Conduct the intake session in a private room, where the individual and staff person can talk without the risk of other staff or clients overhearing.

b. Explain the PHA's information sharing policies.

c. Clarify information sharing policies with referring/referral agencies and other service and business partners.

d. Communicate to the individual who in the PHA is responsible for handling questions or complaints about confidentiality.

e. Work with the tenants to make delivery arrangements of VAWA documents that do not place the survivor at risk.

f. Serve individuals off-site as needed or when appropriate.

g. Provide adequate time for the individual to review and sign forms.

h. Provide reasonable accommodations to permit individuals to follow or access any rules, policies, practices, or services, such as modifying a policy requiring that the survivor come into the office to pick up VAWA documents to instead deliver the form to the survivor.

i. Ensure effective communication with persons with disabilities, e.g., provide sign language interpreters for persons who are deaf, accessible documents and assistance filling out forms for persons with visual impairments or have low vision.

j. Provide interpretation and/or documents translated into the appropriate language when necessary for person with limited English proficiency.

k. Provide accessible documents or assistance filling out forms for individuals with disabilities.

l. Ensure relevant staff understand confidentiality policies and procedures through regular staff training.

m. Post notices about the importance of maintaining confidentiality throughout the office, including the intake room and around other areas of the PHA.

n. Direct staff to respond to third-party inquiries only after verifying that written client consent has been obtained.

o. Maintain distinct phone lines for certain purposes.

p. Use a PHA post office box to receive written correspondence.

q. Avoid using language referencing domestic violence or sexual assault in PHA names, program names, organization names, and staff titles.

I. VAWA Prohibition on Retaliation

Provides protections against retaliation for survivors and other persons who oppose acts made unlawful by VAWA, who seek to enforce VAWA's protections, or who participate in enforcement proceedings.

1. It is illegal for the PHA to discriminate against any person because that person has opposed any act or practice made unlawful by VAWA's housing provisions, or because that person testified, assisted, or participated in any related matter.
2. It is illegal for a PHA to coerce, intimidate, threaten, interfere with, or retaliate against any person who exercises or assists or encourages a person to exercise any rights or protections under VAWA's housing provisions.

J. Right to Report Crimes and Emergencies

Provides protections against actual or threatened penalties for persons requesting law enforcement or emergency assistance.

1. Landlords, homeowners, tenants, residents, occupants, and guests of, and applicants for, housing shall have the right to seek law enforcement or emergency assistance on their own behalf or on behalf of another person in need of assistance.
2. It is prohibited to penalize or threaten to penalize persons because they request assistance or report criminal activity of which they are a survivor or otherwise not at fault under the laws or policies adopted or enforced by "covered governmental entities," which is any municipal, county, or state government that receives funding under Section 106 of the Housing and Community Development Act of 1974.

K. Compliance Process Review

The PHA is required to establish a VAWA compliance review process.

1. The PHA will:
   a. Incorporate the VAWA compliance review process into its existing compliance review processes where possible,
   b. Perform the VAWA compliance review on a regular basis,
   c. Publicly disclose the VAWA compliance review assessment of the information collected;
2. Six Items for Compliance Review
   a. Compliance with requirements prohibiting the denial of assistance, tenancy, or occupancy rights on the basis of domestic violence, dating violence, sexual assault, or stalking;

b. Compliance with VAWA confidentiality provisions

c. Compliance with the notification requirements

d. Compliance with the provisions for accepting documentation

e. Compliance with emergency transfer requirements; and

f. Compliance with the prohibition on retaliation

3. The PHA will develop regulations to implement the VAWA compliance review in consultation with the appropriate stakeholders, which includes the following, but not limited to:

   a. Individuals and organizations with expertise in the housing needs and experiences of survivors of VAWA violence/abuse; and

   b. Individuals and organizations with expertise in the administration or management of HUD programs subject to VAWA statutory requirements and protections.

L. VAWA FHEO Enforcement Authority

HUD and the U.S. Department of Justice shall implement and enforce VAWA consistent with, and in a manner that provides, the same rights and remedies as those provided for the Fair Housing Act.

Effective October 1, 2022, individuals who believe their VAWA rights have been violated may file complaints with HUD's Offices of Fair Housing and Equal Opportunity (FHEO) and General Counsel (OGC). The FHEO and OGC will begin investigating such complaints using HUD's existing Fair Housing Act complaint process.

INDEPENDENT AUDITORS' REPORT

To the Board of Commissioners
Pinal County Housing
Department
Casa Grande, Arizona

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the business-type activities of Pinal County Housing Department as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise Pinal County Housing Department's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Pinal County Housing Department as of June 30, 2024, and the respective changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pinal County Housing Department and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pinal County Housing Department's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pinal County Housing Department's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pinal County Housing Department's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Pinal County Housing Department's basic financial statements. The supplementary information section is presented for purposes of additional analysis and is not a required part of the financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The supplementary information as listed in the table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2024, on our consideration of Pinal County Housing Department's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Pinal County Housing Department's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Pinal County Housing Department's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2024 AND 2023

The Pinal County Housing Department's ("the Department") Management's Discussion and Analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Department's financial activity, (c) identify changes in the Department's financial position, and (d) identify individual fund issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the Department's basic financial statements.

Financial Highlights

- The Department's net position decreased by $207,720 (4.00%) during the fiscal year ended 2024.
- The total operating revenues of the Department increased by $2,276,945 (25.64%) during the fiscal year ended 2024.
- The total operating expenses of all Department programs increased by $2,549,661 (28.86%) during the fiscal year ended 2024.
- At the close of fiscal year ended 2024, the Department's assets exceeded its liabilities by $4,978,949.

Using this Annual Report

The Report includes three major sections, the "Management's Discussion and Analysis (MD&A)", "Basic Financial Statements", and "Other Supplemental Information":

MD&A
~ Management's Discussion and Analysis

Basic Financial Statements
~ *Department-wide Financial Statements* – Statement of Net Position
Statement of Revenues, Expenses, and Changes in Net Position
Statement of Cash Flows

~ *Notes to Basic Financial Statements*

Supplemental Information
~ Supplemental Information (other than the MD&A)

The primary focus of the Department's basic financial statements is on both the Department as a whole (Department-wide) and the major individual programs. Both perspectives (Department-wide and major individual programs) allow the user to address relevant questions, broaden a basis for comparison (year to year or Department to Department), and enhance the Department's accountability.

Department-Wide Basic Financial Statements

The Department-wide basic financial statements are designed to be corporate-like in that all business type activities are consolidated into columns which add to a total for the entire Department.

These Statements include a **Statement of Net Position**, which is similar to a Balance Sheet. The **Statement of Net Position** reports all financial and capital resources for the Department. The statement is presented in the format where assets minus liabilities, equals "Net Position", formerly known as equity. Assets and liabilities are presented in order of liquidity and are classified as "Current" (convertible into cash within one year), and "Non-Current".

The focus of the **Statement of Net Position** is designed to present the net available liquid (non-capital) assets, net of liabilities, for the entire Department. Net Position (formerly equity) is reported in three broad categories:

> **Net Investment in Capital Assets**: This component of Net Position consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
> **Restricted Net Position**: This component of Net Position consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.
> **Unrestricted Net Position**: Consists of Net Position that does not meet the definition of "Net Investment in Capital Assets", or "Restricted Net Position".

The Department-wide basic financial statements also include a **Statement of Revenues, Expenses and Changes in Net Position** (similar to an Income Statement). This Statement includes Operating Revenues, such as rental income, Operating Expenses, such as administrative, utilities, maintenance and depreciation, and Non-Operating Revenue and Expenses, such as capital grant revenue, investment income, and interest expense.

The focus of the **Statement of Revenues, Expenses and Changes in Net Position** is the "Change in Net Position", which is similar to Net Income or Loss.

Finally, a **Statement of Cash Flows** is included, which discloses net cash provided by, or used for operating activities; non-capital financing activities; from capital and related financing activities; and from investing activities.

Basic Financial Statements

The Department consists of an Enterprise Fund. Enterprise funds utilize the full accrual basis of accounting. The Enterprise method of accounting is similar to accounting utilized by the private sector accounting.

Many of the programs maintained by the Department are required by the Department of Housing and Urban Development. Others are segregated to enhance accountability and control.

The Department's Programs

Low Rent Public Housing – Under the Low Rent Public Housing Program, the Department rents units that it owns to low-income households. The Low Rent Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD, and HUD provides Operating Subsidy and Capital Grant funding to enable the Department to provide the housing at a rent that is based upon 30% of household income. The Low Rent Public Housing Program also includes the Capital Fund Program, which is the primary funding source for physical and management improvements to the Department's properties.

Housing Choice Voucher Program – This program is a type of Section 8 assistance. The Department administers contracts with independent landlords that own the property. The Department subsidizes the family's rent through a Housing Assistance Payment (HAP) made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides contributions to the Department to enable the Department to subsidize the participants' rents.

Capital Fund Program – The Conventional Public Housing (low rent) also includes the capital fund program, which is the primary source for physical management improvements to the Department's ACC properties. The formula funding methodology used is based upon the number of units, bedroom sizes of those units, and age of the buildings/units.

ROSS Grant – This grant programmatically addresses the needs of public housing residents by providing service coordinator positions to coordinate supportive services, resident empowerment activities and/or assisting residents in becoming economically self-sufficient or age-in-place.

Business Activities – This fund accounts for the Department owned rental properties.

Total Net Position	$ 4,978,949	$ 5,186,669	$ (207,720)

For more detailed information see the Statement of Net Position.

Major Factors Affecting the Statement of Net Position

During 2024, net position decreased by $207,720, 4.00%, caused primarily by a net decrease of cash of $192,018. The net movement in cash is primarily coming from the net decrease in operating activities, majority coming from the housing assistance payments, with a net operating decrease of $272,716. Also contributing to the net decrease was coming from investing activities which is mainly coming from purchase of capital assets amounting to $342,523. Net cash used in investing activities amounted to $321,591.

Comparative Statement of Revenues, Expenses and Changes in Net Position

The following schedule compares the revenues and expenses for the current and previous fiscal year. The Department is engaged in Business-type Activities.

Net position, end of year	$ 4,978,949	$ 5,186,669	$ (207,720)

Major Factors Affecting the Statement of Revenues, Expenses and Changes in Net Position

Operating revenues increased during 2024 by $2,276,945, 25.64%, due to an increase in HUD operating subsidies, which increased from $7,937,960 to $10,482,727. The increase was primarily due to increased utilization for the Housing Choice Voucher Program, as well as Emergency Voucher funding.

Operating expenses increased by $2,549,661, 28.86% during 2024 due to the increase in housing assistance payments made to landlords which increased from $6,668,605 to $9,169,963, as well as an increase in general expenses from $111,036 to $154,548.

Overall, net position decreased by $207,720 due to operating expenses exceeding operating revenues for the current year.

Capital Assets and Debt Administration

Capital Assets

As of the year-end, the Department had $4,162,346 invested in a variety of capital assets as reflected in the following schedule.

Table 3 - Capital Assets at Year-End (Net of Depreciation)

	2024	2023 Adjusted	Increase (Decrease)

Capital assets, net	$ 4,162,346	$ 4,207,420	$ (45,074)

Debt Outstanding

The Department had long term liabilities of $1,257,950 and $1,268,590 for 2024 and 2023 respectively for a net decrease of $10,640. The majority of the net decrease is attributed to the decrease of the net pension liability of $30,384.

Factors Affecting Next Year's Budget

The Department continues its affordable housing ventures. Availability of funding from HUD for operating subsidy, housing voucher program and modernization remain uncertain and volatile.

Economic Factors

Significant economic factors affecting the Department are as follows:

- Federal funding provided by Congress to the Department of Housing and Urban Development.
- Local labor supply and demand, which can affect salary and wage rate.
- Local inflationary, recessionary and employment trends, which can affect resident incomes and therefore the amount of rental income.
- Inflationary pressure on utility rates, supplies and other costs.
- Increased material, contracted labor, and insurance costs due to storm activity or drought.

PINAL COUNTY HOUSING DEPARTMENT
Casa Grande, Arizona
NOTES TO BASIC FINANCIAL STATEMENTS
June 30, 2024

A – Summary of Significant Accounting Policies and Organization:

1. **Organization**: Pinal County Housing Department ("the Department") is a public body corporate and politic pursuant to the Laws of the State of Arizona which was organized to provide low rent housing for qualified individuals in accordance with the rules and regulations prescribed by the U.S. Department of Housing and Urban Development (HUD) and other federal agencies.

2. **Reporting Entity**: In determining how to define the reporting entity, management has considered all potential component units. The decision to include a component unit in the reporting entity was made by applying the criteria set forth in Section 2100 and 2600 of the *Codification of Governmental Accounting and Financial Reporting Standards and Statement No.14, (amended) of the Governmental Accounting Standards Board: The Financial Reporting Entity*. These criteria include manifestation of oversight responsibility including financial accountability, appointment or a voting majority, imposition of will, financial benefit to or burden on a primary organization, financial accountability as a result of fiscal dependency, potential for dual inclusion, and organizations included in the reporting entity although the primary organization is not financially accountable. Based upon the application of these criteria, the reporting entity has no component units.

   The basic financial statements of the Department consist primarily of Low Rent Public Housing under Annual Contributions Contract SF 202.

3. **Summary of HUD and Other Department Programs**: The accompanying basic financial statements consist of the activities of the housing programs subsidized by HUD and Department owned entities. A summary of each of these programs is provided below.

   a. Annual Contributions Contract

   1) **Low Rent Public Housing**: This type of housing consists of apartments and single-family dwellings owned and operated by the Department. Funding is provided by tenant rent payments and subsidies provided by HUD.
   2) **Modernization and Development**: Substantially all additions to land buildings, and equipment are accomplished through the Capital Fund Program. These programs add to, replace or materially upgrade deteriorated portions of the Department's housing units. Funding is provided through programs established by HUD.
   3) **Resident Opportunity and Supportive Services (ROSS)**: The Department will provide supportive services to its elderly and disabled housing residents in order to enhance their quality of life and to enable residents to maintain their independence as long as possible. Services will include a wellness program, transportation, congregate meals, housekeeping aid, employment assistance, recreational activities and case management.

   b. Annual Contributions Contract – Housing Assistance Payments Programs

   Housing Choice Vouchers: This is a housing program wherein low rent tenants lease housing units directly from private landlords rather than through the Department. The Department contracts with private landlords to make assistance payments for the difference between the approved contract rent and the actual rent paid by the low rent tenants.

4. **Basis of Presentation and Accounting**: In accordance with uniform financial reporting standards for HUD housing programs, the basic financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP).

Based upon compelling reasons offered by HUD, the Department reports its basic financial statements as a special purpose government engaged solely in business-type activities, which is similar to the governmental proprietary fund type (enterprise fund), which uses the accrual basis of accounting and the flow of economic resources measurement focus. Revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. Pursuant to *GASB Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements*, certain accounting and financial reporting guidance is applied in the preparation of the basic financial statements, unless those pronouncements conflict with or contradict GASB pronouncements.

Generally accepted accounting principles for state and local governments requires that resources be classified for accounting and reporting purposes into the following three net position categories:

Net Investment in Capital Assets – Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

Restricted – Net position whose use by the Department is subject to externally imposed stipulations that can be fulfilled by actions of the Department pursuant to those stipulations or that expire by the passage of time. Such assets include assets restricted for capital acquisitions and debt service.

Unrestricted – Net position that is not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the Department Board or may otherwise be limited by contractual agreements with outside parties.

5. **Budgets**: Budgets are prepared on an annual basis for each major program and are used as a management tool throughout the accounting cycle. The capital fund budgets are adopted on a "project length" basis. Budgets are not, however, legally adopted nor legally required for basic financial statement presentation.

6. **Cash and Cash Equivalents**: For purposes of the Statement of Cash Flows, the Department considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased and non-negotiable certificates of deposit to be cash equivalents. There were no noncash investing, capital and financing activities during the year.

7. **Inter-program Receivables and Payables**: Inter-program receivables/payables, when present, are all current, and are the result of the use of the Public Housing Program as the common paymaster for shared costs of the Department. Cash settlements are made periodically, and all inter-program balances net zero. Offsetting due to/due from balances are eliminated for the basic financial statement presentation.

8. **Investments**: Investments, when present, are recorded at fair value. Investment instruments consist only of items specifically approved for public housing agencies by HUD. Investments are either insured or collateralized using the dedicated method under the dedicated method of collateralization, all deposits and investments over the federal depository insurance coverage are collateralized with securities held by the Department's agent in the Department's name. It is the Department's policy that all funds on deposit are collateralized in accordance with both HUD requirements and requirements of the State of Arizona.

9. **Inventories**: Inventories (consisting of materials and supplies) are valued at cost using the first in, first out (FIFO) method. If inventory falls below cost due to damage, deterioration or obsolescence, the Department establishes an allowance for obsolete inventory. In accordance with the consumption method, inventory is expensed when items are actually placed in service.

10. **Prepaid Items**: Payments made to vendors for goods or services that will benefit periods beyond the fiscal year end are recorded as prepaid items.

11. **Use of Estimates**: The preparation of basic financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the basic financial statements and reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

12. **Fair Value of Financial Instruments**: The carrying amount of the Department's financial instruments at June 30, 2024 including cash, investments, accounts receivable, and accounts payable closely approximates fair value.

13. **Capital Assets**:

    a. **Book Value**: All purchased fixed assets are valued at cost when historical records are available, fixed assets are valued at estimated historical cost.

       Land values were derived from development closeout documentation.

       Donated fixed assets are recorded at their fair value at the time they are received.

       Donor imposed restrictions are deemed to expire as the asset depreciates.

       All normal expenditures or preparing an asset for use are capitalized when they meet or exceed the capitalization threshold.

    b. **Depreciation**: The cost of buildings and equipment is depreciated over the estimated useful lives of the related assets on a composite basis using the straight-line method.

       Depreciation commences on modernization and development additions in the year following completion.

The useful lives of buildings and equipment for purposes of computing depreciation are as follows:

Buildings	30 to 40 years
Components	10 to 40 years
Building Modernization	10 to 40 years
Furniture	5 to 7 years
Equipment	5 to 7 years
Vehicles	5 to 7 years
Computers	5 to 7 years

c. **Maintenance and Repairs Expenditures**: Maintenance and repairs expenditures are charged to operations when incurred. Betterments for buildings in excess of $25,000 are capitalized. When buildings and equipment are sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved, and any gain or loss is included in operations.

d. **Impairment of Long-Lived Assets**: The Department has been and is currently involved in various demolition activities in conjunction with its modernization and development programs. In accordance with *Statement of Financial Accounting Standards No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets"*, the Department has at June 30, 2024, recognized in the accompanying basic financial statements the impact of the demolition activities. Under the provisions of the statement, long-lived assets are to be reviewed for impairment. Application for measurement of long-lived assets should be at the lower of carrying amount or fair value less cost to sell, whether reported in continuing operations or discontinued operations.

14. **Compensated Absences**: Compensated absences are those absences for which employees will be paid, such as vacation and sick leave computed in accordance with GASB Statement No. 16. A liability for compensated absences that is attributable to services already rendered and that are not contingent on a specific event that is outside the control of the Department and its employees, is accrued as employees earn the rights to the benefits. Compensated absences that relate to future services or that are contingent on a specific event that is outside the control of the Department and its employees are accounted for in the period in which such services are rendered or in which such events take place.

    Long-term compensated absences are those that the Department does not expect to be used with the next fiscal year based on experience with their employees.

15. **Litigation Losses**: The Department recognizes estimated losses related to litigation in the period in which the occasion giving rise to the loss occurred, the loss is probable, and the loss is reasonably estimable.

16. **Annual Contribution Contracts**: Annual Contribution Contracts provide that HUD shall have the authority to audit and examine the records of public housing authorities. Accordingly, final determination of the Department's financing and contribution status for the Annual Contribution Contracts is the responsibility of HUD based on financial reports submitted by the Department.

17. **Risk Management**: The Department is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Department carries commercial insurance for certain risks of loss, including workers' compensation and employee health and accident insurance, fidelity bond, automobile, and Director and Officers liability. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. Additionally, there have been no significant reductions in insurance coverage from the prior year.

18. **Use of Restricted Assets**: It is the Department's policy to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net positions are available.

19. **Operating Revenues and Expenses**: The principal operating revenues of the Department's enterprise fund are charges to customers for rents and services. Operating expenses for the Department's enterprise fund include the cost of providing housing and services, administrative expenses and depreciation on capital assets. Revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

20. **Pensions**: For purposes of measuring the net pension (asset and) liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the pension plans' fiduciary net position and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the plans. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

B – Deposits and Investments: For purposes of the Statement of Cash Flows, the Department considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased and non-negotiable certificates of deposit to be cash equivalents.

1. HUD Deposit and Investment Restrictions:

HUD requires authorities to invest excess HUD program funds in obligations of the United States, certificates of deposit or any other federally insured instruments.

HUD also requires that deposits of HUD program funds be fully insured or collateralized at all times. Acceptable security includes FDIC/FSLIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Department or with an unaffiliated bank or trust company for the account of the Department.

2. Risk Disclosures

a. **Interest Rate Risk**: As a means of limiting its exposure to fair value losses arising from interest rates, the Department's investment policy limits the Department's investment portfolio to maturities not to exceed two years at time of purchase. At June 30, 2024, the Department's deposits and investments were not limited and all of which are either available on demand or have maturities of less than two years.

b. **Credit Risk**: This is risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The Department's investment policy is that none of its total portfolio may be invested in securities of any single issuer, other than the US Government, its agencies and instrumentalities.

c. **Custodial Credit Risk**: This is the risk that in the event of the failure of the counterparty, the Department will not be able to recover the value of its investments or collateral securities that are held by the counterparty. All of the Department's investments in securities are held in the name of Pinal County. The Department's custodial agreement policy prohibits counterparties holding securities not in the Department's or County's name. The carrying amounts of the Department's cash deposits were $1,614,231 at June 30, 2024. Bank balances before reconciling items were $1,870,682 at that date, the total amount of which was collateralized or insured with securities held by an unaffiliated banking institution in the Department's or the County's name.

H - Annual Contributions by Federal Agencies:

Annual Contributions Contract – Pursuant to the Annual Contributions Contract, HUD contributes an operating subsidy approved in the operating budget under the Annual Contributions Contract. HUD operating subsidy contributions for the year ended June 30, 2024 were $452,734.

Annual Contributions Contract – The Section 8 Housing Choice Voucher program provides housing assistance payments to private owners of residential units on behalf of eligible low or very low-income families. The program payments cover the difference between the maximum rental on a dwelling unit and the amount of rent contribution by a participating family. HUD also funds related administrative expenses. HUD contributions, including Emergency Vouchers, for the year ended June 30, 2024 were $9,574,674.

Annual Contributions Contract – HUD provides grant funding for Resident Opportunity and Support Services (ROSS) program to the Housing Department to provide supportive services related to resident empowerment activities and/or assisting residents in becoming economically self-sufficient. Services include a wellness program, transportation, congregate meals, housekeeping aid, employment assistance, recreational activities and case management. For the year ended June 30, 2024, the annual grant contribution totaled $49,890.

I – Pensions and Other Postemployment Benefits:

The Department contributes to the Arizona State Retirement System plan described below. ASRS is a component unit of the State of Arizona. At June 30, 2024 the Department reported the following amounts related to pensions for this plan.

Statement of Net Pension and Statement of Activities	**Business Type Activities**
Net pension liabilities	$ 1,197,927
Deferred outflows of resources	$ 134,320
Deferred inflow of resources	$ 54,845
Pension expense	$ 144,582

The Department's accrued payroll and employee benefits includes $1,625 of outstanding pension amounts payable to all plans for the year ended June 30, 2024. The OPEB plans are not described due to their relative insignificance to the Department's financial statements.

Arizona State Retirement System

Plan Description: The Department employees participate in the Arizona State Retirement System (ASRS). The ASRS administers a cost-sharing multiple-employer defined benefit pension plan. The Arizona State Retirement System Board governs the ASRS according to the provisions of A.R.S. Title 38, Chapter 5, Articles 2 and 2.1. The ASRS issues a publicly available financial report that includes its financial statements and required supplementary information. The report is available on its Web site at www.azasrs.gov.

Benefits Provided: The ASRS provides retirement and survivor benefits. State statute establishes benefit terms. Retirement benefits are calculated on the basis of age, average monthly compensation, and service credit as follows:

	Retirement Initial Membership Date:	
	Before July 1, 2011	**On or after July 1, 2011**
Eligible for full retirement benefits upon the earliest of attaining:	Age 65 Age 62 with 10 years of credit service Age plus credited service equaling 80 or more	Age 65 Age 62 with 10 years of credit service Age 60 with 25 years of credit service Age 55 with 30 years of credit service
Average monthly compensation	Highest 36 months of last 120 months (10 years)	Highest 60 months of last 120 months (10 years)
Benefit percent per year of service		
0.00 to 19.99	2.10%	2.10%
20.00 to 24.99	2.15%	2.15%
25.00 to 29.99	2.20%	2.20%
30.00 or more	2.30%	2.30%

*With actuarially reduced benefits.

Retirement benefits for members who joined the ASRS prior to September 13, 2013, are subject to automatic cost-of-living adjustments based on excess investment earnings. Members with a membership date on or after September 13, 2013, are not eligible for cost-of-living adjustments. Survivor benefits are payable upon a member's death. For retired members, the survivor benefit is determined by the retirement option chosen. For all other members, the beneficiary is entitled to the member's account balance that includes the member's contributions and employer's contributions, plus interest earned.

J – Pension Contributions:

In accordance with state statutes, annual actuarial valuations determine active member and employer contribution requirements. The combined active member and employer contribution rates are expected to finance the costs of benefits employees earn during the year, with and additional amount to finance any unfunded accrued liability. For the year ended June 30, 2024, active ASRS members and the Department were required by statute to contribute at the actuarially determined rate of 12.29 (12.03 percent for retirement, .11 percent for health insurance premiums, and .15 percent for long- term disability) of the members' annual covered payroll. The Department's contributions to the pension plan for the year ended June 30, 2024, were $105,045.

	Retirement	Health	Disability	Total
Rates	12.03%	0.11%	0.15%	12.29%
Percent of Total	97.88%	0.90%	1.22%	100.00%
Contributions per Category	**$ 102,818**	**$ 945**	**$ 1,282**	**$ 105,045**

Liability: At June 30, 2024, the Department reported the following liability for its proportionate share of the ASRS' net pension liability.

ASRS	Net Pension Liability
Pension	$ 1,197,927

The net pension liability was measured as of June 30, 2023. The total pension liability used to calculate the net pension liability was determined using update procedures to roll forward the total pension liability from an actuarial valuation as of June 30, 2023, to the measurement date of June 30, 2024. The total liabilities as of June 30, 2024 reflect changes in actuarial assumptions based on the results of an actuarial experience study for the 5-year period ended June 30, 2017. The discount rate decreased from 7.5 percent to 7.0 percent, changing the projected salary increased from 2.7-7.2 percent to 2.9-8.4 percent and inflation rate remaining at 2.3 percent.

The Department is a departmental unit of Pinal County, and as such, shares in the reported liability for the County. The County's proportion of the net pension liability was based on the County's actual contributions to the plan relative to the total of all participating employers' contributions for the year ended June 30, 2024. The County's proportion measured as of June 30, 2024, was 0.6484 percent, which was a decrease of 0.00289 percent from its proportion measured as of June 30, 2023.

The Department's reported a liability at June 30, 2024, decreased by $30,384 from the Department's prior year liability of $1,228,311 because of changes in the ASRS' net pension liability and the County's proportionate share of that liability. The ASRS' publicly available financial report provides details on the changes in the net pension liability.

Pension expense and deferred outflows/inflows of resources: For the year ended June 30, 2024, the Department recognized pension expense for ASRS of $144,582. At June 30, 2024, the Department reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

ASRS	Deferred Outflow of Resources	Deferred Inflow of Resources
Difference between expected and actual experience	$ 27,068	$ -
Changes of assumptions or other inputs	-	-
Net Difference between projected and actual earnings on plan investments	-	42,384
Changes in proportion and differences between Authority contributions and proportionate share of contributions	4,434	12,461
Authority contributions subsequent to the measurement date	102,818	-
Total	$ 134,320	$ 54,845

The $102,818 reported as deferred outflows of resources related to ASRS pensions resulting from county contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ending June 30, 2025. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to ASRS pensions will be recognized in pension expense (income) as follows:

Year ending June 30,	
2025	$(19,083)
2026	$ (2,360)
2027	$ (2,261)
2028	$ 361

Actuarial Assumptions: The significant actuarial assumptions used to measure the total pension liability are as follows:

Actuarial valuation date	June 30, 2023
Actuarial roll forward date	June 30, 2024
Actuarial cost method	Entry age normal
Asset Valuation	Fair Value
Investment rate of return	7.0%
Projected salary increases	2.9 - 8.4% for pensions/not applicable for OPEB
Inflation	2.3%
Permanent benefit increase	Included for pensions/not applicable for OPEB
Mortality rates	2017 SRA Scale U-MP for pension and health insurance premium benefit
Recovery rates	2012 GLDT for long-term disability
Healthcare cost trend rate	Not applicable

Actuarial assumptions used in the June 30, 2024, valuation were based on the results of an actuarial experience study for the 5-year period ended June 30, 2017.

The long-term expected rate of return on ASRS pension plan investments was determined to be 7.5 percent using a building-block method in which best-estimate ranges of expected future real rates of

return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighing the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

ASRS

Asset Class	Target Allocation	Real Return Geometric Basis	Long term Contribution to Expected Real Return
Equity	54%	10.20%	2.21%
Credit	23%	5.90%	1.36%
Sensitive	6%	1.50%	0.09%
Real Estate	17%	5.90%	1.00%
Total	**100%**		**4.66%**

Discount Rate: At June 30, 2024, the discount rate used to measure the ASRS total pension liability was 7.0 percent. The projection of cash flows used to determine the discount rate assumed that contributions from participating employers will be made based on the actuarially determined rates based on the ASRS Board's funding policy, which establishes the contractually required rate under Arizona statute. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Department's proportionate share of the ASRS net pension liability to changes in the discount rate: The following table presents the Department's proportionate share of the net pension liability calculated using the discount rate of 7.0 percent, as well as what the Department's proportionate share of the net pensions liability would be if it were calculated using a discount rate that is 1 percentage point lower (6.0 percent) or 1 percentage point higher (8.0 percent) that the current rate:

ASRS

	1% Decrease (6.0%)	Current Discount Rate (7.0%)	1% Increase (8.0%)
Authority's proportionate share of net pension liability	$ 1,794,319	$ 1,197,927	$ 700,642

Pension plan fiduciary net position: Detailed information about the pension plan's fiduciary net position is available in the separately issued ASRS financial report.

K – Economic Dependency:

The Department receives approximately 93% of its revenues from HUD. If the amount of revenues received from HUD falls below critical levels, the Department's reserves could be adversely affected.

L – Contingencies:

The Department is subject to possible examinations made by Federal and State authorities who determine compliance with terms, conditions, laws and regulations governing other grants given to the Department in the current and prior years. There were no such examinations for the year ended June 30, 2024.

M – Leasing Activities:

The Department is the lessor of dwelling units mainly to low-income residents. The rents under the leases are determined generally by the resident's income as adjusted for eligible deductions regulated by HUD, although the resident may opt for a flat rent. Leases may be cancelled by the lessee at any time. The Department may cancel the lease only for cause.

Revenues associated with these leases are recorded in the basic financial statements and schedules as "Rental Revenue". Rental Revenue per dwelling unit generally remains consistent from year to year but is affected by general economic conditions which impact personal income and local job availability.

N – Related Party Transactions:

The Department is part of the Pinal County, Arizona and is included in the financial statements of the County. The County contributed to employee salary and benefits which totaled $257,398 and to services and supplies which totaled $76,453 for a total contribution of $333,851 during the fiscal year ended June 30, 2024. These expenses have not been included in the Department's financial statements. Separate financial statements are presented for purposes of HUD reporting.

O – Prior Period Adjustment:

In 2023, the Department determined that the value of the ROSS program should be zero, as it is a cost-reimbursable program. After issuing the prior year's audit report, and during the REAC submission, the Department removed the remaining balances under fixed assets to address HUD's concerns. This adjustment decreased depreciation expense by $1,148, accumulated depreciation by $5,501, furniture, equipment & machinery by $8,036, invested in capital assets by $2,535, and unrestricted net assets by $1,148.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
June 30, 2024

A – Basis of Presentation:

The accompanying Schedule of Federal Awards (the Schedule) includes the federal grant activity of the Department under programs of the federal government for the year ended June 30, 2024. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Department, it is not intended to and does not present the financial position, changes in net position or cash flows of the Department.

B – Summary of Significant Accounting Policies:

The significant accounting policies for the schedule of expenditures of federal awards are as follows:

1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

2) Pinal County Housing Department has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

C – Reconciliation of Total Federal Awards Expenditures to Financial Data Schedule:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Commissioners
Pinal County Housing
Department
Casa Grande, Arizona

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Pinal County Housing Department (the Department), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Department's basic financial statements, and have issued our report thereon dated December 17, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Pinal County Housing Department's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Pinal County Housing Department's internal control. Accordingly, we do not express an opinion on the effectiveness of Pinal County Housing Department's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Pinal County Housing Department's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Commissioners
Pinal County Housing
Department
Casa Grande, Arizona

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Pinal County Housing Department's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Pinal County Housing Department's major federal programs for the year ended June 30, 2024. The Pinal County Housing Department's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Pinal County Housing Department complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Pinal County Housing Department and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Pinal County Housing Department's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Pinal County Housing Department's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Pinal County Housing Department's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Pinal County Housing Department's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Pinal County Housing Department's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Pinal County Housing Department's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Pinal County Housing Department's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

Government Auditing Standards requires the auditor to perform limited procedures on Pinal County Housing Department's response to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. Pinal County Housing Department's response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SECTION II – FINDINGS RELATED TO FINANCIAL STATEMENTS REPORTED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

No findings noted.

SECTION III – FINDINGS AND QUESTIONED COSTS RELATED TO FEDERAL AWARDS

No findings noted.

PINAL COUNTY HOUSING DEPARTMENT
SCHEDULE OF PRIOR AUDIT FINDINGS
JUNE 30, 2023

SECTION III – FINDINGS AND QUESTIONED COSTS RELATED TO FEDERAL AWARDS

Inaccurate Amount on the VMS Submissions
REFERENCE: 2023-001

Criteria:
Amounts reported in monthly VMS submissions should be accurate.

Condition and Context:
For the entire fiscal year, the Department was not submitting the correct restricted amounts.

Cause:
The Organization has recently hired a finance manager who has the capacity to correct the previously erroneous report submitted.

Effect:
HUD uses VMS to collect PHA data that enables HUD to fund, obligate, and disburse funding. With incorrect amounts submitted, the PHA could receive funds based on incorrect amounts.

SECTION III – FINDINGS AND QUESTIONED COSTS RELATED TO FEDERAL AWARDS (CONT'D)

Spending not in Compliance with Activities Allowed by the Compliance Requirements
REFERENCE: 2023-002

Criteria:
According to the activities allowed compliance requirement, PHA's may use HCVP funds only for HAPs to participating owners. Current year HAP funding must be used for CY HAP and later HAP expenses. PHA's HAP equity balance, also known as RNP, provides the balance of the unspent HAP at any given point in time.

Condition and Context:
HAP restricted cash does not cover ending HAP equity.

Cause:
The Department lacked the ability to correctly manage HAP funding with activities allowed by the compliance requirement.

Effect:
The Department is not in compliance with the activities allowed by the Section 8 Housing Choice Vouchers program.

Recommendation:
We recommend that the new finance manager should look into this error and correct these as necessary.

SIGNIFICANT AMENDMENT/MODIFICATION

In accordance with 24 CFR §903.7(r)(2) which requires public housing authorities to identify the basic criteria the agency will use to determine a substantial deviation from its 5-Year Plan and significant amendments or modification to the 5-Year Plan and Annual Plan, the following definitions are offered:

Significant Amendment/Modification:

Significant Amendment/Modification is defined as a change that will negatively impact a majority of Section 8, Public Housing participants, or waiting list applicants, except when the change is determined to be necessary in order to comply with regulatory requirements, respond to funding constraints, or respond to a federally, state or locally declared emergency.

Significant Amendment/Modification is defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Supervisors.

Certifications of Compliance with PHA Plan and Related Regulations *(Small PHAs)*	**U.S. Department of Housing and Urban Development** Office of Public and Indian Housing **OMB No. 2577-0226** **Expires 3/31/2024**

PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations including PHA Plan Elements that Have Changed

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ***2025-2029*** *5-Year and/or* ***2025*** *Annual PHA Plan, hereinafter referred to as" the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning* ***July 1, 2025*** *in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the submission of the Plan and implementation thereof:*

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice (AI) or Assessment of Fair Housing (AFH) as applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR § 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA certifies that the following policies, programs, and plan components have been revised since submission of its last
   Annual PHA Plan (check all policies, programs, and components that have been changed):

___903.7a Housing Needs
___903.7b Deconcentration and Other Policies Governing Eligibility, Selection, Occupancy, and Admissions Policies

___903.7d Rent Determination Policies
___903.7h Demolition and Disposition
___903.7k Homeownership Programs
___903.7r Additional Information
- ___A. Progress in meeting 5-year mission and goals
- ___B. Criteria for substantial deviation and significant amendments
- ___C. Other information requested by HUD
  - ___1. Resident Advisory Board consultation process
  - ___2. Membership of Resident Advisory Board
  - ___3. Resident membership on PHA governing board

The PHA provides assurance as part of this certification that:
(i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
(ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
(iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.

5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d—4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of

the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.

7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.
8. For a PHA Plan that includes a policy for site-based waiting lists:
   - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2010-25);
   - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
   - Adoption of site-based waiting lists would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
   - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing; and
   - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. In accordance with 24 CFR § 5.105(a)(2), HUD's Equal Access Rule, the PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.
11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.
14. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
15. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
17. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.

18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
21. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
22. The PHA certifies that it is in compliance with applicable Federal statutory and regulatory requirements, including the Declaration of Trust(s).

Annual Certification and Board Resolution

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year PHA Plan , hereinafter referred to as" the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the fiscal year beginning _____ in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the mission, goals, and objectives of the public housing agency and implementation thereof:

The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d—4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 *et seq.*), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.

BY THE PINAL COUNTY BOARD OF SUPERVISORS
PROCLAMATION
FAIR HOUSING MONTH
APRIL 2025

WHEREAS, The Civil Rights Act of 1968, commonly known as the Federal Fair Housing Act, and the Fair Housing Amendments Act of 1988, prohibit discrimination in the sale, rental, leasing, and financing of housing or land to be used for the construction of housing or in the provision of brokerage services on the basis of race, color, religion, sex, disability, familial status or national origin; and

WHEREAS, The 1968 and 1988 Federal Fair Housing Acts declare that it is a National policy to ensure equal opportunities in housing; and

WHEREAS, The month of April has traditionally been designated as Fair Housing Month in the United States.

NOW, THEREFORE, WE, the Pinal County Board of Supervisors, do hereby proclaim April 2025 as **"Fair Housing Month"** and urge all citizens of the County to comply with and show their support for the letter and spirit of the Fair Housing Acts. Proclaimed this 5th day of March, 2025.

FAIR HOUSING RESOLUTION No. 030525-FHR

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF PINAL, ARIZONA, ADOPTING A FAIR HOUSING POLICY, MAKING KNOWN ITS COMMITMENT TO THE PRINCIPLE OF FAIR HOUSING, AND DESCRIBING ACTIONS IT SHALL UNDERTAKE TO AFFIRMATIVELY FURTHER FAIR HOUSING.

WHEREAS, the Housing and Community Development Act of 1974 as amended requires that all applicants for Community Development Block Grant funds certify that they shall affirmatively further fair housing; and

WHEREAS, Title VII of the Civil Rights Act of 1968 (commonly known as the Federal Fair Housing Act) and the Fair Housing Amendments Act of 1988 declare a national policy to prohibit discrimination in the sale, rental, leasing, and financing of housing or land to be used for the construction of housing, or in the provision of brokerage services, on the basis of race, color, religion, sex, disability, familial status, or national origin; and

WHEREAS, discriminatory housing practices undermine the strength and vitality of America and its people;

NOW, THEREFORE, BE IT RESOLVED THAT the Board of Supervisors of the county of Pinal hereby wish all persons living, working, doing business in or traveling through this county to know that discrimination on the basis of race, color, religion, sex, handicap, familial status or, national origin in the sale, rental, leasing and financing of housing or land to be used for construction of housing, or in the provision of brokerage services is prohibited by the Federal Fair Housing Act and the Fair Housing Amendments of 1988; and that it is the policy of the county of Pinal to implement programs, within the constraints of its resources, to ensure equal opportunity in housing for all persons regardless of race, color, religion, sex, handicap, familial status or national origin; and within available resources the county of Pinal will assist all persons who feel they have been discriminated against in housing issues on the basis of race, color, religion, sex, handicap, familial status, or national origin to seek equity under existing federal and state laws to file a complaint with the Arizona Attorney General's Office or the U.S. Department of Housing and Urban Development; and that the county of Pinal shall publicize this Resolution by holding a Fair Housing session and thereby encourage owners of rental properties, developers, builders, and others involved with housing to become aware of their respective responsibilities and rights under these laws and any applicable state or

local laws or ordinances; and that the county of Pinal shall undertake these actions to additionally and affirmatively further fair housing.

PASSED AND ADOPTED BY THE Board of Supervisor of Pinal County ON THIS 5th **Day of** March 2025.

CAPITAL FUND PROGRAM (CFP) AMENDMENT

Form HUD-53012

2025 Capital Fund

OMB Approval No. 2577-0303
(exp. 10/31/2026)

Capital Fund Program (CFP) Amendment
to Consolidated Annual Contributions Contract Terms and Conditions (HUD-53012)

U.S. Department of Housing and Urban Development
Office of Public and Indian Housing

The information collection requirements contained in this document have been approved by the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520) and assigned OMB control number 2577-0303. There is no personal information contained in this application. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when disclosure is not required. In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a currently valid OMB control number.

Whereas, (Public Housing Authority) Pinal County Housing Authority AZ010 (herein called the "PHA") and the United States of America, Secretary of Housing and Urban Development (herein called "HUD") entered into an Annual Contributions Contract ACC(s) Numbers(s) (On File) dated (On File)

Whereas, in accordance with Public Law No: 119-4;

Whereas, HUD has agreed to provide CFP assistance, upon execution of this Amendment, to the PHA in the amount to be specified below for the purpose of assisting the PHA in carrying out capital and management activities at existing public housing projects in order to ensure that such projects continue to be available to serve low-income families. HUD reserves the right to provide additional CFP assistance in this FY to the PHA. When HUD provides additional amounts, it will notify the PHA and those amended grants will be subject to these terms and conditions.

$ $521,922.00 for Fiscal Year 2025 to be referred to under the Capital Fund Grant Number AZ20P01050125
PHA Tax Identification Number (TIN): On File UEI Number: On File

Whereas, HUD and the PHA are entering into the CFP Amendment Number On File

Now Therefore, the ACC is amended as follows:

1. The ACC(s) is (are) amended to provide CFP assistance in the amount specified above for capital and management activities of PHA projects. This CFP Amendment is a part of the ACC.

2. The PHA must carry out all capital and management activities in accordance with the United States Housing Act of 1937 (the Act), 24 CFR Part 905 (the Capital Fund Final rule) as well as other applicable HUD requirements, except that the limitation in section 9(g)(1) of the Act is increased such that of the amount of CFP assistance provided for under this CFP amendment only, the PHA may use no more than 25 percent for activities that are eligible under section 9(e) of the Act only if the PHA's HUD-approved Five Year Action Plan provides for such use; however, if the PHA owns or operates lessthan 250 public housing dwelling units, such PHA may continue to use the fullflexibility in accordance with section 9(g)(2) of the Act.

3. The PHA has a HUD-approved Capital Fund Five Year Action Plan and has complied with the requirements for reporting on open grants through the Performance and Evaluation Report. The PHA must comply with 24 CFR 905.300 of the Capital Fund Final rule regarding amendment of the Five Year Action Plan where the PHA proposes a Significant Amendment to the Capital Fund Five Year Action Plan.

4. For cases where HUD has approved a Capital Fund Financing Amendment to the ACC, HUD will deduct the payment for amortization scheduled payments from the grant immediately on the effective date of this CFP Amendment. The payment of CFP funds due per the amortization scheduled will be made directly to a designated trustee within 3 days of the due date. Subject to the provisions of the ACC(s) and paragraph 3, and to assist in capital and management activities, HUD agrees to disburse to the PHA or the designated trustee from time to time as needed up to the amount of the funding assistance specified herein.

5. Unless otherwise provided, the 24 month time period in which the PHA must obligate this CFP assistance pursuant to section 9(j)(1) of the Act and 48 month time period in which the PHA must expend this CFP assistance pursuant to section 9(j)(5) of the Act starts with the effective date of this CFP amendment (the date on which CFP assistance becomes available to the PHAfor obligation). Any additional CFP assistance this FY will start with the same effective dale.

6. The PHA shall continue to operate each public housing project as low-income housing in compliance with the ACC(s), as amended, the Act and all HUD regulations for a period of twenty years after the last disbursement of CFP assistance for modernization activities for each public housing project or portion thereof and for a period of forty years after the last distribution of CFP assistance for development activities for each public housing project and for a period of ten years following the last payment of assistance from the Operating Fund to each public housing project. Provided further that, no disposition of any project covered by this amendment shall occur unless approved by HUD.

7. The PHA will accept all CFP assistance provided for this FY. If the PHA does not comply with any of its obligations under this CFP Amendment and does not have its Annual PHA Plan approved within the period specified by HUD, HUD shall impose such penalties or take such remedial action as provided by law.HUD may direct the PHA to terminate all work described in the Capital Fund Annual Statement of the Annual PHA Plan. In such case, the PHA shall only incur additional costs with HUD approval.

8. Implementation or use of funding assistance provided under this CFP Amendment is subject to the attached corrective action order(s).
(mark one) : Yes [ ] No [X]

9. The PHA is required to report in the format and frequency established by HUD on all open Capital Fund grants awarded, including information on the installation of energy conservation measures.

10. If CFP assistance is provided for activities authorized pursuant to agreements between HUD and the PHA under the Rental Assistance Demonstration Program,the PHA shall follow such applicable statutory authorities and all applicable HUD regulations and requirements. For total conversion of public housing projects, no disposition or conversion of any public housing project covered by these terms and conditions shall occur unless approved by HUD. For partial conversion, the PHA shall continue to operate each non-converted public housing project as low-incomehousing in accordance with paragraph 7.

11. CFP assistance provided as an Emergency grant or a Safety and Security grant shall be subject to a 12 month obligation and 24 month expenditure timeperiod. CFP assistance provided as a Natural Disaster grant shall be subject to a 24 month obligation and 48 month expenditure time period. The start date shall bethe date on which such funding becomes available to the PHA for obligation. The PHA must have a recorded and effective Declaration(s) of Trust on all property funded with Capital Fund grants (all types) or HUD will exercise all available remedies including recapture of grant funding.

12. Waste, Fraud, Abuse, and Whistleblower Protections. Any person who becomes aware of the existence or apparent existence of fraud, waste or abuse of any HUD award must report such incidents to both the HUD official responsible for the award and to HUD's Office of Inspector General (OIG). HUD OIG is available to receive allegations of fraud, waste, and abuse related to HUD programs via its hotline number (1-800-347-3735) and its online hotline form. You must comply with 41 U.S.C. § 4712, which includes informing your employees in writing of their rights and remedies, in the predominant native language of the workforce. Under 41 U.S.C. § 4712, employees of a government contractor, subcontractor, grantee, and subgrantee—as well as a personal services contractor—who make a protected disclosure about a Federal grant or contract cannot be discharged, demoted, or otherwise discriminated against as long as they reasonably believe the information they disclose is evidence of:
1. Gross mismanagement of a Federal contract or grant;
2. Waste of Federal funds;
3. Abuse of authority relating to a Federal contract or grant;
4. Substantial and specific danger to public health and safety; or
5. Violations of law, rule, or regulation related to a Federal contract or grant.

13. This grant may be subject to the requirements of the Build America Buy, America Act (BABA) which was enacted on November 15, 2021, as part of the Infrastructure Investment and Jobs Act (Public Law 117–58), unless waived by the Department: refer to HUD's BABA webpage for further information (https://www.hud.gov/program_offices/general_counsel/build_america_buy_america)

14. This grant is subject to Executive Order 14218, Ending Taxpayer Subsidization of Open Borders and applicable law. HUD will take steps to ensure that Federal resources are not used to support "sanctuary" policies of State and local jurisdictions that actively prevent federal authorities from deporting illegal aliens.

The parties have executed this CFP Amendment, and it will be effective on the date HUD signs below.

RESOLUTION NO. 070225-PCHA

A RESOLUTION OF THE PINAL COUNTY BOARD OF SUPERVISORS RESCINDING RESOLUTION NO. 031925-PCHA RECORDED ON MARCH 19, 2025 AT FEE # 2025-020678 APPROVING THE PINAL COUNTY HOUSING AUTHORITY 2025 ANNUAL PUBLIC HOUSING AGENCY PLAN AND RELATED CERTIFICATIONS AND AUTHORIZING THEIR SUBMITTAL TO THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD)

AND

REPLACING THE SAME WITH RESOLUTION NO. 070225-PCHA APPROVING THE REPLACEMENT PINAL COUNTY HOUSING AUTHORITY FIVE YEAR AND ANNUAL PUBLIC HOUSING AGENCY PLAN FOR FISCAL YEARS 2025 – 2029 AND RELATED CERTIFICATIONS, INCLUDING THE OPERATING BUDGET FOR FISCAL YEAR JULY 1, 2025 THROUGH JUNE 30, 2026 FOR THE PINAL COUNTY HOUSING AUTHORITY, AND AUTHORIZING THEIR SUBMITTAL TO THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD)

WHEREAS, on March 19, 2025, the Pinal County Board of Supervisors (the "**Board**") considered Resolution No. 031925-PCHA and passed and adopted the same, whereby the Board approved the Pinal County Housing Authority ("**PCHA**") 2025 Annual Agency Plan (which was a part of the PCHA Five Year Housing Agency Plan) (the "**Original Five Year and Annual Plan**"), and whereby the Board authorized and directed the Chair to execute any required certifications, authorized the PCHA Executive Director, or her delegates, to execute any other documents and to take such other actions as would be necessary to carry out the intent of the resolution, and authorized submittal to HUD (the "**03/19/25 Resolution**"); and,

WHEREAS, the 3/19/25 Resolution was subsequently recorded on March 19, 2025 with the Pinal County Recorder as Fee # 2025-020678; and,

WHEREAS, subsequent to the Board's approval of the Original Five Year and Annual Plan, the authorized County officials signed the required forms contained therein, which were then submitted to HUD for HUD's acceptance and signature, and which were expected to be returned by HUD to the PCHA in fully executed form; and,

///

RESOLUTION NO. 070225-PCHA

WHEREAS, subsequent to the PCHA submitting the Original Five Year and Annual Plan to HUD for its acceptance and signature, the PCHA was informed that HUD could not return a fully executed version because HUD had changed its procedures for processing the same whereby HUD now only signs such forms electronically and in order for the County to obtain a fully executed version, the PCHA would need to submit documents to HUD for its approval and electronic signature *before* being considered and approved by the Board and signed by the authorized County officials; and,

WHEREAS, subsequent to the Board's approval of the Original Five Year and Annual Plan, the PCHA established its fiscal year 2025 Operating Budget, which is now included as part of the attached revised PCHA Five Year and Annual Public Housing Agency Plan for fiscal years 2025 – 2029 (the "**Replacement Five Year and Annual Plan**"), which is intended to replace the Original Five Year and Annual Plan (**Exhibit "A"**); and,

WHEREAS, the Replacement Five Year and Annual Plan provides direction and serve as roadmaps for addressing local housing needs and achieving strategic goals; and,

WHEREAS, consistent with its federal obligations, the PCHA has prepared the attached Replacement Five Year and Annual Plan and associated certifications, together with the PCHA 2025 Operating Budget, which, as applicable, have now been electronically executed by HUD, and, upon approval of this Resolution by the Board, will need to be signed by the authorized County officials, which will result in a fully executed document.

NOW THEREFORE, BE IT RESOLVED, by the Board, that it hereby rescinds the 03/19/25 Resolution in its entirety and replaces the same with the present resolution;

BE IT FURTHER RESOLVED, by the Board, that it hereby approves the Replacement Five Year and Annual Plan attached hereto as **Exhibit "A"** and authorizes and directs the Chair to execute any required forms or certifications associated therewith, and authorizes their submittal to HUD.

BE IT FURTHER RESOLVED, by the Board that it hereby approves and accepts the PCHA 2025 Operating Budget as submitted with the Replacement Five Year and Annual Plan and authorizes and directs the Chair to execute the same, and authorizes its submittal to HUD.

BE IT FURTHER RESOLVED, by the Board, that the PCHA Executive Director, or her delegates, are hereby authorized and directed to execute any required forms or certifications associated with the Replacement Five Year and Annual Plan and the PCHA 2025 Operating Budget and to take such other actions as may be necessary to fulfill the PCHA's federal obligations in those regards and to otherwise carry out the intent of this resolution.

Pinal County Coalition to End Homelessness

The Pinal County Coalition to End Homelessness (PCCEH), in collaboration with two key community-based partners, Casa Grande Alliance and The Genesis Project, seeks funding to implement a targeted homelessness prevention initiative serving families with children and elderly individuals at imminent risk of housing instability. This initiative will provide one-time, needs-based financial assistance, either in the form of past-due rent payment or move-in deposits, to stabilize housing situations and prevent entry into homelessness.

This diversion project is designed to serve as an immediate, practical intervention for vulnerable households who are facing eviction or are unable to secure housing due to financial barriers. The project will be accessible to qualifying residents throughout Pinal County.

Some qualification criteria include:

- A household member must be either elderly or a child under the age of 18,
- Household income at or below 120% of the area median income,
- Demonstrate a financial hardship,
- Contribute a portion of the necessary costs,
- Show capacity to remain stably housed after receiving the assistance,
- Not having received similar services from other agencies in the last 12 months,
- Not active in the Homeless Management Information System,
- Provide a 14 day eviction notice, and
- Referrals are accepted from partner agencies including McKinney Vento liaisons.

PCCEH, led by Pinal County, is a multi-agency network under the Arizona Balance of State Continuum of Care (AZBOSCOC), working collectively to address and ultimately end homelessness in Pinal County. Our coalition includes government agencies, nonprofit organizations, public health entities, and service providers united by a common mission: to coordinate a housing and service system that rapidly identifies individuals and families in crisis and connects them to appropriate, need-based resources.

Our work is anchored in a coordinated entry system that ensures equitable access, data-driven decision-making, and streamlined case conferencing to prioritize those with the greatest needs. All participating agencies contribute data to the state's Homeless Management Information System (HMIS), ensuring accountability and evaluation of program outcomes.

Identified Needs and Community Challenges

In 2024, the U.S. Department of Housing and Urban Development (HUD) reported over 14,000 individuals experiencing homelessness in Arizona. The PCCEH's local Point-in-Time (PIT) count identified 256 homeless households in Pinal County in 2024 and 261 in 2025. Notably, the 2024 PIT count included 14 households with children and 88 households with members aged 55 or older. Additionally, 94 of those surveyed had a history of prior homelessness, and 12 had experienced homelessness six or more times in the past three years. The presence of chronic

illness (53 households) and serious mental illness (50 households) further underscores the vulnerability of this population.

Homelessness among older adults is increasing, as demonstrated by a recent case involving an 82-year-old individual who was evicted after falling victim to a scam and missing one rent payment. Such events illustrate the fragility of housing stability for elderly residents reliant on fixed incomes like Social Security or disability benefits. Escalating rental costs coupled with static incomes increase the risk of eviction, even for tenants with a consistent rental history.

Data from HMIS indicates that individuals who receive timely housing support are significantly less likely to re-enter homelessness, only 1% in Pinal County, compared to a statewide rate of 12%. This evidence supports the effectiveness of strategic, one-time financial intervention as a tool for long-term housing stability.

Homelessness is not just a housing issue, it's a public health, education, and social crisis with devastating implications for children. Homelessness has profound and wide-ranging impacts on children, affecting nearly every aspect of their development and well-being. The effects can be both immediate and long-lasting to their physical, mental, and emotional health. Homelessness can cause disruption to their education, contribute to social and behavioral challenges, increase developmental delays, and increase the risk of future homelessness.

Homelessness is closely tied to adverse health outcomes, particularly among children and older adults. According to the CDC, individuals without stable housing face increased exposure to communicable diseases, including viral hepatitis and tuberculosis. Mental health deterioration, chronic illness, and reduced access to medical care are also common among those experiencing homelessness. Preventing homelessness is therefore a public health imperative.

Other impacts homelessness has include:

Health Impacts:

1. Higher rates of chronic illness (e.g., diabetes, heart disease, asthma).
2. Increased mental health disorders (e.g., depression, anxiety, PTSD).
3. Limited access to healthcare and medications.
4. Increased emergency room visits and hospitalizations.
5. Greater risk of substance use disorders.
6. Poor nutrition and hygiene-related conditions.
7. Higher mortality rates, especially among unsheltered individuals.

Public Safety Impacts:

1. Increased encounters with law enforcement for minor infractions (e.g., trespassing, loitering).
2. Greater strain on emergency services (police, EMS, fire).
3. Encampment-related safety concerns (fire hazards, sanitation issues).
4. Vulnerability to crime, including assault and exploitation.
5. Public health risks related to communicable diseases and unsanitary conditions.
6. Community tensions and stigma, leading to social unrest or discriminatory policies.

Program Goals and Objectives

The proposed project will directly benefit approximately 27 households that include either children or an elderly member. Services will be delivered by Casa Grande Alliance and The Genesis Project, both of which are trusted community-based organizations with daily engagement with at-risk households. Through these partnerships, the project will provide countywide coverage and immediate access to assistance for eligible individuals.

Goal: Reduce the number of households who become homeless by increasing diversion services for up to 27 households from January – December 2026.

The anticipated objectives include:

- Stabilization of housing for 27 high-need households
- Prevention of homelessness through targeted financial intervention
- Improved health and safety outcomes for vulnerable populations
- Reduction in community-wide risk of public health concerns related to homelessness

The proposed diversion services will offer a critical lifeline for families and elderly individuals at risk of homelessness in Pinal County. By leveraging the strengths of PCCEH and its nonprofit partners, this initiative will provide rapid, impactful assistance that helps households achieve stability and maintain self-sufficiency. With strategic investment, this project will serve as a scalable model for future homelessness prevention efforts in rural and tribal communities.

Resources

1. **Gap in Current Funding**
   While Pinal County currently receives federal funding to support long-term rental assistance for individuals experiencing homelessness, there are no designated funds available for diversion services, short-term, preventative interventions aimed at keeping individuals and families from entering the homeless services system. Diversion funding is essential to stabilize housing before homelessness occurs.

2. **Project Partners and Use of Funds**
   This proposed project will be implemented in collaboration with Casa Grande Alliance (CGA) and The Genesis Project. Funding will provide one-time financial assistance to individuals and families at imminent risk of homelessness, specifically, families with children and elderly residents. Assistance may include past-due rent or move-in deposit payments.

Eligibility will require applicants to demonstrate future housing sustainability, including proof of income or a viable plan for maintaining housing after assistance is provided. For example, a recent case involved a working mother of two who received an unexpected, high utility bill that caused her to fall short on rent. Although employed and financially stable moving forward, she required one-time rental assistance to avoid eviction.
The Pinal County Coalition to End Homelessness (PCCEH) respectfully requests $39,600 to support this initiative. Funds will be administered through CGA and The Genesis Project, both of which have the capacity to assess applicants, verify eligibility, and distribute assistance. The project will continue until all funds are expended.

3. **New Project Alignment with Existing Services**
   This is a new initiative that complements the broader network of homelessness prevention services already offered by PCCEH member agencies. Through the CG Helps and Genesis Project Resource Centers, clients also have access to long-term housing supports, case management, and referral services. This new project enhances the existing continuum of care by adding a much-needed diversion component.

4. **Funding History**
   Although Pinal County and its departments have submitted funding requests for a variety programs/projects, this specific project, focused on one-time financial assistance to prevent homelessness, has not been previously submitted for funding.

Reports

Pinal County uses an accounting system for tracking financials. A separate account code will be created to track all expenditures. The account will be reconciled monthly to ensure accuracy. Invoices will accompany the charges. A report will be submitted to the Community to reflect the expenditures, the associated receipts for the costs incurred, and the outcomes of the services provided.

Dear Taxpayer:

This is in response to your Mar. 21, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in January, 1983.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Response to the Ak-Chin Indian Community
2025 Prop 202 – 12% Contribution Grant Application

A. Purpose of Grant.

1. Describe the proposed project

AAI has been receiving State and Local Fiscal Recovery Funds (SLFRF) funds to meet a variety of needs for victims of domestic and/or sexual violence, dating violence, stalking and trafficking. As a result, victims have been able to achieve safety, mitigate homelessness and food insecurity, apply for work, address the requirements of their legal issues, address their medical and behavioral health needs, and more. Unfortunately, the SLFRF funds will terminate July 31, 2025.

When victims approach us for services and support, they present with a variety of circumstances and individualized set of needs. Sometimes, victims have a safe place to escape to that may or may not be local and may even be in another state or even country and need funds for emergency travel fare and food during the trip. Often, because of an emergency escape to safety, they come to us with only the clothes on their backs and need clothing, food and baby-related supplies (bottles, diapers, formula, etc.) As a result of their trauma, they need counseling and therapy to help them cope and heal. As a result of their abuse and/or neglect, they may need medical attention, replacement of glasses or dental work. As part of their financial abuse and isolation, they come to us unemployed and may need clothing for interviews, funding for pre-employment course work, certifications or other work-related or education-related fees. Sometimes they need a cell phone to make and receive important calls from potential employers, lawyers, medical personnel, educators from their children's school, etc. If they have a vehicle, they may need initial or temporary help with gas, tire replacement, battery replacement, general repairs, car payments, vehicle insurance payments, etc. If they don't have a vehicle, they may need funds for transportation, such as, but not limited to, Lyft or Uber to get to interviews, classes, appointments, etc. If they are staying in a motel, they may need help with food and even quarters for laundry. If they are in their own home, sometimes they need help with food, back payments of rent or mortgage and utilities, HOA fees, as well as internet expenses to help mitigate their homelessness and/or food insecurity. They may need help replacing broken windows or doors, replacing locks, or installing security cameras. When they are involved in legal requirements and/or proceedings, they may need financial help with legal fees, obtaining and/or filing documents, transportation to and from court or appointments with their lawyer.

Based on AAI's QuickBooks Direct Assistance Report, below is a table that demonstrates the many reasons for which we were able to provide flexible financial assistance for victims during Fiscal Year 2023-2024.

Activity/Item(s)/Services/Supports	Flexible Financial Assistance Provided FY 2023-2024
Emergency Therapy/Behavioral Health	$4,250.00
Security (i.e. cameras, change locks, etc.)	$128.54
Medical/Dental	$680.00
Relocation to Safety	$6,531.49
Vehicle Repair Expenses	$847.86
Uber/Lyft	$8,274.80
Gas	$3,961.34

Activity/Item(s)/Services/Supports	Flexible Financial Assistance Provided FY 2023-2024
Food	$2,879.54
Car Payments/Insurance	$12,409.51
Housing related expenses	$85,624.76
Cell phone / internet	$4,421.52
Utilities	$9,825.33
Clothes	$912.97
Legal fees and expenses	$1,708.65
Work and/or school related expenses	$3,076.30
Laundry	$50.00
Baby items	$10.86
Misc. Assistance (approximate projection)	$4,406.53
Subtotal	**$150,000.00**

2. Identify the target population that will be served by the Project.

The population in Pinal County that will benefit from this funding would be those who are victims of domestic and/or sexual violence, trafficking, dating violence and stalking and are receiving services from AAI. To determine the degree of incidence of domestic and sexual violence in Pinal County, AAI requested data from a variety of law enforcement agencies. Though we did not receive reports from all of them, below is a table indicating that, in 2024, in aggregate, those law enforcement agencies that provided reports responded to 1,668 calls from victims of domestic and/or sexual violence.

Pinal County Domestic Violence and Sexual Violence Calls to Law Enforcement 2024							
	Maricopa PD	Casa Grande PD	Eloy PD	Coolidge PD	PCSO	Total	**Combined Total**
Domestic Violence	104	718	307	71	96	1,296	**1,668**
Sexual Violence	55	101	98	5	113	372	

In Fiscal Year 23-24, AAI provided services for 595 victims and 245 families. AAI anticipates providing 450 instances of Flexible Financial Assistance during 2026.

Against Abuse, Inc. Service Division	Number Served in FY 23-24
2 Emergency Shelters	305 adults and children
Transitional Living Services	45 adults and children
Mobile and Community Based Services	245 adults
Supervised Visitation	285 families

3. **Describe the Project goals and objectives and outline a plan to meet these goals.**

The project goal is to provide Flexible Financial Assistance to victims when they are in need of financial assistance to:

a. Establish immediate and ongoing safety
b. Mitigate homelessness and/or food insecurity
c. Comply with legal fees and requirements
d. Provide transportation or transportation related support
e. Provide employee and/or student-related expenses
f. Provide individualized miscellaneous flexible financial assistance as needed

To meet these goals, staff will meet with clients to identify the need for Flexible Financial Assistance. If the victim is eligible, the staff will complete a Purchase Request (PR) form for approval and processing. The Finance Manager will provide the funds as requested on the PR. Utilizing QuickBooks, the Finance Manager will keep track of the amount being used and the amount remaining in the fund and communicate this information to the Associate Director who will convey it to the Leadership Team on a regular basis during weekly team meetings.

4. **Provide a timetable for implementation of the Project.**

AAI will begin administering Flexible Financial Assistance on an as needed basis beginning in January of 2026. Due to the unpredictable nature of victims' needs, AAI will continue to administer Flexible Financial Assistance until December 31 of 2026 or until the funds have been exhausted, whichever comes first.

B. Resources

1. **Current Funding Sources**

AAI has been receiving one-time SLFRF funds to meet a variety of needs for victims of domestic and/or sexual violence, dating violence, stalking and trafficking. Unfortunately, the SLFRF funds will terminate July 31, 2025. AAI receives very small amounts of ongoing Flexible Financial Assistance from DES: We receive about $5,000 for victims of domestic and/or sexual violence and $11,000 which is limited to victims of sexual violence. Though helpful, these funds barely scratch the surface compared to the actual need of victims.

2. **Identify other organizations or partners that are participating in or contributing to the Project, but which are not funding sources, and describe their roles or contributions.**

As AAI has been a member of the Pinal County Community since 1981, there are a number of organizations or partnerships that have helped us provide victims services and support. For example, many of the local motels, such as Mainstay, partner with us by providing discounted rates during their slow seasons. A number of auto repair shops provide discounts for tire replacement and general vehicle repair, such as Brakemasters, Tire Solutions, Johnny's Auto, Big Joe's Tires and Oil Depot. Arizona@WORK partners with us to help provide victims employment related support and education. Banner Hospital works with AAI when a victim needs a SANE exam after a sexual assault. Pinal Hispanic Council, Helping Associates, Community Bridges provide crisis and/or ongoing behavioral health support on a sliding fee basis. AAI has a strong relationship with prosecutors that have significant experience providing advice or court representation. Some lawyers, such as the Palmer Law Group and SALA (Southern Arizona Legal Aid) offer their services pro bono or at discounted rates. The Pinal County Housing Authority, the Pinal County Homelessness Coalition and HomeInc help when it comes to finding affordable housing. Many day care facilities work with us so their parent can go to school or

work, Sun Life Preschool, Passion Preschool. They work with us by making "promise to pay" arrangements. The Bargain Hut thrift store and the Casa Grande Alliance provides vouchers for discounted clothing. The Casa Grande elementary school homeless liaison provides transportation to and from school, backpacks, hygiene items and school clothes for children. The Casa Grande Food Bank and St. Vincent de Paul provide some food boxes. Foothills bank provides free financial classes. The UofA provides free nutrition classes at our shelters. AAI works with WIC (via the Pinal County Health Department) for nutritional education.

3. **Define the Project as a new or continuing project or a purchase. Provide information about how the Project will be sustained or the purchase will be maintained after the grant funding is exhausted.**

This is a continuing project. After the funds from this project have been exhausted, we anticipate including a line item for Flexible Financial Assistance as a routine practice in grant applications going forward. We may also allocate donated funds to support this project on an ongoing basis.

4. **If the Applicant organization has requested funding from any other Arizona tribe, please list:**
   a. **Pending requests made within the last eighteen (18) months for the same request, including the name of the tribe to which the request was made.**

AAI is submitting a similar request to the currently open Tohono O'odham Nation request for proposals (due June 9, 2025). We do not know if we will be awarded, whether fully or partially. We hope to be awarded by both requests to provide support to more victims as they need Flexible Financial Assistance.

b. Funded requests made in the last five (5) years,

Previous Funding over the last 5-years	Date Received	Amount	Purpose

C. Reports. Explain how your organization will account for and manage the funding if selected. Describe how Project progress and results will be tracked and documented.

AAI has a long-established internal process for providing financial assistance to victims.

1. The client and case manager or other staff designee will identify a need for flexible financial assistance.

2. The AAI staff will complete a Purchase Request (PR) to include details regarding the nature of the expense, the address, the amount, etc.
3. The PR will be submitted to the Program Director for review and approval. The Program Director will determine if the expense falls within the guidelines of the project and if there are sufficient funds in the budget to provide the FFA. If the request is appropriate, the Program Director will sign their approval and submit the signed PR to the Finance Manager.
4. The Finance Manager will review the PR to ensure all signatures are in place and all necessary information has been provided. The Finance Manager will provide the FFA in the format requested, whether by direct payment, gift card, check, etc.
5. The Finance Manager will document the transaction in QuickBooks and file all related documents.
6. The Finance Manager or the Associate Director will provide QuickBooks generated reports regarding the amount available in the budget for ongoing FFA requests.
7. The Finance Manager or Associate Director will provide a final report, upon request, to include all transactions, and information such as the date, the amount spent, what the funds were used for, etc.

D. <u>Budget. Provide a budget, including justification, that supports the request in the Application. Provide an estimated timeline for when funds will be expended.</u>

Proposed Budget

A. Purpose of Grant

1. ***Describe the proposed program, project or purchase (collectively, the "Project"). This description should identify the needs/issues the Project will address.***

Encircle Families (formerly Raising Special Kids) is requesting $50,000 for our Mentoring and Support program, which empowers Pinal County families of children with disabilities by providing knowledge, coaching, and mentorship. The program helps parents make informed decisions about healthcare, education, and essential services, enabling their children to thrive. At its core, this initiative is rooted in the belief that families are the most effective advocates for their children with disabilities and special healthcare needs.

The Mentoring and Support program is a unique family-led, peer-support model that emphasizes the power of "families helping families," connecting parents and caregivers with peers who share lived experiences. These supportive networks help reduce isolation, build resilience, and strengthen communities.

Established in 1979, Encircle Families strengthens families and systems of care to improve outcomes for children with disabilities and special healthcare needs. Our vision is that every family will have the information, training, support, and hope needed to help their child reach their fullest potential.

Encircle Families is Arizona's sole designated Family-to-Family Health Information Center and Parent Training and Information Center – a distinction granted to only a select group of organizations nationwide. This designation is the result of a rigorous and highly competitive process led by the Maternal and Child Health Bureau within the Health Resources and Services Administration, and the U.S. Department of Education.

For over 45 years, we have empowered families to navigate complex systems including healthcare, education, and disability services for their children. Our unique model connects parents/caregivers with peers who share lived experiences, reducing isolation, building resilience, and strengthening communities. Encircle Families serves over 11,000 people annually, many from low-income or underserved backgrounds, as well as those who lack insurance. We offer free coaching, workshops, webinars, and resources in English and Spanish.

2. ***Identify the target population that will be served by the Project. (Who will benefit? How many will be served? Is there a targeted geographic location? Etc.)***

Our program is available to all families with a child/children, from birth to 26 years, with a disability or special health care needs. For this particular request, Encircle Families intends to serve 250 Pinal County families and children with disabilities who need help navigating the complex healthcare and educational systems. These families face barriers to accessing essential care, which is vital for obtaining healthcare services, educational interventions, occupational or speech therapies, special education, and behavioral support.

Navigating the process of securing benefits from Arizona's Division of Developmental Disabilities (DDD) can also be a challenge for families, as it often involves extensive medical documentation over several years. The Mentoring and Support program from Encircle Families connects these families with Family Support Specialists who help them develop a tailored plan to address their specific concerns, offer guidance towards achieving desired outcomes, and enhance their ability to act independently.

Through this program, parents learn and understand how to collaborate, work, and problem-solve with medical professionals, social service organizations, and educators. Parents learn skills to help their child access care and

achieve their goals, ultimately leading to better physical and mental health outcomes, and positive post-secondary education, employment, and successful independent living outcomes.

In the United States, the number of children being diagnosed with developmental disabilities is increasing, with a rate nearing 9% in 2021(according to a U.S. Centers for Disease Control and Prevention report referenced by usnews.com on July 13, 2023). The latest data from the National Survey of Children's Health reveals that 21% of youth in Arizona experience one or more emotional, behavioral, or developmental conditions. The Arizona Developmental Disabilities Planning Council estimates that around 60,000 children in Arizona have a developmental disability. In Pinal County, 11.1% of the population under age 65 lives with a disability (U.S. Census, 2023).

Families seeking Encircle Families' services often struggle to address their child's unique needs. To be eligible for this program, families must reside in Pinal County and have a child with a suspected or diagnosed disability, such as autism, cerebral palsy, Down syndrome, cognitive disability, and others. Encircle Families does not impose any restrictions related to race, ethnicity, gender, or income. We provide services in the language that offers the greatest comfort to the family. Our demographic composition includes 45% White, 44% Hispanic, and 5% Black or African American, with the remaining 6% identifying as persons of color. Moreover, 35% of the families served are classified as low to moderate income.

3. ***Describe the Project goals and objectives and outline a plan to meet these goals.***

Encircle Families proposes to serve 250 Pinal County families of children with disabilities in FY 25/26, equipping parents with the knowledge, skills, and support they need to navigate complex healthcare, education, and community systems, as well as advocate for their children's needs.

Program Activities:

- Outreach to Pinal County families to increase awareness and understanding of our services;
- Individualized strategies for families to manage a child's behavior and overcome barriers to care;
- Parent education on rights and responsibilities under Medicaid and special education programs.

Outcomes Framework:

Short-Term Outcomes:

- A better understanding of their child's disability.
- Increase in understanding of the education and healthcare system to best serve their children.
- Support services for their child.
- Access to a community of support.

Intermediate Outcomes:

- Improved hope for their child's future.
- Improved behavior in their child.
- Improved quality of life for families and children.
- Better physical/mental health outcomes, post-secondary education, employment, and independent living outcomes for their child.

Measurable Indicators:

- 100% of families will gain the tools to navigate early intervention, education, and health care systems.

- 85% of families will report they are better equipped to advocate for their child in education and health care systems.
- 85% of families will report that Encircle Families' services were useful and increased their knowledge of community resources and support for their child.

Encircle Families offers services to Pinal County residents through a flexible delivery model that includes in-person meetings, telehealth, phone calls, emails, and virtual sessions—scheduled at times and locations convenient for families. This approach removes access barriers and allows services to be provided in-home, in public spaces, or remotely, based on family needs. Each family receives approximately four services per month. Depending on each family's circumstances, parent education may also include evidence-based programs such as Triple P – Positive Parenting Program, Positive Behavior, and other training offered either online or in community venues.

The Mentoring and Support program continuously welcomes new participants. Encircle Families' goal for the project is to expand services in Pinal County, raise awareness of our services, and provide families with the assistance they need.

4. ***Provide a timetable for implementation of the Project***

The Mentoring and Support Program activities are ongoing throughout the 1-year grant term. Families can access our services at any time during this term.

B. Resources

1. Identify current funding sources for the Project and characterize each funding source listed as either a one-time-only or long-term funding source.

Encircle Families is seeking one-year funding for Pinal County families from the Pinal County Board of Supervisors. In addition to this one-time funding source, other funding for Pinal County includes insurance reimbursements for qualifying services (a long-term source), which only covers partial services for families. Encircle Families also supplements funding with individual donations, which are also typically one-time funding sources.

2. ***Identify other organizations or partners that are participating in or contributing to the Project, but which are not funding sources, and describe their roles or contributions.***

Encircle Families has established long-standing relationships with school districts, Head Start programs, and therapy providers to promote program services to families. Partners in Pinal County include the Florence and Queen Creek Unified School Districts.

Encircle Families participates in a referral network of over 300 organizations through partnerships with entities such as the Arizona Department of Economic Security, Division of Developmental Disabilities, Arizona's Early Intervention Program, Arizona Department of Health Services, Arizona Department of Education, Arizona Healthcare Cost Containment System (AHCCCS – Arizona's Medicaid program), Arizona Center for Disability Law, Arizona State Schools for the Deaf and the Blind, and First Things First (Arizona's birth to five initiative).

3. ***Define the Project as a new or continuing project or a purchase. Provide information about how the Project will be sustained or the purchase will be maintained after the grant funding is exhausted.***

Encircle Families' Mentoring and Support Program is a continuing project. Encircle Families obtains funding from corporations, foundations, individuals, and public funding and contracts, with key support from the Arizona Division of Developmental Disabilities and the Arizona Early Intervention Program.

While we work with partners to facilitate families' access to essential resources and services, these partners do not offer goods or services directly for this initiative.

4. **If the Applicant organization has requested funding from any other Arizona tribe, please list:**
   a. **Pending requests made within the last eighteen (18) months for the same request, including the name of the tribe to which the request was made.**

Pending requests to other tribal governments include: Gila River Indian Community – Mentoring and Support Program for Families with Children who have disabilities in Maricopa County. Fort McDowell Yavapai Nation – Navigating education and health care systems for families of children with disabilities and special health care needs in the City of Phoenix. Tohono O'odham Nation – Mentoring and Support Program for Families in Pinal County with Children who have disabilities.

   b. **Funded requests made in the last five (5) years, including the name of the tribe that awarded the funding, a brief summary of the project for which the funding was awarded, and the amount of the funding received.**

Funded requests: Ak-Chin Indian Community – Navigating education and health care systems in 20/21 ($20,000), 21/22 ($50,000), 22/23 ($50,000), and 23/24 ($50,000); Fort McDowell Indian Community – Positive behavior parent support in 2021 ($7,000) and 21/22 ($15,000); Gila River Indian Community – Physician Residency Program in 2024 ($20,000)

C. **Reports. Approved grantees must account for and report to the Community all expenditures of grant funding; however, there is no required reporting form or format. Explain how your organization will account for and manage the funding if selected. Describe how Project progress and results will be tracked and documented.**

For several decades, Encircle Families has managed multi-million-dollar contracts and grant awards from state and federal sources, as well as corporate and foundation grants. The organization excels in managing all awarded grants and has the staff to oversee them properly.

Encircle Families staff maintain records from intake to case closure for every family that seeks and receives services. They collect pre- and post-survey data to evaluate and share with key stakeholders. All documentation is securely stored in our online database. Encircle Families consistently delivers timely reports regarding our activities and the management of funds granted by the Ak-Chin Indian Community.

D. **Budget. Provide a budget, including justification, that supports the request in the Application. Provide an estimated timeline for when funds will be expended.**

Program Budget	**Amount Requested from Ak-Chin Indian Community**

Community Outreach	$27,000
Newsletter/Printing	$10,000
Resource Materials	$5,200
Indirect Costs (rent, utilities, insurance, office supplies)	$7,800
Total Budget	**$50,000**

Encircle Families respectfully requests $50,000 from the Ak-Chin Indian Community to directly support our community outreach efforts. These funds will help cover our outreach events, the production and printing of our newsletters and resource materials, and some general indirect costs (e.g., rent, utilities, insurance, and office supplies). All funds will be expended within a one-year timeframe.

E. Additional information. Please provide any additional information about the Project or the Applicant organization that the Ak-Chin Council should know when considering the Application.

Encircle Families is committed to ensuring that staff and Board Members accurately reflect the community they serve. The majority of Encircle Families' staff and Board Members are parents of children with disabilities or special healthcare needs. Their firsthand experience navigating complex systems of care enables them to offer empathetic support and guide families in identifying and accessing appropriate resources. This lived experience fosters a deep understanding of the challenges families face while enhancing the quality of assistance provided.

Encircle Families' Board convenes six times a year to review the organization’s activities and ensure alignment with its mission. Board Members are actively involved in the nomination, interview, and selection process for new members, focusing on addressing critical gaps in skills and diversity.

Dear Sir or Madam:

This letter is in response to your request for a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in October 1985 granted your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application, if your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than $25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of $20 a day, up to a maximum of $10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of $100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

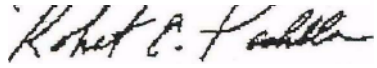
Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Raising Special Kids
86-0517082

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your organization's exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of $20 a day for each day you do not make these documents available for public inspection (up to a maximum of $10,000 in the case of an annual return).



Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter. This letter

affirms your organization's exempt status.

Sincerely,

Robert C. Padilla Manager,

SOUTHWEST WILDLIFE
CONSERVATION CENTER

To Whom It May Concern:

Southwest Wildlife Conservation Center (SWCC) invites consideration of a grant from Ak-Chin Tribal Community to support SWCC's Rescue & Resource Hotline. The Hotline serves all counties in Arizona as the only 24/7 call center for wildlife rescues and advice regarding animal/human interactions. Such calls increased 30% from 2023 to 2024, and the trend for calls in 2025 is running even higher.

Southwest Wildlife depends on a half-time paid program manager and ten volunteers who cover their own vaccination and equipment costs and provide private transportation for rescues – on average $2K per volunteer. To continue and expand this one-of-a-kind service in Arizona requires outside funding to offset expenses that are beyond the reach of most volunteers. We are challenged recruiting and retaining volunteers.

The attached application answers questions about our mission, our operations, and the reasons we seek charitable gifts to continue a critical program.

Please do not hesitate to ask if you seek more information about our work.

Organization History & Mission

Southwest Wildlife Conservation Center (SWCC) was founded by Linda Searles, a woman with a passion for all living things and a life-changing encounter with an orphaned coyote pup. A local farmer accidentally ran over a den of newborn coyote puppies with his tractor, leaving one survivor. The farmer looked for help for the tiny creature but didn't know where to turn. Fate brought Linda together with the orphaned coyote she later named "Don". At that time, there were no local veterinarians who would treat orphaned or injured wild animals. Linda dreamed of a wildlife rehabilitation center specializing in mammals. And so, the seed of Southwest Wildlife was planted.

Linda's dream became reality with the purchase of 10 acres northeast of Scottsdale, Arizona, in 1994. As trees were planted and enclosures built, that slice of open desert slowly became a shady oasis for wild animals in need. Don Coyote was joined by countless other injured, orphaned, and displaced mammals with no other place to turn. Most animals are rehabilitated and released back into the wild, while those that cannot be released find sanctuary at Southwest Wildlife and live out their lives in peace.

Today, SWCC is one of the leading wildlife sanctuaries and rehab facilities in the southwestern United States, with a mission to rescue, rehabilitate, and release native wildlife mammals that have been injured, displaced, and orphaned. In 2024, 365 animals came to Southwest Wildlife. Of these, 84% of the surviving animals were released back into the wild. SWCC currently cares for 128 permanent sanctuary residents.

Southwest Wildlife has volunteer teams available 24/7 for wildlife emergencies, operates an on-site veterinary hospital, offers wildlife consultation services, and promotes wildlife education and awareness. Its mission is stewarded across central, southern, and northern Arizona, fielding more than 3,000 calls each year through a 24-hour emergency call line.

Need in the Community

Development in Arizona continues at a record pace. As of 2022, approximately 7.3 million people called Arizona home, an increase of 0.9 million people since April 2010 (U.S. Census Bureau 2020). Expanding cities, growing urban areas, and an increasing network of roadways are just some of the many threats to Arizona's wildlife. As Arizona's cities grow to meet this ever-expanding population, Arizona's wildlife and habitats face even greater challenges.

Southwest Wildlife Conservation Center is the only organization in Arizona that offers a 24-hour emergency line and rescue services.

Call volume is steadily increasing, up more than 30% from 2023 to 2024, from 2,327 calls to 3,064 calls. The increased call volume, about 15% of which results in rescues, creates a need for additional trained rescue volunteers.

Currently, the program has eight volunteers trained for the emergency call line, with each volunteer taking a 24-hour shift in rotation, and twelve trained volunteers for rescues. To meet the increased need, SWCC is looking to recruit and train an additional 10 volunteers through necessary funding beginning in 2026. Historically, the program required volunteers to commit their own funds to purchase required equipment and pay for all required immunizations, with a total investment per volunteer of more than $2,000 to get started, as well as using their own vehicle and paying for their own gasoline, a cost that is prohibitive for many willing volunteers. Support for this program will allow SWCC to underwrite these start-up costs and ongoing costs for committed volunteers.

Rescue Program Design

The SWCC rescue program emergency call line is staffed 24/7 by a group of eight volunteers trained to answer questions, provide educational awareness, make referrals, and dispatch rescue calls. The call line is an active channel for public education. The program provides mammal rescue services across the state, including Pinal County.

Pinal County

While majority of the calls and rescues that SWCC completes are in Maricopa County, approximately 5% of calls come from within Pinal County. In May 2025 alone, SWCC supported Pinal County residents by providing educational resources about a limping coyote reported by several community members, rescuing a bobcat kitten, successfully releasing a skunk back into the wild, and helping an individual re-home another skunk.

We share these individual stories because at SWCC, our mission is to save wildlife, one life at a time. We do not want our life-saving work to Pinal County to be limited by factors such as lack of volunteers or the associated costs with with being a wildlife rescuer.

Volunteers, numbering fewer than 10 are the heart of the rescue program. They staff the call line 24/7, answer questions, give advice, and make appropriate referrals.

A dedicated corps of 10 hands-on rescue volunteers travel throughout the state to provide aid and rescue injured mammals. Staff are expecting about 500 rescues in 2025.

Program Goal

To provide education, awareness, and conservation of native wildlife through a 24-hour emergency call line and rescue program.

Purpose/Project for Which Grant Funds Will Be Used

Southwest Wildlife Conservation Center (SWCC) is seeking grant funding to support the expansion and sustainability of its 24-hour emergency call line and wildlife rescue program. This program provides critical, statewide support for orphaned, injured, and displaced native mammals across Arizona. With urban development rapidly increasing, the demand for wildlife rescue services continues to grow. In response to a 30% increase in call volume from 2023 to 2024, SWCC aims to recruit and train 10 additional emergency and rescue volunteers. This expansion is essential to continue providing timely, effective rescue services throughout the state.

Unique Benefits to the Community That Your Project Provides

SWCC's rescue program is the only one in Arizona that offers a 24-hour emergency line specifically dedicated to the rescue and rehabilitation of native mammals. With call volume increasing yearly—reaching over 3,000 calls in 2024—this program plays a vital role in community education and wildlife protection. In 2024, 84% of surviving animals treated at SWCC were successfully released back into the wild, contributing directly to the health and stability of Arizona's ecosystems.

The emergency call line is not only a tool for dispatching rescues but also an active channel for public education. Volunteers answer questions, provide guidance, and offer referrals, helping the public coexist peacefully with native wildlife. Additionally, SWCC's work spans the entire state, bringing communities together around a shared goal of wildlife conservation.

Description of How Grant Funds Will Be Used to Support Your Purpose/Project

Grant funds will be used to underwrite the cost of recruiting, training, and equipping 10 new wildlife rescue volunteers in 2026. Currently, new volunteers are expected to pay more than $2,000 out of pocket for required immunizations and equipment, as well as cover gas and vehicle use for rescue trips—expenses that can be prohibitive for many qualified candidates. There is no additional funding providing for this essential program.

One-year budget covers program expenses for 10 volunteers.

Dear Taxpayer:

This is in response to your Sep. 02, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in September 1994.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

2025 Ak-Chin Indian Community Grant Application Cover Sheet

Entrepreneurship Training & Mentoring Center – Phase I Five-Page Narrative

---

Page 1.

A. Purpose of Grant

In Maricopa's rapidly growing economy, small-business owners and aspiring entrepreneurs face a critical shortage of accessible training, mentoring, and collaborative workspace. The Black Maricopa Chamber of Commerce (BMCC) seeks a $250,000 grant from the Ak-Chin Indian Community to acquire a one-acre parcel and finalize all architectural, engineering, and permitting work for a 6,000-square-foot Entrepreneurship Training & Mentoring Center that will also serve as BMCC's headquarters. This Phase I funding will resolve two urgent needs: a dedicated, no-cost facility for year-round small-business education, and a co-working hub tailored to the unique challenges faced by minority, veteran, and low-to-moderate-income entrepreneurs in Maricopa and Pinal County.

Currently, Maricopa has zero facilities offering free, ongoing business-development programming, and only a handful of for-profit co-working options that charge prohibitive fees. As a result, many entrepreneurs—especially those from underrepresented communities—either go unsupported or travel long distances for intermittent workshops. By securing land and completing schematic design and permitting in 2026, BMCC will lay the groundwork to begin construction in early 2027, positioning the Center to open its doors in mid-2028. This approach aligns with the Ak-Chin 12% guideline by excluding salaries and wages from the grant request, thereby maximizing every dollar for tangible, capital-asset creation.

1. Project Description & Need

• **Land Acquisition & Permitting (Q1–Q2 2026):** Purchase a one-acre site in Maricopa's enterprise zone, close to public transit and existing business corridors. Complete schematic architectural plans, engineering studies, and submit all city and county permits.
• **Co-Working & Training Space:** Design flexible classrooms, meeting rooms, and open-plan work areas that accommodate up to 60 users at once. Include A/V capabilities, mentorship pods, and a tech-equipped library.
• **BMCC Headquarters:** Incorporate administrative offices and a reception area, reducing BMCC's current $3,000/month rent burden and allowing all programming to be delivered on-site.

2. Target Population

Over the grant year (Jan 1 – Dec 31 2026), Phase I activities will directly engage:

- **600 small-business owners** (35% Black, 25% Latino, 5% Ak-Chin tribal members, 10% veterans) through design charrettes, focus groups, and stakeholder meetings.

- **300 high-school youth** enrolled in "Young CEOs," BMCC's pipeline program that introduces students to entrepreneurship fundamentals.

- **1,000 total beneficiaries** (including extended family members and community partners) who will gain access to resources, mentorship, and eventual co-working space.

Page 2.

3. Goals & Objectives

BMCC has established clear, time-bound objectives to measure success in the 2026 performance year:

- **G1 (Q1):** Secure land purchase closing and obtain city zoning approval.
- **G2 (Q2):** Finalize 60% schematic design, complete cost estimates, and submit all permit applications.
- **G3 (Q3–Q4):** Pilot 12 workshops in a leased temporary classroom, serving at least 180 participants while construction fundraising continues.
- **G4 (Q4 rollover):** Prepare construction bid package, select general contractor, and schedule groundbreaking for early 2027.

4. Timetable

Quarter	Milestone
Q1 2026	Close on land; secure zoning and conditional use permits
Q2 2026	Complete A/E drawings at 60%; finalize engineering specs; submit permits
Q3 2026	Launch pilot training series (12 sessions; 180 attendees total)
Q4 2026	Finalize design development; issue construction bid documents

---

B. Resources

Current Funding & In-Kind Support

BMCC is requesting from other organizations $750,000 toward the center's capital campaign:

- **$500,000** from private donors and corporate pledges.
- **$200,000** City of Maricopa ARPA set-aside allocated for land infrastructure (has requested this).
- **$50,000** in-kind legal and appraisal services provided pro bono - Board Member in Legal Services.

Page 3.

Strategic Partners

To ensure robust programming and community engagement, BMCC will collaborate with:

- **City of Maricopa Economic Development Department**, offering site-selection guidance and permit-expediting support.
- **Maricopa Community Colleges Small Business Development Center (SBDC)**, providing curriculum design and workshop facilitation.
- **Local First Arizona**, supplying peer-networking opportunities and vendor connections.
- **Ak-Chin Employment & Training**, integrating tribal workforce development into our youth pipelines.

Sustainability Plan

Upon completion, operating revenues—generated through room rentals, sponsorships, chamber membership dues, and program fees—are projected to cover 100% of annual operations and maintenance by Year 3. BMCC will implement a sliding-scale membership model to keep core services free or low-cost for underserved users, while premium options (e.g., dedicated desks, private offices) subsidize community access.

Alignment with Tribal Funding History

In the next 18 months, BMCC wants to pursue similar requests from Gila River and Tohono O'odham tribal entities (each at $250,000 for capital phases). This demonstrates both the scalability of our proposed phased approach and tribal interest in catalyzing minority-led entrepreneurship.

C. Accounting & Reporting

BMCC adheres to rigorous financial controls and transparent reporting protocols:

1. **Dedicated Fund Tracking:** All grant proceeds will be recorded in QuickBooks under a specialized "Ak-Chin Grant" class, ensuring zero commingling with operating accounts.
2. **Quarterly Financial Statements:** A certified public accountant (CPA) will issue quarterly reports, reconciled to bank statements and reviewable by Ak-Chin staff.
3. **Performance Monitoring:** Outputs—such as acres acquired, schematic design completion percentage, participant attendance, and pilot workshop feedback—will be tracked in Salesforce, or something similar.
4. **Mid-Year & Final Reports:** BMCC will submit a detailed mid-year progress report by July 15 2026 and a final report, including financial statements, schematic design deliverables, and pilot program outcomes, by January 31 2027.

Page 4.

D. Budget & Justification – Phase I (Jan – Dec 2026)

Line Item	Cost	Justification
Land Acquisition (1 acre, enterprise zone)	$150,000	Market-appraised February 2025; essential for project site.
Architectural & Engineering Fees	$50,000	8% of estimated construction; covers schematic & permitting.
City & County Permits / Impact Fees	$10,000	Based on City Development Services estimates.
Temporary Classroom Fit-Out & Furnishings	$20,000	Lease and equip off-site training space during design phase.
Contingency (8%)	$20,000	Mitigates cost volatility in materials and permitting delays.
Total Request (rounded)	**$250,000**	

If only partial funding is awarded, BMCC will first allocate $150,000 to secure the land parcel; remaining funds will follow the priority sequence above, ensuring each tranche delivers tangible progress.

E. Additional Information

Since its founding in 2023, the Black Maricopa Chamber of Commerce has grown to represent over 125 Black-owned and allied businesses. BMCC hosts quarterly expos, free financial-literacy workshops, and networking mixers—activities that have catalyzed over 50 new micro-enterprises in the last year. With Ak-Chin's support, BMCC commits to delivering four no-cost business-skills bootcamps on tribal lands in 2026, directly serving Ak-Chin entrepreneurs and reinforcing reciprocal community impact.

By funding this Phase I proposal, the Ak-Chin Indian Community will empower BMCC to remove structural barriers, build local capacity, and lay a foundation for a permanent entrepreneurial hub—transforming Maricopa's business ecosystem and generating sustainable economic growth for decades to come.

Ak-Chin Indian Community
Grant Application

Project Description

Our project is to complete the required renovation of our current site, bringing it up to city codes and meeting our needs. The City of Maricopa is requiring us to complete the site plan as soon as possible. Our goal is to achieve this within the next 12 months. Completion of our site would allow us to focus more on our programs for those we serve in our community. Our building was brought up to code in 2021, but our site still requires completion. Additionally, the cost of construction has nearly tripled since the COVID-19 pandemic. Therefore, what we had planned for 2020 does not align with the costs we are currently facing.

The benefits of the completed project extend beyond its aesthetic appeal. We have completed the drawings and gotten quotes from contractors for the work. We have submitted the plans to the city for review and are awaiting the final permit to commence work. We have been saving money for this project, written grants, and taken a loan out against our building for the project.

We can only do what we receive in funding, so we may only be able to complete the partial drainage system, which is the most critical.

The completed project will provide safer entrances and exits for our clients (who drive through for food pickup twice a week) and volunteers. With the addition of lighting, our nighttime distribution (4:30-7:30 p.m.) will offer improved visibility and a safer drive-thru distribution process. The pavement will eliminate dust (and mud when it rains) from the dirt parking lot we currently have. We have three special events we provide for our clients: Holiday Turkey Giveaways (November & December). These events are conducted over 4 hours, during which we distribute to 300-500 households. The flow of traffic has always been a concern, and we work closely with the Maricopa City Police Department to ensure safety during these events. The completed parking lot will allow for safer events.

By creating a safer, more efficient site for our services, we will be able to accommodate high-volume distributions and special events better, reduce risks for clients and volunteers, and increase operational efficiency — ultimately allowing us to serve more households in need.

While the proposed project is infrastructure-focused, it is directly tied to the continuation and expansion of our services.

- **Improved safety** for clients and volunteers, particularly during drive-thru distributions and special events
- **Better traffic flow** during events that serve up to 500 households a week in just a few hours
- **Reduced environmental impact** through paved lots (eliminating dust/mud), drainage systems, and lighting improvements
- **Enhanced accessibility** for elderly and disabled clients
- **Expanded capacity** to meet future growth in demand

We aim to complete the relocation of our storage building within the next 3–4 months. The next items will continue to be contingent on funding and final city permitting.

Timetable for implementation of the Project.

- **Fall 2025**: Permit approval (pending), contractor selection, and initial work begins (led by F.O.R. Maricopa Board and Executive Director)
- **Winter 2026**: Phase 1 – Completion of drainage and grading work (highest priority)

- **Spring/Fall 2026**: Phase 2 – Paving, lighting installation, and other code compliance improvements
- **Spring/Fall 2026**: Final inspection, project close-out, and celebration with community stakeholders

Responsibility for oversight lies with the **F.O.R. Maricopa Board of Directors** and **Executive Director**, in collaboration with selected licensed contractors and the City of Maricopa.

The renovation project will enhance our ability to deliver these services safely and efficiently. We will continue to provide services through our well-established food distribution model:

- **Drive-thru model** for food pickups (twice per week)
- **Volunteer-supported events** and operations
- **Evening service hours** to accommodate working households
- **Coordination with city departments** (police and traffic control) during large-scale events

Project Budget Detail

1. Paving (asphalt) our entire parking lot with striping and curbing after we have leveled the entire lot. We have three bids on the project.
2. According to the code, we are required to provide a water retention plan based on the size of our lot, etc.
3. We are required to install a short wall around the parking lot to help mitigate light glare into traffic. We are also required to place a screen wall in front of our trash receptacle.
4. We don't have an agreed-upon lighting solution. We have submitted an updated version to the city now to see if this will work.
5. The city requires landscaping on the parking lot and at the end of each group of 8 parking spaces. This requires curbing and irrigation.
6. We are required to display professional signage on our property and building.

Hope Women's Center Proposal for The Ak Chin Community 2025

Executive Summary

Underserved women in Maricopa face a range of adversity — addiction, domestic abuse, sexual abuse, unplanned pregnancy, and homelessness. When left unhealed, these traumatic experiences create vicious cycles of poverty, abuse, and neglect for women and their children. When these women are also mothers, these crises can lead to adverse childhood experiences, and potential involvement by the Department of Child Safety.

Hope Women's Center has found that mothers who receive appropriate support are able to keep their families together. That's why we recently expanded our Hope Initiative/Every Mother's Advocate program to serve women who are at risk of family separation. We provide mothers with the education, counseling, and case management they need to keep their families together.

As our clients find stability and support, the demand for the program has only been growing. To continue offering these mothers the support they need, we request a grant of $10,000 from the Ak Chin Indian Community.

Hope Women's Center has never received a 12% distribution from the Ak Chin Indian Community or any other Arizona Tribe. We plan to work with Pinal County as a fiscal sponsor.

Mission of Hope Women's Center

Hope Women's Center exists to engage, encourage, and equip women and teen girls facing any difficult life situation by providing support for her physical, emotional, and spiritual needs. As we refine and expand the work of Hope Women's Center, it is our longing to see our clients, and their community, profoundly transformed.

The Need in Maricopa

In December 2020, Hope Women's Center opened a center in Maricopa. We chose Maricopa because it is one of the fastest growing cities in Arizona, which always leads to increased levels of inequality. The programs offered at our Maricopa center take a holistic approach to help the underserved women in the area regardless of the challenges they face.

In 2023, Hope Women's Center identified an increased need across the state of Arizona to help stabilize families before an intervention from the Department of Child Safety was needed, and we expanded our Hope Initiative program to increase focus on stabilization and better meet the needs of the women we serve.

In 2022, the Department of Child Services identified 22,000 Arizona families who were at high risk of needing intervention. DCS got involved with a quarter of those families, which led to 3,400 kids being placed in foster care. These interventions are often necessary, but that does not make them any less traumatic for the family, and for the children. Thousands of lives are being tragically disrupted, and we know that these traumatic events have the power to affect women and children for the rest of their lives. However, we have found that when women and families receive prevention and interventional support and advocacy, their outcomes for family health, remaining intact and reunification increase.

Sadly, women in these situations typically don't have any support at all. The complicated process to avoid foster care or to reunify a family makes support so necessary. Requirements include paperwork, classes, meetings, court hearings, proof of employment, to name only a few. These kinds of steps are hard to manage for someone with stability, let alone someone who is likely struggling with poverty and unhealed trauma.

It doesn't have to be this way. With the right support, women in crisis can achieve steady employment, reunification with their children, and keep a stable family environment with improved parenting and life skills.

Our Solution: The Hope Initiative

HWC has responded to the shortcomings in the system by expanding the Hope Initiative as an affiliate of Every Mother's Advocate (ĒMA). ĒMA is a program that partners with mission-aligned affiliate organizations to eradicate the preventable causes of family separation through mother advocacy.

Hope Initiative/Every Mother's Advocate (ĒMA) is a Hope Women's Center program that seeks to eradicate the preventable causes of family separation through mother advocacy. The ĒMA program is an evidence-based, court-approved prevention program designed to empower moms in crisis to preserve their families. Hope Women's Center, as an ĒMA affiliate, trains staff members who are able to identify and pair at-risk mothers with our ĒMA-based programming. The program supports mothers through a two-prong approach — advocacy and case

management. This includes pairing each mother with a certified volunteer Advocate who offers social, emotional, and tangible support in weekly meetings. These trained ĒMA volunteer Advocates provide individualized and comprehensive support services — empowering moms to achieve stability and keep their families together.

This partnership will allow us to serve more mothers and make a greater impact on children involved in the child welfare system. As an ĒMA affiliate, HWC receives training and resources for this specialized program, and will care for mothers who are facing losing their children (prevention) and mothers who are working to reunite with their children (reunification). Thus, the specific objectives of the program are two-fold:

1. Prevent removal through our programs, mentorship, job coaching, case management, etc.
2. Increase reunification after removal happens in the first 18 months.

In 2024, over 29 women in Maricopa took advantage of our Hope Initiative/ĒMA program, which has sparked the need for more dedicated time from an EMA Manager at our Maricopa Center.

Who is helped?

During 2024, our Maricopa Center served over 157 women in 1700 visits.

Economic Demographics
93% of the women who come to our Maricopa Center make less than $14,000 per year.

Conclusion

Thank you for considering Hope Women's Center's request for $10,000 from the Ak Chin Indian Community Gaming Distribution. Your support would directly impact our Hope Initiative program at our Maricopa Center, where we are witnessing growing demand from vulnerable mothers at risk of family separation. By helping mothers gain stability, improve parenting skills, and maintain family unity, we create generational change.

Dear HOPE WOMENS CENTER INC:

We're responding to your request dated Mar. 13, 2019, about your tax-exempt status.

We issued you a determination letter in JANUARY, 2011, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m.,

WHEREAS, the activities within this application address at least one of these areas; and

WHEREAS, a grantee of Ak-Chin Indian Community Shared Revenue Program Funds is required to comply with the program guidelines and regulations set forth by the Ak-Chin Indian Community.

NOW, THEREFORE, BE IT RESOLVED THAT the Board of Supervisors of Pinal County hereby:

1. Approves the filing of an application for Ak-Chin Indian Community Shared Revenue Program funds and

2. Certifies that the application from Maricopa Veteran Care requesting $150,000 for land acquisition, is consistent and compatible with all adopted plans and programs of the Board of Supervisors of Pinal County; and

3. Agrees to comply with all appropriate procedures, guidelines and requirements established by the Ak-Chin Indian Community;

4. Agrees to serve as the pass thru fiscal agent; and

5. Appoints the Pinal County Office of Budget and Finance Grants Manager as agent of the Board of Supervisors of Pinal County to conduct all negotiations, execute and submit all documents including, but not limited to, agreements, amendments after legal review and approval, and billing statements which may be necessary for the completion of the project for which funding is being requested.

2025 Ak-Chin Indian Community Grant Application Cover Sheet

A. Purpose of Grant

In Maricopa and Pinal County, veterans and their families face a critical shortage of accessible PTSD wellness services, entrepreneurship training, mentoring, and collaborative workspace. The Maricopa Veterans Care Center (MVCC) seeks a $150,000 grant from the Ak-Chin Indian Community to acquire a one-acre to three-acre parcel and complete all architectural, engineering, and permitting work for a 3,000 sq ft Veterans Entrepreneurship Training & Mentoring Center—which will also serve as MVCC's headquarters and VA Health & Wellness hub. This Phase I funding will resolve two urgent needs:

1. **Trauma-Informed Wellness & Support: A no-cost facility providing free PTSD therapy, stress-disorder diagnosis, job training, and transitional housing services as part of MVCC's core mission to advance veteran care through research, education, and trained staff.**

2. **Entrepreneurship & Co-Working Hub: Flexible workspace, mentorship pods, and business-development programming tailored to veterans, caregivers, and family members.**

Currently, Maricopa/Pinal County has no facilities offering combined free PTSD and business-development programming, and only a few for-profit co-working options with prohibitive fees. As a result, many veterans either receive no ongoing support or must travel long distances for intermittent workshops. By securing land and completing schematic design and permitting in 2026, MVCC will be poised to begin construction in early 2027 and open in mid-2028—maximizing every dollar for tangible, capital-asset creation under the Ak-Chin 12% guideline.

---

1. Project Description & Need

- **Land Acquisition & Permitting (Q1–Q2 2026):**
  Purchase a one-acre to three-acre site in Maricopa's enterprise zone—near public transit and business corridors—then finalize schematic architectural plans, engineering studies, and submit all city and county permits.

- **Co-Working & Training Space:**
  Design flexible classrooms, confidential mentorship pods, open-plan work areas (up to 60 users), A/V systems, a tech-equipped resource library, and private counseling rooms.

- **MVCC Headquarters:**
  Incorporate administrative offices and reception, eliminating MVCC's current rent burden and co-locating wellness and entrepreneurial services on-site.

---

2. Target Population

Over the grant year (Jan 1–Dec 31 2026), Phase I activities will directly engage:

- **600 veteran and family entrepreneurs (80% veterans, 20% caregivers/spouses) through design charrettes, focus groups, and stakeholder workshops.**
- **300 participants in MVCC's "Family Enterprise Pipeline," introducing entrepreneurship fundamentals alongside PTSD-aware coaching.**
- **1,000 total beneficiaries—including extended family members and community partners—gaining access to wellness services, mentoring, and eventual co-working membership.**

Page 2

3. Goals & Objectives

MVCC has established clear, time-bound objectives for the 2026 performance year:

Goal	Milestone
G1 (Q1)	**Close land purchase and secure zoning approval**
G2 (Q2)	**Finalize 60% schematic design, cost estimates, and submit all permit applications**
G3 (Q3–Q4)	**Pilot 12 combined wellness & business workshops in a leased temporary classroom (180+ participants)**

G4 (Q4 rollover)	**Prepare construction bid package, select general contractor, and schedule a 2027 groundbreaking**

---

4. Timetable

Quarter	Milestone
Q1 2026	**Close on land; secure zoning and conditional-use permits**
Q2 2026	**Complete 60% A/E drawings; finalize engineering specs; submit permits**
Q3 2026	**Launch pilot training & wellness series (12 sessions; 180 attendees)**
Q4 2026	**Finalize design development; issue construction bid documents**

Page 3

B. Resources to be raised

We are requesting Funding & In-Kind Support from other organizations for all monies needed (Capital Campaign Total: $1,000,000)

- **$500,000 from private donors and corporate pledges**
- **$200,000 City of Maricopa ARPA allocation for land infrastructure**
- **$50,000 in-kind legal and appraisal services (pro bono by Board Member)**

Strategic Partners

To ensure robust programming and community engagement, MVCC will collaborate with:

- **City of Maricopa Economic Development Department for site-selection guidance and permit-expediting support.**
- **Maricopa Community Colleges Small Business Development Center (SBDC) for curriculum design and workshop facilitation.**
- **Local First Arizona to connect veterans with peer networks and vendor opportunities.**
- **Ak-Chin Employment & Training to integrate tribal workforce development into our programs.**

Sustainability Plan

By Year 3, operating revenues—room rentals, sponsorships, MVCC membership dues, and program fees—will cover 100% of annual operations. A sliding-scale membership model ensures core services remain free or low-cost for veterans and underserved users, while premium options (e.g., dedicated desks, private offices) subsidize community access.

Alignment with Tribal Funding History

Over the next 18 months, MVCC will pursue similar $250K capital requests from Gila River and Tohono O'odham tribal entities, demonstrating both scalability and broad tribal support for veteran-led entrepreneurship.

C. Accounting & Reporting

- **Dedicated Fund Tracking: All grant proceeds recorded in QuickBooks under an "Ak-Chin Grant" class.**
- **Quarterly Financial Statements: Issued by a CPA, reconciled to bank records, and reviewable by Ak-Chin staff.**

- **Performance Monitoring: Tracked in Salesforce (land acreage acquired, design completion %, attendance, participant feedback).**
- **Mid‑Year & Final Reports:**
    - **July 15 2026: Mid‑year progress report**
    - **Jan 31 2027: Final report with financials, schematic deliverables, and pilot outcomes**

Page 4

D. Budget & Justification – Phase I (Jan – Dec 2026)

Line Item	Cost	Justification
Land Acquisition (1 acre, enterprise zone)	**$150,00**	**Market‑appraised Feb 2025; essential project site**
Architectural & Engineering Fees	**$50,000**	**8% of estimated construction; covers schematic & permitting**
City & County Permits / Impact Fees	**$10,000**	**Based on City Development Services estimates**
Temporary Classroom Fit‑Out & Furnishings	**$20,000**	**Lease and equip off‑site space for pilot workshops**
Contingency (8%)	**$20,000**	**Mitigates material cost volatility and permitting delays**
Total Request (rounded)	**$250,00**	

If only partial funding is awarded, MVCC will first allocate $150,000 to secure the land parcel; subsequent tranches will follow the above priority sequence to ensure each funding release delivers tangible progress.

St. Peter Indian Mission Catholic School Grant Proposal

Purpose of the Grant

St. Peter Indian Mission School strives to educate the whole child: mind, body and spirit. Situated in Bapchule, St Peter's has been serving the Gila River Indian Community for over 100 years and is a safe haven for students. The school has been run by the Franciscan Sisters of Christian Charity for 90 years and is also overseen by the Franciscan Friars of the Holy Spirit who teach, lead the youth group, and provide opportunities to receive the sacraments.

St. Peter's believes that the fundamental O'odham Himdag of respect, reverence, and responsibility, and the Gospel message of God's faithful, forgiving love, provide a stable, challenging, and academic environment that will foster self-discipline, academic success, cultural pride, strong faith in God, loyalty to country, service to community, and fitness for life.

High school is a pivotal time for students, where the choices they make affect the rest of their lives. There's a need for high school students on the Gila River Reservation to be supported in all areas of their lives, setting them up for success whether they choose to stay on the reservation, go to college, or obtain a job off reservation.

St. Peter's is currently the only high school on the reservation. Since the 2023 school year, a grade has been added each year, until there will be a full high school by 2027. In the midst of building out a robust high school that incorporates academic courses and trade programs, there is a need to build out extracurricular activities for the students, one of them being a sports program to provide students with leadership skills, responsibility, healthy lifestyle choices, healthy coping skills and more.

Before St. Peter High School, students attended schools off reservation, most of them dropping out because of bullying and being at schools that didn't take their culture into account. Over 60% of adults living on the Gila River Indian Reservation have not completed high school. Now that there is a high school on the reservation, it's essential to build out all the programs in order to give students a high school experience that will set them up for a hopeful future.

A sports program that promotes fitness for life is essential on a reservation where obesity and diabetes are struggles of the people. According to Jovana Brown in, *When Our Water Returns: Gila River Indian Community and Diabetes*, "American Indian youths have the highest prevalence of Type 2 diabetes. In the 15-19 age group the current figures are: 4.5 per 1000 for all U.S. American Indian populations. 50.9 per 1000 for Pima Indians."

From the national library of medicine: in 2010, the Centers for Disease Control reported a positive correlation between students who participated in high levels of physical activity and improved academic achievement, decreased risk of heart disease and diabetes, improved weight control, and less psychological dysfunction. Conversely, children who are obese often experience a diminished quality of life, learning difficulties, and decreased self-confidence.

St. Peter's strives to equip students so they can continue healthy lifestyles after graduating and pass on health to their children and families. Sports would provide students with that fitness education, and would set them up for success in this area, providing them with skills to combat diabetes and other health-related issues.

Diabetes isn't the main struggle of the youth on the reservation. Most students come from non-nuclear families where addiction is prevalent. Gang violence and suicide are also common struggles that students face. The Sisters and Friars who work at the school have found that nearly all of the students have endured some amount of trauma in their lives.

Principal of the grade school, Sr. Martha Mary Carpenter talked about these struggles in a presentation she gave at a fundraiser in 2023. She explained that during the height of COVID, there were 72 funerals held at St. Peter Indian Mission, in one week there were 5 funerals alone. Of those 72 funerals, 9 were COVID-related deaths, and the rest were due to gang violence, suicide, serosis and other addictive behaviors. Of the 72 funerals, 27 were former students of St. Peter's, and the youngest was 24 years old. With sorrow in her voice, Sr. Martha talked about her youngest former student who passed away during this time, "I could just see him sitting in his desk."

At. St. Peter Indian Mission, the Sisters and Friars are on a mission to meet students in their suffering and introduce them to Jesus who wants to be with them in their suffering. High school student, Mariya, has felt the loving community surrounding her during difficult times, "Here it feels like I'm part of a family, people actually care about the students here. Me, losing my mother, that was the teachers I had for support."

Sports programs would be another avenue for students to heal from these traumatic experiences and give hope to students who oftentimes feel hopeless. Studies show that sports programs help students cope with difficult situations and have resilience to handle difficult situations in the future. The presidents council on sports found that participating in sports is associated with lower rates of anxiety and depression, higher self-esteem and confidence, reduced risk of suicide, and less substance abuse and fewer risky behaviors.

Right now, St. Peter's cannot afford a sports program because certified drivers are being paid overtime to do the morning and afternoon bus rounds each week. Part of the building of the high school will include the building of a school gym which will be the first step in creating a sport's program for students.

St. Peter's is working to obtain three mini buses. Three more mini buses, in addition to the three that St. Peter's already owns, would allow for some of the evening maintenance staff to drive students home after practice. This would save money since St. Peter's would no longer be paying certified drivers overtime hours.

In addition, St. Peter's is in need of an outdoor multipurpose turf field that will be used for football, soccer and other sports as the program takes shape. The field will be 58,000 square feet and will be the perfect place for practice as well as a place where St. Peter's could host sporting events in the future. Building a turf field will be a visible sign to students that the school is taking big steps to add a sports program and will give students a sense of joy, seeing the great lengths the school is going to provide for them.

Target Population

Sr. Martha Mary, principal of the grade school explained who is impacted by St. Peter's in an interview with CBS in 2016, "We don't teach subjects. We teach children."

The Sisters and Friars who run the school are dedicated to educating the students. In particular, the high school students on the Gila River Reservation will benefit from the sports program, who are in need of support during this pivotal time in their lives. In the midst of this pivotal time, most students at St. Peter's are living in unstable living situations.

Only 24.1% of households on Gila River are occupied by a married couple while 23.1% are male households and 45.3% are female households. Growing up without a mother and father greatly affects the students at St. Peter's, adding to their lack of stability and security. Students

find a sense of family at St. Peter's that is oftentimes lacking in their home lives. The school gives them a sense of family and home, which they will find even further on sports teams.

Students find a fatherly love in the Friars and motherly love in the Sisters, who genuinely care for their wellbeing. It's providing that loving environment at St. Peter's that helps students to thrive. At St. Peter's, the students are steeped in a loving environment that they can depend on, day after day, and when the days get rough, it's the Sisters and Friars who are there to support them and be with them in deep moments of suffering.

There are stories after stories of students, alumni, guardians, and community members who found a home at St. Peter's.

One story is Mariya. She comes from a long line of family members who have attended St. Peter's. She has attended the school since kindergarten and is part of the first high school class, who are now sophomores. She has eight siblings and helps to take care of her four younger siblings with her grandparents. Growing up, she didn't believe in God. But after being steeped in scripture and learning about God from attending St. Peter's, she now has a strong faith and says that the faith hasn't just impacted her, it's impacted her whole family. "If we didn't have God in the home, I probably wouldn't be where I am today," Mariya said.

Unfortunately, Mariya is similar to many of her classmates who don't grow up in a nuclear household. Her dad hasn't been in the picture for years and her mom passed away during her freshman year. During that tumultuous time, she expressed that it was the Sisters and Friars who she had for support that got her through. "Sometimes it gets too overwhelming for me to handle, as it does for everybody. You can only hold so much stress and then eventually pop. I've experienced that. [The Sisters and Friars] were a good support system for me. I was able to tell them…what I was going through and what I needed to get off my chest and they were always there to help me. I would tell them about my family and sometimes I would be like, I don't know what to do, I don't know who to turn to anymore. And they were always there for me to turn to. I've told my siblings too, 'If you need anything go to the Sisters, go to the Friars. They've helped me through a lot and I'm sure they'll be able to help you too.' Without the school, without church, without my grandparents, let's just say I'd be at a low place. I wouldn't be able to do what I'm doing now."

Mariya is just one example of the impact of St. Peter's. There is a hope for that impact to expand so that students will have a firm grasp on their health and wellness through the participation of the sports program, while also being another avenue of support during difficult times, helping students to cope with traumatic situations in their lives.

Students need this stability, consistency and love in their tumultuous high school years, which is often a pivotal time for students. It's for these reasons, among many other reasons, why the students of the Gila River Reservation are the target of this project.

The overall goal is to provide students with sports that they can participate in, in order to form well-rounded students, and not to mention all of the benefits of sports discussed earlier in this proposal. More specifically, St. Peter's has a goal of starting on the turf field by summer of 2026 and completing the field by the end of summer of 2027, ready for the 2027-2028 school year. By that academic year, there is also a goal of having at least two sports offered. In order to meet that goal, the first stage in implementing the sports program will have to be met, with the goal of completing that first stage in the 2025-2026 school year. This entails purchasing three mini buses. Three more mini buses, in addition to the three that St. Peter's already owns, would allow for some of the evening maintenance staff to drive students home after practice. This would save money since St. Peter's would no longer be paying certified drivers overtime hours.

Resources

There have been other requests for funding for St. Peter Indian Mission High School which would also include the building of the gym which will support the sports program. Here is a breakdown of requests that have been made for the high school.

This is the second request that is solely for the sports program. The first request was also a Proposition 202 Grant Proposal to the Tohono O'odham Nation.

Amount	Donor	Notes
$5,000,000	Donor of the Franciscan Friars	One-time pledge for the high school
	The Shae Foundation	Will provide labor for the building of the high school through Shae Homes and St. Peter's will provide the material. One-time donation
$300,000	Chick-Fil-A True Inspiration Award	Proposal submitted and awaiting a response. Request made for the building of the high school.
$250,000	Prop 202 Grant Proposal, Tohono O'odham Nation	Grant proposal submitted and awaiting a response. Grant would support the purchasing of 3 mini buses

Other organizations that are supporting the project, but are not funding sources, are the Franciscan Friars of the Holy Spirit who are working alongside the Franciscan Sisters of Christian Charity to get this sports program off the ground. The Roman Catholic Diocese of Phoenix is another big support, as St. Peter's is one of the Catholic schools in the Diocese. The Diocese has provided monetary contributions to the school but not the sports program as of now. Regardless, the diocese is a support emotionally and spiritually. Another organization who has supported the promotion of physical activity at St. Peter's is the Arizona Cardinals, who have come out for Youth Training Camp.

The sports program is a new project, under the umbrella of the existing project of the building of the high school. After the grant funding is exhausted, the project will be sustained by donors of St. Peter Indian Mission as well as by the various connections with organizations and individuals that the Franciscan Sisters of Christian Charity know personally.

When it comes down to it, the Franciscan Sisters have learned to put all of their requests in the hands of God. Sr. Martha Mary Carpenter often expresses the need to trust in Jesus and His timing. That being said, the project will be sustained by the Lord, on His timing, as have all the other projects at St. Peter Indian Mission Catholic School.

In a story with *The Catholic Sun* Newspaper, principal of the high school, Sr. Pamela Peasel said, "I tell people now, I'm not leading this school, Sister Martha isn't leading this school, God is completely leading us and we're just following His guidance in all of this with all of the trials we have faced. We know beyond a doubt that the Lord wants this to happen and we're just continuing to listen and move forward with everything."

Another request was made for the purchasing of three mini buses, as mentioned above. The request was made for $250,000 from the Tohono O'odham Nation's Proposition 202 grant for 2025.

St. Peter's has received funding from the Gila River Reservation the past five years which has been used to support student's tuition and activities. The amount for each year has been around $198,675.

If funding is received, St. Peter's will account for and manage funding in an organized manner, in a way that stewards the money responsibly. An excel document will be kept of all expenditures associated with the building of the turf field. Costs will be compared before settling on turf that is cost effective while also choosing quality turf that can withstand many years of use. If funds were to be received, the excel document along with other pertinent documents will be sent to Ak-Chin Indian Community. St. Peter's desires to remain transparent and honest during the building of the field so as to model what the school desires for students to become: respectful, reverent and responsible citizens.

Progress will be tracked and documented by taking periodic pictures throughout the process as well as keeping a timeline of what has to get done in order to see the project to its completion. The timeline will be followed and progress will be shown as each step gets St. Peter's closer to the completion of the project.

Budget for Turf Field			
Item	Amount	Notes	Justification
Turf materials and labor	$738,050	It costs $12,725 for 1,000 square feet. A 58,000 square feet multipurpose field will be built	A turf field will be a visible sign to the students that St. Peter's is working towards providing a sports program. Students who participate in sports will learn leadership skills while also growing into well-rounded students who will adopt wellness skills for life.

Funds will be expended in the summer of 2026 when the building of the field will begin.

Thank you in advance for your consideration and for taking the time to review this proposal from St. Peter Indian Mission Catholic School.

Dear Sir/Madam:

This responds to your August 1, 2023, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2023*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2023* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Subordinate organizations are not listed in Tax Exempt Organization Search (Pub 78 data), and many are not listed in the Exempt Organizations Business Master

File extract, or EO BMF. Donors may verify that a subordinate organization is included in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. *See* IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Stephen A. Martin
Director, Exempt Organizations

Ak-Chin Indian Community

2025 Prop 202 – 12% Contribution Grant Application
Outline for Narrative

A. Purpose of Grant.

1. **Describe the proposed program, project or purchase:**The Boys & Girls Clubs of the Sun Corridor respectfully requests funding to purchase a multi-passenger vehicle to transport youth safely and efficiently to and from our seven Club locations across Pinal County. This vehicle will address the critical transportation gap that prevents many young people—particularly those in low-income, rural, and tribal areas—from regularly attending Club programs.

   Transportation is one of the most significant barriers faced by the youth and families we serve. Many do not have access to reliable vehicles, and public transportation options in our communities are extremely limited or nonexistent. Without dependable transportation, youth miss out on crucial opportunities for academic support, wellness programming, cultural enrichment, leadership development, and mentoring. Reliable transportation is essential for ensuring consistent attendance and participation in our after-school and summer programs, which provide critical academic support, wellness initiatives, leadership development, and cultural enrichment. The vehicle will also be used for supervised field trips, community events, leadership conferences, and service-learning opportunities.

   We have identified a sample quote for a new 10–15 passenger van in the range of $47,000 to $53,512, inclusive of taxes and fees. However, recognizing ongoing fluctuations in pricing and availability, we request the flexibility to select a comparable vehicle that meets our needs and fits within the awarded budget. This approach ensures the project's timely and effective implementation while staying within the requested $50,000 funding limit.

   The requested vehicle will allow our staff to ensure consistent, equitable access to these programs. It will also be used for supervised trips to community events, teen conferences, college tours, and service projects, further enhancing the personal and academic development of our members. By providing safe, consistent transportation, this project will directly improve attendance, engagement, and outcomes for hundreds of young people who rely on our Clubs each year.

2. **Identify the target population that will be served by the Project.**

   The primary beneficiaries of this project are approximately 250 youth ages 5–17 who are active members of the Boys & Girls Clubs of the Sun Corridor, specifically at our Maricopa Clubs. These members often face significant transportation challenges that limit their ability to attend programs consistently. However, the van will also be available to support young people attending our seven Club sites located in Casa Grande, Maricopa, and Arizona City, all within Pinal County, Arizona.

   The majority of our members come from low-income families and underserved communities**,** including tribal and rural areas where access to reliable transportation is limited or nonexistent. Many families lack personal vehicles, and public transit options are scarce, especially in Arizona City and rural Maricopa. This project will directly support those most affected by transportation barriers by providing safe, consistent access to daily Club programs, special events, field trips, and teen leadership opportunities.

   By securing a dedicated Club vehicle, we will significantly increase participation and engagement, ensuring that more youth can benefit from our holistic programming focused on education, wellness, prevention, and positive youth development. By improving transportation

access across all sites, this project will help ensure equitable participation in programs focused on academic success, healthy lifestyles, and character development.

3. Describe the Project goals and objectives and outline a plan to meet these goals.

Goal:

To increase equitable access to Boys & Girls Clubs programs by providing safe, reliable transportation for youth in underserved areas of Pinal County. Objectives:

1. Acquire a 10-16 passenger van to support youth transportation needs by the end of the grant period.
2. Expand participation in enrichment activities (field trips, programs, service projects) by providing transportation for at least 100 youth annually.

Plan to Meet Goals:

- Procurement: Upon funding approval, we will secure quotes and work with a local dealership to purchase a suitable vehicle within the $50,000 request. The vehicle will meet all safety and capacity requirements.
- Deployment: The van will be assigned to serve Clubs in Maricopa, where transportation needs are highest, and will be scheduled daily to transport youth during summer and special events.
- Tracking Impact: Attendance and participation data will be monitored monthly to measure increased access and utilization. Club staff will track vehicle use, destinations, and number of youth served.
- Maintenance and Safety: A designated staff member will oversee vehicle upkeep, maintenance scheduling, and compliance with transportation safety protocols to ensure consistent and safe use.

This plan ensures the vehicle is maximized as a tool for youth development, allowing more members to benefit from the full range of Club services and experiences.

4. Provide a timetable for implementation of the Project.

Month 1 (Upon Grant Award Notification):

- Finalize vehicle specifications based on availability and budget
- Obtain updated quotes and select vendor
- Purchase vehicle

Month 2–3:

- Vehicle delivery and registration
- Staff orientation on vehicle use, safety procedures, and maintenance plan
- Assign vehicle to designated Club sites (Maricopa)

Month 4:

- Begin transportation service for youth
- Launch tracking of vehicle usage and attendance data
- Promote new transportation access to families and community partners

Months 5–12:

- Continue daily transportation operations
- Monitor attendance and participation
- Perform regular maintenance and safety checks

- Evaluate impact and prepare summary report on project outcomes

This schedule ensures that the project is implemented promptly and effectively, with minimal delay in delivering benefits to the youth we serve.

B. Resources.

1. **Current funding sources for the Project:** At this time, we do not have a dedicated capital funding source for the purchase of a vehicle. Support from the Ak-Chin Indian Community would provide the critical one-time funding needed to secure a new Club van, while long-term sources will sustain its ongoing use and maintenance.
    - Operating Budget – *Long-term funding source*
      Our annual operating budget covers recurring transportation-related costs such as fuel, insurance, and maintenance. While it does not include capital purchases, it ensures long-term sustainability of vehicle use once acquired.
    - Arizona Charitable Tax Credit Contributions – *Long-term funding source*
      These contributions, made by individual donors through Arizona's Qualifying Charitable Organization Tax Credit, provide consistent, unrestricted funding that helps support core operations, including transportation needs.
    - Individual and Business Donations – *One-time-only funding source*
      Occasionally, we receive one-time donations or sponsorships from local donors or businesses that can be used toward general program or vehicle-related expenses; however, these are not recurring or guaranteed.

2. **Identify other organizations/partners that are participating in or contributing to the Project.**
   Several community organizations and partners play an important role in supporting the success of this project, even though they are not direct funding sources:
    - Maricopa Unified School District (MUSD): MUSD provides access to school facilities where two of our Clubs are located and collaborates with us on student enrollment coordination and program alignment. They help identify students in need of transportation and assist in promoting Club access to families.
    - City of Maricopa: The City partners with our Clubs through youth development initiatives and community events. They help amplify awareness of transportation barriers and support referrals to our programs, enhancing outreach and participation.
    - Be Awesome Youth Coalition: This prevention-focused partner works with our Clubs on teen programming and community engagement.

   These partnerships strengthen the impact of the project by improving outreach, coordination, and service delivery, ensuring that transportation is effectively used to expand youth access and engagement across the region.

3. **Define the Project as a new or continuing project or a purchase**. This is a one-time purchase of a multi-passenger vehicle to support ongoing youth transportation needs. While the purchase is new, it supports our continuing efforts to increase access to Club programs primarily in Maricopa, but as needed in Casa Grande, and Arizona City. Ongoing costs for fuel, insurance, and maintenance will be covered through our operating budget and sustained by long-term funding sources, including the Arizona Charitable Tax Credit and community support. A designated staff member will oversee vehicle maintenance and ensure long-term usability.

4. **Applicant organization funding from any other Arizona tribe, please list:**
   a. There have been no pending requests made within the last eighteen (18) months for this vehicle purchase to any other tribe or organization.
   b. Funded requests made in the last five (5) years:

Tribe	Amount	Date Awarded	Summary
Ak-Chin Indian Community	$50,000.00	February 1, 2023	Saddleback Branch Support
Gila River Indian Community	$50,400.00	October 5, 2022	STEM Support/Lego League
Tohono O'odham Nation	$50,000.00	October 2021	Len Colla -Art Room

C. **Reports**: If selected for funding, the Boys & Girls Clubs of the Sun Corridor will manage and account for all grant expenditures through our established financial tracking system, overseen by our Finance Director. All grant funds will be used exclusively for the approved vehicle purchase, and detailed records—including invoices, receipts, and payment confirmations—will be maintained for full transparency and accuracy. Project progress and results will be tracked by documenting key milestones, including vehicle purchase, deployment, and usage data. We will track the number of youth served, Club sites utilizing the van, and transportation-related outcomes such as increased attendance and participation in off-site enrichment activities. A final summary report outlining expenditures, implementation milestones, and impact data will be submitted to the Ak-Chin Indian Community to demonstrate responsible stewardship and meaningful results.

D. **Budget**. **Proposed Budget and Justification:**

Item	Estimated Cost	Justification
10–15 Passenger Vehicle (New)	$53,512.50	Estimated cost for a safe, reliable multi-passenger van, including taxes and fees
Vehicle Registration & Licensing	$800	Required for legal operation and compliance with state transportation laws
Insurance (First-Year Premium)	$1,200	Coverage to ensure vehicle is protected and liability is minimized
Safety Equipment & Branding	$1,000	Includes Club signage, first aid kits, and reflective decals

Total Request: $50,000

E. **Additional information.** The Boys & Girls Clubs of the Sun Corridor has been a trusted youth-serving organization in Pinal County for over 26 years, with a strong track record of delivering impactful programs that promote academic success, healthy lifestyles, and character development. We operate seven Club sites across Casa Grande, Maricopa, and Arizona City—many of whom face significant barriers related to poverty, transportation, and access to enrichment opportunities.

We are deeply committed to equity and inclusion, and this transportation project directly supports that mission by ensuring that no child is left behind due to lack of access. Our Clubs serve as safe havens and

opportunity hubs, and the ability to transport youth reliably and safely will allow us to expand that impact further. We are proud of our longstanding relationship with the Ak-Chin Indian Community and are grateful for your past support. With this vehicle, we aim to build on that partnership by reaching more youth, especially in underserved and rural areas, and ensuring they can benefit fully from the life-changing programs we offer.

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

Letter 1045 (DO/CG)

If we publish a notice in the Internal Revenue Bulletin stating that we will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of $100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally $25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally $25,000 or less, and sign the return.

If a return is required, it must be filed by the 15th day of the fifth

month after the end of your annual accounting period. A penalty of $20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed $10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding $1,000,000 in any year, the penalty is $100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding $1,000,000 shall not exceed $50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of $20 per day for each day there is a failure to comply (up to a maximum of $10,000 in the case of an annual return).

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

2025 Prop 202-12% Contribution Grant Application

Submitted by:

Organization: Hoofbeats with a Heart

Project: Hoofbeats Equine Therapy Scholarship Program

NARRATIVE

PURPOSE OF GRANT

Program Description

Hoofbeats with Heart is requesting support for its Equine Therapy Scholarship Program serving Pinal County children and adults with physical disabilities and behavioral health disorders. As the only equine therapy center in Arizona's East Valley offering all four equine therapy services recognized by the Professional Association of Therapeutic Horsemanship International, Hoofbeats provides critical therapeutic interventions through:

- **Therapeutic Riding** - Horseback riding lessons adapted for individuals with disabilities
- **Hippotherapy** - Using horse movement as a treatment strategy by occupational, physical, and speech therapists
- **Equine-Assisted Learning (EAL)** - Educational approach incorporating horses for skill development
- **Equine-Assisted Psychotherapy** - Mental health treatment incorporating horses to promote emotional growth

The requested funding will support two primary components:

1. **Scholarship Program**: Providing partial and full scholarships for equine therapy sessions for underserved populations, covering the cost of eight student cohorts with up to five students each participating in eight weekly group sessions.
2. **Professional Development**: Training two additional therapists to become certified equine therapists through the Equine Assisted Growth and Learning Association (EAGALA).

Services are provided at the Hoofbeats ranch in San Tan Valley and at local schools during spring and fall months. With an outdoor arena, therapy sessions are not offered during summer months due to extreme heat. Each therapy session lasts approximately one hour, with a focus on addressing the unique physical, emotional, and behavioral needs of each participant.

The Hoofbeats program leverages the well-documented therapeutic benefits of the human-horse bond. For people with physical disabilities, the gait of a horse closely resembles the human stride, providing therapy that no manufactured machine can simulate. For those with emotional or behavioral challenges, horses provide immediate feedback to human emotions and behaviors, creating opportunities for personal growth and self-awareness.

Pinal County faces significant challenges in providing adequate therapeutic services for individuals with physical disabilities and behavioral health disorders. The Pinal County Community Health Needs Assessment highlighted mental health as the most pressing health concern, with 57% of respondents identifying it as the most significant health problem in their community. Additionally, respondents emphasized the need for "resources to manage stress/mental health issues" (63%) and "programs for kids/teens" (59%) as crucial resources that would help reduce drug and alcohol misuse.

Several critical issues are addressed through this project:

1. **Limited Access to Specialized Therapy:** For many Pinal County residents with disabilities or behavioral health challenges, access to effective therapies is restricted by geographic isolation, high costs, and limited provider availability. This is particularly true for specialized services like equine therapy, which offers unique therapeutic benefits not available through conventional treatments.
2. **Financial Barriers to Care:** Many families cannot afford the full cost of therapeutic services, especially those requiring specialized facilities and trained professionals. Without scholarship support, vulnerable populations miss opportunities for significant health improvements and enhanced quality of life.
3. **Service Gap for Children with Disabilities:** With over 13,000 children living with disabilities in Pinal County and 1 in 44 children diagnosed with autism spectrum disorder nationally, there is a substantial need for effective intervention programs. Traditional therapies alone are often insufficient to address the complex needs of these children.

4. **Mental Health Service Shortage:** Arizona ranks 49th among all states for access to mental health care, with rural counties like Pinal experiencing even more severe shortages of qualified providers. Alternative therapeutic approaches like equine-assisted psychotherapy help fill this critical gap in services.
5. **Need for Trauma-Informed Care:** Many individuals in Pinal County have experienced significant trauma, including veterans with PTSD and children who have suffered abuse or neglect. Equine therapy provides a unique, non-threatening environment for trauma recovery that complements traditional therapeutic approaches.

Hoofbeats with Heart's equine therapy program directly addresses these challenges by providing innovative, evidence-supported interventions for those most in need while removing financial barriers through scholarships. The expansion of certified therapists further increases the county's capacity to serve this vulnerable population.

Target Population

Hoofbeats with Heart serves the most vulnerable and at-risk children and adults in Pinal County, including: Individuals with physical disabilities (paralysis, cerebral palsy, spina bifida); People with intellectual and developmental disabilities; Children and adults with autism spectrum disorder; Individuals experiencing emotional trauma, including PTSD; People with behavioral health disorders; and Those recovering from substance use disorders.

The scholarship program specifically targets underserved populations including: Low-income families. Veterans, Ethnic and racial minorities, Uninsured and unemployed individuals and their family members, and Indigenous groups.

Based on historical data, approximately 75% of scholarships are awarded to children under the age of 18. The demographic makeup of scholarship recipients typically includes white, Hispanic, and Native American participants. The need for these services in Pinal County is substantial. Current statistics show 1 in 44 children are diagnosed with autism spectrum disorder (National Center for Health Statistics). Approximately 17% or 241,000 Arizona children have one or more emotional, behavioral, or developmental conditions. Over 13,000 children are living with disabilities in Pinal County (Annie Casey Kids Count Data Center). Nearly 57% of respondents to the Pinal County Community Health Needs Assessment named mental health issues as the most significant health problem in their community

Project Goals and Objectives and How to Meet the Goals

Goal 1: Increase access to equine therapy services for underserved populations in Pinal County

Objectives	How to Meet These Goals
• Provide partial or full scholarships to 40 Pinal County residents over a 12-month period • Conduct eight cohorts of equine therapy sessions with up to five participants per cohort • Complete 64 total group therapy sessions (8 sessions per cohort × 8 cohorts)	• Implement a scholarship application and review process through the Scholarship Committee • Verify financial need through proof of income documentation • Promote scholarship opportunities through the website, social media, and networking with social service agencies, the court system, schools, and healthcare providers • Schedule regular cohort sessions during spring and fall months, avoiding summer heat

Goal 2: Improve physical, emotional, and behavioral outcomes for participants

Objectives	How to Meet These Goals
• Develop individualized therapy plans for each participant addressing their specific needs • Document progress on personal objectives throughout the program • Demonstrate measurable improvements in self-esteem, social support, and quality of life	• Utilize skilled therapists to create personalized therapy plans in collaboration with participants and caregivers • Conduct regular reviews of progress and make adjustments as needed • Implement pre- and post-program assessments using Rosenberg's Self-Esteem Scale and the Interpersonal Support Evaluation List (with culturally appropriate language adaptations) • Document observed improvements in physical abilities (balance, coordination), attention span, ability to follow directions, language development, and communication skills

Goal 3: Expand organizational capacity to serve more clients

Objectives	How to Meet These Goals
• Train two additional therapists in EAGALA certification • Increase the number of qualified professionals available to conduct equine therapy sessions	• Enroll two therapists in EAGALA certification training • Complete all required coursework and supervised practice • Integrate newly certified therapists into the program schedule

Timetable

Months 1-2 (Pre-Implementation)	Months 3-4 (Spring Sessions)	Months 5-6	Months 7-8	Months 9-10 (Fall Sessions)	Months 11-12
• Review and select scholarship recipients for first two cohorts • Schedule training for therapists pursuing EAGALA certification • Develop evaluation tools and establish baseline measurements • Create individualized therapy plans for first cohort participants	• Launch first two cohorts of equine therapy sessions (Cohorts 1 & 2) • Begin 8-week therapy program for each cohort • Conduct weekly documentation of participant progress • Continue therapist training	• Complete therapy sessions for Cohorts 1 & 2 • Conduct post-program evaluations for completed cohorts • Select and prepare for Cohorts 3 & 4 • Continue therapist training	• Begin therapy sessions for Cohorts 3 & 4 • Complete EAGALA certification for therapists • Analyze evaluation data from first two cohorts • Make program adjustments based on initial findings	• Complete therapy sessions for Cohorts 3 & 4 • Select participants for Cohorts 5 & 6 • Begin therapy sessions for Cohorts 5 & 6 • Integrate newly certified therapists into program delivery	• Complete therapy sessions for Cohorts 5 & 6 • Select participants for Cohorts 7 & 8 • Begin and complete therapy sessions for Cohorts 7 & 8 • Conduct final program evaluations • Compile comprehensive program outcomes report • Develop sustainability plan for continued scholarship support

RESOURCES

Current Funding Sources

Hoofbeats with Heart's Equine Therapy Scholarship Program relies on the following funding sources:

Long-term Funding Sources:

Arizona Department of Developmental Disabilities - Ongoing contracted services partnership since 2012; Private Pay Students - Continuous source of operational funding; Insurance Reimbursements - Recurring revenue stream for therapy services; Program Fees - Ongoing operational funding

One-time Funding Sources:

Pinal County Grant ($20,000) - Received 2023-24 for Equine Scholarships; AZ Complete Health Community Giving - Scholarship contribution; AZ Masonic Charities - Scholarship contribution; Cardinals Charities - Scholarship contribution; Autism Speaks - Scholarship contribution

Partner Organizations and Contributions

Several key organizations contribute to our Equine Therapy Scholarship Program without providing direct financial support:

Pinal County Sheriff's Department	o Provides referrals for at-risk youth o Collaborated on previous Pre-Diversion Youth Program
Local Schools	o Provide facilities for therapy sessions during spring and fall months o Assist with identifying and referring eligible students o Support program implementation and scheduling
Healthcare and Social Service Providers	o Facilitate referrals of eligible participants o Provide complementary services to enhance therapy outcomes o Share expertise and resources for participant support
Argosy University and Arizona State University	o Supply additional behavioral health staff through contracted mental health professionals o Provide clinical supervision and support o Contribute to program quality and professional standards
Behavioral Health Providers	o Offer referrals and follow-up support for participants o Provide professional consultation for complex cases o Collaborate on treatment plans for shared clients

Project Status and Sustainability Plan

This is a **continuing project**, building upon Hoofbeats with Heart's established equine therapy programs that have been operating since the organization's founding in 2007. The Equine Therapy Scholarship Program specifically has demonstrated significant impact through participant testimonials and improved outcomes for children and adults with physical disabilities and behavioral health disorders.

Post-grant sustainability will be achieved through:

1. **Diversified Funding Strategy**
   Continuing to cultivate relationships with tribal and foundation funders; expanding our base of recurring donors and corporate sponsors; and pursuing additional insurance reimbursement opportunities as a newly licensed behavioral health provider.
2. **Capacity Building**
   Investing in EAGALA certification for additional therapists (as outlined in this grant request); increasing operational efficiency to serve more clients with existing resources and developing a volunteer program to support operations and reduce costs.
3. **Strategic Partnerships**
   Strengthening relationships with referral sources to ensure steady client flow; formalizing agreements with educational institutions for internship placements; and developing collaborative programs with complementary service providers

Recent Funding History

Pending Funding Requests (Last 18 Months)

No pending tribal funding requests have been submitted within the last 18 months for the Equine Therapy Scholarship Program.

Funded Requests (Last 5 Years)

1. **Gila River Indian Community**
   - Awarded: Ongoing contracted services partnership
   - Amount received: Varies based on service utilization
   - Project summary: Provision of equine therapy services to tribal members with physical and behavioral health needs
   - Key achievements: Ongoing service delivery to tribal members, improved physical and emotional outcomes for participants
2. **Pinal County**

- Awarded: 2023-24
- Amount received: $20,000
- Project summary: Equine Scholarships for Pinal County residents
- Key achievements: Provided therapy services to approximately 20 children/youth

3. **Pinal County**
   - Awarded: 2020-21
   - Amount received: $20,000
   - Project summary: Pre-Diversion Youth Program in collaboration with the Pinal County Sheriff's Department
   - Key achievements: Served 20 at-risk children/youth, submitted all required reports including survey quotes and attendance records

REPORTING

Quarterly internal progress reports tracking: Number of scholarships awarded; Demographic information of recipients; Session attendance and completion rates; and Progress toward individual therapy goals.
Comprehensive final grant report including: Detailed expenditure accounting; Program outcomes and impact measurements; Participant success stories and testimonials; Lessons learned and program improvements.
Staff Accountability will include: Certified Equine Specialists (Debbie Patrick and Gina Krause) and Licensed Behavioral Health Professional (Leticia Martinez) will maintain detailed session records; regular supervision and case review meetings to ensure quality service delivery; and documentation of EAGALA certification progress for staff receiving training funds.
This comprehensive approach to fund management and accountability ensures that all grant requirements will be met and that program outcomes can be clearly demonstrated, similar to our successful management of previous grants from Pinal County, Gila River Indian Community, Reeve Foundation, Sundt Foundation, and others.

BUDGET

Total Requested Amount: $15,000 (Equine Therapy Scholarships $10,000 - Therapist Training $5,000)
Amount of funding provided by agency: Hoofbeats with Heart's primary revenue sources include contracted services with Gila River Indian Community, private pay students, insurance reimbursements, and referrals whose fees are paid by the Arizona Department of Developmental Disabilities. The proposed Pinal County Partnership Grant will support needs that are not covered by these resources including therapist training and scholarships for underserved populations including low-income families, veterans, minorities, uninsured and unemployed individuals, and their family members.

Budget Narrative:

Budget - Partial or full scholarships will be awarded for up to 40 Pinal County residents, depending on need and available funds. The cost of equine therapy is as follows: Each cohort has up to four students participating in eight weekly group sessions, lasting approximately one hour per session. Each session costs $600 for four students ($200 per hour for therapist, $100 per hour for horse handlers, and a $300 horse fee). Each student pays $150 per session or a total of $1,200 for all eight sessions. Scholarships range from $500 to $1,200. A $10,000 grant would provide twenty $500 scholarships for Pinal County residents or twenty $1,000 scholarships. $5,000 EAGALA Training - expenses for two therapists @$2,500 each to attend training and become EAGALA certified through the Equine Assisted Growth and Learning Association.

Percentage of annual budget being requested: 5%

Partial Funding: The amount of funding will impact the number of students who are able to receive scholarships and access equine therapy programs. Hoofbeats will ensure that Pinal County funds are used to support students who need financial support and have the greatest need based on health conditions and personal challenges. Scholarship funds are the priority for funding followed by therapist training.

ADDITIONAL INFORMATION

Our program model is supported by nearly 50 years of research demonstrating that equine therapy yields measurable improvements in physical, cognitive, social, and emotional skills. The unique biomechanical benefits of equine therapy cannot be replicated by manufactured equipment, while the human-horse bond provides therapeutic benefits that extend far beyond traditional therapy modalities.

Manes and Miracles Proposal
Ak-Chin Indian Community

A.1.) The purpose of the grant-funded program is to make access to the benefits of services with equines affordable to everyone. Autism and severe selective mutism left Taylor feeling like an outsider, unable to find her voice and her place at school, church, with friends and anywhere else a typical 13 year old craves acceptance. Her life had been a series of therapies to help her build her skills and confidence with minimal success. Then she met the horses at Manes and Miracles. Slowly, Taylor began to transform, beginning with a whisper to her horse friend and building to giving audible verbal cues, then communicating with her instructor and coaches, and, miraculously, developing the ability to share a conversation with a stranger. Each word was a victory, allowing Taylor to finally be share her light with everyone around her.

The power of healing with horses continued beyond the confidence and social progression for Taylor. She was rushed to the emergency room one day when her tachycardia flared up, sending her heart rate soaring to 150 bpm, putting her at risk of a stroke. Just two days later, Taylor insisted on coming to her scheduled adaptive riding session. Her heart rate was still dangerously high at 120 bpm when she arrived and began prepping her horse. However, after 20 minutes of the peace of riding and the body regulating movement of the horse, her heart rate had dropped to a safe, steady 80 bpm. That isn't just therapy, that is healing that would not have been possible without the Manes and Miracles Scholarship Fund.

For 7 years, the horses at Manes and Miracles have affordably brought hope, happiness, and healing to children with autism, Down syndrome, cerebral palsy, ADD/ADHD, anxiety, and other physical and emotional disabilities. The unique rhythm and movement of the horse engages nearly every system of the body, improving flexibility, balance, core strength, physical and emotional regulation, stamina, and so much more. Confidence grows as the child interacts with the horse and their support team of highly trained therapists or instructors and caring volunteers, helping the child build valuable life skills such as communication, teamwork, decision making, responsibility, consideration and more.

Without the Scholarship Fund, the cost of operating a 3.3 acre facility, a herd of 6 horses and other therapeutic ranch animals, and all that comes along with it would be passed on to the families we serve at $295 per session. For families like Taylor's, the cost of this kind of life-changing care would be impossible to carry alone. With scholarships, we remove the financial barrier so that children can receive the best plan of care, regardless of the financial situation of their family. We humbly request $17,700 from the Ak-Chin Indian Community to provide one month of scholarships for equine-assisted activities or therapies to 15 special needs children.

A.2.) Manes and Miracles serves children between 3 and 18 years old with developmental disabilities in Pinal and East Maricopa counties. Each week, 24 children with physical, mental, and emotional disabilities receive deeply impactful services with us each week. 6% of our clients are Native American, 5% are black, 20% are Hispanic, 3% identify as multiracial, and the remaining 66% of clients are white. 32% of our clients are adopted or in foster care and 35% have a sibling or other family member also with a disability. We have around 140 children on our waitlist. Additionally, over 350 volunteer hours are logged weekly, many from individuals with disabilities themselves, such as autism, anxiety, and PTSD. Individuals seeking to benefit from this proposal will apply for assistance based on their financial need and the recommendation of their supervising therapist or instructor ensuring that the funds are honored as disclosed in this application.

A.3.) We will raise $308,600 for the Manes and Miracles scholarship fund to provide a 90%-100% equine-assisted therapy scholarship for financially disadvantaged clients during our 2025-2026 season (October 2025 through May 2026). Each session at Manes and Miracles bears an expense of $295, a price that is out of reach for our clients, 17% of whom are below the poverty level. While similar facilities in Arizona charge up to $200 per session, we proudly offer scholarships to every client, allowing clients to pay what they can afford, with scholarships covering the rest. Our request for $17,700 will provide one month of scholarships for 15 underprivileged children, like Taylor. To implement this, families with financial limitations are invited to complete a scholarship application requesting assistance. Applications will be reviewed by a team of Manes and Miracles staff, with scholarships being awarded based on factors such as annual household income, outside funding potential (such as DDD, ESA, etc), and the number of individuals in a household. Once awarded, clients are billed by a 9-week term with scholarship funds reducing or entirely removing the balance due. Scholarship funds are tracked by our administrative team through Quickbooks and Wranglr, our tracking system, and verified by an independent bookkeeper, SJS Accounting.

In order to meet this goal, we will keep expenses down by:

-Continuing partnerships with physical therapists from outside clinics with no professional fees paid by Manes and Miracles.
- Maintaining our current force of 60+ active volunteers while recruiting and training new volunteers throughout the season. We will use new and previously successful avenues for recruiting, such as volunteer websites, neighborhood communities, schools, service organizations, churches, social media, and more, to ensure the program runs smoothly with as little expense for staff, labor, and contractors as possible.
- Partnering with committed community members to provide in-kind donations for rent, labor, and necessary materials.

We plan to build the reserves within the Scholarship Fund as we:
- Nurture relationships with five consistent scholarship fund donors
- Host annual fundraisers that have already proven successful
- Apply for grants specifically for scholarship purposes
- Focus 25% of unspecified donations to the Manes and Miracles Scholarship Fund

B.1.) Funding Sources

- ★ Program Fees- $42,170 from program fees (long term)
- ★ Private Donations- $75,000 from recurring committed donors (long term), $40,000 from new major program donors (one-time and long-term)

★ Fundraisers- $58,000 (Approx 25% one time, 75% long term)
★ Grants- $118,500 (One time only)
★ Manes and Miracles General Budget (As needed, long term)

B.2.) Additional organizations/partnerships

★ Clinics providing physical therapists: Making Milestones, AZOPT Kids Place
★ Animal Care Providers: Cox Farrier, Queen Creek Veterinary Clinic(immunizations), Herd Health Management(veterinary care), Sacate Pellet Mill(feed), Hoof Falls and Footfalls(consultation), Kahoots Feed Store (supplements and misc supplies)
★ Volunteer sources: The Church of Jesus Christ of Latter-Day Saints, JustServe.org, AT Still, Northern Arizona University, Pima Medical Institute
★ Organizational assistance: SJS Accounting (bookkeeping and payroll assistance), Pinal County(Networking for various needs),
★ Miscellaneous organizations: Queen Creek Home Depot, Ace Hardware, Midwest Food Bank (food, drinks, and supplies)
★ Volunteers: Volunteers assist with animal training and care, therapy sessions, facility maintenance, and development, providing equipment, etc.

B.3.) The Scholarship Fund is a continuing project. To sustain our Scholarship Fund once the grant funding from Ak Chin is exhausted, we have laid out a plan to engage the community through relationships with foundations, in-kind partners, private donors, and businesses whose visions align with our core values. Additionally, we have previously seen great success and will continue to utilize fundraisers.

B.4.a) Pending: Scholarship support has been requested from the Gila River Indian Community Grant for $15,300 each year for 3 years, and the Tohono O'Odham Nation for $20,180.

b) The Ak-Chin Indian Community awarded $14,000 in 2023 and $14,560 in 2024 for scholarships. Gila River Indian Community awarded $14,000 in 2024 for scholarships.

C) Reporting Guidelines. We will track the number of sessions completed by the children who receive scholarship coverage thanks to the Ak-Chin Indian Community. The appropriate scholarship funding for these sessions will be transferred by and tracked through Wranglr, our scheduling system, and Quickbooks, our billing system by Lindsey Pittman, the Executive Director, and by Heidi Anderson, our volunteer bookkeeper. Intangible results are recorded through surveys of the families we serve. We will proudly report the results (total number of sessions provided and developmental improvements the children have seen because of said sessions) following the end of the season in May 2026 via email, mail, or Ak-Chin Indian Community's preferred method.

A New Leaf is grateful to continue its meaningful partnership with the Ak-Chin Indian Community through a $10,000 grant request, driving homelessness prevention and addressing public safety in Pinal County.

ORGANIZATION MISSION & FOCUS

For 54 years, A New Leaf has advanced its mission of "Helping Families, Changing Lives" by fostering social and economic stability across the Phoenix Metro area. The organization's 36 programs address both urgent crises and long-term needs, offering services such as emergency shelter, supportive housing, domestic and sexual violence support, financial empowerment, foster care, early childhood education, and family support. Services are strength-based, trauma-informed, and culturally responsive to support all aspects of clients' well-being. Last year, these services empowered over 22,000 lives, reflecting A New Leaf's commitment to building an equitable, thriving community.

A. PURPOSE OF GRANT

1. *Proposed Program* A New Leaf's Rapid Re-Housing (RRH) and Tenant Based Rental Assistance (TBRA) Programs provide individualized permanent housing solutions to stabilize individuals and families who are currently experiencing homelessness or living in emergency shelters. Services include housing navigation, rent and utility financial assistance, case management, employment support, benefits enrollment assistance, budget coaching, and referrals to other services for up to 12 months for RRH and 24 months for TBRA.

Housing instability is a significant and growing concern in Pinal County. According to Arizona Judicial Branch records, Pinal County eviction filings increased from 1,395 in 2022 to over 2,800 in 2024, reflecting the mounting pressure on households as rental costs escalate. Cost burden data further reveal that 40% of renters in Pinal County spend more than 30% of their income on housing, underscoring the severe shortage of affordable housing for low and moderate income households. Moreover, the Point in Time count documented 256 households experiencing homelessness on ONE single night in January 2024, while nearly 60,000 people in the county lived in poverty in 2024.

A New Leaf expanded its RRH and TBRA programs to Pinal County in 2022 to respond to the growing need for individualized case management and support for households transitioning from homelessness to stable housing. Tailored case management addresses the diverse and intersecting barriers to a household gaining stability.

To request this document in alternative format or for further information about this policy, contact the Division of Aging and Adult Services at 602-542-4446; TTY/TDD Services: 7-1-1. Free language assistance for DES services is available upon request.

2. Target Population A New Leaf's RRH and TBRA programs target individuals and families in Pinal County experiencing homelessness and/or domestic violence who are able to demonstrate their ability to maintain adequate employment and/or income to maintain housing when rent and utility financial assistance has ended. Programs will directly impact approximately 40 households with low incomes in Pinal County annually, including approximately 85 adults and children. Subpopulations include survivors of domestic violence, veterans, and people who have experienced chronic homelessness. Last fiscal year, 100% of households served through RRH and TBRA reported a low or very low household income at or below 150% of the Federal Poverty Level ($48,225 for a family of four).

3. *Service Plan and Project Goals* The overall goal of the RRH and TBRA programs is to stabilize high-risk households on the brink of homelessness by providing short-term financial assistance while reinforcing long-term stability through individualized case management and comprehensive support services. Services empower individuals to regain control of their lives and improve stability. Individuals and families access services after referral through partner agencies in Pinal County. Households able to maintain adequate employment and/or income to maintain housing when services have ended are eligible for the RRH and TBRA programs.

Case Management and Support Services: Upon entry into the program, comprehensive assessments are conducted. These assessments inform the creation of tailored Housing Stability Plans that employ strength-based, trauma-informed, and culturally responsive practices. Housing Navigators assist with identifying and securing appropriate housing. Case Managers assist with rent and utility financial assistance for up to 24 months, financial coaching, benefits enrollment, life skills development, job placement assistance, and referrals to educational, healthcare, and transportation resources—ensuring that all aspects of wellbeing impacting housing stability are addressed. Supportive services are identified to meet the needs of specific populations such as veterans, survivors of domestic violence, or those who have been chronically homeless.

Case management is offered for up to 12 months for RRH and 24 months for TBRA. Case Managers meet and follow up with participants as frequently as needed, ensuring that services are client-directed and voluntary. Case Managers also provide exit services; when rental assistance is concluded, households continue to receive follow-up case management. If necessary, one-time emergency financial assistance is available to address crises such as job loss, transportation challenges, and similar situations that impact housing stability. Case managers are pivotal to client success, connecting households with A New Leaf and community services that promote broader economic, educational, and health outcomes, directly aligning with the Ak-Chin's priority areas.

Housing Navigation: Through a partnership with HOM Inc., Housing Navigators recruit landlords to provide equitable housing opportunities for program participants. Households are assisted with finding and securing appropriate rental housing, negotiating manageable lease agreements, and addressing any issues that may impede access to housing such as credit history, bad debt, or legal issues.

Financial Assistance: Households receive assistance to cover costs necessary to immediately stabilize in permanent housing, including move-in costs, deposits, rent, and utilities. Resources are also available to support transportation, childcare, and employment. RRH provides rent and utility financial assistance for up to 3 months for up to 100% of housing costs, and up to 9 months for up to 75% of housing costs, or 30% of the participant's household income, whichever is less. TBRA provides rental assistance for up to 24 months. Program participants must comply with paying $25 per month or 30% of their household income towards their rental expenses (whichever is higher).

Move-In Kits: Families transitioning into permanent housing experience greater success if they have essential items needed for living, some of which many households lack because they lost everything when they became homeless. When sufficient funding is available, A New Leaf provides kits that are customized for each family's needs, including items such as dishes, cookware, towels, toiletries, bedding, cleaning supplies, items for infants/toddlers, such as highchairs, boosters, strollers, and more.

Program Impact: Specific outputs and outcomes during a one-year grant term include:

- 85 unduplicated individuals will be served.
- 85% of households will transition into stable housing.
- 90% of households will maintain or increase their income.
- 90% of households will enroll in or maintain public benefits.

4. *Project Timetable* The RRH and TBRA Programs are ongoing. Ak-Chin funds will be allocated for client assistance and will be expended within the one-year grant period.

B. RESOURCES

1. *Current Funding Sources* A New Leaf currently provides RRH and TBRA in Pinal County through renewable contracts with multiple public entities, including the U.S. Department of Housing and Urban Development and Pinal County. This fiscal year, one-time funding sources for program support in Pinal and Maricopa counties include the Garcia Family Foundation, Gila River Indian Community, and The Church of Jesus Christ of Latter-day Saints, which also provides in-kind donations. Pending one-time funding sources for program support and move-in kits in the upcoming fiscal year include the Gila River Indian Community.

2. *Project Partners* Participants are referred to A New Leaf through agency programs and partners, including Pinal County, public safety entities, and social service partners. HOM Inc. assists with rental property search, landlord engagement, leasing services, and Housing Quality Standards inspections. Job search assistance, resume building, and workforce development training is offered through a partnership with AZ@Work. Households can access furnishings and new mattresses through a partnership with Furnishing Dignity/Furnishing Hope. Referrals are made to other programs within A New Leaf and other partnerships for things such as financial literacy and life skills development, employment assistance, career training opportunities, and primary and behavioral health services.

3. *Sustainability of Continuing Project* A New Leaf's RRH and TBRA Programs are ongoing programs that have successfully served economically disadvantaged households in Pinal County for several years. A New Leaf ensures the programs' sustainability through a diversified funding strategy that includes local, state, and federal agencies, tribal communities, and private donors. Recognizing the instability of government funding and the critical impact every dollar has on families facing homelessness, the agency is committed to maximizing each contribution through cost-efficient practices, strategic partnerships, and enhanced philanthropic support. Ongoing support from partners like the Ak-Chin Indian Community remains critical to keeping families stably housed and helping them achieve self-sufficiency.

4. *Funding Requests from Other Arizona Tribes*

C. REPORTS

A New Leaf will allocate Ak-Chin grant funds exclusively to client assistance expenses, managed through stringent financial controls. Quarterly internal audits will ensure alignment with Ak-Chin's priorities, with final expenditure and outcome reports submitted to the Community upon grant completion.

Progress toward goals is defined in each household's Housing Stability Plan and is monitored through regular case management meetings with program staff. The following data is collected and maintained for reporting purposes, evaluating program effectiveness, and continuous improvement:

- # of unduplicated individuals served.
- # of households receiving rental assistance.
- # of units of transportation assistance.
- $ amount of rental assistance provided to participating households.
- # positive exits and all exits
- # of months in program (housed)
- # of households enrolling/maintaining public benefits
- # of households maintaining or increasing income
- # of households transitioning into stable housing

D. BUDGET

The attached budget of $501,207 includes projected revenue and expenses of the program. Funding will be expended throughout the one-year grant term to meet the needs of households served during that timeframe. Ak-Chin funding fills critical gaps in Specific Assistance to Clients, which is not covered by existing public contracts and addresses urgent needs such as move in kits, basic needs, transportation, childcare, car repairs, employment, and other support necessary to maintaining housing stability.

E. ADDITIONAL INFORMATION

A New Leaf's Rapid Re-Housing initiative directly advances the Ak-Chin Indian Community's vision for public safety by preventing homelessness. Evidence from national studies and local outcomes confirm that housing security reduces emergency service utilization, lowers law enforcement intervention costs, and mitigates public health risks.

Beyond immediate safety, this project creates cascading benefits across Ak-Chin's priority areas through the effects of supportive case management and access to resources: economic mobility flourishes as households gain employment and financial literacy; healthcare outcomes improve through benefits enrollment and sustained access to health services; and educational opportunities expand when families achieve stability and referrals to community partners. Additionally, A New Leaf resolves transportation barriers, ensuring clients can reliably reach jobs, schools, and medical appointments.

A New Leaf deeply values our ongoing partnership with Ak-Chin Indian Community and appreciates your support during a time of increasing economic uncertainty for Pinal County community members. By addressing both immediate financial barriers and long-term stability needs, this collaboration empowers families to break the cycle of homelessness and gain self-sufficiency for a brighter tomorrow.

Funding Amount Justification

Ak-Chin Indian Community's $10,000 grant provides critical flexible funding for urgent client assistance gaps excluded from restrictive public contracts. This support enables rapid crisis interventions that directly advance the Community's public safety goals by stabilizing economically disadvantaged households. Funds will address immediate barriers to housing retention, such as transportation, employment, basic needs, childcare, and other similar needs to ensure long-term stability for families in Pinal County.

Dear Taxpayer:

We're responding to your request dated Sep. 10, 2019, about your tax-exempt status.

We issued you a determination letter in December 1972, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

BOYS & GIRLS CLUBS
OF THE VALLEY

AK-CHIN INDIAN COMMUNITY
2025 PROP 202 – 12% CONTRIBUTION GRANT APPLICATION
NARRATIVE

A. Purpose of Grant

1. Proposed Project

Boys & Girls Clubs of the Valley (BGCAZ) respectfully requests $30,000 to support the delivery of youth development program services to youth living in Pinal County. Funding will support the costs of program supplies and participant transportation to our Clubs.

Boys & Girls Clubs of the Valley is the largest youth services provider in Arizona and the fifth largest Boys & Girls Clubs organization in the nation, supporting more than 15,000 Club members and their families at 32 locations throughout Maricopa, Pinal, Mohave, and Yuma Counties. We place our Clubs strategically in low-income neighborhoods because this is where we can have the greatest impact. Through structured, purposeful, and fun out-of-school-time activities, BGCAZ guides youth toward four priority outcomes:

- *Academic Success* – Daily academic enrichment activities offering homework help, tutoring, and STEM (Science, Technology, Engineering, Math) activities to support this learning, vital to 21st Century jobs.
- *Healthy Lifestyles* – Daily physical activity; healthy nutrition learning supported through the service of healthy, well-balanced snacks and meals; employing good resistance and decision-making; avoiding risky behaviors; and learning about the connection between mental and physical health.
- *Good Character & Leadership* – Access to caring, supportive adults who help foster resilience to challenges, stress, and bullying while learning to treat others with respect. Opportunities to learn leadership skills in the Club and in volunteer activities in the community.
- *Career Pathways & Workforce Readiness* – Members explore their interests and abilities and discover careers that would match. Youth learn both hard and soft employability skills and older youth may participate in job shadowing and paid internships all to help youth develop their personal plan for long-term success.

BGCAZ sponsors two Clubs serving Pinal County youth, the Superstition Mountain Club in Apache Junction and San Tan Heights Club in San Tan Valley. Each year, these Clubs provide quality youth development programs for 700 youth with the following characteristics:

- 48% of their families live below 150% of the Federal Poverty Level.
- 47% identify as persons of color.
- 56% live with a single parent or adult other than a parent, including those in the child welfare system.

As such, youth have experienced one or more ACEs (Adverse Childhood Experiences). ACEs include factors like growing up in poverty, the absence of a parent, witnessing or being the victim of domestic violence, and the like. These incidents truncate social/emotional development and are directly linked to poor academic performance, dropping out of school, and juvenile delinquency. Effects are long-lasting with links to negative mental and physical health consequences well into

adulthood. The effects of ACEs can be mitigated with appropriate interventions, such as membership in Boys & Girls Clubs. In everything we do, we strive to fulfill our mission to empower young people, especially those who need us most, to reach their full potential as productive, caring, responsible members of the community.

2. Target Population

BGCAZ serves 700 Pinal County youth ages 5 through 18. As mentioned previously, 48% of families served live below 150% of the Federal Poverty Level, qualifying them as low-income; 47% identify as persons of color; and 56% of youth live with either a single parent or adults other than a parent, including those in the child welfare system.

3. Goals and Objectives

To gauge progress toward that goal, we have established the following measurable outcomes:

- 95% of Club members will be on grade level for their age at the end of the grant period.
- 90% of Club members will say they expect to graduate high school.
- 80% of Club members will enjoy improved health through regular physical activity.
- 80% of Club members will demonstrate pro-social behaviors and leadership traits.
- 100% of Club members will have reduced food insecurity.

These and other outcomes are measured by the National Youth Outcomes Initiative, an annual survey administered through our national affiliate organization, Boys & Girls Clubs of America. The survey collects feedback from Club members as well as families and staff. Data are reported to BGC of America, which compiles the information and issues reports on the national, organization, and Club levels. BGCAZ uses the data to determine if we are meeting outcome goals, assess Club performance, and inform our Continuous Quality Improvement Plan.

Grant funding offers a strong return on investment. An economic impact study conducted for Boys & Girls Clubs by the Seidman Institute at Arizona State University showed that Club members experience better high school graduation rates, reduced levels of teen parenthood, less juvenile criminal activity, less substance abuse, and improved healthy habits—all of which led to an improved quality of life and cost savings to society at large. In fact, 94% of parents told us that having their youth in BGCAZ allows them to keep their jobs and, for every $1 invested in BGCAZ, the community realizes $15.60 in benefit.

4. Timetable

Parents/caregivers may register their child with Boys & Girls Clubs at any time, although most enrollments coincide with the beginning of the academic year, in the fall. Programming continues throughout the academic year and into the summer. The National Youth Outcomes Initiative survey is administered each February, with results released the following summer.

B. Resources

1. Current Funding Sources

The Boys & Girls Clubs in Pinal County share BGCAZ's diverse revenue streams, which include membership dues and fees, donations from individuals and businesses, special event proceeds, government service contracts, and philanthropic grants. Listed below are the agency's most significant institutional funders as of June 2024, in alignment with our most recent financial audit.

Those characterized as "one-time" opportunities indicate grants secured through a competitive application process.

Funding Source	Duration
U.S. Department of Agriculture	Long-Term
U.S. Department of Education	Long-Term
Boys & Girls Clubs of America	Long-Term

2. **Partners and Roles**
   Our project partners include schools, law enforcement agencies, and social service organizations that host BCGAZ activities or recommend BGCAZ to parents and caregivers whose children could benefit from membership. Additional partners include companies that offer career internships for older youth.

3. **Sustainability**
   BGCAZ has offered programming to the community since 1946 and maintained steady growth throughout that time. To sustain these efforts, BGCAZ has a balanced fund development program that includes grants and contracts for service from federal, state, and local municipalities as well as corporate and foundation grants, individual gifts, and special events. We aspire to build on our success, and we continue to reach out to potential partners like the Ak-Chin Indian Community.

4. **Funds from other Arizona tribes**
   - **Pending over last 18 months for same project:** BGCAZ has no applications pending with other tribes for this particular project (Boys & Girls Clubs for Pinal County Youth). We are planning an application to the Tohono O'odham Nation for $448,969.40 for facilities improvements at one of our Maricopa County Clubs. Applications are pending with the Fort McDowell Yavapai Nation seeking $10,000 to support operation of our Mesa Club and the Gila River Indian Community for $150,000 to support Club services throughout Maricopa County.

- **Funded requests in last 5 years: BGCAZ** has not received funding from other tribes for this particular project; however, we have been awarded the following grants for other purposes.

Tribe	Year	Purpose	Amount
Gila River Indian Community	2020	Club Expansion	$120,000
Gila River Indian Community	2022	Club Expansion	$100,000
Gila River Indian Community	2023	Club Expansion	$300,000
Tohono O'odham Nation	2021	Member Scholarships	$5,000
Tohono O'odham Nation	2023	Security Systems	$275,000

C. Reports

We have the internal processes and systems in place to meet any conventional reporting requirements. As the recipient of local, state and federal grants, BGCAZ has a robust accounting system and the institutional experience necessary to track expenses and ensure fidelity to contract requirements. All Club member information, including attendance and demographic data, is entered into our TraxSolutions software. This system enables us to issue accurate reports on Club activities as well as demographic information on those served. Finally, the annual Boys & Girls Clubs of America National Youth Outcomes Initiative provides detailed outcome data for each Club affiliate and branch.

D. Budget

The program expense budget for the operation of the two Clubs serving Pinal County is:

Line Item	Amount
Salaries	$604,254
Payroll Taxes	$42,259
Benefits	$50,081
Contracted Services	$11,013
Occupancy	$36,954
Supplies	$101,117
Equipment	$833
Telephone	$1,822
Printing/Public Relations	$2,895
Transportation	$5,675
Conferences, Meetings, Trainings	$750
Organizational Dues	$12,271
Insurance Expense	$27,129
TOTAL EXPENSE	$897,053

Budget Justification

Salaries of $604,254 cover the wages and salaries of all staff employed at the Club locations providing direct services to members.

Payroll Taxes of $42,259 cover those tax obligations required by law.

Benefits of $50,081 covers employee benefits provided for those staff who qualify.

Contracted Services of $11,013 cover the cost of qualified sports coaches and referees and may cover the cost of a Wellness Coach through Terros Health to integrate into Club staff and provide additional mental health services for youth and families.

Occupancy of $36,954 covers costs related to occupying Club locations, including utilities.

Supplies of $101,117 cover the cost of consumable supplies expended in the delivery of program services as well as healthy snacks and meals to support youth nutrition and alleviate food insecurity.

Equipment of $833 covers costs associated with purchasing and/or maintaining equipment used in program services that are not consumed within a year's time.

Telephone of $1,822 covers the cost of telephone and internet services at the Clubs.

Printing/Public Relations of $2,895 covers costs associated with printing bilingual flyers to promote Club membership distributed through partner schools.

Transportation of $5,675 covers the costs of transporting youth to off-site activities as well as from school to the Clubs for programming.

Conferences, Meetings, Training of $750 covers the costs associated with providing ongoing training for Club staff.

Organizational Dues of $12,271 covers the costs of dues for affiliation with Boys & Girls Clubs of America and primarily covers the cost of participation in the annual National Youth Outcomes Initiative survey.

Insurance Expense of $27,129 covers the cost of those insurances other than those related to payroll expenses.

Timeline

Families may register their youth for Boys & Girls Club membership at any time throughout the year. Youth must be registered for their participation each year. Most registrations occur at the beginning of the school year with a second influx at the beginning of the summer school break. BGCAZ programs operate throughout the year with after-school hours that accommodate early release days and full-day operation when school is out of session. If awarded, funding from the Ak-Chin Indian Community would be expended to meet the costs of program supplies and participant transportation and be fully expended within the grant year. We thank you for your consideration of this request.

E. Additional Information

Our success is reflected not only in the data and numbers we report, but in the lived experience of our Club members. Recently, one of the Pinal County Clubs hosted the Pinal County Sheriff's Department.

During spring break, the Pinal County Sheriff's Department visited to make a social media safety presentation. Youth learned about the dangers of communicating with strangers on social media as well as the impact social media bullying has on youth. After the presentation, Club members got to play a round of Dodgeball with the Sheriffs. Members then got to climb aboard the Sheriff's Hummer and patrol bikes, ask questions and talk with the Sheriffs. The day ended with a visit from our local Kona Ice Truck. We appreciated the day as well as the opportunity for Club members to experience law enforcement in a more positive way than they may in the community at large.

Sun Life Health
HEALTH STARTS HERE

AK-CHIN INDIAN COMMUNITY
2025 PROP 202 – 12% CONTRIBUTION GRANT APPLICATION NARRATIVE

A. Purpose of Grant

1. Proposed Purchase

Sun Life Health is a Federally Qualified Health Center (FQHC), founded in January 1976 and headquartered in Casa Grande, Arizona. Our mission is helping all people achieve their healthiest lives; our vision is to be the first choice for health and wellness for all people. As a Joint Commission certified Primary Care Medical Home, we are one of Pinal County's largest providers of primary healthcare services with 8 locations; as well as 2 locations in neighboring Maricopa County. Our services include primary care, pediatrics, OB/GYN, mammography, family and pediatric dentistry, orthodontics, integrated behavioral health, radiology, labs, community pharmacy, and clinical pharmacy.

In 2024, we served 49,602 patients with 159,220 visits. As an FQHC, all community members are welcome to access Sun Life's high-quality and compassionate care, regardless of their ability to pay. 74.9% of our patients last year were low-income, 12% had no insurance, 32.8% were enrolled in CHIP or Medicaid, and 62.3% were people of color. Low-income patients who are uninsured or underinsured are eligible for our sliding fee scale.

SUN LIFE'S NEXT GENERATION HEALTHCARE CAMPUS AND PROVIDER TRAINING CENTER

As Sun Life has grown over the past 49 years, our footprint in Casa Grande has expanded to 3 clinics and 2 administrative sites. To create greater efficiency and improve convenience and access for our patients, we embarked on an ambitious and impactful journey to consolidate our medical services and growing medical workforce training program into a new, 110,000 square foot, 4-story building on 10 acres of land off Casa Grande's main thoroughfare, Florence Boulevard. Construction on the new building is slated for completion in April 2026.

Our integrated model of care at the new campus will offer patients complete primary care services in one location. In addition, on-site workforce training programs will provide developing medical professionals hands-on learning opportunities in an innovative facility dedicated to whole-person health. The new campus will allow Sun Life to both increase the number of patients seen each year, and grow the healthcare

workforce that is so desperately needed in Pinal County (designated a Healthcare Professional Shortage Area, Medically Underserved Area, and Medically Underserved Population by the federal government).

To maximize resources, Sun Life will transfer as much medical equipment and furniture as possible from our existing clinics to the new campus. This includes one mammography machine. We respectfully seek funding from the Ak-Chin Indian Community for a second mammography machine, which will increase our capacity to perform life-saving breast cancer screenings and remove barriers to access for women across Pinal County.

EARLY DETECTION IS KEY!

Breast cancer is the most commonly diagnosed cancer in the United States (National Cancer Institute, 2025), with about 1 in 8 women receiving the diagnosis in their lifetime (American Cancer Society, 2025).

According to the American Cancer Society, the relative 5-year survival rate for early-stage breast cancer diagnoses is 99%. Conversely, the survival rate for a Stage 4 diagnosis is 32%. Women who participate in mammography screening are 25% less likely to receive a late-stage breast cancer diagnosis (Cancer Journal, 2020). Unfortunately, in Pinal County, approximately 25% of women with breast cancer are diagnosed late stage (AZ Department of Health Services, "State of Cancer in Arizona," 2023).

It is recommended that women over age 40 receive annual or bi-annual mammograms (depending on age and risk factors). This means in Pinal County, approximately 108,000 women are advised to have mammograms each year or every other year. Our mammography services are also available to patients, at any age, whose self-exams or clinical breast exams identify lumps, skin changes, or other abnormalities that may indicate breast cancer.

Sun Life is the only mammography provider open to all members of the public in Pinal County, regardless of their health insurance coverage or ability to pay. Adding a second mammography machine to our new campus will meaningfully increase access to breast cancer screenings for these women, including those who face the most significant barriers to care. We hope the Ak-Chin Indian Community will help us to provide this vital service to more women across Pinal County.

2. Target Population

Sun Life Health mammography services are available to all women in Pinal County, with a target population of those over age 40.

Sun Life's patients come from a variety of backgrounds. Last year, our patients were:

- 12% uninsured, 32.8% on Medicaid/AHCCCS/CHIP, and 23.4% on Medicare
- 43.1% below the Federal Poverty Level ($31,200/yr for a family of 4) and another 31.8% between 100%-200% of Federal Poverty Level ($62,400/yr for a family of 4). For comparison, according to the MIT Living Wage Calculator, a family of 4 in Pinal County needs $94,786/yr for a living wage.
- 62.3% racial/ethnic minorities, with 48.8% of Hispanic or Latino/a origin
- 12% best served in a language other than English
- 24.6% age 60+

With the addition of a second mammography machine, we aim to provide mammograms to 3,200 Pinal County women during the grant term.

3. Project Goals and Plan

Goal 1: Our primary goal to be achieved with funding from the Ak-Chin Indian Community is to purchase a second mammography machine for Sun Life's new medical center.

Goal 2: As of June 2025, Sun Life has 2,519 existing patients due for a mammogram, and 4,836 existing patients who are compliant with their annual or bi-annual breast cancer screening recommendation (meaning they received a mammogram at Sun Life, or reported to us that they received a mammogram elsewhere). This represents 65.8% compliance. Our goal is to increase patient compliance to 83%, ensuring that 1,200 more women receive the potentially life-saving screening.

To meet the first goal, Sun Life will initiate the procurement process upon notification of award (if we are fortunate enough to be selected by the Community!). This will ensure that we have updated quotes, can select a vendor, and negotiate the purchase for a March/April 2026 delivery and installation.

To meet the second goal, mammography services will be provided on a continual basis during weekdays. We will employ a multi-pronged outreach and education strategy to ensure more patients and women in the community receive their annual or bi-annual mammogram:

- Our electronic health records systems indicates when patients are due, and they are automatically prompted via our patient portal, text messages, and/or emails to schedule appointments. In addition, our providers can also see the flags on patients' charts and will discuss the importance of scheduling mammograms during their visits. Finally, our Care Gaps team will call patients overdue for a mammogram to explain the importance and assist with scheduling.
- Our Outreach team will utilize a variety of methods, including social media, community health fairs, educating partners, and more, to increase awareness throughout Pinal County about the importance of mammograms and the availability/accessibility of the service at Sun Life's new healthcare center in Casa Grande.
- Since breast cancer screenings are one of the key metrics that Sun Life measures, our clinical team may also develop strategic initiatives to increase screening compliance, to supplement the above activities. Examples include targeted communications to patients, greater emphasis on in-office conversations with patients, dedicated patient health educators, or other evidence-based strategies identified by our clinicians as a fit for our patient population.

4. Timetable for Purchase and Implementation of the Mammography Machine

Groundbreaking on Sun Life's new campus was held in October 2024, and construction is well underway! The building is scheduled to be completed in April 2026 and open for business in May 2026. If generously awarded an Ak-Chin Indian Community grant, we anticipate the funding will be received from Pinal County in early 2026. We will initiate the mammography machine procurement process upon notice of award and complete the purchase upon receipt of funds. The machine will be installed in the new building March or April 2026, and will be ready for use when the new facility opens in May 2026. Upon notice of award, Sun Life will begin to coordinate with the Community to plan signage for the mammography room, to be in place for the building's opening.

B. Resources.

1. Current Funding Sources

Sun Life is fortunate to have the support of US Senator Mark Kelly, who sponsored our request for Congressionally Directed Spending to kick-off the project. The one-time grant represents approximately 10% of project costs and is managed through the US Department of Health and Human Services' Health Resources and Services Administration. Sun Life has taken a loan, backed by the US Department of Agriculture, to cover approximately 85% of the remaining project costs. Our Board of Directors and Executive Leadership decided that this option, to be paid over time through patient/payor revenue, was the best way to invest in the future of Pinal County's health and well-being. We are seeking additional community sponsorships and grants to support with the remaining approximately 5% of project costs to outfit and equip the new campus. We are proud to have secured a one-time Arizona Diamondbacks Ken Kendrick Grand Slam Grant to support the pediatrics wing at the new campus! Our request to the Community is our only planned request for the purchase of the second mammography machine.

Regarding long-term funding sources, Sun Life's business model is largely self-sustaining, with fees for service (from private insurance, Medicaid/Medicare, and CHIP) generating a significant percentage of our operating revenue each year. Uncommon, capital purchases, such as the mammography machine, require planning and special funding. Thereafter, ongoing costs are for maintenance and staff, which are folded into our annual budgeting process and covered by operating revenue.

Given the current political and economic climate, Sun Life is anticipating changes to Medicaid and other federal funding. We are seeking to diversify our funding to include more non-federal support, which will help ensure that we maintain service levels and quality of care both in the near future and for many more decades to come.

2. Other Organizations/Partners (non-funding)
Sun Life is partnering with the general contractor/builder, architect, and multiple subcontractors as the new campus is built. Pinal County and the City of Casa Grande have been critical supporters and partners throughout the process, as we navigate the many bureaucratic steps involved in a large commercial construction project. Another key partner is the US Department of Agriculture, who guaranteed our construction loan.

3. One-time Purchase and Sustainability
Our request is for a one-time purchase. We expect the initial purchase to include an 18-month warranty (exact details will be determined through the procurement process), and thereafter the machine will require annual, full preventative maintenance. The cost for maintenance will be covered by revenue generated by patient/payor fees.

4. Funding Requested from other Arizona tribes
a. Pending Requests within last 18 Months for the Same Request
Sun Life has not made the same request to other Arizona tribes, or any other funding sources, for this purchase.

b. Awarded 12% Contribution Requests in Last 5 Years
In the past five years, Sun Life has submitted the following applications to AZ tribes for Prop 202 funding:

- Gila River Indian Community: X-ray machine for our new campus, $128,000 (Application pending, submitted February 2025)
- Tohono O'odham Nation: 2nd X-ray machine for our new campus, $128,000 (Application pending, submitted June 2025)
- Salt River Pima-Maricopa Indian Community: Robotic pharmaceutical dispenser for our Mesa clinic: $150,000 (Awarded August 2023)
- Tohono O'odham Nation: Robotic pharmaceutical dispenser for our Eloy clinic, $142,000 (Awarded September 2022)
- Tohono O'odham Nation: Startup funding for dental and vision services in Eloy clinic, $70,000 (Not awarded, 2023)

C. Reports: Accounting for and Managing Funds, and Tracking Project Progress
Sun Life has an extensive history of successful and responsible grants management, ranging from multi-year, multi-million dollar federal grants, to small grants from local foundations. Each is carefully documented by our accounting team, tracking expenditures in partnership with relevant program or project managers. For our request to the Community, the purchase of the mammography machine will be facilitated by our Associate Director of Supply Chain, who is overseeing all major purchases for the new campus. If generously awarded funding, she will be notified of the amount and will initiate the purchasing process. This includes issuing a purchase order under the grant's assigned accounting code. With the code,

our accounting team documents the purchase in our automated accounting system. Through this process, we can account for and report on the use of funds.

All patient data is meticulously documented in eClinicalWorks—a comprehensive system that combines electronic health records, practice management, and medical billing. This allows us to readily retrieve mammography data throughout the year, including weekly data check-ins with key management and leadership staff. (Breast cancer screenings are one of the major metrics that we track.) This will enable us to monitor progress toward our goals, make strategic adjustments as needed, and ultimately report on outcomes to the Community.

D. Budget

Revenue	**Amount**
Ak-Chin Indian Community Prop 202 funding	$320,000
Total	**$320,000**

Expense	**Amount**
Mammography machine	$320,000
Total	**$320,000**

The cost of the mammography machine is inclusive of parts, delivery/installation, and an 18-month warranty. All funds are projected to be spent by June 2026.

E. Additional information

An important element of our project is recognizing the tremendous supporters who are making this milestone in Pinal County history possible. These invaluable stakeholders (among whom we hope to count the Ak-Chin Indian Community) are helping Sun Life permanently change the face of healthcare in Casa Grande—as well as the city's skyline!

Sun Life will recognize a generous grant from the Community within the new campus with signage outside of the mammography room, located in the imaging and lab wing on the building's 1st floor. We would love to partner with the Community to determine how you would like to be recognized (e.g., with the Community's seal, name, and/or language such as "Generously donated by…"). In addition, we are exploring options for recognizing all donors in a central location, such as a donor wall in the main lobby. We will permanently recognize the Community's generosity and support for the health and well-being of Pinal County residents on this prominent display.

Sun Life will also be thrilled to recognize the Community's generosity and partnership through social media, where we have over 4,800 followers across our accounts. We will also issue a press release to notify local newspapers of the Community's philanthropic investment. The Ak-Chin Community Council and representatives will be welcome at the grand opening of the new campus, and we are always open to exploring additional recognition options!

Please accept our deepest gratitude for considering our application. ***Thank you!***

Dear Taxpayer:

This is in response to your Mar. 10, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in January 1977.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(iii).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Ak-Chin Indian Community
2025 Prop 202 – 12% Contribution Grant Application
Narrative for the Tranquil CommUNITY Garden
at the United Methodist Church of Casa Grande

A. Purpose of the Grant

1. The proposed Project is to construct and maintain a community garden with beds to plant vegetables, flowers, and herbs; as well as an area with walking paths, trees, benches, and reflection areas. It is our objective to make available to the people of Casa Grande, 1) access to a place of peace, comfort, relaxation and reflection, with 2) sustainable gardening facilities and fruit trees for not only their individual mental, physical and nutritional wellbeing, but to also 3) serve those with food insecurities through our donations to the local food bank, and 4) provide products to be used by the culinary program at the local community college; with a facility and focus to, 5) promote and conduct sustainable urban agriculture and gardening educational programs highlighting the need for healthy eating habits, as well as, 6) conducting hands on application and education of effective water resource management. We plan to implement action plans to achieve each of these objectives by combining financial resources (current and future) and effective personnel (with the necessary desire, skill, and abilities) to successfully carry out the current and future vision of the gardens and their intent.

2. It is our intent to create a safe space for persons of all ages, socioeconomic standing, races, religions and ethnicities to get away from the hustle and bustle of the city or to step away from the stress of work, school, homelife or any situation where they feel the pressures of real life or the adverse effects of persecution or shame. A place that is accepting to all that allows anyone to come and take a deep breath, reflect on their personal situation, and plan what is next. We will do our part to break down the established structural inequities to ensure that an equity lens informs all decision making, programs, policies, and guidelines. We will embrace I.D.E.A. principles with an eye on Inclusion, Diversity, Equity and Access.

In addition to creating this safe space, we will be creating a garden area with access for all people in our community. With smaller homes and apartment living, few people now days have the opportunity to garden and receive the positive effects received from gardening. Gardening has been found to alleviate the adverse effects of stress and this return to nature cultivates positive emotional bonds. Gardening creates a connection to nature by decreasing levels of anxiety and depression, improving focus and attentiveness, evoking a favorable physiological response beyond what mere images of nature can induce, and boosting the immune system. Ecotherapy, sometimes referred to as nature therapy or green therapy, is a developing field in mental health and overall well-being. It leverages the therapeutic potential of the natural world to enhance psychological, emotional, and physical health.

This sustainable agriculture will also be going to the local community college culinary school to be used by what we hope to be future chefs to ready them for a good career, with a good income to help them to be good citizens that can carry on the ideals that are a core to the purpose of this worthwhile Project.

The neighborhoods surrounding the proposed site have limited access to grocery stores and other fresh food retailers as it is adjacent to a USDA low-income, low-access food desert, meaning more than 10% of residents do not live within walking distance of a supermarket and are without a vehicle. In addition to our garden being this safe and therapeutic space, a portion of the produce raised by these caring hands will not only go directly to those that are facing food insecurities, but this fresh produce will also go to the local food bank.

As far as the number of people served by the project, as we have not targeted a certain group, we have no idea how many people will be directly and indirectly impacted by the Project, but we hope it to be 200+ people living at or near the Project site in center of the city of Casa Grande Arizona.

For these reasons and with these intentions, the United Methodist Church of Casa Grande is working to develop, build and maintain this Community Park with Vegetable and Reflection Gardens to bring these much-needed resources to the community.

3. As this is a new project we have not yet established numerical goals, but we have established objectives we hope to achieve.

We hope through this Project to create, promote and maintain a safe place for the under-privileged, underserved, special needs and those marginalized by welcoming them to this area to have a place that is accepting to all and allows anyone to come and take a deep breath, reflect on their personal situation and plan what is next- without judgment, without cost and without prejudice.

We hope that the school for which we are partners at this site, Bridges Learning Center, will use this place for their special needs students to "burn off some energy" as the teachers have mentioned is needed. The school will also use this place to help these students and their teachers to achieve their goal of "creating a nurturing environment, dedicated to empowering students with diverse learning needs and help to unlock the potential of each student, fostering independence, and building confidence to overcome challenges".

We hope that others in the community will find this area a safe space to get away from the hustle and bustle of the city or to step away from the stress of work, school, homelife or any situation where they feel the pressures of real life or the adverse effects of persecution or shame. A place that is accepting to all and allows anyone to come and take a deep breath, reflect on their personal situation, and plan what is next.

We hope to become a source and resource for both online and hands-on education opportunities to the general public and agricultural professionals by promoting and conducting urban agriculture and gardening educational programs. With the help of the University of Arizona School of Agriculture Cooperative Extension Service, we hope to help those that have an interest in environmentally responsible landscaping and gardening, as well as the application and education of water resource management in cooperation with the Central Arizona Project of Arizona.

We hope to become a source of sustainable agriculture for persons in the community that are facing food insecurities by allowing them to use this garden area to grow food for themselves and their families to be able to have fresh fruits and vegetables, at little or no cost, to help sustain them physically as well as create the positive mental effects that gardening offers that was mentioned previously.

We hope to create positive connections within the community by serving not only those with food insecurities directly, but also by providing fresh fruits and vegetables, at no cost, to the local food bank. We will continue this community connection by supplying the local community college culinary program with these fruits and vegetables for use in their programs. Once again connecting the community to our Community Park with Vegetable and Reflection Garden.

We Will Measure the Project Success to our Objectives by

- Comments written in a Guest Register or dropped in a comment box
- The number of people or families that register to use the gardens facilities for their own use and their recurring use through the reenrollment process recognizing their enjoyment of the facilities
- The quantity, amounts and frequency of fruits and vegetables donated to our Partner organizations

- The types and number of educational classes, programs and informational sessions conducted and attended.

4. We began initial steps in designing and in the initial construction of this Community Garden back in March of 2025, with the limited funds we had to do so.

We hope to raise additional funds by September 2025 to open the Gardens to the public and begin our objectives of serving the people in the neighborhoods which hope to serve.

From October 2025 until December 2025, we hope to have the garden space available for planting.

From December 2025 through March 2026, we imagine the gardens will be dormant, but the rest of the Garden Paths and Park Amenities would be open for use by those we are serving.

Gardening will again begin on or around April 2026 and will continue until we anticipate June 2026.

The planting will subside in June through August, then we will once again open up the Gardens for planting in September 2026.

This project will be year-round, with no end date anticipated as long as we have continued funding for the CommUNITY Gardens. As the Gardens and Walking Paths will be open year-round, on an ongoing basis going forward, we will continue to seek ongoing funding to not only maintain this project but to also expand and enhance this project

B. Resources

1. We are receiving funding for this Project to come from various sources. Some of these initial sources include:

   - The United Methodist Church of Casa Grande – Long Term Funding
   - The People of the United Methodist Church of Casa Grande – Long Term Funding
   - The United Methodist Foundation – Ongoing Annually
   - The Bridges Learning Center – Ongoing Annually
   - Central Arizona Project – One Time Only
   - SeedMoney – Ongoing Annually
   - Foundation for Evangelism – Ongoing Annually
   - Pinal County Board of Supervisors – Ongoing Annually

2. Other organizations or Partners that are participating in or contributing to the Project, which are not funding sources include:

   - The University of Arizona – Cooperative Extension Services – Assisting with design, construction, and ongoing operations of the Project, including assistance with staffing and a public education resource.
   - TriValley Landscaping – Assistance with design, construction, and ongoing operations of the Project.

3. This Project is a new construction and will be sustained and maintained, after the initial grant funding, by ongoing solicitations to the church members, the Garden users, and through future grant funding requests. We do hope to have 2-year operating and maintenance costs raised during this initial construction period to allow the operations of the project to continue, as future funds are raised.

4. Grant funds for this Project have been requested from the Gila River Indian Community 2025 Prop 202 Grant Funding. No other current or past funding has been requested by this or any other Arizona tribe for this Project.

C. Reports

The Project's Income and Expenses will be tracked digitally using generally accepted accounting software. This accounting software will allow all expenditures for this grant funding to be accounted for and reported to the Community as required.

The Project progress and results will be tracked with the committee and people tasked by the Church to do so. A minimum of quarterly meetings will be required to discuss, review, report, and document this Project and these results to be reported to the Church's Administrative Board as well as to other stakeholders and Partners.

D. Budget

The Total Initial Budget for the Project is as follows. Each of these individual and grouped budget items have been researched, sourced, contracted, evaluated, and estimated to make certain they are a fair and reasonable cost, and that they are what is required and justified to construct and maintain the Project.

TOTAL INITIAL BUDGET $48,140 – Consisting of the following items

Site Planning $500
- Soil Sampling for Nutrients
- Layout by beds, trees, other plants; paths, common area, seating, composting area, hand wash area (w/ drainage area) & all irrigation requirements
- Determine plants (ornamental, herbs, vegetables), trees (ornamental, fruit) & seeds to be planted

Site Preparation $1,200
- Preliminary grading & drainage – Paths, beds, common areas
- Trenching for main water line
- Trenching to individual control valves
- Trenching to individual beds
- Trenching to hand wash station & discharge
- Final grading

Trees and Installation $7,181

Irrigation System Parts & Installation $6,254
- Main water line
- Water lines to individual control valves
- Water lines to individual beds
- Water lines to hand wash station & discharge materials

Handwash station $420

Construction Materials for Raised Beds $2,560

Bedding Materials $160

Timers and Installation $1,030

Compost System $200

Trash System $400

DC or Crushed Rock for pathways $4,208

Community Sign (identification, welcome, rules, notices, thank you) $425

Plantings $500

Storage Shed $3,800

Tools & Equipment $1,625
Rototiller for Tractor $400
Fence $4,000
Labyrinth $8,947
Solar Lights $100
Camera $100
Arbor at Entrance $130
Reserve Fund (est. first 2-yrs expenses) $4,000 – Does not include salaries or wages

As some Project funds have been received, some of the above construction and purchases have been completed. As the Project receives further funding, additional construction and purchases will be made on a timely basis as all the above Budget items need to be purchased to serve the Project. There will be no delay in using grant funds received to construct and make purchases for the site, gardens, common areas and walking paths. The grant funds received through this request, if we are selected, will be used immediately.

E. Additional Information

As referenced in the Budget section above, the CommUNITY Garden will have a Welcome Sign for the park and on that sign we will have Garden and Park use information, as well as a list and a thank you recognizing our Garden Partners. We hope that you will consider the Ak-Chin Indian Community a Partner in our CommUNITY Garden Project.

Re: **Certification of Inclusion in The United Methodist Church Group Tax Exemption Ruling**
Affiliated Organization: United Methodist Church of Casa Grande, Arizona
Affiliated Organization's Employer Identification Number (EIN): 86-6052208

This letter will certify that the affiliated organization named above is included in The United Methodist Church Group Tax Exemption Ruling ("UMC Group Ruling"). In particular, as stated in the GroupRuling determination letter issued to The United Methodist Church by the Internal Revenue Service ("IRS"), this affiliated organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

This certification letter is issued by the General Council on Finance and Administration of The United Methodist Church ("GCFA"), the central organization for the UMC Group Ruling. As the central organization, GCFA has been granted the authority by the IRS to determine which organizations are included in the UMC Group Ruling. (The IRS Group Exemption Number ("GEN") for the UMC Group Ruling is 2573.) Thus, this certification letter, together with the enclosed copy of the IRS Group Ruling determination letter, serves to verify the tax-exempt status of this affiliated organization.

If you have any further questions, please feel free to contact the GCFA Legal Services Department at (866) 367-4232 or legal@gcfa.org.

Attention: R. Bryan Brawner

Dear Applicant:

This refers to the information submitted for use in determining your status and the status of your affiliated religious organizations, on the list you submitted, as being exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

For the purposes of this group ruling, your affiliated religious organizations include The General Conference, Judicial Council; General Agencies, Commissions, Committees, their divisions and departments thereof, and, other related organizations; Jurisdictional Conferences and Affiliated Agencies, Commissions, and other organizations; Annual Conferences and divisions and departments thereof; Annual Conference Agencies, Commissions, Committees, and affiliated organization; Local Churches and Local Church Agencies, Commissions, Committees, and other affiliated organizations.

Based on the information supplied, we rule that you and your affiliated religious organizations, on the list you submitted, are exempt from Federal income tax under section 501(c)(3) of the Code.

We have further determined that you and the affiliated religious organizations you operate, supervise, or control, and which are covered by your notification to us, are not private foundations within the meaning of section 509(a) of the Code, because you and your affiliated religious organizations are organizations described in sections 170(b)(1)(A)(i) and 509(a)(1) of the Code.

Council on Finance and Administration of the
United Methodist Church, a/k/a the United
Methodist Church and Its Affiliated Organizations

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, they are not automatically exempt from other Federal excise taxes.

You and your affiliated religious organizations are not required to file the Return for Organizations Exempt From Income Tax, Form 990, as you come within the exception contained in section 6033(a)(2)(A)(i) of the Code.

You and your affiliated religious organizations are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you or your affiliated religious organizations are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities, or those of your affiliated religious organizations, is unrelated trade or business as defined in section 513 of the Code.

You and your affiliated religious organizations are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You and your affiliated religious organizations are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA).

Donors may deduct contributions to you and to your affiliated religious organizations as provided by section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to or for your use, or to or for the use of your affiliated religious organizations, are deductible for Federal estate and gift tax purposes under section 2055, 2106, and 2522 of the Code.

If you change your purposes, character, or method of operation, please let your key District Director know so he may consider the effect on your exempt status. Also, please keep him informed of any changes in your name or address.

Council on Finance and Administration of the United Methodist Church, a/k/a the United Methodist Church and Its Affiliated Organizations

You should advise each of your affiliated religious organizations of the provisions of this ruling, including the requirements for filing Federal tax returns.

Each year, within 45 days after the close of your annual accounting period, please send the following to the Director, Internal Revenue Service Center, 11601 Roosevelt Boulevard, Philadelphia, Pennsylvania 19155, Attention: EOR Branch:

1. A statement describing any changes during the year in the purposes, character, or method of operation of your affiliated religious organizations.

2. Lists of the names, mailing addresses, including Postal Zip Codes and employer identification numbers, of your affiliated religious organizations that during the year:

   a. changed names or addresses;
   b. were deleted from your roster; or
   c. were added to the roster.

3. For affiliated religious organizations to be added attach:

   a. a statement that the information upon which your present group exemption letter is based applies;

   b. a statement that each has given you written authorization to add its name to the roster;

   c. a list of those to which the Service previously issued exemption rulings or determination letters; and

   d. a statement that none of the affiliated religious organization are private foundations as defined in section 509(a) of the Code.

Council on Finance and Administration of the
United Methodist Church, a/k/a the United
Methodist Church and Its Affiliated Organizations

4. If applicable, a statement that your group exemption roster did not change during the year.

This ruling supersedes our ruling letter of November 20, 1945. In addition, this ruling letter supersedes our group exemption letters to your affiliated Annual Conferences and Conferences and to the individual determination or ruling letters issued to your affiliated churches and other affiliated religious organization.

Please be sure to enter your employer identification number on all your tax returns and in your correspondence with the Internal Revenue Service.

This ruling is not applicable to your affiliated foreign religious organizations.

The key District Director, Internal Revenue Service, Chicago, Illinois, which is your key district for exempt organization matters, will be furnished a copy of this letter. Please keep this ruling in your permanent records.

Thank you for your cooperation.

Sincerely yours,

Milton Cerny

Ak-Chin Prop 202 Grant Application – Oracle Clinic Renovation

INSTRUCTIONS: Applicants must submit a narrative explaining the proposal for which the Applicant is requesting funding. The Narrative submitted with the application shall follow the outline format provided below. Narratives shall not be more than five (5) pages, not including attachments, if any.

Purpose of Grant.

Horizon Health and Wellness (HHW) is a non-profit 501(c)(3) integrated health care agency licensed by the State of Arizona and accredited through the Joint Commission to deliver an extensive array of services for all ages and stages in life. HHW offers outpatient and residential services, crisis services, primary care, behavioral health, telehealth, and preventative healthcare services in central and southern Arizona. For more than 40 years, HHW has been serving the health care needs of Arizona residents. Our mission is to "Provide integrated healthcare that addresses the whole person and promotes wellness using best practices to enhance the quality of life of the individuals, families, and communities we serve. Horizon serves many rural areas and underserved populations."

HHW is committed to providing the best care possible by providing integrated health care that addresses the whole person and promotes wellness, thereby helping patients sustain their health and the health of their families. Horizon Health and Wellness believes that everyone can recover from behavioral health, medical and substance use issues. Our Vision is to alleviate human suffering and empower people to attain their optimum potential.

HHW currently operates an outpatient Federally Qualified Health Center in Oracle, Arizona. This clinic provides both primary medial and behavioral health/substance use services to the Oracle community, which is a small, rural community with a population of 3335. Services at the clinic include primary care, psychiatric, substance use treatment including individual and group counseling, intensive outpatient, court ordered treatment, and medication for opioid use disorder treatment. Services are offered for both children and adults including services for children involved with the Department of Child Services. Currently this clinic is in two separate buildings which is not efficient for operations, customer satisfaction and accessibility. HHW would like to expand, remodel and rehabilitate this facility to connect the two buildings into one which will create a much-improved patient flow, increased efficiency and safety. The increased efficiency will allow HHW to serve more people than we can currently safely serve. In addition, we will be enhancing and expanding the lobby area, and front reception area which will allow for multiple patients to check in at the same time as well as making it feel more comfortable and welcoming, which will attract additional patients. The Oracle clinic currently serves approximately 500 patients per year delivering over 4000 services per year. This project will enable HHW to increase the number of patients served per year with the goal of providing care and treatment to over 700 patients per year. In addition, this project will address the lack of accessibility by ensuring the facility is ADA compliant, which the facility currently lacks a wheelchair accessible restroom. This funding will allow HHW to bring the two restrooms into compliance with ADA standards. The buildings also lack proper insulation which leads to heating and cooling issues, this funding will be used to resolve the heating and cooling issues as well which will make it more conducive to serving the population.

Ak-Chin Prop 202 Grant Application – Oracle Clinic Renovation

Identify the target population that will be served by the Project. (Who will benefit? How many will be served? Is there a targeted geographic location? Etc.)

This project will benefit the Oracle community as well as the immediate surrounding areas, including Mammoth, Winkelman, Kearny, and San Manuel. The population of Oracle and these surrounding communities often drive into Tucson or Florence or even end up in the emergency rooms to receive their health care due to the lack of providers and facilities in Oracle. These areas have a ratio of primary care providers to residents of 6125:1, and the ratio of Mental Health providers to residents is 1369:1, this shows an extremely high lack of providers given the national average is 384:1. Expanding and enhancing the HHW clinic will allow for additional capacity to serve the community. HHW historically serves the Medicaid population as well as the uninsured and underserved population. This population often has transportation barriers and cannot access services in Florence or the greater Tucson area, so they go without treatment leading to poor health outcomes. HHW offers both transportation as well as services via telehealth for patients that have this barrier to service delivery. It is expected that the Oracle Clinic will be able to serve over 700 patients per year with this expansion.

Describe the Project goals and objectives and outline a plan to meet these goals.

HHW intends to use the funding to repair and renovate the Oracle Clinic. The goals and objectives of this project are:

1. Increase clinic capacity to provide additional services to additional individuals
   Plan to meet this goal: Plan to expand the clinic by connecting the two buildings together which will create additional indoor space. HHW has a construction company that has provided the estimate for the job and the availability to begin work upon funding approval – estimated completion 9 months after start
2. Create a handicapped accessible clinic for additional access
   Plan to meet this goal: Renovate current restrooms to make them ADA compliant
   Including: enlarge door for easy access for wheelchair users, install grab bars, lower sink, raise toilet etc. In addition, change doorways to make them wheelchair accessible.
3. Create a safer parking lot for accessibility
   Plan to meet this goal – regrade and pave parking lot, install lighting

Provide a timetable for implementation of the Project.

Horizon Health and Wellness plans to complete the Oracle Clinic renovation within a 9-month period. We have already been working with a contractor and have acquired a bid for all necessary and needed improvements and additions. This 9-month timeline will need to be somewhat flexible due to unforeseen circumstances such as delays in acquiring materials and labor to complete the work within the proposed time.

Timeline:

Signed contract with construction company: one week after funding approval
Construction Permits: Applied with City of Oracle within 2 days after signed contract
Start of Construction: Begin construction within 2 weeks of funding approval
End of Construction: within 9 months of funding approval

Resources

Identify current funding sources for the Project and characterize each funding source listed as either a one-time-only or long-term funding source

HHW has no other funding for the renovation of this property. This request is a one-time funding request to complete the project. The ongoing program costs are funded from billing for each service to health insurance plans; primarily the (Medicaid) AHCCCS plans. These plans pay for the treatment component of the program and are sufficient to cover the cost of staffing and operations.

Identify other organizations or partners that are participating in or contributing to the Project, but which are not funding sources, and describe their roles or contributions.

We will be partnering with Pinal County as they will be serving as our sponsoring governmental municipality. The only other partnership that we will have for this capital project will be the contractor we hire to complete the project described in this proposal (see attached bid).

Define the Project as a new or continuing project or a purchase. Provide information about how the Project will be sustained or the purchase will be maintained after the grant funding is exhausted

The renovation of the Oracle Clinic is a new project for HHW. Due to being a one-time capital grant, the progress and results will be keeping to the timeline proposed in this application as much as possible and managing all efforts. HHW Grant Administrator will hold bi-weekly meetings with the leadership and the contractor to review progress. We will mark results as done as they are accomplished. The internal maintenance team at HHW will ensure the facility remains in good condition and repairs are done as needed after the renovation.

If the Applicant organization has requested funding from any other Arizona tribe, please list:

a. Pending requests made within the last eighteen (18) months, including the name of the tribe to which the request was made and a brief summary of the project for which a grant was requested.

   HHW has requested the following funds that are still pending:

   Gila River Indian Community: Renovate a vacant house to create a shelter to serve the homeless community in Pinal County

   Tohono O'odham: Requested funding to renovate a vacant property in Apache Junction to create a community room for health education and social activities.

   HHW has also requested the following funds that were denied:

   Tohono O'odham in 2023 – requested funding to renovate the Oracle Clinic

b. Funded requests made in the last five (5) years, including the name of the tribe that awarded the funding, a brief summary of the project for which the funding was awarded, and the amount of the funding received.

Ak-Chin Prop 202 Grant Application – Oracle Clinic Renovation

Ak Chin Indian Community: 2022 requested and received funding to renovate the vacant Morrison property to create affordable housing units for the Casa Grande community – received $198,000

Tohono O'odham: 2022 Requested and received funding to rehabilitate a vacant house in Apache Junction to make into affordable permanent housing for low-income individuals and families – received $270,500

Reports. Approved grantees must account for and report to the Community all expenditures of grant funding; however there is no required reporting form or format. Explain how your organization will account for and manage the funding if selected. Describe how Project progress and results will be tracked and documented.
HHW can provide monthly progress reports back to the Ak Chin Indian Community or upon request. HHW will have bi-weekly meetings with the contractor to get updates on progress and any delays. HHW has a finance department that will monitor the spending of the grant funding and will do a full accounting of all funds spent in these reports. We can also let the Ak Chin Indican Community know when the project is completed if representatives would like to come and see the finished product and be formally recognized for your contribution.

Budget. Provide a budget, including justification, which supports the request in the Application. Provide an estimated timeline for when funds will be expended.
HHW is requesting a total of $436,000 for this project which will allow us to complete a full renovation and expansion of the Oracle Clinic. All work will be completed within 9 months of the grant award date.

Dear Taxpayer:

This is in response to your request dated Jan. 13, 2016, regarding your tax-exempt status.

We issued you a determination letter in October 1986, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

For tax forms, instructions, and publications, visit www.irs.gov or call 1-800-TAX-FORM (1-800-829-3676).

If you have questions, call 1-877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific Time).

Purpose of Grant (brief statement): As a small, totally foster-based animal rescue, our mission is to save and find homes for abandoned kittens. We average about 200 saves a year, placing kittens in loving homes throughout Pinal County. With the increase in population, we are finding more and more animals in need. Frequently, we are approached by people who fall into the lower income bracket who have found kittens. They often have the desire to care for these babies but lack the financial means. They usually need instruction on how to care for the babies they have found. We offer education and supplies to allow the family to foster the kittens with our help. After weaning, we take the kittens, have them "fixed" and find homes. We are requesting funds to help us supply these foster homes with food, litter and medical supplies. Our goal is to increase our volume to 250-300 kittens each year.
Target Audience/Beneficiaries: Residents of Pinal County, with an emphasis on lower income families
Beginning and Ending Date of Program or Project: This is our on-going mission but funding would be to help us for one year.
Amount Requested: $5,000 Total Cost: $15,000
Geographic Area Served: Western Pinal County

Ak-Chin Grant Application Narrative

A. Purpose of Grant

1. We are a very small foster-based kitten rescue. We are completely funded by donations and grants. We are completely volunteer staffed. Our mission is to save and find homes for as many kittens as we can save. Currently, that is about 200 animals per year. We would like to both expand that vision and help end the cat over-population in Pinal County. In order to expand our reach, we need to provide food, shelter and medical service for each kitten. Costs continue to rise. In order to find home for our kittens, we must keep the adoption fee competitive. Right now, we charge $140.00 to adopt a kitten. We provide vaccines, altering, housing, food and any needed medical assistance. $140.00 does not go far to pay for those costs. Currently, a spay/neuter surgery costs $100 minimum. If there are complications [enlarged uterus, in heat, pregnant] those costs can rise to $150.00 per animal. Vaccines are another $40 per animal. A microchip is $8.00 when bought in bulk. Formula is $150.00 for each five-pound bag and kitten food costs about $3.00 per day per animal. We also supply our foster homes with bedding, enclosures and toys. We are requesting a grant to help with these ongoing costs. We also continue to provide low-cost spay/neuter [S/N] services to low-income families and TNR [Trap, Neuter, Return] for their neighborhoods in Pinal County. Our current funding allows us to run 4-5 clinics a year at which we alter 150-200 animals in total.

2. By keeping our adoption price as low as possible, we are able to provide pets to families in most income brackets. While we are located in Arizona City, we serve all of Pinal County. Our mobile S/N clinics are located at Cowboy Church in Casa Grande. Reverend Pruit allows us to use their fellowship building and facilities of their campus. Without that support, we would find it hard to hold clinics so efficiently.

3. In order to expand our reach, we need to engage more volunteers. This will require more supplies as we equip each home to house our kittens. We would also like to provide several more S/N clinics a year. The two Mobile clinic providers we use work very hard to keep costs low but even so, each S/N costs us $100 or more. We require our clients to pay a low co-pay to register [$60 for an owned cat or $30 for TNR] as we have found this decreases the number of no-shows. Even at this low price, many families find it hard to pay for our services. We work with the clients to help them find funding.

4. Our costs are on-going. In the spring, when cats are mating, it isn't unusual for us to have 50-75 kittens in our foster homes. The rest of the year, that number goes down to 20-30. We are also part of the local rescue community. As such, we are contacted frequently by other rescues and trappers and by Pinal County Animal Care and Control [PCACC] and Casa Grande Animal Care and Control [CGACC] to provide care for newborns. We are the ONLY neo-natal kitten rescue in Pinal County. Any funding we receive pays for our on-going rescue costs.

B. Resources

1. This year, we have received one-time grant funding from the following :

Arizona Companion Animal Project	$10,000 for Spay/Neuter
Bonnie Kay Foundation	$7,000 for medical needs
Steven's Haven	$5000 for day to day costs
Mary Dondanville Living Trust	$3000 for day to day costs

2. Both PCACC and CGACC alert us to situations that need our attention.
   AsaVet Charities and Mobile Animal Surgical Hospital provide the veterinary care for our S/N clinics
   PetSmart in Tucson provides the outlet by which we are able to adopt out our kittens. Last year we placed over 100 kittens through their store.

3. This is our continuing mission and will be sustained by other donations and grants.

4. This is the first year we have applied for a grant from Gila River Indian Community as well as Ak-Chin. We have not received notification regarding that grant.

C. Reports

We use software provided by ShelterLuv. This gives us detailed reports on all our kittens and cats. In addition, we use spreadsheets to break down expenditures by grantor. We can also provide our annual P & L which provides even more detail on expenditures.

D. Budget

This request is for on-going expenses. We are requesting $5000 to help pay for S/N for kittens in our care and food and other fostering expenses. Since we detail our expenditures by grantor, we can estimate this grant will be expended within 6-months of receipt.

E. Itty Bitty Bottle Babies is a very small entity. Because we are entirely foster-based and staffed by volunteers, every dollar we spend goes to the animals. When we do a S/N clinic, it is TNR and family owned pets in equal measure. We are dedicated to reducing community cat colonies and helping families care for their pets. We don't like to see a family have to give up a pet for budgetary reasons. We provide emergency food assistance when we have surplus. We offer education on how to provide for a pet. We help our clients provide medical care for their animals. We hope the Ak-Chin community can help us to continue our mission.

Ak-Chin Indian Community
2025 Prop 202 – 12% Contribution Grant Application
Outline for Narrative

A. Purpose of Grant.

1. Project: Play Area Shade Improvements

Mammoth-San Manuel Unified School District (MSMUSD) would like to secure funding to enhance the physical environment of our campus by increasing the number of shaded areas. Our goal is to promote the health and wellness of students by improving access to outdoor spaces, which serve as important areas for congregation, relaxation, play, and educational activities. MSMUSD currently needs shade structures above playground areas and open spaces to increase the amount of time students spend in healthful outdoor activities.

Research indicates that exposure to natural environments contributes positively to mental health, social connections, and overall wellness. However, during the warmer months, the lack of shade can deter students from utilizing outdoor spaces, leading to decreased physical activity and social interaction. By providing more shaded areas, we can encourage students to spend more time outdoors, fostering a sense of community and enhancing their overall well-being.

Health promotion: Outdoor spaces play a crucial role in promoting physical activity among students. By providing shaded areas, we encourage students to engage in outdoor activities, which are vital for maintaining a healthy lifestyle. Additionally, shade covers will reduce exposure to harmful UV rays, thereby lowering the risk of skin cancer and heat-related illnesses. This aligns with health promotion objectives aimed at educating students about safe outdoor practices.

Wellness and Recreational Activities: The shaded areas can be utilized for various wellness programs, including physical education classes, team sports, informal play, outdoor spaces for educational projects, and recreational activities. These programs not only promote fitness but also foster teamwork and social interactions, essential for holistic student development. The installation of shade covers will enhance the usability of outdoor areas throughout the year, encouraging students to participate in recreational activities regardless of the weather. This can include organized sports, informal play, class activities, and community events. Engaging in recreational activities has been linked to improved student morale and academic performance, further emphasizing the importance of providing conducive environments for such activities.

Promoting Fitness and Educational Achievement: With increased shaded areas, students are more likely to participate in physical activities like running, playing ball games, or even group exercises. This directly supports our goals to enhance physical fitness levels in students. Active students are typically healthier and experience better concentration in academic settings, contributing positively to their overall educational experience.

Mental and Behavioral Health: Access to shaded outdoor areas can greatly benefit students' mental health by providing relaxing environments that promote positive mood and social interactions. Research indicates that outdoor activities can contribute to reduced anxiety and depression among youth. By fostering an environment conducive to both physical and mental wellness, we address behavioral health concerns and initiatives to support students' overall emotional well-being.

Ak-Chin Indian Community
2025 Prop 202 – 12% Contribution Grant Application
Outline for Narrative

The proposed installation of 4 shade covers at Mammoth-San Manuel Unified School District campuses is an essential step towards fulfilling our commitment to promoting health, wellness, and fitness activities for students. This project will create a safe, engaging, and supportive outdoor environment that enhances both the physical and mental health of our students. We believe that this funding will significantly contribute to the overall well-being of our school community.

2. MSMUSD currently serves approximately 540 students preK-12. It is anticipated that all students will have access to 1 or more of the shade structures. Our students are our targeted population. Our student population resides in the tri-community area of Mammoth, San Manuel, and Oracle Arizona.
3. The objectives of the Play Area Shade Improvements Project are:
    - Increase shaded areas on campus to provide comfortable environments for students to gather, study, and engage in recreational activities.
    - Promote physical and social activity by encouraging the use of outdoor areas for exercise, group activities, educational projects, and events.

    Plan to meet goals:
    - Shade structures completed by end of school year 2026
    - Establish revised activity/recess time for all grades to utilize the shaded areas July 2026
    - Monitor activity/recess time throughout the 2025-2026 school year to gauge the utilization of the areas since installation of shade structures.
4. Plan for implementation of the Play Area Shade Improvements Project:
    - January 2026 funds to be awarded
    - March 2026 begins construction of shade structures
    - Construction estimated end date June 2026 (if there are delays with ordering parts or permits, MSMUSD will begin construction July 2026 to be completed by December 2026)

B. Resources.
1. MSMUSD does not have a current funding source to complete the Play Area Shade Improvements Project.
2. American Dermatological Association provides sun safe curriculum for our elementary and pre-school classes.
3. The Play Area Shade Improvements Project is a new project.
   Maintaining the shade structures once they are installed would be undertaken through our operations budget. After the initial 10-year warranty for the shade structures, we would fund maintenance of the structures through our annual operational budget.
4. MSMUSD has no pending requests for the Play Area Shade Improvements Project for the past 18 months. MSMUSD has no funded requests within the past 5 years from any tribal community.

C. Reporting & Accountability
1. iVisions (accounting system through the county education superintendent's office) will be used to be in compliance with state of Arizona's accounting manual (i.e. quotes, requisitions, SAM registration, inventory, and funds management). Person responsible: Amy Stump, Grant Coordinator.
2. Supervision of the construction of the shade structures (i.e. permits, orders for materials, supervision and scheduling of the installation by contractor, and monitoring for quality/warranty

work) Person responsible: Ray Webber, Maintenance Supervisor, to report to district Superintendent, Julie Dale-Scott, and Grant Coordinator, Amy Stump, for reporting purposes.

3. Scheduling and monitoring of student utilization of shaded areas (i.e. activity/recess scheduling) Person Responsible: Amber Walden, Assistant Principal, to report to Grant Coordinator, Amy Stump, for reporting purposes.

Oracle Community Learning Garden

Proposal to Ak-Chin Indian Community
Narrative

A. Purpose of Grant

1. Describe proposed project

The Oracle Community Learning Garden (OCLG) respectfully submits this proposal to the Ak-Chin Tribal Gaming Grant Program in support of our mission to cultivate sustainable food systems, environmental education, and intergenerational connection in the rural high desert community of Oracle, Arizona. Rooted in principles of respect for land, tradition, and community, the OCLG serves as a living classroom where youth, elders, families, and volunteers come together to learn, grow, and nourish both body and spirit.

OCLG is a grassroots initiative located in the unincorporated area of southeastern Pinal County. Our request reflects a commitment to community resilience, food sovereignty, and cultural education. Through this grant, we seek to expand our programming to reach more families from underserved populations, strengthen community knowledge sharing, and enhance water-wise agricultural practices in this arid landscape.

The support of the Ak-Chin Tribal Gaming Grant Program would help deepen the impact of the OCLG as a hub for environmental stewardship, hands-on learning, and community connection—values that align closely with the Ak-Chin Community's longstanding traditions of agriculture and education. We thank you for your consideration and for the opportunity to continue growing a healthier, more connected future for all generations. Our request is for $10,634.50.

Replace existing raised beds.

Twenty-eight families from Oracle, Mammoth and San Manuel grow their own produce at the Oracle Community Learning Garden. The cost to rent a garden bed is $10.00 per month. This does not cover the cost of irrigation repairs, water use or maintaining the raised beds made of reclaimed wood that have had seven years of continuous use.

Replace hoop house covers.

In 2018, Winkelman/Redington National Conservation Districts donated an 80' hoop house to the garden. Because of space issues we divided the hoop house into two 40' houses. We use the hoop houses to grow organic plants

from seeds. We sell plants in spring and fall to our gardeners and community residents who garden at home. These are our biggest fundraising events. People love our plants! They come back every year to support our garden by purchasing vegetable and flower starts. The hoop houses are vital for the plant-growing enterprise.

Add additional educational signage.
Throughout the garden we have placed attractive signs that explain what is happening in each section of the garden. For example, we would like to add educational signage to our Community Composting bins. Learning about the compost processes will invite more community members to contribute their household food waste to our compost.

We also want to place signs at the gazebo that list upcoming events at the garden, demonstrate pollination and other fun educational drawings. Students from our local school visit the garden every Monday during the school year. They use the gazebo as an outdoor classroom.

Install rain water catchment systems on the gazebo and train station.
These are two buildings that we acquired through grant funding. We want to place rain gutters on the buildings and use drainage pipes to conduct rain into two 250-gallon tanks. The water will be used for irrigation, conserving our ground water and lowering our water bills from Arizona Water Company.

2. Target Population
OCLG will continue to serve the public as we have in the past. Some of our gardeners have rented a raised bed since we planted our first seeds in 2017. Many of our gardeners are new to Arizona and our high desert ecosystem. Several Master Gardeners volunteer at the garden and are always happy to answer questions from our gardeners and our neighbors. These gardeners stay with us for one or two years and then have confidence to garden at home, leaving space for new families to join the community garden.

3. Goals and objectives and how they will be met:
Goal 1: Revitalize parts of the garden infrastructure that are degraded.
Our 20 original raised garden beds are built of wood that has degraded from over 6 years of use. We will replace them by using more sustainable materials with greater longevity. The new beds will consist of two courses of retaining wall blocks similar to the picture in the appendix.

Goal 2: Replace garden's educational signage that has faded or that is no longer relevant.
The garden is thoughtfully organized into seven distinct themed areas, each managed by an appointed supervisor with a corresponding management plan. We created signs for each mini site, but some have faded, and others no longer match the site's current use:

Food Forest	Kids & Kale	Bountiful Beds
Berms and Basins	Pollination Station	
Pumpkin Patch	Compost Creatures	

Goal 3: Expand our outreach by increasing community inclusion - wheelchair- and elder-accessible garden beds.
The raised beds will be designed for wheelchairs to comfortably fit underneath and allow the gardener maximum reach without discomfort. They will also make gardening accessible for seniors who find kneeling and bending down difficult.

4. Timetable for Implementation. We assume January will be the starting point; if not, the timeline will be adjusted.

Task	Activities	Date	In-kind Value
Upgrade educational signage	Change sign artwork (3) Signs for gazebo (2 - 24"x 60") Misc signs for bathroom, etc. Print signs (7)	Jan - Feb 2026	0 hours 12 hours 16 hours 0 hours

B. Resources

1. We estimate the hours of labor contributed by volunteers to this project to be 259. The *Independent Sector* states that the value of each volunteer hour in Arizona is $ 33.70. On that basis our in-kind contribution to this project is $ 8,728.30. Our current funding sources for this project are proceeds from our plant sales, individual donations from community members and fundraisers we hold from time to time. These are long-term funding sources. However, even in the long term we do not accumulate enough money for these capital improvements.

2. The Pinal County Agricultural Extension provides helpful services when we ask. For example, we had questions about efficiently irrigating our fruit trees and a horticulturist facilitated a workshop on this topic. We will use her and other experts to conduct hands-on learning experiences for our community.

3. This is a continuing project as it enhances and expands existing projects of the garden. Since our inception in 2017, we have added features requested by gardeners and community members. Our request is for materials to accomplish our goals. We will ask volunteers to continue helping us with maintenance.
   We use social media to publicize community events that are designed to enhance interest in the garden so we continue to grow.

4. a. Oracle Community Learning Garden is not applying for funds from any other Arizona tribe.
   b. We have not received funds from any Arizona tribe.

C. Reports

Reports will be submitted by Liz Tuck, Treasurer. Using spreadsheets, Liz reports all deposits and debits. In addition, she keeps a separate ledger for grant projects so that the Board of Directors and the funding source knows exactly how the grant funds were expended. Receipts for expenses are kept and compared to ledger entries.
She has written timely, accurate reports for the following awards: Sprouts Groceries ($10,000), Pinal County ($18,000 and $10,000) and USDA ($50,000).
The project's progress and outcomes will be evaluated based on our success in achieving the stated goals and adhering to the proposed timeline.

D. Budget

Our request is for $10,634.50; a detailed budget is attached.

E. Additional Information

The mission of the Oracle Community Learning Garden (OCLG) is to provide opportunities for education, food production and growing a strong community by cultivating common ground. OCLG's work in the world is to enchant, to inspire, and to engage people by creating a vibrant space where all ages of people can meet, garden, compost, and learn.

Prior funding from individuals and organizations has paid for our hoop houses, irrigation system, ramadas, kids' gardens, pollinator garden, and the creation of our tailor-made curriculum for grades 1-6. We do a lot with a little because of our dedicated volunteers and supportive community.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Ak-Chin Indian Community
2025 Prop 202 – 12% Contribution Grant Application
Outline for Narrative

Purpose of Grant

The Oracle Piano Society seeks funding from the Ak-Chin Indian Community to support its Conservatory of Music, a tuition-free educational initiative. This program expands access to high-quality music instruction in rural Arizona, aligning with the Community's requirement **not to use grant funding for salaries or wages.**

The Conservatory addresses the critical lack of formal music education in communities like Oracle, Mammoth, and San Manuel. Research shows music education supports cognitive development, academic achievement, and personal growth. By offering this training at no cost, the program ensures equitable access regardless of income. Additionally, it provides access to high-level cultural programs open to the general public, including performances, master classes, and workshops.

Program Elements

- **Weekly private music lessons**
- **After-school band program** at Mammoth-San Manuel PK–12 School
- **Tuition-free annual Chamber Music Festival** (January 2–7)
- **Month-long summer program**
- **Signature Series concert program** featuring public performances, master classes, and school assemblies

Students also develop leadership, communication, and planning skills by helping with event logistics, gaining experience in nonprofit arts administration.

Faculty and Advisory Committee

- **Dr. Stephen Cook**, Artistic Director (DMA, Arizona State University)
- **R. Carlos Nakai** – Navajo flutist
- **Ursula Oppens** – Piano Professor, Mannes College & CUNY
- **Robert Hamilton** – Retired Piano Professor, ASU
- **Eteri Andjaparidze** – Piano Professor, NYU
- **Dr. James DeMars** – Retired Composition Professor, ASU
- **Paul Harvey Jr.** – Pianist & Radio Hall of Fame Inductee
- **Alexander Korsantia** – Piano Professor, New England Conservatory
- **Dr. John Milbauer** – Dean, DePaul University School of Music

Program Timeline

- **Academic Year Instruction:** September–April
- **Chamber Music Festival:** January 2–7
- **Summer Intensive:** One-month program in June

Ak-Chin Indian Community
2025 Prop 202 – 12% Contribution Grant Application
Outline for Narrative

Target Population

The Oracle Piano Society serves low-income, rural youth, particularly where family income falls below 150% of the federal poverty level. The Conservatory currently reaches:

- **500+ students** through school assemblies
- **41 Conservatory students** currently enrolled tuition-free
- **34 festival participants** in 2025 (including low-income and Native students)
- Students and collaborators from BYU, ASU, U of A, UNLV, Concordia, and community colleges (Mesa and Scottsdale)
- **250+ audience members** attending public concerts, master classes, and workshops

Goals and Objectives

Goals

- Increase access to high-quality music instruction for underserved youth.
- Foster student growth in musicianship, creativity, and confidence.
- Promote community cultural enrichment through concerts and school outreach.

Objectives

- Serve **50+ Conservatory students** in 2025–2026.
- Engage **500+ youth** in outreach performances and assemblies.
- Host **1 annual Chamber Music Festival** and **11 public Signature Series concerts**.

Implementation Plan

- **October - May:** Present eleven public Signature Series Concerts.
- **October - May:** Present eleven Conservatory classes for students taught by Signature Series guest artists.
- **September–April:** Weekly private lessons.
- **September-April:** Band Program at Mammoth-San Manuel Pk-12 School.
- **January 2–7:** Chamber Music Festival.
- **June:** Summer intensive program.

Resources

Current Funding Sources

- **Ak-Chin Indian Community:** Major past funder in 2023 ($50,000); hope for renewal in 2025.
- **Arizona Commission on the Arts Creative Capacity Grant:** ($6,500 – 2024, long-term potential)
- **Pinal County:** ($10,000 – recurring support)
- **Cuba Rhythm and Views partnership:** ($9,000 raised in 2024 – one-time)
- **Lynne Cooper Harvey Foundation:** ($25,000, recurring support)

- **David Katzin:** ($10,000, recurring support)
- **Tax Credit Donations:** ($495 single/head of household; $987 married filing joint)
- Numerous small donations from the local community.
- Ticket revenue from Signature Series Concerts.

Partner Organizations (non-funding)

- **Schools:** Mammoth-San Manuel PK–12, Oracle Mountain Vista
- **Universities:** ASU, U of A, UNLV, BYU, Concordia, Mesa CC, Scottsdale CC
- **Local Businesses:** DeMarco's Pizzeria, Patio Café, Hachenberg Pianos, Oracle Historical Society, El Rancho Robles Guest Ranch, Oracle Community Center, Riot Grill, Oracle Patio Cafe, Casa Rivera Mexican Restaurant, Triangle L Art Ranch, Biosphere 2, The Century Room Jazz Club, Way of Bean Coffee Club.

Project Type: Continuing project designed for ongoing growth and community service.

Sustainability Plan

Following grant expiration, the program will continue through a combination of:

- Arizona Charitable Tax Credit donations
- Annual donor campaigns
- Ticket sales from Signature Series performances
- Continued pursuit of public and private grants

Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. We determined that you are a public charity under the Code section(s) listed in the heading of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Narrative for **Peralta Trails Elementary School Community Pickleball Court Surfacing Project**

A. Purpose of Grant.
   1. Provide standard pickleball courts for Gold Canyon community at Peralta Trail Elementary school in order to support student physical education and community participation of this increasingly popular pickleball sport which brings communities and generations together for fun and recreation while providing for healthy physical and mental activity for overall well-being of our community. The impacted amenities while owned by the Apache Junction Unified School district, are available for the broader Gold Canyon Community to enjoy. These facilities are heavily used by the community even in their current rudimentary state which is a plain cement slab with no standard surfacing. There has been high demand for these significant improvements which not only will support the rapid growth of the sport but will also provide a safer surface for players with less risk of slipping and lower body impact reducing strain and injury risk for players. This project will be accomplished through the following actions:
      a) Provide services and supplies to prepare existing cement surface by repairing and patching existing cracks and imperfections.
      b) Provide materials and services to apply acrylic surfacing and paint court lines to provide standard pickleball court surfacing.
      c) Purchase and installing nets on courts.
      d) Purchase and install rocks and rock binder on surrounding perimeter surface in order to minimize rocks and debris from coming onto court and damaging surface coating.
   2. The target population for the project are the students at Peralta Trails Elementary School and the residents of the Gold Canyon Community which represents a growing population of approximately 12,500 residents. There are currently no public standard pickleball courts in Gold Canyon – the nearest public courts require a minimum of an hour round trip to access the nearest courts.
   3. The project goals and objectives are to enhance education, health and economic & community development for the community of Gold Canyon by providing standard pickleball surfaced courts in order to meet the following objectives:
      a. Provide standard Pickleball facilities in support of student and community pickleball education and recreational play.
      b. Promote a healthier community in terms of physical and mental well-being as pickleball has grown tremendously given its effect of bringing generations and communities together in a way that promotes physical and mental well-being while engaging in a fun and challenging activity. The court surfacing will also result in a safer surface for playing pickleball thereby reducing the risk of injury.
      c. Enhancing the amenities in our community by providing highly sought after standard pickleball courts which will make our growing community more attractive to new and existing residents thereby contributing to the overall economic and community development of our area.
   4. The timetable for implementation of the Project will be as follows:
      a) Final project prep including vendor selection and school coordination – 2 months
      b) Cement prep and acrylic surfacing – 1 month
      c) Surrounding rock placement – 2 weeks
      d) Net delivery and installation – 2 weeks

B. Resources.
   1. Identify current funding sources for the Project: A one-time funding request to complete this project is being made to Arizona Tribes as part of the Tribal/State Gaming Compact.
   2. Identify other organizations or partners that are participating in or contributing to the Project, but which are not funding sources, and describe their roles or contributions.
      a) The Apache Junction Unified School District is providing the land and foundational cement slab for this project.

b) The Apache Junction Unified School District and Peralta Trails Elementary School will oversee the project.
c) The Peralta Trails Pickleball Club will serve in a volunteer capacity for project management and day to day project oversight and reporting. This club has previously raised funds in order to provide fencing around the proposed pickleball court area – this fencing project is now complete.
d) Pinal County will serve as the financial intermediary.
e) Licensed vendors will be contracted to execute the specialized tasks needed to complete the project.

3. Define the Project as a new or continuing project or a purchase. Provide information about how the Project will be sustained or the purchase will be maintained after the grant funding is exhausted.
    a) The court surfacing project is a new project.
    b) The court surfacing is expected to have a minimum court life of 5 years. The life of the court would be extended by the included landscaping work to prevent rocks and debris being blown onto the court and scratching the surface. The Peralta Trails Pickleball club will provide volunteer resources to sweep or blow water and debris from the courts on a regular basis in order to keep them maintained for school and community use. If the court needs repair in the future, the school would seek grants or donations from the community to fund the repairs.
4. If the Applicant organization has requested funding from any other Arizona tribe, please list:
    a. Pending requests made within the last eighteen (18) months for the same request, including the name of the tribe to which the request was made.
        - A pending grant request for this project has been made to the Gila River Indian Community in March of 2025.
        - A pending grant request for this project has been made to the Tohono O'odham Nation in June of 2025.
    b. Funded requests made in the last five (5) years, including the name of the tribe that awarded the funding, a brief summary of the project for which the funding was awarded, and the amount of the funding received.
        - No other tribe funding requests have been made or awarded.

C. Reports. Approved grantees must account for and report to the Community all expenditures of grant funding; however, there is no required reporting form or format. Explain how your organization will account for and manage the funding if selected. Describe how Project progress and results will be tracked and documented.
    - An experienced project manager will be assigned to prepare and execute the project plan. This will include overall project progress tracking against the plan and making any adjustments required based on project needs in order to complete project as planned. Regular project timeline and progress updates and budget tracking will be provided as required by the Ak-Chin grant office and the Pinal County Sponsor.

D. Budget. Provide a budget, including justification, that supports the request in the Application. Provide an estimated timeline for when funds will be expended.

Description	Cost Details	Cost	Expenditure timing*
Court Surfacing	Materials and labor for concrete repair and prep, Acrylic surfacing with court lines	$ 19,000	January-March 2026

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. PROJECT INFORMATION

Project Name: Gold Canyon Dementia Community Training

Purpose of Grant:

Why is it important to train and educate the community on Dementia: Increased understanding and support – when community members are trained in dementia education, they gain knowledge of the condition and its symptoms. With this knowledge people are less likely to misunderstand or react negatively to common behaviors such as memory loss, confusion, or agitation. This will lead to more compassionate interactions, ensuring people with dementia feel valued and respected.

Promotes safety and independence: Proper training helps community members recognize potential hazards for people with dementia, such as unsafe public spaces, confusing signage, or areas where falls could occur. People with dementia, especially those in the later stages, may wander or become disoriented. By educating the community, residents, and businesses, awareness can be raised to recognize when someone may be lost or confused and how to provide assistance in a way that preserves their dignity and safety.

Reducing Stigma and misunderstanding: Many people still hold misconceptions or negative stereotypes about dementia and its effects. Community wide training helps dispel myths, normalize conversations about dementia, and reduce the stigma that can lead to isolation and discrimination.

Support for Caregivers: Caregivers of people with dementia often experience high levels of stress and burnout. A community trained in dementia education can offer practical support and emotional reassurance to caregivers by providing them with more understanding and tangible help when they need it. A trained community can offer companionship, practical help, and emotional encouragement, alleviating some of the pressure caregivers face.

Improved Access to Services: When community members understand dementia, they are more likely to engage with local healthcare professionals and services in a way that effective. Trained businesses, public service organizations, and other institutions can better adapt their offerings to meet the needs of individuals with dementia, ensuring access to services and facilities that might otherwise be challenging for them to navigate.

Enhancing Community Engagement and Inclusion: Education about dementia promotes the inclusion of people with dementia in community events, social gatherings, and pubic spaces.

Support for Early Detection and Diagnosis: When community members are trained in dementia, they are better equipped to spot early warning signs in friends, family, or neighbors. Early diagnosis and intervene can lead to better management of the disease and improved quality of life.

Positive Impact on Local Economy: By training local businesses and service providers to be dementia-friendly, they become better equipped to meet the needs of individuals with dementia and their families. Dementia-friendly initiative can also attract tourist who are looking for supportive environment for their loved ones with dementia.

Building a Legacy of Compassionate Care: A community that is educated about dementia contributes to a long-term cultural shift where people view dementia as a shared social responsibility. When schools, local organizations, and families engage with dementia education, it sets an example for future generations, ensuring that future leaders, caregivers, and citizens are well prepared to continue supporting people with dementia.

Personal Fulfillment and Community Strength: Learning about dementia can create a sense of shared purpose and solidarity within the community.

Target Population: The GCCI target population of Gold Canyon's residents, according to the 2020 census, is 11,404. Residents are primarily retired; however, many of the master-planned communities within the planning area have working families. Census data (2020) indicates a median age of 65.2; a poverty rate of 9.2%; a median household income of $75,518, and an employed population of 3,521. Our primary audience include individuals living with dementia, their family members, friends and community members interest in learning more about dementia care and supporting those affected.

2025 Alzheimer's Disease Facts and Figures:

- One in Three older adults die with Alzheimer's disease which has increased by 142%
- Nearly 12 million Americans provide unpaid care for people with Alzheimer's or dementia
- The lifetime risk for Alzheimer's at age 45 is: one in five (women) and one in ten (men)

Project Goals and Objectives: The vehicle to conduct community training is through events called – Memory Café. The Memory Café will provide a welcoming, supportive environment for people with memory loss and their caregivers. It will offer opportunities for social interaction, cognitive stimulation, emotion support, and community building in a relaxed, nonjudgemental setting. The goals for of the Memory Café are:

- To create a safe, inclusive space for people living with dementia and their caregivers
- To reduce isolation and improve mental well-being through social interaction and fun activities.
- To offer caregivers emotional support, respite, and useful resources
- To build awareness about dementia and foster a dementia-friendly community.

Program Structure and Activities:

- Frequency and Duration
    - Monthly or bi-weekly events
    - One and ½ to two hours per session, with flexibility to adjust depending on participant needs.
- Types of Activities
    - Music Therapy – play familiar songs, encourage singing, and provide instrument for music sessions.
    - Memory Games – Simple enjoyable games like trivia or memory cards that encourage cognitive stimulation
    - Art and Craft Activities – Simple hands-on activities like painting, making collages, or working with clay.
    - Guest Speakers and Presentations – Invite experts to speak about dementia care, coping strategies, or other related topics.
    - Physical Movement: Light seated exercises or stretching to engage the body.
    - Social Time – Time for free conversation, building connections, and forming friendships.
    - Refreshments – Provide light snacks and beverages to make the environment more welcoming and social.
- Staffing
    - Program Coordinator – oversee the café, ensure smooth operations, and liaise with volunteers, community members, and partners.
    - Facilitators – professionals or trained individuals to guide the activities mentioned above.
    - Volunteers – friendly volunteers to assist with activities, help with setup/cleanup, and offer companionship to participants.
- Training – volunteers and staff should receive training in dementia awareness and how to engage with individuals with dementia. Partnering with local dementia organizations for training.
- Evaluation Methods – After each session, provide participants and caregivers with a short survey to gather feedback on activities, environment, and overall experiences. Regularly check in with caregivers to ensure the Memory Café is meeting their needs and addressing their concerns.

Contact person/title: Cindy Campton, Director/President

Email address: ccampton@yahoo.com

Address: 288 W Smoketree St., Apache Junction, AZ 85120

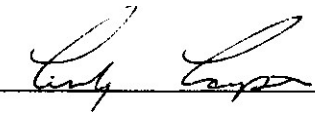
Project name: Restoring Power for Safety, Education, and Equine Care at Good Shepherd Horse Rescue and Learning Center

Amount being requested: $60,000

Project summary: Good Shepherd Horse Rescue and Learning Center, a 501(c)(3) nonprofit based in Pinal County, Arizona, is requesting funding to restore safe and reliable electrical service to the east side of its property. This area—home to our barn, round pen, and horse turnouts—lost power after the main electrical pedestal was deemed a life-threatening hazard and disconnected by Salt River Project (SRP).

The absence of electricity has severely impacted operations, making essential tasks like evening feeding and emergency care hazardous and limiting the ability to offer equine-assisted

programs during cooler evening hours. It has also prevented the use of fans needed to protect vulnerable senior horses and volunteers from Arizona's extreme heat.



This project will install a new electrical pedestal, trench and lay conduit, and add weather-resistant lighting and fans to critical areas. Restoring power will enhance safety, expand programming, and support the health and comfort of 29 rescued horses, 10–15 daily volunteers, and over 150 annual clinic participants—including underserved youth and families from Pinal and Maricopa counties.

The project is ready to launch with the support of in-kind partners providing equipment and labor. It will be completed within 3–4 months and sustained through our annual operating budget. This grant is a one-time request and represents a foundational investment in the future of our rescue and learning center.

Beneficiaries: The primary beneficiaries of the electric restoration project at Good Shepherd Horse Rescue and Learning Center include both equine and human populations. Currently, 29 rescued horses rely on the facility for daily care, many of whom are seniors or have medical needs that require consistent monitoring and climate support—both of which are compromised without power. Additionally, 10–15 volunteers work on-site daily, often in early morning or evening hours when lighting is critical for safety. The restored power will also directly benefit over 150 individuals annually who participate in equine-assisted learning clinics, including underserved youth, families, and individuals seeking healing and confidence-building. With reliable electricity, the center can expand evening programming, increase safety, and enhance comfort for our equine residents and all humans who work and learn at the facility.

Supervisor District: District 5, Jeff Serdy

The undersigns hereby certifies they have read and comply with the responsibilities set forth in the PINAL COUNTY TRIBAL GAMING GRANT PROGRAM Request for fiscal agent/pass through support documentation.

Ak-Chin Indian Community Grant Application 2025

Project Title: Restoring Power for Safety, Education, and Equine Care at Good Shepherd Horse Rescue and Learning Center

Background

Founded in 2011, Good Shepherd Healing Ministries Horse Rescue was built on the belief in the healing power of the human-horse connection. After the passing of its founder in 2023, the rescue faced over $90,000 in critical needs, including veterinary treatments and code violations, with aging infrastructure and 64 horses—many seniors—still in care.

Despite these challenges, a renewed team of directors, volunteers, and board members came together to revitalize the mission. Now operating as **G**ood Shepherd Horse Rescue and Learning Center, the organization is 100% volunteer-run and maintains its 501(c)(3) nonprofit status. It rescues and rehabilitates equines and delivers equine-assisted programs to individuals and families from diverse backgrounds. Programs emphasize respect-based horsemanship, emotional wellness, and clear communication through the horse-human bond.

Our mission is twofold:

To rescue, restore, and find forever homes for equines in need, and to offer transformative equine-assisted programs for individuals and families from diverse backgrounds.

We are committed to expanding our programs to reach even more participants, teaching respect-based horsemanship and fostering emotional growth through equine interaction. We focus on clear communication, mutual trust, and learning the subtle language of the horse.

Project Description:

When Good Shepherd Horse Rescue and Learning Center underwent leadership transition, we inherited a property in critical condition. At the time of takeover, over eleven homeless individuals were living on-site in buildings that were eventually condemed. During this period, the main electrical pedestal on the east side of the property was severely damaged. Upon inspection, a licensed electrician determined that the condition of the pedestal posed an immediate danger to human life. As a result, Salt River Project (SRP) was forced to shut off power to the affected area to prevent potential electrocution or fire.

This has left a large portion of our property—including the barn, round pen, and turnouts—without electricity. Essential tasks such as evening feeding, emergency care, and night checks must now be performed with headlamps, compromising the safety of our staff, volunteers, and horses. The absence of lighting also limits our ability to utilize the round pen during the cooler evening hours in Arizona's hot summers, reducing training opportunities and community programming, including horsemanship instruction. The lack of power further prevents us from installing fans to help keep our senior horses cool.

We are seeking funding to restore safe and reliable electrical service from the street to the east side of the property. This project includes replacing the damaged power pedestal, trenching and laying new conduit, and installing lighting and fans in key work and training areas. Restoring power will dramatically improve operational safety, extend program availability into evening hours, and ensure we can provide consistent, compassionate care for our rescued horses. With electrical service restored, we can continue to grow our equine-assisted learning programs and community outreach while maintaining the health and security of both our equine residents and human caretakers.

Priority Areas

The Restoring Power for Safety, Education, and Equine Care project at Good Shepherd Horse Rescue and Learning Center directly supports key areas of **Education**, **Health**, and **Community Development.** Restoring reliable power enables us to continue offering life-enriching educational programs, including horsemanship, equine-assisted learning, and vocational training, in a safe and consistent manner. From a health perspective, access to electricity is essential not only for the well-being of the horses—many of whom arrive in critical condition—but also for the safety and comfort of the humans who care for them. Volunteers, staff, and program participants rely on climate-controlled spaces, cool drinking water**,** and adequate lighting to prevent heat-related illness, dehydration, and injury during ranch activities, especially in Arizona's extreme climate. Furthermore, having consistent power supports community development by allowing us to host inclusive events, clinics, and family programs that bring people together and foster growth, healing, and connection. In this way, restoring power is a foundational step in fulfilling our mission and serving both the animals and the people who benefit from our work.

Identify the target population that will be served by the Project.

The target population served by this project includes both equine and human beneficiaries. Currently, 29 rescued horses reside at Good Shepherd Horse Rescue and Learning Center. These animals depend on consistent, compassionate care. Restoring power is essential for maintaining their safety, health, and ongoing rehabilitation.

Each day, 10–15 volunteers contribute their time to care for the horses, clean facilities, and assist with programs—often in low-light conditions where proper illumination is a safety necessity. Recently, Good Shepherd hosted 30 equine-assisted learning clinics, averaging 5 participants per clinic, including 5 clinics dedicated to youth groups. These clinics provide opportunities for healing, personal growth, and learning through structured interaction with horses.

Looking ahead, we have already scheduled additional clinics for the upcoming fall and are actively planning to offer evening classes this summer—but the feasibility of summer evening sessions depends entirely on our ability to restore power and install lighting in key areas. Good Shepherd is based in Pinal County, Arizona, but our rescue outreach extends statewide, and we regularly draw participants from both Pinal and Maricopa counties. We are also building

relationships with schools to introduce more students to service learning opportunities through hands-on experience with horses and humane care education.
This project will significantly improve our ability to serve this diverse and growing population safely and effectively—day or night, year-round.

Project Goal:
To restore and modernize the electrical infrastructure on the east side of the Good Shepherd property to ensure safety, improve horse care, and expand our capacity to offer educational and equine-assisted programs—particularly during evening hours.
Objectives:

- Install a new electrical pedestal to replace the one that was previously removed due to severe damage and safety concerns.
- Trench and install new underground conduit and wiring from the SRP power source to the east side of the property.
- Install energy-efficient lighting in critical areas including the barn, round pen, and turnout spaces.
- Install outdoor/barn fans to help cool horses and volunteers alike. As well as securing quality feed for the horses.
- Enable safe and extended hours for equine care and programming, including planned evening classes and summer clinics.

Plan to Meet Goals:

- Hire a licensed electrician to design and implement a safe, code-compliant electrical system.
- Coordinate with Salt River Project (SRP) to inspect and activate the new electrical service.
- Install durable, weather-resistant lighting in all key operational and training areas.
- Install durable, weather-resistant fans in key areas such as the barn and shade structure areas.
- Conduct testing and safety checks upon completion.
- Train staff and volunteers on usage and safety protocols for the new infrastructure.

This plan will ensure that both our rescue operations and community programs can be conducted safely and effectively—especially during early mornings, late evenings, and throughout the hot Arizona summer when cooler evening hours are essential for both horses and participants.

Provide a timetable for implementation of the Project.

- **Month 1:** Finalize scope, hire licensed electrician, schedule SRP inspection
- **Month 2:** Trench and lay conduit; install new pedestal and wiring
- **Month 3:** Install lighting and fans; complete inspections
- **Month 4:** Launch restored system; train staff and volunteers; begin evening sessions

Identify current funding sources

This project has no current funding**.** This grant request is a one-time-only ask from the Ak-Chin Indian Community. Once complete, electrical system maintenance and utility expenses will be included in Good Shepherd's operating budget, supported by donations and sponsorships.

Identify other organizations or partners

Several key partners are supporting this project through in-kind contributions:

- **All American Rentals** has generously agreed to partner with us by providing free or discounted equipment to assist with trenching and site preparation.
- **Bill Patterson, LLC** is offering in-kind labor support to run large equipment, contributing qualified employees to assist with installation and concrete work. Their involvement will help reduce labor costs and ensure a safe and timely installation of the new electrical infrastructure.

These partnerships will significantly reduce project costs and contribute to the successful completion of the work.

Define the Project as a new or continuing project or a purchase.

This is a **new project**, not a purchase or expansion of an existing system. Once installed, the electrical infrastructure will be permanent, with routine maintenance handled through the general operating budget. supported by ongoing donations, sponsorships, and community fundraising efforts. If partial funding is awarded, Good Shepherd is committed to securing funding to finish the project.

If the Applicant organization has requested funding from any other Arizona tribe, please list:

a. Pending requests made within the last eighteen (18) months

- No requests have been made to any other Arizona tribe for this project.

b. Funded requests made in the last five (5) years

- In 2024, the Ak-Chin Indian Community awarded $50,000 to Good Shepherd to support the installation of shaded turnouts and stalls, which provided critical relief during the extreme summer heat. These funds also helped us purchase high-quality horse feed. Although increased material costs prevented us from fully covering a training arena, we successfully partially covered all turnouts and several stalls. This significantly improved both horse care and training environments. Volunteers have shade to groom and practice groundwork training with our horses. Post-project surveys showed 100% of our volunteers and clinic participants reported improved interactions and overall conditions thanks to this support.
- In 2023, Ak-Chin awarded $7,000 to support our youth programs by helping to cover the cost of horse feed, ensuring we could continue offering no-cost or low-cost equine-assisted classes to underserved youth in the region.

Project Progress Reporting

To ensure accountability, we will provide:

- **Photo documentation** (before, during, and after installation)
- **Volunteer and participant surveys** to assess safety and access improvements
- **Financial tracking** including receipts, invoices, and budget alignment

These tools will demonstrate tangible impact on horse care and community engagement.

Dear Taxpayer:

We're responding to your request dated Feb. 24, 2021, about your tax-exempt status.

We issued you a determination letter in November 2018, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(03).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period:

- Form 990, Return of Organization Exempt From Income Tax
- Form 990EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990-EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

AK-CHIN INDIAN COMMUNITY 2025 Prop 202 - 12% GRANT PROGRAM PROPOSAL

Grant Proposal: Fresh Pick Project

Submitted by: *Apache Junction Reach Out, Inc. DBA, the* ***Superstition Community Food Bank***
Date: May 8, 2025

Grant Summary

Apache Junction Reach Out, Inc. DBA, the Superstition Community Food Bank, seeks **$15,000 in funding** to support the ***Fresh Pick Project***, an initiative aimed at increasing access to fresh fruits and vegetables for individuals and families in need. Our food bank primarily relies on generous food drive donations, which often consist of highly processed, shelf-stable items high in sodium and preservatives. While these products serve an important role in food security, they lack the vital nutrients necessary for maintaining a healthy diet.

Inspired by the message shared by ***Jonathan Nez of the Navajo Nation*** at the ***2025 Arizona Food Bank Network Conference*** that **"Food is Medicine,"** we recognize that providing fresh produce will empower our clients to make healthier food choices and prepare nutritious meals. This initiative will allow us to improve the quality of food distributed while supporting community health, wellness, and insecurities.

Statement of Need

The Superstition Community Food Bank plays a critical role in addressing food insecurity, serving **44,301 individuals and 16,445 households** in 2024 alone. Our organization is uniquely situated in **Pinal County** yet serves both **Maricopa and Pinal County residents** due to its location within the Phoenix-Metropolitan area.

Food insecurity disproportionately affects low-income households, where access to fresh produce is often limited. Poor nutrition contributes to chronic health conditions such as *diabetes, obesity,* and *heart disease*. By introducing fresh fruits and vegetables into our food distribution efforts, we aim to **combat nutritional deficiencies and promote healthier eating habits** within the communities we serve.

We have established strong partnerships with the *City of Apache Junction*, local schools, and organizations such as *CAHRA*, *CAAFA*, and *A New Leaf*, allowing us to reach a broad audience. This initiative will further enhance our ability to provide **fresh, nutritious food options** to individuals and families in **Apache Junction, Gilbert, Gold Canyon, Mesa, San Tan Valley, Superior, Queen Creek, and Queen Valley**.

Project Description

- **Objectives:**
  - Increase access to fresh produce for food-insecure households.
  - Educate recipients on the nutritional benefits of fresh food and meal preparation.
  - Strengthen partnerships with local farmers, grocers, and food distributors.
- **Methods:**
  - Develop partnerships with growers, wholesalers, and local markets to source fresh produce.
  - **Integrate fresh food options into existing distribution programs.**
  - **Provide educational resources to encourage healthy meal preparation.**
- **Timeline:**
  - **Phase 1:** Secure funding and finalize supplier partnerships (Months 1-3).
  - **Phase 2:** Begin procurement and integrate fresh produce into distribution efforts (Months 4-6).

- **Phase 3:** Monitor progress, provide educational support, and evaluate impact (Months 7+).

Budget
The total cost of the **Fresh Pick Project** is **$50,000**, funded through multiple sources.

The requested funding will be allocated as follows:

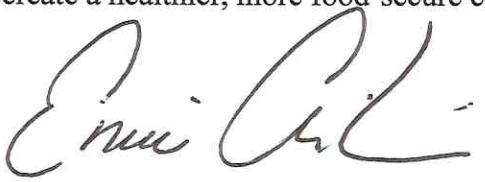
- **Produce Procurement:** $50,000
- **Educational Materials & Outreach:** $2,000 (Covered by Food Bank)
- **Administrative, Storage & Distribution Costs:** $0.00 (Covered by Food Bank)

We know that many qualified organizations are applying for funding, partial funding will also be appreciated, once again, **ALL FUNDING will be spent to purchase produce.**

Funding Source	Contribution Amount
Ak-Chin Indian Community	**$15,000**
City of Apache Junction *(secured for FY 25-26)*	**$20,000**
Tohono O'odham Nation	**$15,000**
Superstition Community Food Bank *(if partial funding is granted, the food bank will cover the remaining balance, plus all administration & distribution costs)*	**Unknown**

*We have also applied for $15,000 from the ***Tohono O'odham Nation's* 12% Gaming Grant.**

We are seeking **$15,000 in additional funding** from the ***Ak-Chin Indian Community*** to complete our budget for the ***Fresh Pick Projects*** initial launch and first year.



We have applied for the ***Gila River Indian Community*** 12% Gaming Grant in the past but have never been awarded any funding.

Evaluation & Reporting
We will track the program's success through quarterly reporting:

- **The number of households served fresh produce.**
- **The quantity and variety of produce distributed.**
- **Regular reporting to funders detailing challenges, successes, client feedback, spending and improvements.**

Conclusion
The ***Fresh Pick Project*** represents a transformational shift in our food bank's approach, prioritizing health and wellness alongside food security. By providing fresh, nutritious produce, we aim to **improve lives and promote lasting health benefits** for those facing food insecurity.

We sincerely appreciate your consideration and look forward to partnering in this initiative to create a healthier, more food-secure community.

Dear Sir or Madam:

We're responding to your request dated March 05, 2025, about your tax-exempt status.

We issued you a determination letter in November 1988, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax-deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period.

- Form 990, Return of Organization Exempt From Income Tax
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Thank you for your cooperation.

Sincerely,

Proposal for Ak-Chin Community 2025 Prop 202-12% Contribution Grant

A. Purpose of Grant

1. Description of proposed project including needs/issues the project will address.

The Pinal County Family Advocacy Centers (FAC) were created to provide an array of services to crime victims in one private, child and family friendly, victim-centered location. There are currently three centers in San Tan Valley, Eloy and the City of Maricopa and one satellite center in the rural community of Oracle. The centers provide services to both children and adults for concerns of abuse and interpersonal violence. Children are seen at the FAC as a part of a law enforcement and/or Department of Child Safety (DCS) investigation after an allegation of child abuse. Child witnesses to abuse or violence also receive services. Those services include Forensic Medical Exams, Forensic Interviews and Victim Advocacy. Adult victims are seen at the FACs for concerns of acute sexual assault as well as other interpersonal violence, specifically strangulation. Adults may be referred for sexual assault or strangulation exams by law enforcement or may self-refer for sexual assault exams if they choose not to report to law enforcement. Adult victims receive medical forensic examinations and victim advocacy. Some adults may also receive forensic interviews. It is vitally important that Forensic Nurse Examiners (FNE) have all the tools needed to provide a thorough exam, collect and document evidence and document the exam and any findings. At present, the Pinal County Medical Forensics Program utilizes Forensic Electronic Medical Record (FEMR) to document all exams on both adults and children. National Best Practice and Standards for Sexual Assault, Domestic Violence and Strangulation cases have been updated since the last update to the FEMR system and it is important that charting remain up to date with national standards. The medical documentation is used by medical professionals on the team to provide the best medical care for the patient. Law enforcement and the attorneys need this documentation as evidence for charging of a crime and in order to prosecute and seek justice for the victim. Prosecution in turn serves to protect the community and the victim from further victimization. Unfortunately, updates to the medical record system are costly and funding is needed to cover those costs. It is the goal of the Pinal County Family Advocacy Centers to provide the best standard of medical care to victims of crime in Pinal County, including and up to date, thorough and accurate medical record. This project seeks to fund the necessary updates to the FEMR system to bring it up to date with current National Standards of best practice.

2. Identify the population that will be served by the project.

First and foremost, this project benefits victims of crime in Pinal County. An up to date, accurate medical record can be obtained by the victim as well as provided to law enforcement and prosecution in furtherance of justice for the victim. These records are used for court proceedings, court testimony, and for the overall medical care of the victim. Therefore, not only the victim, but law enforcement and prosecution also benefit from the accuracy of the records. And finally, not only the victim but the citizens of the community receive the benefit of increased security and safety when a perpetrator is brought to justice, due in part, to accurate medical records.

3. Project Goals and Objectives

Goal 1: To support victims and community safety through an up to date, thorough and accurate medical record of forensic medical examinations that is consistent with industry best practices.

Objective: Pinal County Public Health will utilize grant funding to support needed updates to the current medical record system utilized by the Medical Forensic team.

Implementation plan: Upon notification of award, Pinal County Public Health will direct FEMR, the current medical record provider, to make the requested updates to the medical record system as prescribed in the attached estimate. Payment will be made upon completion of the project.

4. Project implementation timetable

Date	**Task**
January 2026	Board of Supervisors approval and signature of grant agreement.
February 2026	Valley Technology Solutions to begin working on updates of FeMR medical record system
November 2026	Project completion and payment made
December 2026	Submission of any required final project reports

B. Resources

1. Identify current funding sources for the project.

There are no other current funding sources for this project.

2. Identify other organizations or partners that are participating or contributing to this Project.

While the Pinal County Family Advocacy centers work with many multi-disciplinary partners and outside organizations, none are participating or contributing to this specific project.

3. Define the project as a new or continuing project or a purchase.

This project is for a new, one-time purchase of updates to the existing medical record software and medical record storage. Once the updates are made, no further costs are required to maintain the update. Public Health pays a yearly fee for the medical record service and will continue to do so.

4. If the applicant organization has requested funding from any other Arizona tribe, please list:

C. Reports. Explain how your organization will account for and manage the funding if selected.

Our organization will issue a Cost Center specific to these grant funds and utilize our County financial system to track, monitor and report all revenue and expenditures related to this grant. We will perform a monthly reconciliation of the Fund Balance, and work closely with program staff to ensure that all expenditures are reported accurately. Please see attachment 2 for Pinal County policies governing grant funding.

D. Budget.

Chart type	**Quoted cost for changes**
Child Abuse Exam	$7500.00
Pediatric Sexual Assault	$8500.00
Adolescent Sexual Assault	$2250.00
Adult Sexual Assault	$625.00
Interpersonal Violence	$3750.00
TOTAL AMOUNT REQUESTED	**$22,625.00**

A quote was obtained from FEMR and is attached (Attachment 1) to this grant application. The quote details the needed changes and the cost for the change by chart type as listed above. The total cost for this project is $22,625.00. If awarded, work would be authorized upon Board of Supervisors authorization of grant agreement. The organization governing the FEMR system has a 30 to 60 day backlog to being the work and the work would take approximately 90 days. Therefore, we estimate that the project would be completed in November of 2026 with payment made shortly thereafter. Grant reporting will then be completed by the end of 2026.

Dept. Name: Economic and Workforce Development
Director: Joel Millman

BRIEF DESCRIPTION OF AGENDA ITEM AND REQUESTED BOARD ACTION:
Discussion/approval/disapproval of Data Sharing Agreement (DSA) No. 235533 between the Pinal County Board of Supervisors and the Arizona Department of Economic Security (DES)/Division of Employment and Rehabilitation Services (DERS). This DSA must be amended to reflect the changes to how and where designated ARIZONA@WORK Pinal County staff and contracted partners access Unemployment Insurance (UI) data. The current application, hosted by the Arizona Department of Economic Security, is the General Unemployment Insurance Development Effort (GUIDE) application. GUIDE is being replaced with a new, modern unemployment benefits solution called the Comprehensive Arizona Claims Tracking and Unemployment Insurance Support System (CACTUS). The implementation of the new CACTUS system is scheduled to go live on August 3, 2025. The data-sharing agreement amendment needs to be in place before CACTUS is active. (Joel Millman)

BRIEF DESCRIPTION OF THE FISCAL CONSIDERATIONS AND/OR EXPECTED FISCAL IMPACT OF THIS AGENDA ITEM:

INTERGOVERNMENTAL AGREEMENT BETWEEN
PINAL COUNTY
AND
GILA COUNTY
FOR MEDICAL EXAMINER SERVICES

This Intergovernmental Agreement (the "**Agreement**") is entered into this 2nd day of July, 2025 by and between **PINAL COUNTY**, a political subdivision of the State of Arizona on behalf of the Pinal County Medical Examiner's Office ("**Pinal**") and **GILA COUNTY**, a political subdivision of the State of Arizona ("**Gila**") for the provision and acquisition of medical examiner services from the Pinal County Medical Examiner's Office ("**PCMEO**"). **Pinal** and **Gila** are sometimes referred to herein individually as a "**Party**" and collectively as the "**Parties**".

RECITALS

WHEREAS, Pinal and Gila may contract for services and enter into agreements with one another for joint or cooperative action pursuant to A.R.S. §§ 11-951 *et seq.*;

WHEREAS, pursuant to by A.R.S. §§ 11-591 *et seq.* Pinal has established the PCMEO, which includes personnel qualified and appointed to perform the duties of the Office;

WHEREAS, Gila has determined that the appointment of a full-time and full-service Gila County Medical Examiner staff is not practical, and therefore desires to utilize the PCMEO for these services on an as-needed / as-requested basis for Gila deaths that would otherwise satisfy A.R.S. § 11-593, that occur within the geographical boundaries and statutory jurisdiction of Gila County;

WHEREAS, the Parties desire to efficiently utilize available resources in providing necessary medical examiner services and it is economically efficient for the Parties to provide/acquire medical examiner services on this basis; and

WHEREAS, Pinal and Gila desire to enter into the Agreement whereby the physician(s) employed by Pinal as a medical examiner will provide Pinal medical examiner services for and on behalf of the Gila.

NOW THEREFORE, Pinal and Gila, pursuant to the above, and in consideration of the matters and things hereinafter set forth, do mutually agree as follows:

AGREEMENT

1. **PURPOSE AND INTENT**
   The purpose of this Agreement is to set forth the responsibilities of the parties for the provision of Medical Examiner services by Pinal to Gila, and to address legal and administrative matters among the parties.

2. **DEFINITIONS.** Terms defined and/or utilized in A.R.S. §§ 11-591 *et seq.* carry the same use and meaning when used in this Agreement, unless expressly otherwise provided in this Agreement.
   A. **"Gila County Death"** as herein discussed shall mean deaths and/or decedents falling within Gila County's jurisdiction as provided under governing law (I.E. A.R.S. §§ 11-591 *et seq.*). Notwithstanding the preceding example, the determination of whether a particular incident or investigation is considered a Gila County Death shall be made by the proper authorities on a case-by-case basis.

3. **TERM, TERMINATION, AND RENEWAL**

A. Unless terminated as otherwise provided in the Agreement, this Agreement shall become effective on the 1nd day of July, 2025 and shall remain in effect until the 30th day of June, 2026.

B. Either Party may terminate this Agreement by providing sixty (60) days advance written notice of termination to the other Party.

4. C. Either Party to this Agreement may request a renewal of this Agreement, for subsequent one-year term(s) by providing sixty (60) days' advance notice prior to the date of expiration of that Party's intent to extend. Any renewal of this Agreement must be via a written mutually agreed upon and signed Amendment to this Agreement. Notwithstanding the preceding, unless terminated early as provided above, this Agreement may be automatically renewed for up to three (3) subsequent one-year terms. **MUTUAL OBLIGATIONS**

A. Under this Agreement **Pinal** agrees to:

1. Provide the services of PCMEO to Gila according to the terms in the Cost Schedule (attached hereto as **Exhibit "A"**) and pursuant to A.R.S. §§ 11-591 *et seq.*
2. Except for services provided by fellows, residents, or students training under the supervision of Pinal's staff, assure that physicians performing under this Agreement are performed by Pinal staff qualified pursuant to A.R.S. §§ 11-591 *et seq.*
3. Fully comply with all applicable provisions of law and other rules and regulations of any and all governmental, accrediting and regulatory authorities relating to the licensure and regulation of physicians.
4. Provide 24-hour staff availability for consultation with the Gila designated personnel.
5. Perform postmortem examinations in a timely fashion.
6. When necessary, provide forensic pathologist or otherwise qualified staff to testify in court on investigations (or portions thereof) performed by Pinal.
7. Some or all of the following service tasks may be performed, based upon the Pinal County Medical Examiner's determination of need for each case:
    - **a.** Investigative Services, under the sole discretion of Pinal when deemed necessary and/or otherwise appropriate by Pinal. Investigative Services may include, for example: initial response to call/scene; photographic, electronic, and/or written documentation of scene; interview necessary parties/witnesses; evidence collection; preliminary examination of decedent; preparation of decedent for transport; and transportation of decedent.

      It should be noted that Pinal may decline performance of on-scene investigative services in cases that *do not* involve: In-Custody Deaths, Officer Involved Shootings, or are otherwise deemed High Profile under the circumstances. In the event that Pinal declines performance of on-scene investigative duties, the local law enforcement agency that has assumed primary jurisdiction will be responsible for obtaining all pertinent scene and investigative findings and will be required to report said findings telephonically to Pinal County Medical Examiner staff prior to removal of the body from the scene.
    - **b.** Prepare body for examination.
    - **c.** Take photographs of decedent.
    - **d.** Take fingerprints of the decedent.
    - **e.** Take x-rays of decedent, if necessary.
    - **f.** Prepare microscopic slides, if necessary.
    - **g.** Prepare documents required for court testimony.
    - **h.** Collect evidence, if necessary.

i. Obtain specimens for possible toxicology testing.
j. Provide a complete and detailed examination report for each individual case.

8. Maintain secure records containing the appropriate professional and supportive information and documentation pertaining to individual cases. Each case may contain, but is not limited to, the following information:
   a. Communications with law enforcement or other agencies;
   b. Any autopsy or examination report;
   c. Microscopic slides;
   d. Photographs of the decedent, if any;
   e. Fingerprints of the decedent;
   f. X-rays of the decedent, if any;
   g. Past medical history of decedent, if any;
   h. Narrative entries of any other informational aspects concerning decedent, if any;
   i. Record of electronically signed death certificate.
9. Provide copies of attendant reports and/or other supporting documentation to Gila, within 90 days after completion of each investigation performed for the Gila. Gila acknowledges and agrees that each investigation is unique and therefore investigation completion times will vary depending on the circumstances of each investigation.
10. Provide billing/invoice documentation to Gila as necessary in accordance with **Exhibit "A"**.
11. Perform other duties related to this Agreement, that may include, but are not necessarily limited to, the following:
    a. Signing death certificates for cremation authorization;
    b. Authorize anatomical gifts;
    c. Provide information to family members, the public and other service agencies as authorized by law including, when appropriate, to Consulates and other agencies that track or maintain databases regarding missing persons.

B. Under this Agreement **Gila** agrees to:

1. Be primarily responsible for scene management, subject to any necessary direction provided by PCMEO.
2. Timely report deaths to Pinal for which medical examiner services will be requested. Death reports should be made telephonically to the PCMEO prior to removal of the body from the scene and should include sufficient detail needed to assist the assigned pathologist with the determination of cause and manner of death
3. Be primarily responsible for on-scene investigation of cases including, but not limited to, scene/decedent photography and collection of evidence, subject to any necessary direction provided by PCMEO. Photographs should be taken prior to removal of the decedent and prior to alteration of the scene.
4. Timely provide photographs to PCMEO prior to any post-mortem examination via electronic transmission or CD.
5. Make any and all necessary evidence available to PCMEO upon request.
6. Cooperate with Pinal in all practical matters necessary to effectuate the purpose and intent of this Agreement, including, but not limited to: facilitating access to scenes, locations and property; and collection of remains and other necessary and appropriate items and evidence.

7. Provide and maintain scene access, perimeter and security for Pinal personnel and Pinal property for each Pinal ME services incident/event located within the boundaries of Gila County.
8. Pay Pinal for all services arising out of this Agreement in accordance with **Exhibit "A"**.

C. Gila acknowledges and agrees that Pinal will provide and perform medical examiner services according to applicable Arizona laws and regulations, Pinal County Policies and **Exhibit "A"**.

5. BILLING AND PAYMENT

Billing, invoicing and payment of costs arising out of this Agreement shall be administered according to the schedule provided in **Exhibit "A"**.

6. SUPERVISION, EQUIPMENT AND MATERIALS

No employee, agent, or servant of a Party shall be deemed to be an employee, agent or servant of the other Party. Each Party will be solely and entirely responsible for its acts and the acts of its employees, agents, servants, subcontractors, and volunteers during the performance of this Agreement. Each Party will have total responsibility for all salaries, wages, bonuses, retirement withholdings, worker's compensation, occupational disease compensation, unemployment compensation, other employment compensation, other employee benefits, and all employer's taxes and premiums concerning the persons who are supplied by that Party in the performance of this Agreement, and each Party agrees to hold the other Party harmless from any liability thereof.

Pinal shall have sole supervisory authority over Pinal personnel, operations, services, property, facilities and materials; and Gila shall have sole supervisory authority over Gila personnel, operations and property.

The Parties agree to avoid using the other Party's materials and/or equipment for purposes not directly associated with the purpose and intent of this Agreement without the prior express written consent from the Party to whom the equipment and/or materials belong. However, this provision shall not be construed to prohibit any use of materials or equipment of another Party that is merely nominal, incidental, or on an emergency basis.

7. RECORDS

The Parties acknowledge and agree that the Pinal shall provide Gila with the attendant records of Gila County Death investigations and that requests for such records shall be referred to Gila, to be administered by Gila. Notwithstanding this, Gila acknowledges and agrees that the Pinal shall administer records in Pinal's possession according to all attendant laws, regulations, rules and policies respectively applicable to Pinal records.

8. OPEN COMMUNICATIONS

Pinal and Gila shall maintain open communications between each Party's designated point of contact ["POC"] (listed in **Paragraph 11.A** below) to ensure the agreed upon performances are provided and maintained throughout the term of this agreement. Parties shall maintain open communication regarding needs arising out of the Agreement.

9. INSURANCE

Each Party acknowledges and affirms that it has appropriate and adequate insurance coverage for its official operations, duties and activities, and that it will maintain such coverage, at its own expense, for the duration of this Agreement.

10. INDEMNIFICATION

A. To the maximum extent permitted by law, each Party (as "Indemnitor") agrees to indemnify, defend and hold harmless the other Party, its officers, officials, agents, employees, or volunteers from and against any and all claims, losses, liability, costs or expenses (including

reasonable attorney's fees) (hereinafter collectively referred to as "Claims") arising out of actions taken in performance of this IGA to the extent that such Claims are caused by the acts, omissions, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. If a Claim or Claims by third parties becomes subject to this Section, the parties to this IGA that are the subject of the Claim or Claims shall expeditiously meet to agree upon a common and mutual defense pursuant to Subsection (B) below, including proportionate liability and proportionate payment of litigation fees, expenses and damages.

B. The Parties when involved in a Claim or Claims brought by a third-party have a common interest in a coordinated defense in any lawsuit. In the absence of a conflict and to the extent applicable, the Parties agree to have one lawyer jointly represent the defendants in the lawsuit. To the extent applicable, the Parties agree to abide by the Memorandum of Understanding Regarding Joint Defense ("MOU") between the Arizona Counties Insurance Pool ("ACIP") and the Arizona Municipal Risk Retention Pool ("AMRRP"). Each applicable Party acknowledges that it has received a copy of the MOU from either ACIP or AMRRP.

C. The obligations under this Section shall survive the termination of this Agreement.

11. MISCELLANEOUS

A. Notices. All notices to the other Party required under this Agreement shall be in writing and sent to the following personnel:

If to Gila:

B. Authority to Execute. The individuals executing this Agreement on behalf of the Parties hereto represent that they have authority to execute this Agreement on behalf of such parties, and represent that upon execution, this Agreement shall be binding and no further action is or shall be necessary to make the Agreement enforceable in its entirety

C. Modification. This Agreement shall not be modified or extended except by a mutually signed written agreement.

D. Relationship of the Parties. Each Party shall act in its individual capacity and not as an agent, employee, partner, joint venturer, associate, or any other representative capacity of the other party. Each Party shall be solely and entirely responsible for its acts or acts of its agents and employees during the performance of this Agreement. This Agreement shall not be construed to imply authority to perform any tasks, or accept any responsibility, not expressly set forth

herein. This Agreement shall be strictly construed against the creation of a duty or responsibility unless the intention to do so is clearly and unambiguously set forth herein. Nothing contained in this Agreement confers any right to any person or entity not a party to this Agreement.

E. **Waiver.** The failure of either Party to insist in any one or more instances on performance of any of the terms or conditions of this Agreement or to exercise any right or privilege contained herein shall not be considered as thereafter waiving such terms, conditions, rights or privileges, and they shall remain in full force and effect.

F. **Governing Law and Venue.** To the maximum extent possible, terms and conditions of this Agreement shall be governed by and interpreted in accordance with the laws and regulations of the State of Arizona. Any action relating to this Agreement shall be brought in an Arizona court in Pinal County provided that nothing herein shall be interpreted as an express or implied waiver of either party's applicable immunity(ies).

G. **Interparty Dispute Resolution.** If a dispute between the Parties arises out of or relates to this Agreement, and if the dispute cannot be settled through negotiation within sixty (60) days, the Parties agree first to try in good faith to resolve the dispute by mediation before resorting to litigation. The Parties shall mutually agree upon a mediator. Each party agrees to bear its own costs of mediation, and to split the mediator fee. If mediation fails, any claim or action arising out of this Agreement shall be brought in the Pinal County Superior Court in Florence, Arizona.

H. **Non-assignment.** This Agreement has been entered into based upon the personal reputation, expertise and qualifications of the Parties. Neither Party shall assign its interest in this Agreement, in whole or in part, without the prior written consent of the other Party. Neither Party shall assign any monies due or to become due to it hereunder without the prior written consent of the other Party.

I. **Entire Agreement.** This Agreement represents the entire agreement between the Parties and supersedes all prior negotiations, representations or agreements, either expressed or implied, written or oral. It is mutually understood and agreed that no alteration or variation of the terms and conditions of this Agreement shall be valid unless made in writing and signed by the Parties.

J. **Severability.** If any part, term or provision of this Agreement shall be held illegal, unenforceable or in conflict with any law, the validity of the remaining portions and provisions hereof shall not be affected.

K. **Conflicts of Interest.** The provisions of A.R.S. § 38-511 relating to cancellation of contracts due to conflicts of interest shall apply to this Agreement.

L. **Other Duties Imposed by Law.** Nothing in this Agreement shall be construed as relieving the involved public agencies of any obligation or responsibility imposed on it by law.

M. **Compliance with Laws and Policies.** The parties shall comply with all applicable federal, state and local laws, rules, regulations, standards and Executive Orders, without limitation to those designated within this Agreement. Furthermore, the Parties agree to abide by each Party's policies to the extent appropriate and required or permitted by law.

N. **Workers' Compensation.** To the extent applicable by law, each Party shall comply with the notice of A.R.S. § 23-1022(E). For purposes of A.R.S. § 23-1022, each Party shall be considered the primary employer of all personnel currently or hereafter employed by that Party, irrespective of the operations of protocol in place, and said Party shall have the sole

responsibility for the payment of Worker's Compensation benefits or other fringe benefits of said employees

O. **Non-Discrimination and Compliance with Civil Rights.** To the extent applicable by law, the Parties agree to comply with A.R.S. Title 41, Chapter 9 (Civil Rights), Arizona Executive Orders 75-5 and 99-4 and any other federal or state laws relating to equal opportunity and non-discrimination, including the Americans with Disabilities Act.

Likewise, the Parties agree to comply with all provisions and requirements of Arizona Executive Order 2009-09, if applicable, including flow down of all provisions and requirements to any subcontractors. Executive Order 2009-09 supersedes Executive order 99-4 and amends Executive order 75-5, which is hereby incorporated into this contract as if set forth in full herein, and may be viewed and downloaded at the Governor of the State of Arizona's website: http://www.azgovernor.gov/dms/upload/EO_2009_09.pdf.

In the performance of this contract, neither party shall discriminate against any employee, client or any other individual in any way because of that person's age, race, creed, color, religion, sex, disability or national origin.

P. **E-Verify, Records and Audits.** To the extent applicable under A.R.S. § 41-4401, the Parties and their respective subcontractors warrant compliance with all applicable federal immigration laws and regulations that relate to their employees and compliance with the E-verify requirements under A.R.S. § 23-214(A). The Parties ' or a subcontractor's breach of the above-mentioned warranty shall be deemed a material breach of the Agreement and may result in the termination of the Agreement by either party under the terms of this Agreement.

Q. **No Joint Venture.** It is not intended by this Agreement to, and nothing contained in this Agreement shall, be construed to, create any partnership, joint venture or employment relationship between the Parties or create any employer-employee relationship between the Parties' employees. Neither Party shall be liable for any debts, accounts, obligations or other liabilities whatsoever of the other Party, including, but without limitation, the other Party's obligation to withhold Social Security and income taxes for itself or any of its employees.

R. **No Third Party Beneficiaries.** Nothing in this Agreement is intended to create duties or obligations to or rights in third parties not Parties to this Agreement or affect the legal liability of either Party to the Agreement by imposing any standard of care with respect to the maintenance of public facilities different from the standard of care imposed by law.

S. **Headings.** The section headings throughout this Agreement shall not be used in the construction or interpretation hereof as they have no substantive effect and are for convenience only.

T. **Non-Appropriation.** Notwithstanding any other provision in this Agreement, this Agreement may be terminated if for any reason either party does not appropriate sufficient monies for the purpose of maintaining this Agreement. In the event of such cancellation, the canceling party shall have no further obligation other than for payment for services rendered prior to cancellation.

U. **Uncontrollable Events.** No Party shall be considered to be in default in the performance of any obligations under this Agreement (other than obligations of a Party to pay costs and expenses) if failure of performance is due to an uncontrollable event. The term "uncontrollable event" means any cause beyond the control of the Party affected, including but not limited to flood, earthquake, storm, fire, epidemic, war, riot, civil disturbance or disobedience, labor dispute, and action or non-action by or failure to obtain the necessary authorizations or approvals from any governmental agency or authority or the electorate, labor or material

shortage, sabotage and restraint by court order or public authority, that by exercise of due diligence and foresight the Party reasonably could not have been expected to avoid and that by exercise of due diligence it will be unable to overcome. A Party that is rendered unable to fulfill any obligation by reason of an uncontrollable event shall exercise due diligence to remove such inability with all reasonable dispatch

V. Counterparts. This Agreement may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Issuance of Death Certificate only	$147.00
External Examination[2]	$1166.00
Standard Autopsy	$2192.00
Extended Autopsy	$3393.00[3] -
Testimony	To Be Determined on a case-by-case basis[4]

Billing, Invoicing, and Payment. Pinal agrees to send all bills and/or invoices for costs of services arising from this IGA to Gila, according to Section 11.A ("Notices") of the IGA. Bills and invoices for cases in excess of 250/year will be sent as they arise according to the operations of the PCMEO. Gila agrees to send payment in full, in the form, manner and tender deemed acceptable by Pinal, for each bill/invoice to Pinal within no more than 30 days after receipt of such bill/invoice.

NOTE: The above cost estimates are subject to change according to PCMEO's sole discretion.

---

[1] Per the agreement of the Parties, any and all cases reported to the PCMEO under this IGA will be billed at the Per-Case Cost(s) noted above. The type of case (I.E. External, Standard or Extended, Non-Jurisdictional) is determined solely by the PCMEO according to PCMEO's determination of the circumstances and needs of each particular case. Standard laboratory costs are included in the costs above. Special consultations (such as forensic anthropology or odontology) are not included in the costs above and may result in additional costs to be paid by the Community.

[2] Resulting from death investigation services, such as—initial response to call/scene; photographic, electronic, and/or written documentation of scene; interview necessary parties/witnesses; evidence collection; preliminary examination of decedent; preparation of decedent for transport; and transportation of decedent—and the costs thereof are included in External Examination as well as in Standard and Extended Autopsies.

[3] This fee covers up to 10 pathologist hours and includes costs of ancillary testing (including but not limited to histology, special stains, toxicology tests) costs that do not exceed a total of $200.00.

Pathologist time in excess of 10 hours, or any additional time spent in any subsequent legal proceedings (such as attorney interviews or travel to/from court, interviews and/or depositions), as necessitated in any specific case, will be assessed *in addition to* the above-mentioned fee at the rate of $105.00 per hour. The cost of any testing, as necessitated in any specific case, in excess of $200.00 will also be assessed in addition to the above-mentioned fee.

[4] Travel expenses and travel time will also be assessed and billed to Gila.

SUBDIVISION IMPROVEMENT PERFORMANCE BOND

KNOW ALL MEN BY THESE PRESENTS: that we Tri Pointe Homes Arizona 91, LLC, an Arizona Corporation as Principal, and Philadelphia Indemnity Insurance Company, a Pennsylvania Corporation, created, organized and existing under any by virtue of the laws of Pennsylvania and licensed to do business in the State of Arizona, are held and firmly bound unto Pinal County, a political subdivision of the State of Arizona, as Obligee, in the sum of Six Million Four Hundred Sixty Nine Thousand One Hundred Seventy Five and 98/100 Dollars ($6,469,175.98), lawful money of the United States of America, for the payment of which we bind ourselves, our heirs, personal representatives, successors and assigns, jointly and severally, by these presents; and

WHEREAS, the Principal intends to file with Pinal County, Arizona, a plat of a subdivision in Pinal County, more particularly described as Ware Farms Parcel 7 & 8A and endorsed on said plat is the requirement to construct and install public improvements for paving of subdivision streets, curb and gutter, water, sewer, landscaping and concrete, signing and striping and streetlights; and

WHEREAS, provision has been made by law and ordinance whereby the Principal shall provide security to assure complete installation of said improvements in conformance with Pinal County standards and in favor of Pinal County, which shall indemnify said County and secure said County that actual construction of said improvements in conformance with County standards, in the event said Principal shall fail to install said improvements within the specified period of time described below.

NOW, THEREFORE, the condition of this obligation is such that if the Principal shall faithfully complete the construction and installation of said improvements in conformance with County standards within two years from the date of approval of said subdivision plat, then this obligation shall become null and void; otherwise it remains in full force and effect.

The Principal and Surety, jointly and severally agree, that if said Principal fails to construct said improvements as herein required or fails to conform said improvements to Pinal County standards, Surety, with the consent of Obligee, may cause said improvements to be completed or made to conform to Pinal County Standards with Surety continuing to be firmly bound under a continuing obligation for the payment of all necessary costs and expenses or Obligee shall have the right to construct and maintain, or pursuant to public advertisement and receipt and acceptance of bids, cause to be constructed and maintained said subdivision improvements and the Principal and Surety shall be jointly and severally liable hereunder to pay to and indemnify the Obligee upon completion of such construction and maintenance, the cost to the Obligee thereof, including but not limited to engineering, legal and contingent costs and expenses.

The term of this bond shall begin upon the date of filing this subdivision improvement performance bond with Pinal County and shall remain in effect until the completion of the work in conformance with Pinal County standards.

INSTRUCTIONS FOR COMPLETING THIS FORM

This form complies with current California statutes regarding notary wording and, if needed, should be completed and attached to the document. Acknowledgments from other states may be completed for documents being sent to that state so long as the wording does not require the California notary to violate California notary law.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he~~/she/~~they,~~ is /~~are~~) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - Indicate title or type of attached document, number of pages and date.
  - Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document with a staple.

RESOLUTION NO. _____

A RESOLUTION OF THE PINAL COUNTY, ARIZONA, BOARD OF SUPERVISORS RELEASING THE TEN PERCENT GUARANTEE BOND (MAINTENANCE BOND NO. 016213701) IN CONNECTION WITH THE VILLAGE AT COPPER BASIN UNIT 5C-2, LOCATED IN SECTION 27, TOWNSHIP 3 SOUTH, RANGE 8 EAST, SUPERVISOR DISTRICT 4.

WHEREAS, this matter has been brought before the Pinal County Board of Supervisors (the "**Board**") by a request from the subdivision developer (the "**Subdivider**") in connection with The Village at Copper Basin Unit 5C-2 (the "**Subdivision**"); and,

WHEREAS, the Subdivider has previously completed construction of all required Subdivision improvements, which were accepted by the Board on or about June 19, 2024 by way of Resolution No. 061924-RD23-176, recorded on June 19, 2024 at Fee Number 2024-046236 (the "**Improvements**"); and,

WHEREAS, the Subdivider posted a ten percent guarantee bond, which, per Pinal County Development Services Code ("**PCDSC**" or the "**Code**") § 3.40.040(C)(4), is to guarantee against damage by on-site construction for a period of one year after acceptance of the Improvements by the Board; and,

WHEREAS, per the terms of the ten percent guarantee bond, the same guarantees that the Improvements shall be free from defects of workmanship and materials, general wear and tear excepted, for a period of 1 year from the date of acceptance of the Improvements; and,

WHEREAS, pursuant to PCDSC § 3.40.040(C)(4), "[a]fter completion of one year, satisfactory correction of any damages, and upon inspection by the county engineer, the ten percent guarantee bond may be released"; and,

WHEREAS, the ten percent guarantee bond in this matter is identified as Maintenance Bond No. 016213701 in the amount of Ninety Three Thousand Four Hundred Eighty Six and 00/100 Dollars ($93,486.00) issued by Liberty Mutual Insurance Company, a copy of which is attached hereto as **Exhibit "A"** (the "**Maintenance Bond**"); and,

WHEREAS, the Pinal County Department of Public Works and the county engineer have inspected the Improvements and have determined that they are in conformance with Pinal County standards and that all applicable Code requirements have been met such that the Maintenance Bond may be released.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

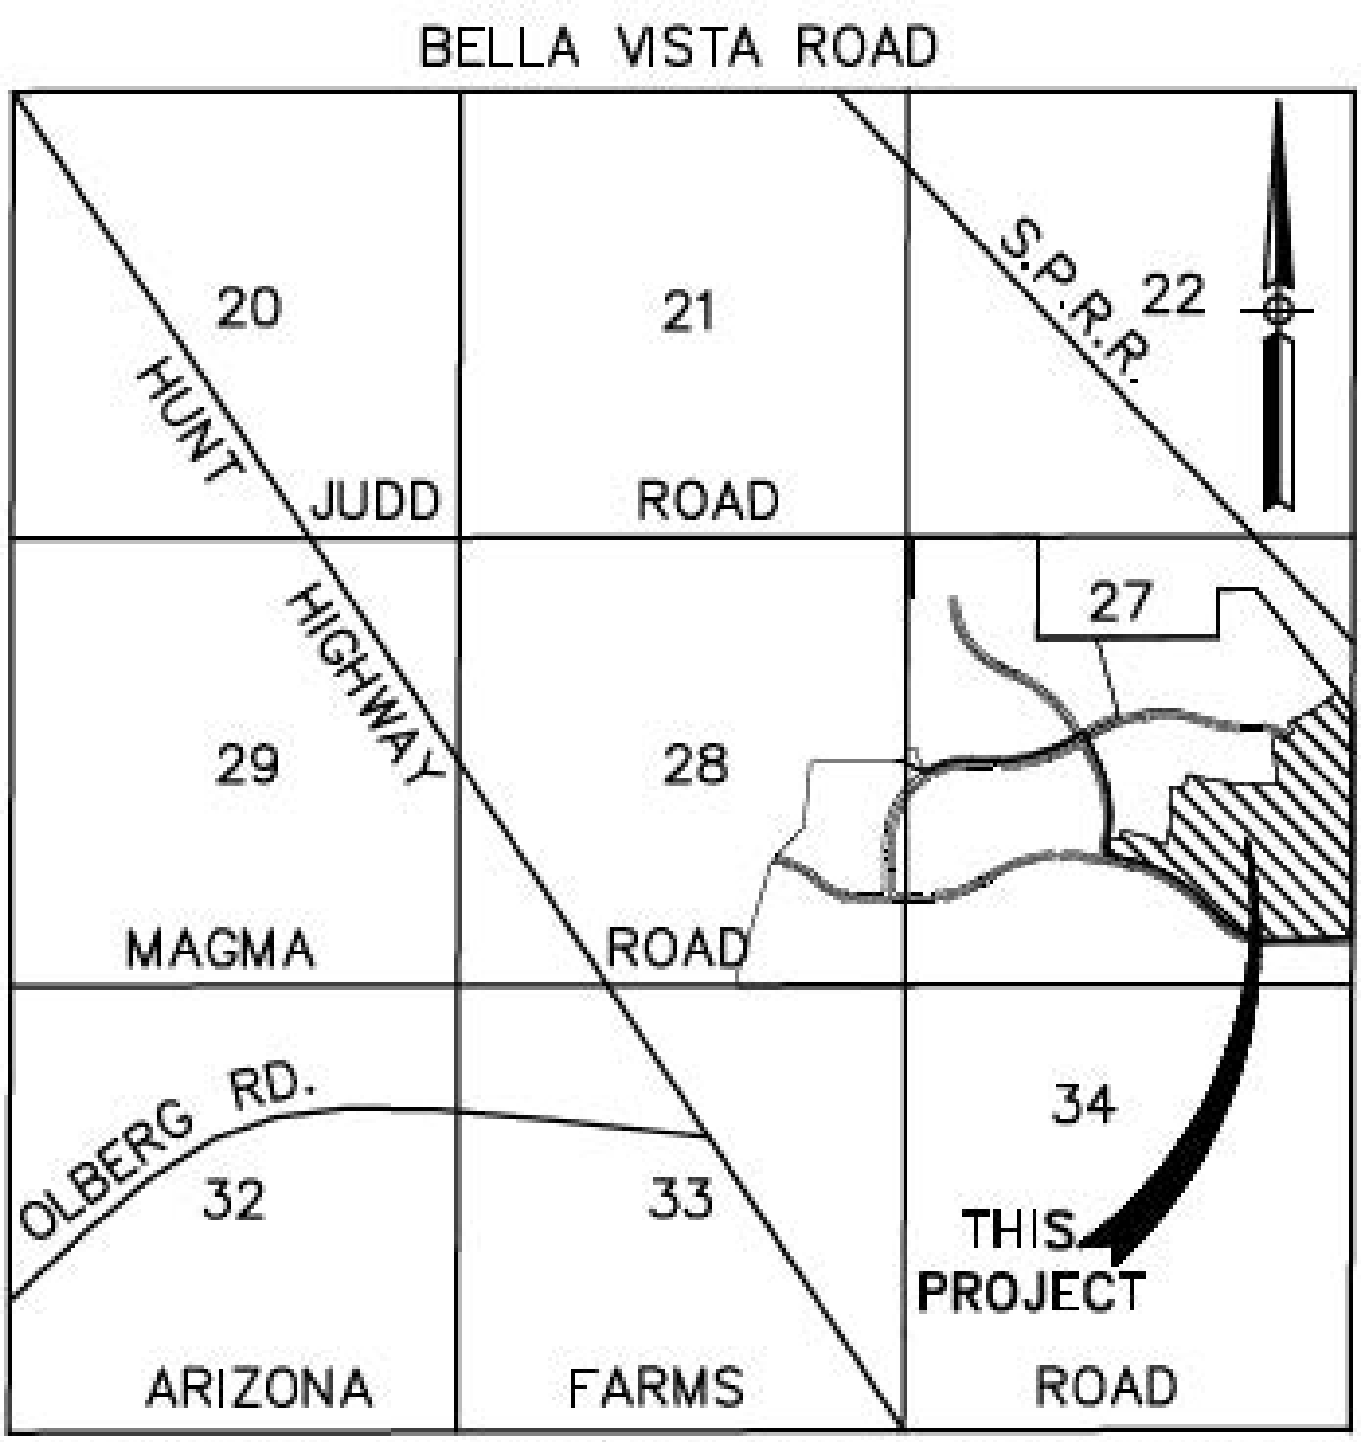
ARTICLE IV – OFFICERS: Section 12. Power of Attorney.
Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.
Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.



IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 30th day of May, 2024.

From: Brad Miller, County Attorney
Subject: Pinal County Attorney's Office request for use of RICO funds

The Pinal County Attorney respectfully requests the Board of Supervisors approve an application for payments to Casa Grande Valley Newspapers Inc. for a total amount of $2,994.62 to assist in the funding of awards for the Pinal County Attorney's Office 35th Annual Anti-Drug Poster Contest. The Anti- Drug Poster Contest is an event available to all sixth grade classes within Pinal County. The event encourages the students to create their own "Anti-Drug" posters that focus on the importance of not using drugs. The event raises awareness of drug abuse and the consequences of drug use, while encouraging students to engage in creative thinking. In turn, the posters created are utilized by the schools, police departments and the courts throughout our community as part of a public awareness campaign.

In accordance with statutory changes made to A.R.S. 13-2314.03 (County anti-racketeering revolving fund; use of fund), when the County Attorney desires to use monies from the anti-racketeering fund for purposes related to the County Attorney's office, the statute requires an application that includes a description of what the requested monies will be used for be submitted to the Board of Supervisors. In turn, the Board of Supervisors shall approve the County Attorney's use of the monies if the purpose is authorized by statute or federal law.

Pursuant to the U.S Department of Justice Guide to Equitable Sharing for State and Local Law Enforcement Agencies, permissible uses of forfeited assets include "(i) Drug, gang and other prevention or awareness programs-Costs associated with conducting law enforcement agency awareness programs. Examples include…meeting costs…items used or distributed by the agency…"

This year, it is anticipated that we will distribute over 2,000 pieces of poster paper of which only 40 finalists will be chosen. The final awards ceremony will take place in August and will publicly recognize the participants and their creative efforts. I am requesting $2,994.62 to cover the cost of 60 posters, which display the anti-drug images of the top 10 posters and the names of the top 40 finalists, printing second place posters on 60 spiral notebooks, printing 200 calendars and 500 custom rulers. These items will be distributed to students, schools and judges and further contribute to the public awareness campaign.

P.O. BOX 887, Florence, AZ 85132 | O (520) 866-6271 | F (520) 866-6423

The evils of drug abuse can start early and cripple our communities, schools and families. This event, and the associated awards ceremony, helps create a positive pro-social message to our youth, while building self-confidence and encouraging their peers to join them in avoiding drugs. In short, this is a great drug prevention and education tool for our community that fits within the guidelines as a permissible use of funds. Thus, I am requesting the use of Pinal County Attorney's anti-racketeering funds to support this event.

RECITALS:

1. WHEREAS, the County School Superintendent, in collaboration with the Arizona Department of Education and other state agencies, is required under A.R.S. § 15-301, et. seq., to provide assistance to school districts on the use of student data, staff development, curriculum alignment and technology to improve student performance, and;
2. WHEREAS, the County Board of Supervisors is responsible for providing the County School Superintendent with those resources reasonably necessary to the performance of the Superintendent's statutorily mandated duties, and;
3. WHEREAS, the Office of the Pinal County School Superintendent is designated as a local education service agency, the Pinal County Educational Service Agency, hereinafter referred to as "AGENCY," for the purpose of serving as an educational service agency that is eligible to receive and spend local, state and federal monies to provide programs and services to districts within the county, and;
4. WHEREAS, all school districts and schools that participate in this Agreement shall be members of the Pinal County Education Service Consortium, a Rural Regional Consortium, and;
5. WHEREAS, the District desires to participate in the programs and services provided by the Agency and be a member of the Pinal County Education Service Consortium, and;
6. WHEREAS, the District is authorized to carry out all activities included in this Agreement pursuant to A.R.S. §§ 15-341 and 15-342:

THE PARTIES AGREE AS FOLLOWS:

1. **TERM**

   This Agreement will commence on July 1, 2025, and will end on June 30, 2028.

2. **LOCAL EDUCATION AGENCY (LEA)**

   The Office of the Pinal County School Superintendent is designated as the Local Education Agency (LEA) and Fiscal Agent in the context of this Agreement, and will provide an Associate Superintendent and Educational Specialists to direct funding and provide program activities and services.

3. **ADDITIONAL PARTIES**

   Additional school districts or schools may be added as parties to this Agreement on such terms as the Associate Superintendent and LEA deem reasonable.

4. **CONSORTIUM STEERING COMMITTEE**

   The Agency will utilize the Consortium Steering Committee, consisting of representatives from the entities served by the Agency and partnership institutions and agencies, to assist in the development and direction of the Agency's programs. The Consortium Steering Committee will schedule three meetings per year, one in September, January, and May.

5. **SERVICES PROVIDED TO THE DISTRICT**

   Through the Agency, the County will provide the District with the following services:

   A. Professional staff development opportunities designed to meet the identified needs of the District as demonstrated by its yearly needs assessments;

B. Regional learning opportunities and resources;

C. Opportunities for teacher trainers to develop workshops;

D. Assistance with alignment and implementation of the Arizona Standards;

E. An opportunity for each teacher and school within the District, and the District as a whole, to track attendance and participation in professional development and services;

F. Development and implementation of training in data collection, disaggregation, and data driven decision-making;

G. Development and implementation of training regarding the Every Student Succeeds Act and the Arizona Reads Initiative;

H. Service as a liaison between the District and the Arizona Department of Education, including current information on new initiatives and requirements;

I. Training in effective leadership practices and research-based models of effective reform.

6. RESPONSIBILITIES OF THE DISTRICT

A. Pay an annual membership fee to the Agency based on ADM count (please see following fee structure);

   i. Fee Structure is based on $750 base fee + $1.75 per student (based on ADM count)

B. Provide a representative to the Consortium Steering Committee for the term of one school year, who shall attend the scheduled meetings of the Consortium Steering Committee;

C. Provide release time for the representative to Consortium Steering Committee for development and planning of programs for the Agency;

D. Disseminate all Agency programs announcements to school staff;

E. Provide the Agency, if needed, with documentation of "in-kind" support and evaluation data in connection with any awarded supplementary grants separate from this Agreement.

7. RESPONSIBILITIES OF THE FISCAL AGENT AND LEA

The Pinal County School Superintendent, through the Agency, agrees to act as the Fiscal Agent and LEA, and assumes the following duties and responsibilities:

A. Establish and maintain appropriate funds with the Pinal County Treasurer;

B. Employ all personnel, including Educational Service Specialists, needed to provide the services and activities of the Agency;

C. Perform all payroll functions and activities, including maintenance of records for sick leave, vacation, and other benefit entitlements and reimbursement of approved travel expenses;

D. Administer all bidding and purchasing of supplies and equipment in conformity with all applicable statutes and regulations, as well as the Pinal County Procurement Code and related policies;

E. Make available all of its normal and customary administrative services for administering the Agency, including but not limited to printing, duplicating, word processing, and access to resource library, purchasing, and postage;

F. Make available office space for the Associate Superintendent, and Educational Service Specialists.

8. ADDITIONAL FUNDING

The Agency will apply for additional funding from federal and state sources to enhance services and increase programs for district members.

9. TERMINATION

In the event that either Party materially fails to perform or comply with any provision of this Agreement, and fails to remedy the default within 30 days after receipt of written notice of the default, the non-defaulting Party shall have the right, at its sole option and upon written notice to the defaulting Party, to terminate this Agreement. The District may, at any time and without cause, cancel this Agreement by providing a 30 day notice to the Agency of its intent to cancel. In the event of such cancellation, the District's only obligation to the Agency shall be payment for any programs or services rendered prior to cancellation. Notwithstanding the foregoing, if either Party's performance under this Agreement depends upon the appropriation of funds by the Arizona Legislature, and if the Legislature fails to appropriate the funds necessary for performance, then either Party may provide written notice of this to the other Party and cancel this Agreement without further obligation. Appropriation is a legislative act and is beyond control of the Parties.

10. DISPOSITION OF PROPERTY

Any usable property remaining at the termination of this Agreement, acquired solely for the purposes of this Agreement and by the use of funds derived through this Agreement, which was not otherwise assigned at the time of purchase, will become property of the LEA in accordance with any applicable federal or state laws or regulations, or terms of funding of the purchase.

11. NOTICES

In any case where any notice or other communication is required or permitted to be given hereunder, such notice or communication shall be in writing and (a) sent by certified United States mail, postage prepaid, return receipt requested, or (b) sent by way of a recognized overnight courier service, postage prepaid, return receipt requested, with instructions to deliver on the next business day, and be sent to the applicable school district's address or the ESA:

Pinal County School Office ESA
PO Box 769
Florence, AZ 85132

12. CLAIMS AND DISPUTES

In the event the Parties are unable to reach agreement on any disputed matters, compliance with applicable claims statutes shall be required.

13. ATTORNEY'S FEES AND COSTS

In the event of a breach of contract by either Party to this Agreement, the other Party may pursue all remedies under the laws of the State of Arizona and shall be entitled to actual and reasonable attorney's fees and costs.

14. CHOICE OF LAW

This Agreement shall be governed and interpreted by the laws of the State of Arizona. County and District shall operate under the provisions of A.R.S. Title 15, as amended, and in the event a conflict exists between this Agreement and the laws of the State of Arizona, the laws of the State of Arizona shall control. Any action with respect to a breach or enforcement of the terms of this Agreement shall be brought in the courts of the State of Arizona in Pinal County.

15. CONFLICT OF INTEREST

This Agreement is subject to cancellation pursuant to A.R.S. § 38-511, the provisions of which are incorporated here by reference.

16. NONDISCRIMINATION

The District and the County shall comply with Executive Order 2009-09 and all other applicable State and Federal employment laws, rules, and regulations, mandating that all persons shall have equal access to employment opportunities, and that no person shall be discriminated against due to race, creed, color, religion, sex, national origin or disability.

17. E-VERIFY/IMMIGRATION

The District and the County hereby warrant and represent to each other that they are in compliance with A.R.S. §§ 41-4401 and 23-214, the Federal Immigration and Nationality Act (FINA), and all other federal and state immigration laws and regulations.

18. INDEMNITY

To the extent allowed by law, District and the County shall each indemnify the other for the acts or omissions of its own officers, agents, or employees acting in the course or scope of their employment that may lead to any claims, liability, loss, or expense brought against the other party, including reasonable costs, collection expenses, and attorney's fees incurred in the defense of the claim..

19. WORKER'S COMPENSATION INSURANCE/BENEFITS

Each Party shall comply with the notice requirements of A.R.S. §§ 23-1022(E). For purposes of A.R.S. §§ 23-1022, the County and District shall be considered the primary employer of all personnel currently or hereafter employed by that party, irrespective of the operations of protocol in place, and the County and District shall have the sole responsibility for the payment of Worker's Compensation benefits or other fringe benefits for their respective employees.

20. FINGERPRINTING

The parties shall comply with the fingerprinting requirements of A.R.S. §§ 15-512 and 15-534, as applicable, unless otherwise exempted.

21. SEVERABILITY

If any one or more provisions of this Agreement are, for any reason, held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision contained in this Agreement..

22. ENTIRE AGREEMENT

This Agreement states the entire agreement between the Parties concerning its subject matter and supersedes all related prior oral and written negotiations and understandings. This Agreement may not be amended except by mutual written agreement of the Parties.

23. EXECUTION

This Agreement may be executed in counterparts, which together constitute the original.

24. CERTIFICATION OF AUTHORITY

Each of the signatories to this Agreement certifies that he/she has the authority to sign the Agreement on behalf of his/her respective party.

25. DUAL REPRESENTATION

The parties have been advised of and are aware that the Pinal County Attorney's Office represents the Pinal County School Superintendent, the County Board of Supervisors, and also the school districts comprising the "**District**", and the parties have been informed to seek the advice of outside counsel. The parties expressly and mutually waive any adverse interest that may exist and also waive any allegations of conflict of interest by the Pinal County Attorney's Office and expressly approve of the Pinal County Attorney's multiple (or dual) representation. By signing below, both parties consent to multiple (or dual) representation by the Pinal County Attorney's Office in the drafting and review of this Agreement.

IN WITNESS WHEREOF, this Agreement is entered into effective first day of July, 2025.

INTERGOVERNMENTAL AGREEMENT
BETWEEN
PINAL COUNTY
AND
THE J.O. COMBS UNIFIED SCHOOL DISTRICT
FOR
SCHOOL RESOURCE OFFICER SERVICES

This Intergovernmental Agreement ("**IGA**") is entered into this ____day of _____, 2025, by and between Pinal County, a political subdivision of the State of Arizona, on behalf of the Pinal County Sheriff's Office ("**PCSO**") and the J.O. Combs Unified School District #_, a School District pursuant to A.R.S. Title 15 ("**District**"), for the provision of School Resource Officer ["SRO"] Services. County and District are sometimes referred to herein individually as a "**Party**" and collectively as the "**Parties**".

RECITALS

WHEREAS, PCSO and District are authorized to enter into this IGA pursuant to A.R.S. §§ 11-951 *et seq.*; and

WHEREAS, District may place peace officers in its schools in accordance with A.R.S. § 15-154 and the District has received funds from the Arizona Department of Education for such purposes; and

WHEREAS, District is required by A.R.S. §§ 15-153, 15-341(A)(30), and 13-3411 to report to local law enforcement any crimes against persons or property and/or any incidents that potentially threaten the safety or security of pupils, teachers, administrators or other occupants of the school; and

WHEREAS, the Parties desire to efficiently utilize available resources in providing necessary SRO school safety Services and it is economically efficient for the Parties to provide/acquire these services on this basis; and

WHEREAS, the Parties desire to work in cooperation with one another to further the goals of the approved School Safety Program. PCSO and the District, through this IGA, will respectively assign a school resource officer to the District to perform the services according to applicable laws, policies, and the terms of this IGA.

AGREEMENT

NOW THEREFORE, in consideration of the mutual promises and undertakings contained herein, the Parties agree as follows:

I. PURPOSE AND INTENT

The purpose of this IGA is to set forth the responsibilities of the Parties for the provision of SRO Services from PCSO to the District, and to address legal and administrative matters among the Parties.

II. SCOPE OF SERVICES

The SRO assigned under this IGA will be selected by PCSO, subject to District's approval, and will be assigned to a District campus.

Generally, the roles and responsibilities of all entities shall be those established by the Arizona Department of Education in the School Safety Program Guidance Manual (attached hereto as

Exhibit 'A'). Under the direction of PCSO and in cooperation with District administration, the SRO will perform community-policing functions, enforce applicable law, investigate violations of law and/or known/alleged threats to public safety, respond to emergencies, perform public safety services, and provide public-safety-related education. According to applicable training, experience, and PCSO direction, the SRO will endeavor to: **1)** Assist the school staff with public-safety and community policing related classroom instruction; **2)** Make both formal and informal contacts with the students (District will make efforts will to include the SRO as club sponsor, coach and/or organizer of alternative activities); **3)** Assist in developing programs to address truancy, identify students who may be under the influence of alcohol or other substances, and deter weapons or potential weapons on campus; **4)** Help instill a sense of security and self-esteem in students; **5)** Relate with students as a role model in order to foster trust between youth and law enforcement; **6)** Assist in the development of an evaluation component to assess the effectiveness of the School Safety Program, as applicable; and **7)** Fulfill his/her duties as a sworn law enforcement officer for the State of Arizona and a Pinal County Sheriff's Deputy.

District, site or school staff shall not interfere with the peace officer duties of the SRO. PCSO and District will discuss SRO performance, goals and objectives at least once per school year.

III. TERM, RENEWAL AND TERMINATION

A. This IGA shall become effective on the 1st day of July, 2025 and shall terminate on the 30th day of June, 2026.

B. Either Party to this IGA may request a renewal of this IGA, for subsequent 1-year term(s) by providing advance notice not less than sixty calendar (60) days prior to the termination date, as set forth in **Section X.A** below. Any renewal of this IGA must be via a written mutually agreed upon and signed Amendment to this IGA. Notwithstanding the preceding, this IGA may be automatically renewed for up to four (4) years.

C. Either Party may terminate this IGA by providing sixty (60) calendar days' advance written notice of termination to the other Party as set forth in **Section X.A** below.

D. The parties understand and acknowledge that this Agreement and the financial obligations of the District hereunder are being provided through the School Safety Grant Funding Program administered by the Arizona Department of Education. This Agreement shall automatically terminate if the Grant Funding is terminated or no longer available to the District.

IV. ACTIONS BY THE PARTIES

A. Under this IGA **PCSO** will:

1. Assign an AZPOST certified peace officer (Sheriff's Deputy) to perform the SRO services described in this IGA. For the duration of this IGA, the SRO shall be assigned to SRO duties full-time, except if/when emergency and necessity temporarily require otherwise. In the event of any such emergency/necessity circumstances, PCSO shall notify District as soon as operationally possible.
2. PCSO shall furnish the SRO's uniforms and equipment according to PCSO's judgment and discretion. This shall not preclude PCSO and District from mutually agreeing that District may provide certain pieces of attire or equipment.
3. Create, maintain and/or remit records based upon applicable laws, regulations, and policies governing PCSO records.
4. Provide copies of attendant reports and/or other supporting documentation to District as required and/or authorized by law. The District acknowledges and agrees that the availability of investigative records may vary depending on the circumstances of each investigation.

///

B. Under this IGA **District** will:

1. Cooperate with PCSO on matters necessary to effectuate the purpose and intent of this IGA, including, but not limited to: facilitating access to locations, facilities, scenes, records, information and persons as required and/or authorized by law.
2. Provide and maintain appropriate office space and administrative equipment and materials and any necessary school-communications equipment for SRO's use in the performance of the SRO's duties and services.
3. Provide copies of attendant reports and/or other supporting documentation to PCSO as required and/or authorized by law.
4. Pay the Salary and EREs of the assigned SRO ($147,000.00 per SRO; totaling $147,000.00), so long as the District is receiving grant funding via the Arizona Department of Education School Safety Grant Funding Program.
5. Send the assigned SRO annually to School Safety Program required training and provide for all related travel expenses as provided in the grant.
6. District acknowledges and agrees that the SRO and PCSO will provide and perform SRO Services according to applicable Arizona laws and regulations and PCSO Policies.

C. Grant/Fund Reporting. To the extent necessary to fulfill attendant grant/funding compliance obligations, the Parties agree to cooperate in collecting, recording and reporting data and information to comply with the terms of the grant funding program.

V. SUPERVISION, EQUIPMENT AND MATERIALS

No employee, agent, or servant of a Party shall be deemed to be an employee, agent or servant of the other Party. Each Party will be solely and entirely responsible for its acts and the acts of its employees, agents, servants, subcontractors, and volunteers during the performance of this IGA. Except as provided in **Section 4.B.4** above, each Party will have total responsibility for all salaries, wages, bonuses, retirement withholdings, worker's compensation, occupational disease compensation, unemployment compensation, other employment compensation, other employee benefits, and all employer's taxes and premiums concerning the persons who are supplied by that Party in the performance of this IGA, and each Party agrees to hold the other Party harmless from any liability thereof/therefrom.

PCSO shall have sole supervisory authority over PCSO personnel, operations, services, property, facilities and materials; and District shall have sole supervisory authority over District personnel, operations, services, property, facilities and materials.

Except as otherwise provided in this IGA, the Parties agree to avoid using the other Party's materials and/or equipment for purposes not directly associated with the purpose and intent of this IGA without the prior express written consent from the Party to whom the equipment and/or materials belong. However, this provision shall not be construed to prohibit any use of materials or equipment of another Party that is merely nominal, incidental, or on an emergency basis.

VI. RECORDS

Each Party acknowledges and agrees that the other Party shall respectively administer records in its possession according to applicable laws, regulations, rules and policies.

VII. OPEN COMMUNICATIONS

PCSO and District shall maintain open communications between each Party's designated point of contact ["POC"] (listed in **Section X.A** below) to ensure the agreed upon performances are

provided and maintained throughout the term of this IGA. Parties shall maintain open communication regarding needs arising out of the IGA.

VIII. INSURANCE

Each Party acknowledges and affirms that it has appropriate and adequate insurance coverage for its official operations, duties and activities, and that it will maintain such coverage, at its own expense, for the duration of this IGA.

IX. INDEMNIFICATION

To the maximum extent permitted by law, each Party (as "**Indemnitor**") agrees to indemnify, defend and hold harmless the other Party, its officers, officials, agents, employees, or volunteers from and against any and all claims, losses, liability, costs or expenses (including reasonable attorney's fees) (hereinafter collectively referred to as "**Claims**") arising out of actions taken in performance of this IGA to the extent that such Claims are caused by the acts, omissions, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. If a Claim or Claims by third parties becomes subject to this section, the governmental parties to this IGA that are the subject of the Claim or Claims shall cooperate to the maximum extent possible.

X. GENERAL TERMS

A. Notices. All notices to the other Party required under this IGA shall be in writing and sent to the following personnel:

If to District:
Superintendent
J.O. Combs Unified School District
43371 N. Kenworthy Rd.
San Tan Valley, AZ 85140
(520) 987-5300

If to PCSO:
Chief Deputy
Pinal County Sheriff's Office
971 Jason Lopez Cir., Bldg. C
Florence, Arizona 85132
(520) 866-5559

B. Joint Representation and Conflict of Interest Acknowledgement and Waiver. The Parties have been advised of and are aware that the Pinal County Attorney's Office represents both PCSO and the District and have been informed to seek the advice of outside counsel. The Parties have expressly and mutually waived any adverse interest that may exist and also waived any allegations of conflict of interest by the Pinal County Attorney's Office and expressly approve of the Pinal County Attorney's office dual representation.

The Parties hereby acknowledge, understand, and knowingly and voluntarily agree as follows—PCSO and District each requested PCAO to provide legal services in connection with this IGA. Prior to entering into this IGA, PCSO and District each executed a Waiver of Conflict of Interest for Legal Services Concerning the SRO Services IGA (Attached hereto as **Exhibit A** and **Exhibit B**, respectively).

C. Modification. This IGA shall not be modified or extended, except by a mutually signed written agreement.

D. Relationship of the Parties. Each Party shall act in its individual capacity and not as an agent, employee, partner, joint venture, associate, or any other representative capacity of the other

party. Each Party shall be solely and entirely responsible for its acts or acts of its agents and employees during the performance of this IGA. This IGA shall not be construed to imply authority to perform any tasks, or accept any responsibility, not expressly set forth herein. This IGA shall be strictly construed against the creation of a duty or responsibility unless the intention to do so is clearly and unambiguously set forth herein. Nothing contained in this IGA confers any right to any person or entity not a party to this IGA.

E. **Governing Law and Venue.** To the maximum extent possible, terms and conditions of this IGA shall be governed by and interpreted in accordance with the laws and regulations of the State of Arizona. Any action relating to this IGA shall be brought in an Arizona court in Pinal County.

F. **Interparty Dispute Resolution.** If a dispute between the Parties arises out of or relates to this IGA, and if the dispute cannot be settled through negotiation within sixty calendar (60) days, the Parties agree first to try in good faith to resolve the dispute by mediation before resorting to litigation. The Parties shall mutually agree upon a mediator. Each Party agrees to bear its own costs of mediation, and to split the mediator fee. If mediation fails, any claim or action arising out of this IGA shall be brought in the Pinal County Superior Court in Florence, Arizona.

G. **Non-assignment.** This IGA has been entered into based upon the personal reputation, expertise and qualifications of the Parties. Neither Party shall assign its interest in this IGA, in whole or in part, without the prior written consent of the other Party. Neither Party shall assign any monies due or to become due to it hereunder without the prior written consent of the other Party.

H. **Entire IGA.** This IGA represents the entire agreement between the Parties and supersedes all prior negotiations, representations or agreements, either expressed or implied, written or oral. It is mutually understood and agreed that no alteration or variation of the terms and conditions of this IGA shall be valid unless made in writing and signed by the Parties.

I. **Severability.** If any part, term or provision of this IGA shall be held illegal, unenforceable or in conflict with any law, the validity of the remaining portions and provisions hereof shall not be affected.

J. **Conflicts of Interest.** The provisions of A.R.S. § 38-511 relating to cancellation of contracts due to conflicts of interest shall apply to this IGA.

K. **Other Duties Imposed by Law.** Nothing in this IGA shall be construed as relieving the involved public agencies of any obligation or responsibility imposed on it by law.

L. **Compliance with Laws and Policies.** The Parties shall comply with all federal, state and local laws, rules, regulations, standards and Executive Orders, without limitation to those designated within this IGA. Furthermore, the Parties agree to abide by each Party's policies to the extent appropriate and required or permitted by law.

M. **Workers' Compensation.** To the extent applicable by law, each Party shall comply with the notice of A.R.S. § 23-1022. For purposes of A.R.S. § 23-1022, each Party shall be considered the primary employer of all personnel currently or hereafter employed by that Party, irrespective of the operations of protocol in place, and said Party shall have the sole responsibility for the payment of Worker's Compensation benefits or other fringe benefits of said employees

N. **Non-Discrimination and Compliance with Civil Rights.** The Parties agree to comply with A.R.S. Title 41, Chapter 9 (Civil Rights), Arizona Executive Order 2009-09, Arizona Executive Order 2023-01 and any other federal or state laws relating to equal opportunity and non-discrimination, including the Americans with Disabilities Act.

O. **E-Verify, Records and Audits.** To the extent applicable under A.R.S. § 41-4401, the Parties and their respective subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and compliance with the E-verify requirements under A.R.S. § 23-214(A). A Party's or subcontractor's breach of the above-mentioned warranty shall be deemed a material breach of the IGA and may result in the termination of the IGA by either Party under the terms of this IGA. The Parties each retain the legal right to randomly inspect the papers and records of the other Party and the other Party's subcontractors who work under this IGA to ensure that the other Party and its subcontractors are complying with the above-mentioned warranty. The Parties warrant to keep their respective papers and records open for random inspection during normal business hours by the other Party. The Parties and their respective subcontractors shall cooperate with the other Party's random inspections, including granting the inspecting Party entry rights onto their respective properties to perform the random inspections and waiving their respective rights to keep such papers and records confidential, except as required by law.

P. **No Joint Venture.** It is not intended by this IGA to, and nothing contained in this IGA shall, be construed to, create any partnership, joint venture or employment relationship between the Parties or create any employer-employee relationship between the Parties' employees. Neither Party shall be liable for any debts, accounts, obligations or other liabilities whatsoever of the other Party, including, but without limitation, the other Party's obligation to withhold Social Security and income taxes for itself or any of its employees.

Q. **Israel Boycotts**. To the extent required by law, the Parties hereby acknowledge and affirm that, pursuant to A.R.S. §§ 35-393 et seq., each party is not currently engaged in, and for the duration of this MOU will not engage in, a boycott of Israel.

R. **No Third Party Beneficiaries.** Nothing in this IGA is intended to create duties or obligations to or rights in third parties not Parties to this IGA or affect the legal liability of either Party to the IGA by imposing any standard of care with respect to the maintenance of public facilities different from the standard of care imposed by law.

S. **Headings.** The section headings throughout this IGA shall not be used in the construction or interpretation hereof as they have no substantive effect and are for convenience only.

T. **Non-Appropriation.** Notwithstanding any other provision in this IGA, this IGA may be terminated if for any reason either Party does not appropriate sufficient monies for the purpose of maintaining this IGA. In the event of such cancellation, the canceling Party shall have no further obligation other than for payment for services rendered prior to cancellation.

U. **Uncontrollable Events.** No Party shall be considered to be in default of this IGA if failure of performance is due to an uncontrollable event. The term "uncontrollable event" means any cause beyond the control of the Party affected, including but not limited to flood, earthquake, storm, fire, epidemic, war, riot, civil disturbance or disobedience, labor dispute, and action or non-action by or failure to obtain the necessary authorizations or approvals from any governmental agency or authority or the electorate, labor or material shortage, sabotage and restraint by court order or public authority, that by exercise of due diligence and foresight the Party reasonably could not have been expected to avoid and that by exercise of due diligence it will be unable to overcome. A Party that is rendered unable to fulfill any obligation by reason of an uncontrollable event shall exercise due diligence to remove such inability with all reasonable dispatch.

V. **Counterparts.** This IGA may be signed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

W. FERPA Compliance. As applicable, each Party will ensure that its review, dissemination, or disposition of educational records complies at all times with the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, any subsequent amendments thereto, and its implementing regulations, 34 C.F.R., Subtitle A, Part 99.

J.O. COMBS UNIFIED SCHOOL DISTRICT

WAIVER OF CONFLICT OF INTEREST
FOR LEGAL SERVICES CONCERNING SCHOOL RESOURCE OFFICER SERVICES
INTERGOVERNMENTAL AGREEMENT

The Pinal County Attorney's Office (PCAO) has been asked by the J.O. Combs Unified School District (JOCUSD) to provide legal services in connection with an intergovernmental agreement concerning school resource officer services (the IGA).

PCAO maintains an attorney-client relationship with both JOCUSD and the Pinal County Sheriff's Office PCSO and regularly provides legal advice to both JOCUSD and PCSO.

While PCAO maintains an attorney-client relationship with JOCUSD, JOCUSD may have independent legal counsel review the IGA pursuant to applicable law.

Potential conflicts may arise in various scenarios, and it is possible that these potential conflicts could force PCAO to withdraw from or refuse representation related to this matter, including any additional contracts, intergovernmental agreements, follow-on agreements, amendments, renewals, or extensions.

If JOCUSD understands the conflict of interest and its consequences and knowingly and voluntarily chooses to waive those conflicts, then before PCAO proceeds to provide legal services on this matter, this Waiver of Conflict of Interest must be approved by JOCUSD's appointing authority (or designee), as necessary to authorize PCAO to provide legal services to both JOCUSD and PCSO, if requested, and if such dual representation is appropriate.

APPROVAL OF WAIVER OF CONFLICT OF INTEREST

JOCUSD acknowledges that it has been fully informed and consents to and understands the implications of waiving the conflict of interest of the PCAO between JOCUSD and PCSO, both of which are clients of PCAO.

The duly authorized appointing authority (or designee) of JOCUSD hereby knowingly and voluntarily approves this Waiver of Conflict of Interest and authorizes PCAO to proceed with preparation and review of and provide legal services on behalf of JOCUSD and PCSO, if requested and if such dual representation is appropriate.

The duly authorized appointing authority of JOCUSD also hereby knowingly and voluntarily authorizes PCAO to review or draft agreements, including any additional memorandums of understanding, contracts, intergovernmental agreements, follow-on agreements, amendments, renewals, or extensions between JOCUSD and PCSO concerning school resource officer services.

	TOTAL ESTIMATED COSTS	**$25,000.00**

PROJECT PERIOD	**FROM:** Effective Date *(Date of Authorization to Proceed Signature)*	**TO:** 06-30-2026
CURRENT GRANT PERIOD	**FROM:** 07-01-2025	**TO:** 06-30-2026

TOTAL DUI ABATEMENT FUNDS OBLIGATED FOR THIS AGREEMENT PERIOD: $25,000.00

A political subdivision or state agency that is mandated to provide a certified resolution or ordinance authorizing entry into this agreement must do so prior to incurring any expenditures. Failure to do so may result in termination of the awarded agreement.

PROBLEM IDENTIFICATION AND RESOLUTION:

Agency Background:
Pinal County consists of 5,386 square miles and includes 10 cities and 16 unincorporated communities, some of which are highly populated, such as San Tan Valley, Gold Canyon, and Arizona City. There are 3 Native American Reservations in Pinal County. The terrain varies from farmland, desert, and mountain regions. The rural areas are expanding with new residential communities and commercial businesses. There are many roadways throughout Pinal County, including interstates, state highways, county roads, and residential streets. There are multiple major roadways that allow Pinal County commuters to get to other locations in Pinal County and into Maricopa County. These roadways vary from one lane to multiple lanes of travel, with no median and separated medians. Speed limits vary from 25 miles per hour to 50 miles per hour on most county-maintained roadways.

The Pinal County Sheriff's Office (PCSO) employs approximately 506 people, which includes sworn deputies, detention officers, and civilian and support staff. There are 226 sworn deputies with 22 vacancies, 132 detention officers with 19 vacancies, and 149 civilian staff with 23 vacancies. The PCSO has three patrol regions and multiple specialty divisions, including but not limited to traffic, criminal investigations, search and rescue, aviation, K-9, anti-smuggling, range, training, civil, and narcotics. The deputies are responsible for patrolling the unincorporated and populated areas, rural areas, and assisting city agencies as needed.

Organization size/number of sworn officers: 226 Sworn Deputies (248 authorized, 22 vacancies)
Total population in city/town/county served: 500,000
Total road mileage: Highway: 2,500, Local: 1,300, Total: 3,800

Agency Problem/Attempts to Solve Problem:
Pinal County continues to grow at a rapid pace, due to its proximity to the Phoenix and Tucson areas. The climate, affordability, and job opportunities that Pinal County offers attract families from all over the nation. The increase in population puts a strain on the roadway system, and multiple areas of Pinal County transitioned from a suburban area to an urban area within years. The growth requires residential and commercial construction that includes roadway construction and expansion. Resulting from this rapid growth is increased traffic that produces reckless and impatient drivers, many that are found to be impaired by drugs and alcohol.

Due to the size and population of Pinal County, the Pinal County Sheriff's Office has a Traffic Unit that consists of two sergeants and eight deputies to supplement the patrol regions in promoting traffic safety. The main duties and responsibilities within the traffic unit include intensive traffic enforcement with a focus on moving violations, identifying and removing alcohol and drug-impaired drivers, and collision investigations ranging from civil non-injury to criminal fatality crash investigations. Over 26,000 traffic stops were conducted by deputies, resulting in 554 DUI arrests, 3,357 civil speed citations, and 377 criminal speed citations in 2024.

Agency Funding:
State DUI Abatement Funds will support Personnel Services (Overtime) and Employee Related Expenses to enhance DUI Enforcement and Training Overtime Activities throughout Pinal County.

How Agency Will Solve Problem With Funding:
The Pinal County Sheriff's Office is requesting funding to supplement DUI enforcement overtime throughout Pinal County during State Fiscal Year 2026. The PCSO Traffic Unit will conduct saturation patrols and DUI task force deployments during peak times where impaired driving is prominent, such as weekends and holidays. The funding could also allow PCSO instructors to teach new deputies and officers Governor's Office of Highway Safety (GOHS) approved training classes in order to identify and arrest impaired drivers.

PROGRAM MEASURES:

Grant Agreement Objectives:
The Pinal County Sheriff's Office will host an SFST/HGN Technician course, scheduled for September 17-19, 2025. The PCSO has instructors who are able to assist in teaching various training blocks offered as part of this training course to teach deputies and officers to become HGN certified.

The PCSO Traffic Unit will be deployed for DUI Task Force operations during the weekends of the 4th of July, Labor Day, Halloween, Thanksgiving, Christmas, New Year's Eve, the Superbowl, St. Patrick's Day, Country Thunder, Cinco De Mayo, and Memorial Day. These task force deployments are proactive in nature and strive to stop, identify, and remove impaired drivers. The deployments also are educational for law-abiding citizens who operate motor vehicles on our roadways.

Quarterly reports will be submitted to document activities and successes in a timely manner.

GOALS/OBJECTIVES:

State DUI Abatement Funds will support Personnel Services (Overtime) and Employee Related Expenses to enhance DUI Enforcement and Training Overtime Activities throughout Pinal County.

IMPAIRED DRIVER OR OPERATING ENFORCEMENT PROGRAMS
Expenditures of funding pertaining to Impaired Driving or Operating Enforcement Programs, including Personnel Services and ERE, Materials & Supplies, and/or Capital Equipment, shall comply with the Impaired Driving or Operating Program Goals of the DUI Abatement Council in conjunction with those provided by the Arizona Governor's Office of Highway Safety. The Impaired Driving or Operating Program Goal is to reduce the incidence of alcohol and drug-related driving or operating fatalities and injuries through enforcement, education, and public awareness throughout the State of Arizona. Law Enforcement personnel participating in Impaired Driving or Operating Enforcement/DUI activities, including DUI Task Force details under this program, shall be HGN/SFST certified.

MEDIA RELEASE
To prepare complete press release information for media (television, radio, print and on-line) during each campaign period including a main press release, schedule of events, departmental plans and relevant data. **The material will emphasize the campaign's purpose, aggressive enforcement and the high cost of DUI / Alcohol in terms of money, criminal and human consequences.**

METHOD OF PROCEDURE:

The Pinal County Sheriff's Office will make expenditures as follows to meet the outlined Program Goals/Objectives:

Personnel Services – To support Overtime for DUI Abatement Activities

Employee Related Expenses – To support Employee Related Expenses for Agency Overtime

PRESS RELEASE:

Agencies are required to develop and distribute a press release announcing this grant award upon receipt of the executed agreement. A copy of this press release shall be sent to the DUI Abatement Council at the same time it is sent to the media. This press release shall include the objective and specify that the funding is from the Oversight Council on Driving or Operating Under the Influence Abatement.

BAC TESTING AND REPORTING REQUIREMENTS:

Alcohol impairment is a major contributing factor in fatality and serious injury motor vehicle collisions. Accurate data on alcohol involvement is essential to understanding the full extent of the role of alcohol and to assess progress toward reducing impaired driving.

Each law enforcement agency that receives an enforcement-related grant is required to ensure that this accurate data on all drivers involved are reported. Failure to comply may result in withholding funds and cancellation of the grant agreement until this requirement is met.

PURSUIT POLICY:

All law enforcement agencies receiving state funds are encouraged to follow the guidelines established for vehicular pursuits issued by the International Association of Chiefs of Police (IACP) that are currently in effect.

PROJECT EVALUATION:

This project shall be administratively evaluated to ensure that the objectives have been met.

Quarterly Report
The purpose of the Quarterly Report is to provide information on agreement grant activities conducted at the conclusion of each respective quarter. The information provided is used to review progress of the funded project and the successfulness in meeting outlined goals and objectives. The information, photos, highlights, obstacles, and mandatory statistical data provided in this report are analyzed by the assigned DUI Abatement Coordinator. It is critical that the on-line report contains the following information:

- **Original signatures on all Quarterly Reports and RCIs**
  - **Signatures must include Project Director unless prior authorization for another is on file with GOHS.**

Report Schedule

Reporting Period	Due Date
2026-1 Quarterly Report (July 1 to September 30)	October 30, 2025
2026-2 Quarterly Report (October 1 to December 31)	January 31, 2026
2026-3 Quarterly Report (January 1 to March 31)	April 30, 2026
2026-4 Quarterly Report (April 1 to June 30)	July 31, 2026
Final Statement of Accomplishment	July 31, 2026

The Quarterly Report **shall be completed on the form available on-line and submitted by email** to the DUI Abatement Council at the Governor's Office of Highway Safety. The Quarterly Report title is based on the 3 month calendar period (Year-Calendar Quarter).

FINAL STATEMENT AND ACCOMPLISHMENTS:

The Project Director shall submit a Final Statement of Accomplishments Report to the DUI Abatement Council **no later than 30 days following the agreement end date.** All agencies receiving funding are required to submit a Final Statement of Accomplishments Report.

Note: Failure to comply with the outlined DUI Abatement Council reporting requirements may result in withholding of state funds or termination of the agreement and return of any unexpended advanced funds.

PROFESSIONAL AND TECHNICAL PERSONNEL:

Ross Teeple, Sheriff, Pinal County Sheriff's Office, shall serve as Project Director.

Darin Erickson, Sergeant, Pinal County Sheriff's Office, shall serve as Project Administrator.

Chris Lemke, Governor's Office of Highway Safety, shall serve as DUI Abatement Coordinator.

REPORT OF COSTS INCURRED (RCI):

The Pinal County Sheriff's Office shall submit a Report of Costs Incurred (RCI), with supporting documentation attached, to the Governor's Office of Highway Safety on a quarterly basis, for each active quarter, in conjunction with the required report. Agencies may submit additional RCI forms for expenditures when funds have been expended for which reimbursement is being requested.

Accepted supporting documentation to submit with a Report of Cost Incurred (RCI) includes, but is not limited to; scanned copies of timesheets, payroll records, paid invoices/purchase orders, and other account records.

RCIs shall be typed and submitted with appropriate supporting documentation to the Governor's Office of Highway Safety. **Electronically submitted RCIs will be accepted.** Final RCIs will not be accepted fifteen (15) days after the conclusion of each State Fiscal Year (June 30th). **Expenditures submitted after the expiration date may not be reimbursed and the Agency will accept fiscal responsibility.**

PROJECT MONITORING:

DUI Abatement Council grant project monitoring is used by the assigned DUI Abatement Coordinator to track the progress of project objectives, performance measures and compliance with applicable procedures, laws, and regulations.

The process is used throughout the duration of the agreement project and serves as a continuous management tool. Project monitoring also presents a good opportunity for developing partnerships, sharing information and providing assistance to granted agencies. Additionally, project monitoring outlines a set of procedures for project review and documentation.

Project monitoring also serves as a management tool for:

- Detecting and preventing problems
- Helping to identify needed changes
- Identifying training or assistance needed
- Obtaining data necessary for planning, and evaluation
- Identifying exemplary projects

Types of Monitoring
Monitoring is formal and informal, financial and operational. The most common types of monitoring are:

- Ongoing contact with the grantee through phone calls, e-mails, correspondence, and meetings
- On-Site and/or In-House monitoring reviews of project operations, management, and financial records and systems
- Review of project Quarterly Reports
- Review and approval of Requests for Cost Incurred (RCIs)
- Desk review of other documents in the project-grant files for timely submission and completeness

Monitoring Schedule	
Total Awarded Amount	**Type of Monitoring**
Under $100,000	Desk Review/Phone Conference
$100,000 and over	May have an In-House GOHS Review
$200,000+	May have an On-Site/In-House Review
Capital Outlay Greater than $100,000 (combined)	May have an On-Site/In-House Review
Desk Review and Phone Conference	Internal review of all written documentation related to Grant Agreement including, but not limited to the Grant Agreement, Quarterly Reports, enforcement data, financial data, e-mails, letters, notes, press releases, photographs, inventories, and other written correspondence. A phone conference call conducted during the course of the project which includes the date and time of the call, the person(s) contacted, and the results. It serves as an informational review to determine progress of programmatic/financial activities. Both the designated project administrator and fiscal contact should be present, if possible, during the phone conference. If identified financial or operational problems are present, GOHS reserves the right to bring the grantee in for an in-house meeting at GOHS. Monitoring form written by DUI Abatement Coordinator, any findings, areas of improvement, concern, or recognition will be provided to the grantee.
In-House Review	Documents performance review results including project activities, reimbursement claims review, equipment purchases, approvals, and other information. Reviews applicable information related to the project(s) including, but not limited to the Grant Agreement, Quarterly Reports, enforcement data, financial data, e-mails, letters, notes, press releases, photographs, inventories, and other written correspondence. Completed at GOHS in a meeting with appropriate operational and financial personnel. Monitoring form written by DUI Abatement Coordinator, any findings, areas of improvement, concern, or recognition will be provided to the grantee.
On-Site Monitoring	Documents performance review results including project activities, reimbursement claims review, equipment purchases, and other information. Reviews applicable information related to the project(s) including, but not limited to the Grant Agreement, Quarterly Reports, enforcement data, financial data, e-mails, letters, notes, press releases, photographs, inventories, and other written correspondence. Conducted on-site at the grantee's Agency with monitoring form completed on-site by DUI Abatement Coordinator. Any findings, areas of improvement, concern, or recognition, will be provided to the grantee.

On-site and/or In-house monitoring for grantees of designated projects with large capital outlay purchases, personnel services, and complex projects must be completed within the second or third quarter of the Agreement period. Granted projects displaying any problems might need on-site monitoring more than once during the fiscal year.

On-site and/or In-house monitoring includes a review and discussion of all issues related to assure the effective and administration of the granted project. The following are the most important items to review:

- Progress toward meeting goals/objectives and performance measures
- Adherence to the grant agreement specifications, timely submission of complete and correct reports, including required documentation
- Quarterly reports
- Status of expenditures related to the outlined budget
- Accounting records
- Supporting documentation (training documentation, inventory sheets, photographs, press releases, etc.)

In addition, the designated Project Administrator will ensure that any equipment purchased will be available for inspection and is being used for the intended purpose as outlined in the grant agreement.

Documentation
The Governor's Office of Highway Safety will retain all findings on the GOHS Monitoring Form and placed in the grantee's respective state file. Findings will be discussed with the designated grant agreement representative (project administrator, fiscal specialist) by phone and/or e-mail. All noted deficiencies will be provided to the grantee with guidance for improvement and solutions to problems. Grantees that exhibit significantly poor performance will be placed on a performance plan as outlined by the DUI Abatement Coordinator. Grantee monitoring information will additionally provide documentation for potential funding in subsequent fiscal year grant proposal review.

PLEASE NOTE: Failure to submit Statistics, Quarterly Reports and/or Report of Costs Incurred (RCIs) on time and correctly may delay reimbursement for expenditures to your agency, or a cancellation and return of unexpended advanced funding.

PROJECT PERIOD:

The Project Period shall commence on the date the DUI Abatement Council Chairman or GOHS Director in the Chairman's stead, signs the DUI Abatement Grant Agreement and terminates at the end of one year on the date as indicated on the DUI Abatement Council Grant Agreement.

DURATION:

Agreements shall be effective on the date the DUI Abatement Council Chairman or GOHS Director in the Chairman's stead, signs the agreement and expire at the end of the project period.

If the Agency is unable to expend the funds in the time period specified and needs an extension, a typed extension request shall be signed by the Project Director on the Agency's letterhead and submitted via mail or hand delivered to the Chairman of the DUI Abatement Council at the Governor's Office of Highway Safety within ninety (90) days before the end of the project period.

The Agency shall address all requests to modify the grant agreement to the Chairman of the DUI Abatement Council on Agency letterhead and either hand deliver or submit the request via regular mail to the GOHS office. All requests for modification must bear the signature of the Project Director.

Failure to comply may result in cancellation of the agreement. Any unexpended funds remaining at the termination of the agreement shall be released back to the DUI Abatement Fund.

ESTIMATED COSTS:

I.	Personnel Services (overtime)	$18,750.00
II.	Employee Related Expenses (33.33%)	$6,250.00
III.	Professional and Outside Services	$0.00
IV.	Materials and Supplies	$0.00
V.	Capital Outlay	$0.00
	TOTAL ESTIMATED COSTS	***$25,000.00**

*Includes all applicable training, tax, freight, and advertising costs. The DUIAC reserves the right to limit reimbursement of Employee Related Expenses from zero (0) to a maximum rate of 40 percent. This is the maximum ERE amount to be reimbursed. It is agreed and understood that the Pinal County Sheriff's Office shall absorb any and all expenditures in excess of **$25,000.00**.

CERTIFICATIONS AND AGREEMENTS

This AGREEMENT, is made and entered into by and between the STATE OF ARIZONA, by and through the Oversight Council On Driving Or Operating Under The Influence Abatement (DUIAC) hereinafter referred to as "STATE", and the agency named in this Agreement, hereinafter referred to as "AGENCY."

WHEREAS, the Arizona Revised Statutes (§§1303-1304), provides State funds to STATE for approved DUI Enforcement and DUI Innovative projects; and

WHEREAS, STATE may make said funds available to various state, county, tribal, or municipal agencies, governments, or political subdivisions upon application and approval by STATE; and

WHEREAS, AGENCY must comply with the requirements listed herein to be eligible for State funds for approved DUI Enforcement and DUI Innovative projects; and

WHEREAS, AGENCY has submitted an application for State funds for DUI Enforcement and DUI Innovative projects;

NOW, THEREFORE, IN CONSIDERATION OF MUTUAL PROMISES AND OTHER GOODS AND VALUABLE CONSIDERATION, it is mutually agreed that AGENCY will strictly comply with the following terms and conditions and the following Federal and State Statutes, Rules, and Regulations:

I. Project Monitoring, Reports, and Inspections

A. AGENCY agrees to fully cooperate with representatives of STATE monitoring the project, either on-site or by telephone, during the life of the Agreement.

B. AGENCY will submit Quarterly Reports (one for each three-month period of the project year) to STATE in the form and manner prescribed by STATE. Notice of the specific requirements for each report will be given in this Agreement or at any time thereafter by giving thirty (30) days written notice to AGENCY by ordinary mail at the address listed on the Agreement. Failure to comply with Quarterly Report requirements may result in withholding of State funds or termination of this Agreement.

C. AGENCY will submit a Final Report/Statement of Accomplishment at completion of the Agreement to include all financial, performance, and other reports required as a condition of the grant to STATE within thirty (30) days of the completion of the Agreement.

D. Representatives authorized by STATE will have the right to visit the site and inspect the work under this Agreement whenever such representatives may determine such inspection is necessary.

II. Reimbursement of Eligible Expenses

A. AGENCY'S Project Director, or Finance Personnel, will submit a Report of Costs Incurred Form (RCI) to STATE each time there have been funds expended for which reimbursement is being requested. Failure to meet this requirement may be cause to terminate the project under section XIX herein, "Termination and Abandonment."

B. AGENCY will reimburse STATE for any ineligible or unauthorized expenses for which State funds have been claimed and reimbursement received, as may have been determined by a State audit.

C. STATE will have the right to withhold any installments equal to the reimbursement received by AGENCY for prior installments which have been subsequently determined to be ineligible or unauthorized.

III. Property Agreement

A. AGENCY will immediately notify STATE if any equipment purchased under this Agreement ceases to be used in the manner as set forth by this Agreement. In such event, AGENCY further agrees to either give credit to the project cost or to another active DUI Abatement project for the residual value of such equipment in an amount to be determined by STATE or to transfer or otherwise dispose of such equipment as directed by STATE.

B. No equipment will be conveyed, sold, salvaged, transferred, etc., without the express written approval of STATE, or unless otherwise provided elsewhere in this Agreement.

C. AGENCY will maintain or cause to be maintained for its useful life, any equipment purchased under this Agreement.

D. AGENCY will incorporate any equipment purchased under this Agreement into its inventory records.

E. AGENCY will insure any equipment purchased under this Agreement for the duration of its useful life. Self-insurance meets the requirements of this section.

IV. Standard of Performance

AGENCY hereby agrees to perform all work and services herein required or set forth, and to furnish all labor, materials, and equipment, except that labor, material, and equipment as STATE agrees to furnish pursuant to this Agreement.

V. Hold Harmless Agreement

Neither party to this agreement agrees to indemnify the other party or hold harmless the other party from liability hereunder. However, if the common law or a statute provides for either a right to indemnify and/or a right to contribution to any party to this agreement then the right to pursue one or both of these remedies is preserved.

VI. Non-Assignment and Sub-Contracts

This Agreement is not assignable nor may any portion of the work to be performed be sub-contracted unless specifically agreed to in writing by STATE. No equipment purchased hereunder may be assigned or operated by other than AGENCY unless agreed to in writing by STATE.

VII. Work Products and Title to Commodities and Equipment

A. The work product and results of the project are the property of STATE, unless otherwise specified elsewhere in this Agreement. All property, instruments, non-consumable materials, supplies, and the like, which are furnished or paid for by STATE under the terms of this Agreement, unless otherwise provided for elsewhere in this Agreement, are and remain the property of STATE and will be returned at the completion of this project upon request of STATE. The work product and results of the project will be furnished to STATE upon request, if no provision is otherwise made by this Agreement.

B. The provisions of subparagraph A apply whether or not the project agreed to herein is completed.

VIII. Copyrights and Patents

Any copyrightable materials, patentable discovery, or invention produced in the course of this project may be claimed by STATE and a copyright or patent obtained by it at its expense. In the event STATE does not wish to obtain such copyright or patent, AGENCY may do so, but in any event, provision will be made by AGENCY for royalty-free, nonexclusive, nontransferable, and irrevocable licenses to be given the United States Government and STATE and its political subdivisions to use such copyrightable material, patented discoveries, or inventions in any manner they see fit. The STATE reserves the right to impose such other terms and conditions upon the use of such copyrights or patents as may be deemed in the best interest of STATE in the event AGENCY is allowed to obtain a copyright or patent.

IX. Arizona Procurement Code (A.R.S., § 41-2501, et. seq.)

AGENCY and sub-grantees will use their own procurement procedures, which reflect applicable State and local laws and regulations. The most stringent purchasing requirement at each level must be met.

The Arizona Procurement Code (A.R.S., §41-2501, et. seq.) and promulgated rules (A.A.C. Title 2, Chapter 7) are a part of this Agreement as if fully set forth herein and AGENCY agrees to fully comply with these requirements for any procurement using grant monies from this Agreement.

X. Equal Opportunity

A. Pursuant to the requirements of the Federal-Aid Highway Act of 1968 (U.S.C. §103 et. seq.), AGENCY, as a condition to receiving approval of this Agreement, hereby gives its assurance that employment in connection with the subject DUI Abatement Council Grant Project will be provided without regard to race, color, creed, sex, or national origin, and that any grant agreement it enters into with any private agency pursuant hereto will include provisions in compliance with this paragraph (XI).

   As a condition of receiving approval of this Agreement, AGENCY will be subject to and will comply with Title VI of the Civil Rights Act of 1964, providing that no person in the United States shall on the ground of race, color, creed, sex, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the subject DUI Abatement Council Grant Project.

B. If AGENCY fails or refuses to comply with its undertaking as set forth in these provisions, STATE may take any or all of the following actions.

   1. Cancel, terminate, or suspend, in whole or in part, the agreement, contract, or other arrangement with respect to which the failure or refusal occurred; and

   2. Refrain from extending any further State financial assistance to AGENCY under the DUI Abatement Council Grant Program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from AGENCY.

C. Pursuant to the requirement of Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), AGENCY must operate this DUI Abatement Council Grant Project so that it is accessible and otherwise non-discriminatory to handicapped persons.

XI. Executive Order 2023-01

It is mutually agreed that AGENCY will comply with the terms and conditions of Executive Order 2023-01, *Non-Discrimination in Employment by Government Contractors and Subcontractors*.

XII. Arbitration Clause, A.R.S. §12-1518

Pursuant to A.R.S. §12-1518, the parties agree to use arbitration, after exhausting applicable administrative reviews, to resolve disputes arising out of this Agreement where the provisions of mandatory arbitration apply.

XIII. Inspection and Audit, A.R.S. §35-214

Pursuant to A.R.S. §35-214, all books, accounts, reports, files, and other records relating to this Agreement will be subject at all reasonable times to inspection and audit by STATE for five (5) years after completion of this Agreement. The records will be produced at the Governor's Office of Highway Safety.

XIV. Appropriation of Funds by the Arizona Legislature

It is agreed that in no event will this Agreement be binding on any party hereto unless and until such time as funds are appropriated and authorized by the Arizona Legislature and specifically allocated to the project submitted herein by the DUI Abatement Council and then only for the fiscal year for which such allocation is made. In the event no funds are appropriated by the Arizona Legislature or no funds are allocated for the project proposed herein by the DUI Abatement Council for subsequent fiscal years, this Agreement will be null and void, except as to that portion for which funds have then been appropriated or allocated to this project, and no right of action or damages will accrue to the benefit of the parties hereto as to that portion of the Agreement or project that may so become null and void.

XV. Continuation of DUI Abatement Program

It is the intention of AGENCY to continue the DUI Abatement Program identified in this Agreement once DUI Abatement Council funding is completed. This intended continuation will be based upon cost effectiveness and an evaluation by AGENCY of the program's impact on highway safety.

XVI. E-Verify

Both Parties acknowledge that immigration laws require them to register and participate with the E-Verify program (employment verification program administered by the United States Department of Homeland Security and the Social Security Administration or any successor program) as they both employ one or more employees in this state. Both Parties warrant that they have registered with and participate with E-Verify. If either Party later determines that the other non-compliant Party has not complied with E-Verify, it will notify the non-compliant Party by certified mail of the determination and of the right to appeal the determination.

XVII. Termination and Abandonment

A. The STATE and AGENCY hereby agree to the full performance of the covenants contained herein, except that STATE reserves the right, at its discretion, to terminate or abandon any portion of the project for which services have not been already performed by AGENCY.

B. In the event STATE abandons the services or any part of the services as herein provided, STATE will notify AGENCY in writing and within twenty-four (24) hours after receiving such notice, AGENCY will discontinue advancing the work under this Agreement and proceed to close said operations under the Agreement.

C. The appraisal value of work performed by AGENCY to the date of such termination or abandonment shall be made by STATE on a basis equitable to STATE and AGENCY and a final reimbursement made to AGENCY on the basis of costs incurred. Upon termination or abandonment, AGENCY will deliver to STATE all documents, completely or partially completed, together with all unused materials supplied by STATE.

D. AGENCY may terminate or abandon this Agreement upon thirty (30) days written notice to STATE, provided there is subsequent concurrence by STATE. Termination or abandonment by AGENCY will provide that costs can be incurred against the project up to and including sixty (60) days after notice is given to STATE.

E. Any equipment or commodities which have been purchased as a part of this Agreement and which have not been consumed or reached the end of its useful life will be returned to STATE upon its written request.

XVIII. Cancellation Statute

All parties are hereby put on notice that this Agreement is subject to cancellation pursuant to A.R.S. §38-511, the provisions of which are stated below.

In accordance with A.R.S. §38-511, this Agreement may be cancelled without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Agreement on behalf of the STATE, its political subdivisions or any department or agency of either, is at any time while the Agreement or any extension of the Agreement is in effect, an employee of any other party to the Agreement in any capacity or a consultant to any other party of the Agreement with respect to the subject matter or the Agreement.

The cancellation shall be effective when written notice from the Governor or chief executive officer or governing body of the political subdivision is received by all other parties to the Agreement unless the notice specifies a later time.

AGREEMENT OF UNDERSTANDING AND CERTIFICATION OF COMPLIANCE

Acceptance of Condition

It is understood and agreed by the undersigned that a grant received as a result of this Agreement is subject to A.R.S. §28-602, and all administrative regulations governing grants established by the STATE. It is expressly agreed that this DUI Abatement Grant Project constitutes an official part of the STATE's DUI Abatement Council Program and that AGENCY will meet the requirements as set forth in the accompanying DUIAC Project Director's Manual, which are incorporated herein and made a part of this Agreement. All State Statutes, Rules, Regulations, and Circulars referenced in this Agreement are a part of this document as if fully set forth herein. It is also agreed that no work will be performed nor any obligation incurred until AGENCY is notified in writing that this project has been approved by the DUI Abatement Council Representative.

Certificate of Compliance

This is to certify that AGENCY will comply with all of the State Statutes, Rules and Regulations identified in this Agreement.

Certification of Non-Duplication of Grant Funds Expenditure

This is to certify that AGENCY has no ongoing nor completed projects under agreement with other Federal or State fund sources which duplicate or overlap any work contemplated or described in this Agreement. It is further certified that any pending or proposed request for other Federal or State grant funds which would duplicate or overlap work described in the Agreement will be revised to exclude any such duplication of grant fund expenditures. It is understood that any such duplication of Federal or State funds expenditures subsequently determined by audit will be subject to recovery by STATE.

Single Audit Act

If your political subdivision has had an independent audit meeting the requirements of the Single Audit Act of 1984, (31 U.S.C.A. §7501 et. seq.), please forward a copy to GOHS, Attention: Fiscal Services Officer, within thirty (30) days of the effective date of this Agreement. If such audit has not been performed, please advise when it is being scheduled.

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

A. No State appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of the Arizona Legislature, an officer or employee of the Arizona Legislature, or an employee of a Member of the Arizona Legislature in connection with the awarding of any State contract, the making of any State grant, the making of any State loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any State contract, grant, loan, or cooperative agreement.

B. If any funds other than State appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of the Arizona Legislature, an officer or employee of the Arizona Legislature, or an employee of a Member of the Arizona Legislature in connection with this State contract, grant, loan, or cooperative agreement, the undersigned will complete and submit Standard Form, "Disclosure Form to Report Lobbying," in accordance with the Arizona Secretary of State instructions.

C. The undersigned will require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients will certify and disclose accordingly.

D. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction.

2025 Prop 202 – 12% Contribution Grant Application
Outline for Narrative

INSTRUCTIONS: Applicants must submit a narrative explaining the proposal for which funding is requested. The Narrative shall follow the outline format provided below. Narratives shall not be more than five (5) pages, not including attachments, if any.

OUTLINE

A. Purpose of Grant.

1. Describe the proposed program, project or purchase (collectively, the "Project): The Pinal County Sheriff's Office (PCSO) respectfully requests grant funding for the purchase of updated rifle optics and mounts to replace equipment currently in use by Deputies. The optics currently deployed are over 25 years old, no longer meet modern operational standards, and pose a potential liability due to reliability and performance degradation. This project will fund the purchase of 250 non-magnified red-dot rifle optics suitable for law enforcement deployment. Specifically the Scarlarworks LEAP 1.93 red-dot optics mount and Aimpoint T2 red-dot optic, considered the industry standard for ruggedness and reliability. These optics will enhance Deputies ability to safely and accurately respond to dynamic, high-risk situations, particularly in low-light or rural environments common throughout Pinal County. This grant request is for equipment only – no personnel, salary, or wage-related costs are included. While full funding is requested, PCSO is committed to enhancing Deputy safety and readiness and is prepared to accept partial funding to begin phased implementation of this project. Any level of support will directly contribute to operational effectiveness and public safety.

2. Identify the target population that will be served by the Project: This project will serve all of the communities within Pinal County, including the significant Native American population. Together these tribal nations represent approximately 6.1% of the country rural and sovereign population. Deputies frequently respond to call for service and conduct joint operations in or near tribal lands, making it essential they are equipped with reliable, modern equipment that ensures bother officer and public safety during high-stakes encounters.

3. Describe the Project goals and objectives and outline a plan to meet these goals:
   Goal 1 – Increase Deputy Effectiveness and readiness by replacing aging optics.
   - Objective 1 – Procure and install 250 rifle optics and mounts compatible with standard issued PCSO patrol rifles.
   - Objective 2 – Ensure all optics are zeroed and tested by certified armorers and training staff.

   Goal 2 – Improve safety during critical response incidents.
   - Objective 3 – Provide Deputies with optics and mounts, which support rapid target acquisition in high-stress environments.
   - Objective 4 - Ensure enhances response capability in rural and sovereign areas, including tribal lands, where backup is limited and Law Enforcement Officers may face extended response times. These optics and mounts will improve safety of all Pinal County Citizens by enabling a faster and more accurate response to high-risk situations.

4. Provide a timetable for implementation of the Project:
   - Month 1-3: Solicit updated quotes, finalize vendor, and place purchase order.
   - Month 3-6: Receive, inspect, and inventory optics and mounts.

- Month 6-9: Distribute to Deputies, install and zero optics during regular yearly firearms training
- Month 9-12: Final inspections and performance review; ensure 100% deployment.

B. Resources.

1. Identify current funding sources for the Project and characterize each funding source listed as either a one-time-only or long-term funding source: There are no current funding sources dedicated to this project. This is a one-time capital request and not supported by the existing budget. Full funding is requested from this grant to support implementation.

2. Identify other organizations or partners that are participating in or contributing to the Project, but which are not funding sources, and describe their roles or contributions:
   - PCSO Training Unit: Will coordinate zeroing, familiarization, training and performance verification.
   - PCSO Certified Armorers: Will handle equipment installation, tracking, maintenance, and ongoing support.

3. Define the Project as a new or continuing project or a purchase: This request if for a one-time capital purchase. Once installed, these optics and mounts will be managed and maintained by the PCSO Training Unit and PCSO certified Armorers. The expected service life of each Aimpoint T2 red-dot optic and Scarlarworks LEAP 1.93 mount is 10+ years. PCSO will budget for replacements in future budget cycles.

4. If the Applicant organization has requested funding from any other Arizona tribe, please list: PCSO 5-year History

C. Reports: The Pinal County Sheriff's Office maintains an established financial and tracking system for managing grant-funded expenditures. All grant purchases will be documented, cataloged and tracked with purchase orders, receipts, and internal asset records.

D. Budget:
Estimated Budget:
- 250 Aimpoint T2 red-dot optics and Scarlarwork LEAP 1.92 mounts @ $909 each: $227,250.00
- Estimated shipping and handling: $3,000.00
- Total Requested Funding: $230,250.00

Timeline for Expenditure: Funds will be expended within 90-120 days of approval.
PCSO recognizes the limitations on available funding and welcomes partial awards to initiate implementation. If awarded less than the requested amount, PCSO will prioritize distribution to highest-need personnel and units (e.g., rural beats and high-call volume Deputies), and continue to seek supplemental funding to fully complete the project.

E. Additional information: PCSO has a longstanding partnership with the Ak-Chin Indian Community and surrounding Tribal Nations. Our Deputies routinely provide mutual aid or support in areas with limited local law enforcement resources. This equipment upgrade will enhance our ability to serve Native American communities respectfully, efficiently, and safely, honoring the shared priority of protecting life while fostering trust between law enforcement and tribal residents. The Pinal County Sheriff's Office serves a large and growing jurisdiction with a focus on professionalism, accountability and community trust. Upgrading critical equipment like patrol rifle optics and mounts directly support Deputy Preparedness and community safety. PCSO will remain flexible in scope and will responsibly maximize the impact of any amount awarded, recognizing the value and responsibility entrusted by Tribal Communities. PCSO recognizes and appreciated the historical support of Arizona Tribal Communities and the importance of responsible stewardship of any funding awarded. This project reflects out continues commitment to public safety, fiscal transparency and operational excellence. We thank the Ak-Chin Council for its consideration of this request.

2025 Prop 202 – 12% Contribution Grant Application
Narrative

A. Purpose of Grant.

1. The proposed project is to purchase a Ford Transit van to be upfitted and utilized by the Pinal County Sheriff's Office Traffic Unit for the response and deployment to the investigations of serious injury, liability, and fatality collisions that occur in and around Pinal County. Additionally, the van would be used by the Traffic Unit as needed to respond to critical incidences to assist the Pinal County Sheriff's Office Criminal Investigations Bureau in cases including, but not limited to, homicides, robberies, and officer involved shootings.

   This project would replace a 2011 Chevrolet Express van that is currently being utilized as described. The replacement van would improve operations, efficiency, and reliability. The new upgraded van would allow for a desk work space inside the van, more storage of equipment, easier access to equipment, and exterior lighting for night investigations. A new vehicle would allow for reliable transportation with less chances of experiencing mechanical problems.

   The Pinal County Sheriff's Office Traffic Unit leads and manages the Pinal County Regional Vehicle Crimes Task Force (PCRVCTF). This task force is comprised of investigators from seven agencies: Pinal County Sheriff's Office, Queen Creek, Superior, Florence, Coolidge, Eloy, and Maricopa. This task force is a resource available for the serious injury, liability, and fatal crash investigations that occur in all of those jurisdictions. The Pinal County Sheriff's Office provides 10 of the 23 investigators that make up the task force.

   Deploying to major collision scenes requires transporting specialized equipment, such as heavy duty weight scales, scene processing equipment including the FARO Scanner and Drone, EDR equipment, evidence markers, safety gear, canopies, barriers, etc. Additionally, for investigations that occur during darkness, a light plant needs to be towed to the scene.

   The van would be purchased at a local Ford dealer. From there, it would be transported to another location to be upfitted by a company that specializes in upfitting vans for law enforcement use. This includes installing required emergency lights, interior and exterior lighting, converter for power, computer mount, and a radio that would be purchased as well from Motorola.

   Quote sheets and build specs were obtained. However, caution was provided to the applicant contact person, Sgt. Erickson, to account for a 15 percent cost adjustment due to next years model year and potential Tariff consequences.

2. The population served by this project is the citizens who reside in Pinal County and those that commute through Pinal County. The population of Pinal County is approaching 500,000 people. Vehicle collisions can occur at any time and location, and when it does happen, the roadways are closed for the investigation. The people who will benefit include those that are involved in the collision, and those that need to commute around the collision location. The van will allow for the initial reliable response with all necessary equipment so the investigators can work efficiently and open the roadway as soon as practicable. The geographic location includes Pinal County and all municipalities that make up the Pinal County Regional Vehicle Crimes Task Force.

Narrative

3. The objectives for this project is first to secure a van and complete purchasing after January 1st 2026. If a van is secured in a timely manner, it could be transported to another facility for upfitting in the first quarter of 2026. The upfitting process can take time to complete the van build to specs. The objective for upfitting completion would be the second quarter of 2026. Once completed the van would undergo final inspection before being delivered to Pinal County Sheriff's Fleet Services Department for registration. The objectives for the van to be put into service would be the summer of 2026.

   The project goals are to obtain a reliable, efficient, updated van that will improve overall operations in collision investigations that will support and benefit the citizens and commuters of Pinal County. The goal is to maintain the van with required and routine service and repairs as necessary to be completed by Pinal County Fleet Services Department. With proper care and maintenance, the van can be a great asset for 10 or more years, dependent upon accrued mileage.

4. Upon the funded project being approved and fully executed, the Pinal County Sheriff's Office will make arrangements to secure a van that is suitable for our described needs. Once the van is available, it will be constructed per the build specs. When it is completed, and registered by the Pinal County Sheriff's Office, the VCU van will be put into service immediately which would be projected to be the summer of 2026.

B. Resources.
   1. Currently, there are no funding sources identified for this project. The cost of this VCU van replacement was not included in a budget item for fiscal year 2026. This project would be a one-time purchase, with long-term advantages.
   2. There are no other organizations or partners that are participating with providing the Pinal County Sheriff's Office with a VCU van replacement or upgrade.
   3. This project is a new project for the Pinal County Sheriff's Office. The project will be sustained by Pinal County personnel, to include the PCSO staff who will be utilizing the van and Pinal County Fleet Services who will be providing routine maintenance and care to ensure the van is kept in good working condition throughout the years.
   4. If the Applicant organization has requested funding from any other Arizona tribe, please list:
      a. See attachment. Pending requests made within the last eighteen (18) months for the same request, including the name of the tribe to which the request was made.
         1. There are no pending requests for the same project for the VCU replacement van.
      b. Funded requests made in the last five (5) years, including the name of the tribe that awarded the funding, a brief summary of the project for which the funding was awarded, and the amount of the funding received.
         1. See attachment, SAA.

Narrative

C. Reports. If approved, the Pinal County Sheriff's Office will account for and report expenditures to the Community. The PCSO will keep track of timelines and progression throughout the project until it is completed and put into service. This includes the date of the executed grant, date of purchase order, date a vehicle is secured, date and timeframe during upfitting, date the vehicle is transferred to the Pinal County Sheriff's Office, and date the vehicle is put into service upon registration being completed. Additionally the PCSO Traffic Unit maintains records and statistics for when the vehicle crimes unit is deployed to investigate collisions, and when the van is utilized for case follow up, which includes obtaining vehicle weights and event data recorder information. This information will be available upon request and is updated and current on a monthly basis. This information is tracked by the unit supervisor and the agency records management system.

D. Budget. See attachment budget forms which supports the request in the Application. The estimated timeline for when the funds will be expended is the summer of 2026 when the project would be completed.

E. Additional information. Please provide any additional information about the Project or the Applicant organization that the Ak-Chin Council should know when considering the Application.
   1. See attached documents and photographs.
   2. The Pinal County Sheriff's Office is the largest agency within Pinal County. PCSO strives to provide assistance to all agencies within and near Pinal County during times that assistance and expertise is needed in the area of vehicle accident investigations to include the follow up that is necessary in regards to crash data retrieval, and reconstruction.

2025 Prop 202 – 12% Contribution Grant Application
Outline for Narrative

INSTRUCTIONS: Applicants must submit a narrative explaining the proposal for which funding is requested. The Narrative shall follow the outline format provided below. Narratives shall not be more than five (5) pages, not including attachments, if any.

OUTLINE

A. Purpose of Grant.

1. Describe the proposed program, project or purchase (collectively, the "Project): The Community Relations Unit is requesting two Utility Task Vehicles (UTVs) along with two trailers to haul the UTVs. The use of these UTVs and trailers will allow for the Community Relations Unit an opportunity to reach rural and urban areas of Pinal County for community events and the public needs. The vehicles will allow for a closer and personal experience with contact from our Community Relations Unit. This will provide a chance to help and render aid to the county residence when needed and to help and assist with a faster response time in providing resources to the residents of Pinal County in the urban and rural areas of the county.

   Identify the target population that will be served by the Project: Pinal County Sheriff's Office Community Relations Unit is seeking grant funding for two Utility Task Vehicles (UTVs) and two trailers to haul the vehicles while in use. These vehicles will be utilized for easy access to difficult terrain such as the desert, crowded streets, areas that traditional patrol vehicles cannot access with quick efficient time. The UTVs and Trailers will be utilized for emergency situations (such as wildfires) and community events with crowds for the use of transportation of members of PCSO, food, water, or supplies for Pinal County Sheriff's Office staff and the public. The trailers will be utilized to transport the side by side to the locations it is utilized for transportation of PCSO staff, food, water, and/or supplies for the public and staff.

2. Describe the Project goals and objectives and outline a plan to meet these goals: Pinal County Sheriff's Office patrols approximately 5,374 miles of both rural and urban areas of the county. The 2024 Census reports that Pinal County has a population of 513,862 residents with 1,179 square rural miles of patrol and 4,195 square urban miles. The UTVs and trailers will be utilized for quick transportation of supplies and goods to both rural and urban areas of Pinal County.
3. The objectives and goals for the UTVs and trailers will provide the ability to access rural and urban areas of the county during community events, providing resources such as food, water, and aid to the residents and staff of Pinal County.

   Documentation of the use of the UTVs and trailers will be carefully documented for use in events and the community through an internal documentation on a weekly basis and reported to the proper chain of command (Community Relations Sargent) on a monthly basis.

   The goal of the Community Relations Unit needed for the UTVs and trailers is to provide an alternative means of transportation that will quickly and efficiently allow access for the unit to provide essential resources to the community of Pinal County and staff in both rural and urban areas that traditional patrol vehicles may not be able to access.

   The use of the UTVs and trailers during the yearly Country Thunder Music Festival. This vehicle will allow access between crowds, small alleys, allowing closer access to PSCO staff, community members, as food, water, and other necessities are needed for the time of the event

for PCSO members providing security and the community attending the event. The UTVs and trailers would be available for the duration of the event 24/7 as the CRU staff provides services

to PCSO staff during the duration of Country Thunder (an average of five days with rotating shifts). This UTV and trailer will be utilized year round for events. The CRU has many events throughout the year that would show the relevance of the use and need for the UTV and trailer.

4. **Provide a timetable for implementation of the Project:** The time that the UTVs and trailers will be used is unlimited. Both resources will be utilized on a weekly basis to help support the residence of Pinal County for events and PCSO staff. These resources will be continued even after the end of the grant period.

-January: Casa Grande Street Fair & Car Show, Hewitt Station Clean Up, and Patrol Posse Driving Course Support.

-February: 50k Marathon (Superior)

-March: COP Classic Car Show, Jason Lopez Memorial Clean-Up, and Mesa Team Building Challenge.

-April: Torch Run, Country Thunder, NCVRW Car Show, Missile Base Clean Up, National Night Out, Pinal County Sheriff's Office Open House, and Adopt a Road, Wild Fires.

-May: High School Graduations and Wild Fires.

-June: East Mesa Safety Event, Hero Day, Safety Awareness, Water Safety Day, and American Legion Law Enforcement Career Academy, and Wild Fires.

-July: Water Day (American Leadership Academy), Water Day (Legacy Traditional Schools), Wild Fires, and Touch a Truck.

-August: Stand by for pop up events and emergency use (wild fires).

-September: Stand by for pop up events and emergency use (wild fires).

-October: Hoot Night, Adopt a Road, and Getting Arizonans Involved In Neighborhoods.

-November: Maricopa County Sheriff's Office Cadet Competition.

-December: Shop with the Sheriff, and HOPE.Wild Fires, Parades, Social Events Hosted by Main County, and/or emergency use- as requested.

B. Resources.

1. Identify current funding sources for the Project and characterize each funding source listed as either a one-time-only or long-term funding source: Currently, there are no funding resources identified for this project. The cost of the UTVs and the trailers was not included as a budget item for the fiscal year 2026. The project will be a one time purchase, with long term advantages.
2. Identify other organizations or partners that are participating in or contributing to the Project, but

Dear Pinal County - Court Administration

Pinal County Superior Court

Re: Field Trainer Application

Your grant application for the funding of a field trainer in Pinal County has been approved in the amount of $25,000.00.

In addition, the Field Trainer will also be partially funded through the funds identified on the application.

A funding agreement has been routed separately from DocuSign directly to the signers of this application/submission.

NOTE: Could you please alert all leadership staff that they will be receiving a DocuSign document for their review and signature. You may also want to alert them that this may come into a spam folder. DocuSign will forward us actions taken once all signers have reviewed and signed. Disbursement will only be made after the receipt of signed agreement and will go out as soon as administratively possible.

A final status report is required and due on **August 15, 2025.** Please note that Field Trainers are required to attend meetings and trainings provided by the AOC and submit required reports (final annual report and monthly reports). These reports will assist in measuring the continued effectiveness of the program.

If you have any questions, please don't hesitate to replay to this email or use the messaging feature in the grant's portal.

Sincerely,

CSD Grants

FUNDING AGREEMENT FOR TRAFFIC CASE PROCESSING FUNDS

Pinal County Superior Court
Field Trainer
Fiscal Year 2025

This Agreement is entered into by and between the Arizona Administrative Office of the Courts, herein referred to as "AOC," on behalf of the Arizona Supreme Court, and the Pinal County Superior Court, herein referred to as "the Court," in accordance with A.R.S. § 28-493 which is incorporated herein by reference.

RECITAL

The purpose of this Agreement is to provide funding to the Court to implement its approved plan for use of Traffic Case Processing Funds (TCPF) for Fiscal Year 2025, as set forth in Addenda A and B which are part of this Agreement.

TERMS AND CONDITIONS

1. TERM OF AGREEMENT

This Agreement becomes effective on July 1, 2024 and shall remain in effect through June 30, 2025

2. MODIFICATION AND TERMINATION

This Agreement may be modified or terminated by the AOC if in its judgment such action is necessary due to: (a) funding availability; (b) statutory changes in the program; (c) the Court's failure to implement or operate the approved plan; (d) the Court's non-compliance with this Agreement, or (e) other circumstances necessitating such action. Either party may, upon thirty (30) days written notice to the other party by certified mail, terminate this agreement.

3. FUND ACCOUNTING

Funds distributed to the Court shall be deposited in a Special Revenue Fund established for the execution of this Agreement pursuant to Administrative Order 91-19. Any interest earned on these monies while in the possession of the Court shall accrue to the fund and shall be accounted for separately. Interest earned on these monies cannot be spent without approval from the AOC. Funds disbursed to the Court for reimbursement of approved expenses do not have to be deposited into a Special Revenue account.

4. EXPENDITURES

a. Distribution of Funds. The AOC may retain all or any portion of the funds allocated to the Court for the performance of its approved plan and may authorize direct expenditures for the benefit of the Court. Set forth in Addendum A to this Agreement are the specific amounts to be retained by the AOC and to be disbursed to the Court. The AOC may periodically modify the distribution of funds contained in Addendum A based on its determination of the Court's need for and usage of Traffic Case Processing Funds.

b. Reporting Requirements. The Court shall submit a final status report to the AOC forty-five days after the end of the grant period ending June 30, 2025. It is especially important that we receive all status reports because the AOC uses that data for the JCEF funds report. It is critical that the expenditures of all JCEF funds are reported and include all benefits that have been realized, especially those measurable deliverables stated in the application and approval letter. The closing report will include a financial report along with any unexpended funds and interest in accordance with paragraph 4.C of this agreement and a detailed narrative report. In addition, the field trainer is required to submit monthly status reports to the Automation Services Unit, AOC to assist in measuring the continued effectiveness of the program.

Docusign Envelope ID: 8C95BFEE-0BFC-4379-8DD3-409A9BC34920

c. Unexpended Funds. Funds unencumbered as of June 30, 2025, and unexpended as of July 31, 2025, plus all unexpended interest accrued on such funds while in the possession of the Court, shall be transmitted to the AOC for reversion to the Traffic Case Processing Fund no later than August 15, 2025. The reversion shall be accompanied by a closing financial statement signed by the Presiding Judge or appropriate Division/Department head if this agreement is between the AOC and an organization other than an Arizona court.

d. Inappropriate Expenditures. The Court shall expend funds only for the purposes and uses specified in the approved plan and budget. The Court agrees to reimburse the Traffic Case Processing Fund for any unauthorized or inappropriate expenditures which are not in compliance with the approved plan and budget and this Agreement.

Traffic Case Processing Funds shall not be used to pay county or city administrative costs for services associated with receipt of those funds including, but not limited to, the cost of accounting, payroll, data processing, purchasing, personnel, and building use. All equipment purchased solely with Traffic Case Processing Funds shall be used solely for purposes in the approved plan unless written permission is received from the AOC.

e. Budget Modifications. The Court shall not shift funds from, to, or within budgeted categories without prior written authorization from the AOC. All budget modifications shall be in accordance with the current version of Section 5.03, AOC's Policies and Procedures Manual, entitled Budget Control, Budget Modification Policy, a copy of which can be obtained upon request.

f. Termination of Funding. In the event that this Agreement is terminated prior to June 30, 2025, all unexpended funds in the possession of the Court shall be returned to the AOC within 30 days of such termination, along with, but not limited to: (1) a closing financial statement; (2) a final report outlining the program achievements; and (3) an inventory, including serial numbers, of all equipment purchased with Traffic Case Processing Funds.

If termination is due to failure of the Court to comply with the approved plan the AOC may require return of equipment and supplies purchased with Traffic Case Processing Funds.

5. BOOKS AND RECORDS

a. Financial Records and Examination. The Court shall maintain and shall require its subcontractors to maintain acceptable accounting systems, records, and documents to properly reflect all funds expended in the performance of the approved plan. All books, records, and other documents relevant to this Agreement shall be retained by the Court and its subcontractors for a period of five (5) years after the final payment has been made, or until after the resolution of any audit questions or contract disputes, whichever is longer. Court, state, or federal auditors, as applicable, and any other persons duly authorized by the AOC shall have full access to, and the right to examine, audit, copy and make use of any and all said materials. All subcontracts shall include a provision acknowledging the authority of the AOC to conduct such audits or examinations.

b. Program Records and Evaluation. The AOC plans to monitor and evaluate the Traffic Case Processing Fund Program to determine its effectiveness. As a condition of receipt of Traffic Case Processing Funds, the Court agrees to maintain and provide to the AOC such data and statistics as may be required by the AOC for purposes of evaluation. All records and documents relevant to this Agreement shall be retained by the Court and its subcontractors for a period of five (5) years after the final payment has been made. Authorized agents of the AOC shall have full access to, and the right to examine, copy, and make use of, any and all said materials.

The Court further agrees that authorized agents of the AOC shall have the right to conduct on-site visits for purposes of compliance monitoring and program evaluation. All subcontracts shall include a provision acknowledging the authority of the AOC to conduct such inspections and evaluations.

6. AMERICANS WITH DISABILITIES ACT (ADA) REQUIREMENTS

The Court shall comply with the Arizona Judiciary Policy on Access to Court Services by Persons with Disabilities as mandated by Administrative Order 92-32.

Docusign Envelope ID: 8C95BFEE-0BFC-4379-8DD3-409A9BC34920

7. INVENTORY

The Court retains ownership of equipment purchased with funds received pursuant to this agreement and shall maintain written inventory and property control policies and procedures. The Court may use its existing inventory system but must at a minimum maintain the information required by Supreme Court policies and procedures. See AOC's Policies and Procedures Manual, Section 5.06 for guidance.

The Court retains ownership of equipment purchased with funds received pursuant to this funding agreement.

8. USE, LOSS, AND DISPOSITION OF EQUIPMENT

Equipment must be used as required by the approved plan for duration of this funding agreement unless written permission is given by the Supreme Court. After this time, the equipment may be transferred upon approval of the presiding judge. The Court is responsible for any maintenance, loss or damage to the equipment and the Supreme Court makes no assurances regarding its repair or replacement. Equipment, which is no longer needed or usable, shall be placed in surplus as required by this agreement. If no such requirements are included in the funding agreement, then local surplus property procedures may be utilized. The equipment should be offered to another court prior to being placed in surplus. See Attachment C.

9. PERFORMANCE LIABILITY

Except as otherwise provided in law, in the performance of this Agreement and the Court's approved plan both parties hereto will be acting in their individual governmental capacities and not as agents, employees, partners, joint venturers, or associates of each other. The employees, agents, or subcontractors of one party shall not be deemed or construed to be the employees or agents of the other party. Each party agrees to be solely responsible for the actions of its employees under this Agreement, and to indemnify and hold the other harmless for the actions of its own employees.

10. VACATION COMPENSATION

Where Fill the Gap Funds are allocated for the compensation of full-time employees, the Court, at its option, may provide for the accrual and use of vacation time by such employees consistent with existing the Court policy. Full-time employees are defined as those who work a minimum of 40 hours per week for at least six consecutive months during the term of this Agreement.

ARIZONA COURTS
INVENTORY AND PROPERTY CONTROL POLICY

The purpose of this section is to set forth minimum procedures and guidelines for fixed assets (furniture and equipment) owned by the Judicial Department Unit (JDU) other than the Supreme Court.

It is the intent of this policy that all equipment items are accounted for under an inventory system. Each court, including its probation departments, must be able to account for all equipment regardless of the funding source used to purchase the equipment.

DEFINITIONS

Capital equipment means any piece of property or a fixed asset with a purchase price of $5,000 or more and a usable life of one or more years.

Noncapital equipment means any piece of property or a fixed asset with a purchase price of $2,000 to $4,999 and usable life of one or more years.

Judicial Department Unit (JDU) is any operating unit, office, or court of the Arizona Judicial Department reporting to the Chief Justice; chief judges of the Court of Appeals; presiding judges of the superior court, justice courts, and municipal courts; clerks of court; staff attorneys; divisions of the Administrative Office of the Courts; court administrators; and probation departments, with responsibility for reporting, care, and custody of the fixed asset.

Local Governmental Unit (LGU) is any county, city or school district with responsibility for reporting, care, and custody of the fixed asset.

POLICY

1. GENERAL

This policy covers any equipment valued over $2,000 purchased from state, federal, or other funds provided through the AOC. All acquisitions of equipment using Supreme Court funds will be documented in an agreement.

If the AOC provides the funding and the JDU purchases the equipment, a funding agreement will be signed that clearly delineates the JDU owns the equipment. The JDU will record transactions in its fixed asset tracking system. The inventory policy is part of the funding agreement.

If the AOC purchases the equipment and transfers ownership of the asset, the JDU will record transactions in its fixed asset tracking system. The inventory policy is part of the equipment grant agreement.

The JDU shall maintain written inventory and property control policies and procedures.

All equipment included under this policy shall be clearly identified and located for purposes of regular physical inventory.

The JDU shall maintain an inventory log as described in the record keeping section of this policy.

2. TAGGING/NUMBERING SYSTEM

For items that the Supreme Court purchases and maintains ownership of, the Supreme Court will issue tags and require tagging of the equipment. For all other items, the JDU shall maintain a tagging/numbering system.

Docusign Envelope ID: 8C95BFEE-0BFC-4379-8DD3-409A9BC34920

3. RECORD KEEPING

The inventory and property control person shall establish accurate records for all equipment under this policy. These records for capital and noncapital equipment shall, at a minimum, indicate:
- Acquisition date
- A brief description of the item
- Current location (code or suitable alternative)
- Program funding source
- Tag or asset number
- Model and serial number
- Account number
- Purchase document number (claim/voucher)
- Original cost including shipping, taxes, and installation

The inventory control records shall be maintained in such a fashion as to permit ready access and review.

4. INVENTORY SCHEDULE

The JDU shall conduct a physical inventory of equipment annually. The report of the physical inventory shall be maintained and available for review and audit upon request by the AOC.

5. TRANSFER OF EQUIPMENT

Equipment must be used for the approved purpose for five years, unless written permission is given by the AOC. After five years, the equipment may be transferred upon approval of the presiding judge of the court.

6. SURPLUS PROPERTY

Equipment, which is no longer needed or usable, shall be placed in surplus in accordance with the following:

For equipment for which title was granted to the JDU, the JDU shall follow any procedures required by the original funding agreement. If no such requirements are included in the funding agreement, then local surplus property procedures may be utilized.

7. MODIFICATION TO THIS POLICY

The Arizona Supreme Court, AOC, reserves the right to modify this policy as needed.

Dear Pinal County - Court Administration:

Pinal County Superior Court

The Administrative Office of the Courts (AOC) has approved the application submitted by the court. The approved grant in the amount of $99,542.00 will be used for ACAP fees in fiscal year 2025. If the court's local JCEF funds are insufficient to support the approved request, there is no obligation or approval to provide state funds.

For projects spanning multiple fiscal years, annual progress reports are required. A final status report is required and due on August 15, 2025, or forty-five days after the project expiration date.

Should you have any questions or concerns, please do not hesitate to reply to this email or use the messaging feature in the grant's portal.

Thank you.

Dear Pinal County - Court Administration

Pinal County Superior Court

Your Fill the Gap application has been approved in full for the total amount of $97,766.00. A funding agreement will be routed separately from DocuSign directly to the signers of this application/submission.

NOTE: Could you please alert all leadership staff that they will be receiving a DocuSign document for their review and signature. You may also want to alert them that this may come into a spam folder. DocuSign will forward us actions taken once all signers have reviewed and signed. Disbursement will only be made after the receipt of signed agreement and will go out as soon as administratively possible.

A final status report is required and due on **August 15, 2025** and should include responses to the following performance measures:

- Narrative on hours worked and rate of pay for all grant funded positions as identified in the application.
- Monitor case aging reports and provide recommendations to reduce the age of pending cases
- Number of criminal cases assigned to judges funded by this grant in FY25 vs FY24

- Clearance rate for the judges funded by this grant (# of cases disposed/# of cases filed) in FY25 vs FY24
- Dispose of 65% felony cases within 90 days, 85% within 180 days, and 96% within 365 days.

Since we cannot guarantee how much revenue will be generated form the 7% and the 5%, any shortfall will be the financial responsibility of the county. In the event that the Fill the Gap funds are insufficient to fund the approved request, there is no obligation or approval to provide funds from the Administrative Office of the Courts (AOC)

If you have any questions, please don't hesitate to replay to this email or use the messaging feature in the grant's portal.

Sincerely,

CSD Grants

FUNDING AGREEMENT FOR FILL THE GAP FUND

Pinal County Superior Court

Fiscal Year 2025

This Agreement is entered into by and between the Arizona Administrative Office of the Courts, herein referred to as "AOC," on behalf of the Arizona Supreme Court, and the Pinal County Superior Court, herein referred to as "the Court," in accordance with A.R.S. §§ 12-102.01, 12-102.02 and 41-2421.

RECITAL

The purpose of this Agreement is to provide funding to the Court to implement its approved plan for use of Fill the Gap (FTG) for Fiscal Year 2023, as set forth in Addenda A and B which are part of this Agreement. In the implementation of its approved plan and use of Fill the Gap Fund monies, the Court agrees that it will not reassign existing full-time permanent judges to hear civil and other non-Fill the Gap Fund cases.

TERMS AND CONDITIONS

1. TERM OF AGREEMENT

This Agreement becomes effective on July 1, 2024, and shall remain in effect through June 30, 2025.

2. MODIFICATION AND TERMINATION

This Agreement may be modified or terminated by the AOC if in its judgment such action is necessary due to: (a) funding availability; (b) statutory changes in the program; (c) the Court's failure to implement or operate the approved plan; (d) the Court's noncompliance with this Agreement, A.R.S. §§ 12-102.01, 12-102.02 and 41-2421 or (e) other circumstances necessitating such action. Either party may, upon thirty (30) days written notice to the other party by certified mail, terminate this agreement. In the event that a modification request becomes necessary, it must be requested no later than thirty (30) days prior to the closing date of the grant.

3. FUND ACCOUNTING

Funds distributed to the Court shall be deposited in a Special Revenue Fund established for the execution of this Agreement pursuant to Section III (B) of the Auditor General's Uniform Accounting Manual for Arizona Counties. Any interest earned on these monies while in the possession of the Court shall accrue to the fund for use by the Court in accordance with its approved plan.

4. EXPENDITURES

a. Distribution of Funds. The AOC may retain all or any portion of the funds allocated to the Court for the performance of its approved plan and may authorize direct expenditures for the benefit of the Court. Set forth in Addendum A to this Agreement are the specific amounts to be retained by the AOC for Superior Court judges pro tempore salaries and ERE to be disbursed by the AOC, and amounts to be disbursed to the Court. The AOC may periodically modify the distribution of funds contained in Addendum A based on its determination of the Court's need for and usage of Fill the Gap Funds.

b. Reporting Requirements. The Court shall submit a progress report to the AOC no later than August 15, 2025, for the period of July 1, 2024, to June 30, 2025 and include a financial report along with any funds and interest in

Docusign Envelope ID: 2AEAEAD2-E071-4507-8E88-39F1DC968C5F

accordance with paragraph 4.c of this funding agreement.

c. Unexpended Funds. Funds unencumbered as of June 30, 2025, and unexpended as of July 30, 2025, plus all unexpended interest accrued on such funds while in the possession of the Court, may be carried forward to the next fiscal year. Any funds carried forward to the following year must be used for similar line items that were identified in the approved application.

d. Inappropriate Expenditures. The Court shall expend funds only for the purposes and uses specified in the approved plan and budget. The Court agrees to reimburse the Fill the Gap Fund for any unauthorized or inappropriate expenditures which are not in compliance with the approved plan and budget and this Agreement and A.R.S. §§ 12-102.01, 12-102.02 and 41-2421.

Fill the Gap Funds shall not be used to pay county or city administrative costs for services associated with receipt of those funds including, but not limited to, the cost of: accounting, payroll, data processing, purchasing, personnel, and building use. All equipment purchased solely with Fill the Gap Funds shall be used solely for purposes in the approved plan unless written permission is received from the AOC.

e. Budget Modifications. The Court shall not shift funds from, to, or within budgeted categories without prior written authorization from the AOC. All budget modifications shall be in accordance with the current version of Section 5.03, AOC's Policies and Procedures Manual, entitled Budget Control, Budget Modification Policy, a copy of which can be obtained upon request.

f. Termination of Funding. In the event that this Agreement is terminated prior to June 30, 2025, all unexpended funds in the possession of the Court shall be returned to the AOC within 30 days of such termination, along with, but not limited to: (1) a closing financial statement; (2) a final report outlining the program achievements; and (3) an inventory, including serial numbers, of all equipment purchased with Fill the Gap Funds.

If termination is due to failure of the Court to comply with the approved plan, the AOC may require return of equipment and supplies purchased with Fill the Gap Funds.

5. BOOKS AND RECORDS

a. Financial Records and Examination. The Court shall maintain and shall require its subcontractors to maintain acceptable accounting systems, records, and documents to properly reflect all funds expended in the performance of the approved plan. All books, records and other documents relevant to this Agreement shall be retained by the Court and its subcontractors for a period of five (5) years after the final payment has been made, or until after the resolution of any audit questions or contract disputes, whichever is longer. Court, state, or federal auditors, as applicable, and any other persons duly authorized by the AOC shall have full access to, and the right to examine, audit, copy and make use of any and all said materials. All subcontracts shall include a provision acknowledging the authority of the AOC to conduct such audits or examinations.

b. Program Records and Evaluation. The AOC plans to monitor and evaluate the Fill the Gap Fund Program to determine its effectiveness. As a condition of receipt of Fill the Gap Funds, the Court agrees to maintain and provide to the AOC such data and statistics as may be required by the AOC for purposes of evaluation. All records and documents relevant to this Agreement shall be retained by the Court and its subcontractors for a period of five (5) years after the final payment has been made. Authorized agents of the AOC shall have full access to, and the right to examine, copy, and make use of, any and all said materials.

The Court further agrees that authorized agents of the AOC shall have the right to conduct on-site visits for purposes of compliance monitoring and program evaluation. All subcontracts shall include a provision acknowledging the authority of the AOC to conduct such inspections and evaluations.

6. AMERICANS WITH DISABILITIES ACT (ADA) REQUIREMENTS

The Court shall comply with the Arizona Judiciary Policy on Access to Court Services by Persons with Disabilities as mandated by Administrative Order 92-32.

Docusign Envelope ID: 2AEAEAD2-E071-4507-8E88-39F1DC968C5F

7. INVENTORY

The Court retains ownership of equipment purchased with funds received pursuant to this agreement, and shall maintain written inventory and property control policies and procedures. The Court may use its existing inventory system but must at a minimum maintain the information required by Supreme Court policies and procedures. See AOC's Policies and Procedures Manual, Section 5.06 for guidance.

The Court retains ownership of equipment purchased with funds received pursuant to this funding agreement.

8. USE, LOSS AND DISPOSITION OF EQUIPMENT

Equipment must be used as required by the approved plan for duration of this funding agreement, unless written permission is given by the Supreme Court. After this time, the equipment may be transferred upon approval of the presiding judge. The Court is responsible for any maintenance, loss or damage to the equipment and the Supreme Court makes no assurances regarding its repair or replacement. Equipment, which is no longer needed or usable, shall be placed in surplus as required by this agreement. If no such requirements are included in the funding agreement, then local surplus property procedures may be utilized. The equipment should be offered to another court prior to being placed in surplus. See Attachment C.

9. PERFORMANCE LIABILITY

Except as otherwise provided in law, in the performance of this Agreement and the Court's approved plan both parties hereto will be acting in their individual governmental capacities and not as agents, employees, partners, joint venturers, or associates of each other. The employees, agents, or subcontractors of one party shall not be deemed or construed to be the employees or agents of the other party. Each party agrees to be solely responsible for the actions of its employees under this Agreement, and to indemnify and hold the other harmless for the actions of its own employees.

10. VACATION COMPENSATION

Where Fill the Gap Funds are allocated for the compensation of full-time employees, the Court, at its option, may provide for the accrual and use of vacation time by such employees consistent with existing the Court policy. Full-time employees are defined as those who work a minimum of 40 hours per week for at least six consecutive months during the term of this Agreement. Further, under no circumstances shall the Court use Fill the Gap Fund monies for the compensation of judges pro tempore or other temporary quasi-judicial officers substituting for either vacationing permanent or pro tempore judges or quasi-judicial officers.

ARIZONA COURTS
INVENTORY AND PROPERTY CONTROL POLICY

The purpose of this section is to set forth minimum procedures and guidelines for fixed assets (furniture and equipment) owned by the Judicial Department Unit (JDU) other than the Supreme Court.

It is the intent of this policy that all equipment items are accounted for under an inventory system. Each court, including its probation departments, must be able to account for all equipment regardless of the funding source used to purchase the equipment.

DEFINITIONS

Capital equipment means any piece of property or a fixed asset with a purchase price of $5,000 or more and a usable life of one or more years.

Noncapital equipment means any piece of property or a fixed asset with a purchase price of $2,000 to $4,999 and usable life of one or more years.

Judicial Department Unit (JDU) is any operating unit, office, or court of the Arizona Judicial Department reporting to the Chief Justice; chief judges of the Court of Appeals; presiding judges of the superior court, justice courts, and municipal courts; clerks of court; staff attorneys; divisions of the Administrative Office of the Courts; court administrators; and probation departments, with responsibility for reporting, care, and custody of the fixed asset.

Local Governmental Unit (LGU) is any county, city or school district with responsibility for reporting, care, and custody of the fixed asset.

POLICY

1. GENERAL

This policy covers any equipment valued over $2,000 purchased from state, federal, or other funds provided through the AOC. All acquisitions of equipment using Supreme Court funds will be documented in an agreement.

If the AOC provides the funding and the JDU purchases the equipment, a funding agreement will be signed that clearly delineates the JDU owns the equipment. The JDU will record transactions in its fixed asset tracking system. The inventory policy is part of the funding agreement.

If the AOC purchases the equipment and transfers ownership of the asset, the JDU will record transactions in its fixed asset tracking system. The inventory policy is part of the equipment grant agreement.

The JDU shall maintain written inventory and property control policies and procedures.

All equipment included under this policy shall be clearly identified and located for purposes of regular physical inventory.

The JDU shall maintain an inventory log as described in the record keeping section of this policy.

2. TAGGING/NUMBERING SYSTEM

For items that the Supreme Court purchases and maintains ownership of, the Supreme Court will issue tags and require tagging of the equipment. For all other items, the JDU shall maintain a tagging/numbering system.

Docusign Envelope ID: 2AEAEAD2-E071-4507-8E88-39F1DC968C5F

Docusign Envelope ID: 2AEAEAD2-E071-4507-8E88-39F1DC968C5F

3. RECORD KEEPING

The inventory and property control person shall establish accurate records for all equipment under this policy. These records for capital and non-capital equipment shall, at a minimum, indicate:
- Acquisition date
- A brief description of the item
- Current location (code or suitable alternative)
- Program funding source
- Tag or asset number
- Model and serial number
- Account number
- Purchase document number (claim/voucher)
- Original cost including shipping, taxes, and installation

The inventory control records shall be maintained in such a fashion as to permit ready access and review.

4. INVENTORY SCHEDULE

The JDU shall conduct a physical inventory of equipment annually. The report of the physical inventory shall be maintained and available for review and audit upon request by the AOC.

5. TRANSFER OF EQUIPMENT

Equipment must be used for the approved purpose for five years, unless written permission is given by the AOC. After five years, the equipment may be transferred upon approval of the presiding judge of the court.

6. SURPLUS PROPERTY

Equipment, which is no longer needed or usable, shall be placed in surplus in accordance with the following:

For equipment for which title was granted to the JDU, the JDU shall follow any procedures required by the original funding agreement. If no such requirements are included in the funding agreement, then local surplus property procedures may be utilized.

7. MODIFICATION TO THIS POLICY

The Arizona Supreme Court, AOC, reserves the right to modify this policy as needed.

Project Information	

Brief Description of Project and Expected Outcomes:	This is a request for continuation funding of the project outlined and funded from Pinal County's 2024 application (GPT #2411FTG001). Current funding will end on June 30, 2024. This application is a request for a combination of both State and Local Fill-the-Gap funds, for the period of July 1, 2024 through June 30, 2025. Funds requested this year will support two full-time Judicial Assistants, two full-time Bailiffs, all at 100% (salary plus ERE), plus funding ACAP maintenance agreements for fifteen ACAP computers and their printers. Funds will be used to support the Superior Court's Probation Revocation Court (PRC) and Early Disposition Court (EDC) courts. Approximately two-thirds of all criminal cases filed in Pinal County are being assigned to EDC. EDC is designed to dispose of cases that can be identified as requiring simpler resolutions, this in turn supports increased case terminations, and a reduction in time to disposition in Pinal County's caseload management outcome. Currently, based upon present case filings, two full-time judicial officers are covering two EDC days and one PRC day in addition to other criminal calendars and trials. A significant increase in criminal case filings would trigger expanding EDC to a third day continues to be the go-to strategy should caseloads increase beyond current levels.
List the project's performance measures:	The below listed case numbers/percentages cover the period of July 1, 2023 to June 30, 2024. Total Cases Filed: 2,670 Total Cases Disposed: 2,535 Cases disposed in: 0–90 Days: 934, 36.84% 91 –180 Days: 743, 29.31% 181– 365 Days: 588, 23.20% 366+ Days: 270, 10.65% Felony cases disposed of within 90 days: 36.84% As in previous years, case disposition times continue to be monitored and reported to Judges monthly via the Research Analyst/Case Flow Manager in Court Administration, or alternatively a Clerk's Office-created Dashboard which provides each judge with his/her active cases, case status and the ability to correct the available data. We are confident this process brings more immediate attention to cases which have fallen behind. However, no Judge can effectively manage his or her caseload without support to perform the tasks of docketing, calendaring, minute entry processing, and mail processing. In addition, to increase the percentage of cases disposed within the target timeframes, additional hearings are required, thus increasing the size of support personnel workloads. We continue to work toward our previously established goals of meeting the Time Standards set by the Arizona Supreme Court. Should we achieve these goals under this County Attorney's administration, we will examine whether it may be prudent to increase those goals in the future.
Examples of Performance Measures: SMART Format: (specific, measurable, achievable, realistic, timely)	Number of files to be purged or cleaned up for the purpose of.... Report on total hours worked in fiscal year....and dollars expended per position funded by the grant Statistical data demonstrating the project's benefit to the court, i.e. case clearance rate FY X compared to FY Y; Provide proof of purchase (invoice/receipts) for grant funded (items/services) Number of attendees at grant-supported training

Caution! This message was sent from outside your organization.

Dear Pinal County - Court Administration

Arizona Superior Court in Pinal County

Your Supplemental Reduction of Case Backlogs (formerly ARPA #2) application has been approved in full for the total amount of $28,000.00]. A funding agreement will be routed separately from DocuSign directly to the signers of this application/submission.

NOTE: Could you please alert all leadership staff that they will be receiving a DocuSign document for their review and signature. You may also want to alert them that this may come into a spam folder. DocuSign will forward us actions taken once all signers have reviewed and signed. Disbursement will only be made after the receipt of signed agreement and will go out as soon as administratively possible.

For multi-year proposals, a progress report is required and due on August 15th of each fiscal year as outlined in the funding agreement and should include a financial report along with responses to the following measures:

- Provide proof of purchase (invoices/receipts) for grant-funded (items/services)
- Hours worked and rate of pay for grant-funded staff.

- Number of criminal backlogged cases January 2023 vs current reporting period (Must be criminal, delinquency or DV related, per CPAF authority).
- Narrative on progress of reducing pandemic-related backlogs.

A final status report is due no later than 45 days from the end of the grant, February 14, 2025.

In the event that the Supplemental Reduction Case Backlog funds are insufficient to fund the approved request, there is no obligation or approval to provide funds from the Administrative Office of the Courts (AOC)

If you have any questions, please don't hesitate to replay to this email or use the messaging feature in the grant's portal.

Sincerely,

CSD Grants

Arizona Supreme Court
Administrative Office of the Courts

***AMENDED* FUNDING AGREEMENT FOR SUPPLEMENTAL REDUCTION OF CASE BACKLOGS FUNDS MADE AVAILABLE FROM THE AMERICAN RESCUE PLAN ACT REVENUE REPLACEMENT OFFSETS FOR THE STATE OF ARIZONA**

This Agreement is entered into by and between the Arizona Supreme Court, Administrative Office of the Courts, ("AOC"), and **Pinal County Superior Court (**"Grantee").

Recital

The purpose of this *Amended* Agreement is to provide additional funding to Grantee to implement its approved plan for use of SUPPLEMENTAL REDUCTION OF CASE BACKLOGS (SRCB) funds as set forth in Addenda A and Addenda B which is part of this Agreement. In the implementation of its approved plan and use of CPAF Funds, Grantee agrees that funds will not be diverted for use on projects other than those approved herein.

Terms and Conditions

1. **Term.** This Agreement becomes effective on **May 20, 2024,** and shall remain in effect through **December 31, 2024.**

2. **Modification and Termination.** This Agreement may be modified or terminated by the AOC if, in its judgment, such action is necessary due to: (a) funding availability; (b) statutory changes in the program; (c) Grantee's failure to implement or operate the approved plan; (d) Grantee's non-compliance with this Agreement or other program requirements; or (e) other circumstances necessitating such action. Either party may, upon thirty (30) days written notice to the other party by certified mail, terminate this Agreement.

3. **Expenditures.**

a. **Authorized Expenditures.** Reimbursement shall be made to Grantee for authorized expenditures up to the amount listed in the approval letter for Grantee's plan for the reduction of case backlogs.

b. **Distribution of Funds.** Funds will be disbursed to reimburse the Grantee for approved expenditures upon receipt by AOC of quarterly expenditure reports from the Grantee. Expenditure reports are to be submitted to AOC by the Grantee in accordance with the reporting deadlines established in paragraph 3(c) below. Expenditure reports received after the dates listed below may not have reimbursements issued until the following reporting period.

c. **Reporting Requirements.** An annual status report is due on August 15th of every year with a final report is due no later than 45 days from the end of the grant and shall include a financial report along with a narrative of the project's accomplishments over the term of this Agreement.

DocuSign Envelope ID: 8A937E5F-6394-440A-B7B1-42AA871B3A3C

d. **Inappropriate Expenditures.** Grantee shall expend funds and request reimbursement only for the purposes and uses specified in the approved plan and budget. Grantee agrees to reimburse AOC for any unauthorized or inappropriate expenditures which are not in compliance with the approved plan and budget and this Agreement. Funds shall not be used to pay county or city administrative costs for services associated with receipt of those funds including, but not limited to, the cost of accounting, payroll, data processing, purchasing, personnel, and building use. All equipment purchased solely with AOC funds shall be used solely for purposes in the approved plan unless written permission is received from AOC.

e. **Budget Modifications.** Funds shall not be moved to or from any budget category without prior written approval from AOC. All budget modifications shall be in accordance with AOC's Budget Modification Policy.

f. **Termination of Funding.** In the event that this Agreement is terminated prior to December 31, 2026, all unexpended funds in the possession of Grantee shall be returned to AOC within 30 days of such termination, along with, but not limited to: (1) a closing financial statement; (2) a final report outlining the program achievements; and (3) an inventory, including serial numbers, of all equipment purchased with grant funds. If termination is due to failure of Grantee to comply with the approved plan, AOC may require return of equipment and supplies purchased with grant funds.

4. **Books and Records.**

a. **Financial Records and Examination.** Grantee shall maintain and shall require its subcontractors to maintain acceptable accounting systems, records, and documents to properly reflect all funds expended in the performance of the approved plan. All books, records, and other documents relevant to this Agreement shall be retained by Grantee and its subcontractors for a period of five (5) years after the final payment has been made, or until after the resolution of any audit questions or contract disputes, whichever is longer. AOC, state, or federal auditors, as applicable, and any other persons duly authorized by AOC shall have full access to, and the right to examine, audit, copy and make use of any and all said materials. All subcontracts shall include a provision acknowledging the authority of AOC to conduct such audits or examinations.

b. **Program Records and Evaluation.** AOC may monitor and evaluate the local plan to determine its effectiveness. As a condition of receipt of grant funds, Grantee agrees to maintain and provide to AOC such data and statistics as may be required for purposes of evaluation. Grantee further agrees that authorized agents of AOC shall have the right to conduct on-site visits for purposes of compliance monitoring and program evaluation. All subcontracts shall include a provision acknowledging the authority of AOC to conduct such inspections and evaluations.

5. **Americans with Disabilities Act (ADA) Requirements.** Grantee shall comply with the Arizona Judiciary Policy on Access to Court Services by Persons with Disabilities as mandated by Administrative Order 92-32.

6. **Inventory.** Equipment purchased with funds received pursuant to this Agreement shall become the property of Grantee, and Grantee shall maintain written inventory and property control

policies and procedures covering the equipment. Grantee may use its existing inventory system but must at a minimum maintain the information required by the AOC Inventory and Property Control Policy, incorporated as Attachment A.

7. **Sanctions.** In addition to any other remedy available pursuant to this Agreement, Grantee may be placed in financial sanction status for deficiencies including but not limited to, delinquent submissions, delinquent reports, inaccurate reporting of statistics, inadequate records, expenditures outside of the approved budget and non-compliance with the approved plan for this or any other grant. During the period of sanction status, AOC may take any appropriate action including:

a. Written warning with request for immediate compliance.
b. Withholding all or any portion of future program fund or equipment disbursements.
c. Withholding all disbursements from all program funds.
d. Requiring monthly submission of expenses prior to disbursement.
e. Requiring monthly submission of expenses for reimbursement of actual costs incurred.
f. Recovery of funds or equipment already disbursed.

To receive reimbursement while in sanction status, Grantee shall submit a monthly request to AOC detailing expenses in funding categories as delineated on Addendum A. State funds shall not be used for any adverse financial costs or interest charged or incurred due to Grantee's financial sanction status.

8. **Performance Liability.** Except as otherwise provided by law, in the performance of this Agreement and Grantee's approved plan, both parties hereto are acting in their individual governmental capacities and not as agents, employees, partners, joint venturers, or associates of each other. The employees, agents, or subcontractors of one party shall not be deemed or construed to be the employees or agents of the other party. Each party is solely responsible for the actions of its employees under this Agreement.

ARIZONA COURTS
INVENTORY AND PROPERTY CONTROL POLICY

The purpose of this section is to set forth minimum procedures and guidelines for fixed assets (furniture and equipment) owned by the Judicial Department Unit (JDU) other than the Supreme Court.

It is the intent of this policy that all equipment items are accounted for under an inventory system. Each court, including its probation departments, must be able to account for all equipment regardless of the funding source used to purchase the equipment.

DEFINITIONS

Capital equipment means any piece of property or a fixed asset with a purchase price of $5,000 or more and a usable life of one or more years.

Noncapital equipment means any piece of property or a fixed asset with a purchase price of $2,000 to $4,999 and usable life of one or more years.

Judicial Department Unit (JDU) is any operating unit, office, or court of the Arizona Judicial Department reporting to the Chief Justice; chief judges of the Court of Appeals; presiding judges of the superior court, justice courts, and municipal courts; clerks of court; staff attorneys; divisions of the Administrative Office of the Courts; court administrators; and probation departments, with responsibility for reporting, care, and custody of the fixed asset.

Local Governmental Unit (LGU) is any county, city, or school district with responsibility for reporting, care, and custody of the fixed asset.

POLICY

1. GENERAL

This policy covers any equipment valued over $2,000 purchased from state, federal, or other funds provided through the AOC. All acquisitions of equipment using Supreme Court funds will be documented in an agreement.

If the AOC provides the funding and the JDU purchases the equipment, a funding agreement will be signed that clearly delineates the JDU owns the equipment. The JDU will record transactions in its fixed asset tracking system. The inventory policy is part of the funding agreement.

If the AOC purchases the equipment and transfers ownership of the asset, the JDU will record transactions in its fixed asset tracking system. The inventory policy is part of the equipment grant agreement.

DocuSign Envelope ID: 8A937E5F-6394-440A-B7B1-42AA871B3A3C

The JDU shall maintain written inventory and property control policies and procedures.

All equipment included under this policy shall be clearly identified and located for purposes of regular physical inventory.

The JDU shall maintain an inventory log as described in the record keeping section of this policy.

2. TAGGING/NUMBERING SYSTEM

For items that the Supreme Court purchases and maintains ownership of, the Supreme Court will issue tags and require tagging of the equipment. For all other items, the JDU shall maintain a tagging/numbering system.

3. RECORD KEEPING

The inventory and property control person shall establish accurate records for all equipment under this policy. These records for capital and non-capital equipment shall, at a minimum, indicate:
- Acquisition date
- A brief description of the item
- Current location (code or suitable alternative)
- Program funding source
- Tag or asset number
- Model and serial number
- Account number
- Purchase document number (claim/voucher)
- Original cost including shipping, taxes, and installation

The inventory control records shall be maintained in such a fashion as to permit ready access and review.

4. INVENTORY SCHEDULE

The JDU shall conduct a physical inventory of equipment annually. The report of the physical inventory shall be maintained and available for review and audit upon request by the AOC.

5. TRANSFER OF EQUIPMENT

Equipment must be used for the approved purpose for five years unless written permission is given by the AOC. After five years, the equipment may be transferred upon approval of the presiding judge of the court.

6. SURPLUS PROPERTY

Equipment, which is no longer needed or usable, shall be placed in surplus in accordance with the

DocuSign Envelope ID: 8A937E5F-6394-440A-B7B1-42AA871B3A3C

following:

For equipment for which title was granted to the JDU, the JDU shall follow any procedures required by the original funding agreement. If no such requirements are included in the funding agreement, then local surplus property procedures may be utilized.

7. MODIFICATION TO THIS POLICY

The Arizona Supreme Court, AOC, reserves the right to modify this policy as needed.

6. Description of Project: Detail what the project will accomplish.	In January of 2022 we received a Case Backlog Reduction Grant that we used to fund several Senior Commissioners. Eight retired judges were appointed and two of them have been extremely helpful in reducing our backlog an covering vacant caseloads when two of our judges were promoted to the Court of Appeals. The original grant was for $136,519 and approximately $133,000 has been utilized as of today. The Grant is set to expire on June 30, 2024. During the past nine months we have used approximately $7,000 per month. We are requesting an additional $56,000, with a new expiration date of December 31, 2024. This will allow the current Senior Commissioners to complete the cases they have been working on.

Request for Grant Application
DPS-VOCA CRIME VICTIM ASSISTANCE GRANTS
Victims of Crime Act (VOCA) Victim Assistance Funds
Assistance Listing Number 16.575
Award period: October 1, 2025, through September 30, 2026
Amount available: approximately $38.2 Million

The Arizona Department of Public Safety's (DPS) administration of VOCA Funds:
The mission of the DPS-VOCA Administration Unit is to support the provision of a full range of direct services to victims of crime in Arizona. This is accomplished by assisting, training, and monitoring crime victim service providers throughout the state. This competitive grant solicitation process is being conducted to make multiple awards in support of direct services to crime victims.

What is the Victims of Crime Act (VOCA) Victim Assistance Fund?
The Victims of Crime Act was signed into law in 1984. The Act created a fund, administered by the United States Department of Justice, for victim assistance grants to the states. Federal funding received for victim service programs varies from year to year, depending on the amount of federal fines collected, using no tax dollars.

Who is eligible to apply?
Programs that are operated by a public agency or a nonprofit organization, or a combination of such agencies or organizations, which provide services to victims of crime, are eligible to apply. These organizations include, but are not limited to, police departments, county attorney offices, sexual assault and rape treatment centers, domestic violence programs and shelters, child abuse programs and children's advocacy centers, and mental health programs. A victim of crime is defined as a person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime.

What services and/or activities can be supported with VOCA grant funds?
Services to victims of crime that can be supported with VOCA grant funds include, but are not limited to, the following: crisis intervention, hotline counseling, and safety planning; case management; provision of information, referral, advocacy and follow-up contact; mental health counseling and care; peer-support; facilitation of participation in criminal justice and other public proceedings arising from the crime; legal assistance; forensic medical evidence collection examinations; forensic interviews; transportation to receive services; public awareness; transitional housing; and relocation.

Activities in support of direct services that can be supported with VOCA grant funds include, but are not limited to, the following: coordination of activities; supervision of direct service providers; multi-system, interagency, multi-disciplinary response to crime victim needs; automated systems and technology; volunteer training; and restorative justice.

The following **cannot** be funded with VOCA or matching funds: lobbying; research and studies; active investigations and prosecution of criminal activities; fundraising; capital expenses; compensation for victims of crime; medical care; salaries and expenses of management; grant writing; prevention; or offender related programs.

What is the amount of available funds and the award period?
Award agreements that are issued as a result of this Request for Grant Application will be for the term of October 1, 2025, through September 30, 2026. It is anticipated that $38.2 million will be awarded (contingent upon federal funding availability). Subawards ranging from approximately $10,000-$1,250,000 will be made. Of the approximately $38.2 million available, approximately $5.9 million is available for projects serving child victims of physical abuse or neglect, and approximately $3.4 million is available for projects serving adult sexual assault and child sexual assault/abuse victims.

Over the past five years, the Crime Victim Fund has experienced changes and challenges that have impacted formula grants to states. In August 2021, the VOCA Fix to Sustain the Crime Victim Fund Act of 2021 (VOCA Fix) was signed into law, requiring monetary penalties from federal deferred prosecution and non-prosecution agreements to go into the Crime Victim Fund. Since then, over $2.1 billion has been received as a result of the VOCA Fix. These receipts, combined with the regular receipts from criminal fines and penalties, gifts, donations, and bequests from private parties, have continued to increase since 2021. However, the balance in the Crime Victim Fund remains low in comparison to prior years, and projecting the amounts available for annual formula grant allocations continues to be difficult. Furthermore, certain deposits into the Crime Victim Fund may be subject to further review and, in some instances, legal dispute, which may affect the availability of such deposits, and whether such deposits ultimately remain in the Crime Victim Fund or are moved, in whole or in part, to other accounts administered by the United States Department of Justice. The cap set by Congress on funds available for distribution has also continued to fluctuate from year to year, in turn posing challenges in stabilizing the level of funds available for DPS-VOCA subawards each year.

Since the last DPS-VOCA solicitation process in 2020, the Annual Assistance Surveys used to solicit feedback from subrecipient agencies regarding the availability and need for services in their respective geographic areas continue to reflect shelter/safe house, emergency financial assistance, emergency legal advocacy, and therapy among the most needed services for crime victims from year to year. DPS encourages applications for eligible costs and services that help to address these needs.

What are the criteria under which applications will be evaluated for award?
Applications are reviewed and evaluated based upon the following: compliance with the Victims of Crime Act and state program guidelines; completeness and clarity with which it addresses each section of the application; scope of the proposal in terms of the potential number of victims to be provided with appropriate services; the overall concept, feasibility and likelihood of success of the proposal through the applicant's program and fiscal structure; accountability within the organization leading to quality service delivery; and a budget which represents reasonable grant expenditures and a cost effective proposal.

Applicants are urged to develop proposals that are concise, clearly written and contain eligible activities and costs as outlined in the DPS-VOCA Guidelines and the System for Administering Grants Effectively (SAGE) application instruction screens.

The point value of each evaluation criteria/factor of the application is as follows:

Services and Victim Population – 50 points
Agency Information – 150 points
- Mission Statement (20)
- Agency Summary (80)
- Volunteer Detail (30)
- Jurisdiction (20)

Project Information – 300 points
- Problem Statement (100)
- Project Summary (80)
- Victim Services Coordination & Collaboration (50)
- Project Assessment (70)

Performance Measures – 250 points
Budget – 200 points
Source of Funding – 50 points

A total score of at least 70% (700 points) is required for funding.

How/Where can applications be completed and submitted?
Applications will be accepted only through submission via the System for Administering Grants Effectively (SAGE). Applicants may access SAGE at https://sage.azdps.gov/ to create an organization profile and to request/create an application for this solicitation. Applications must be submitted by 3:00 p.m. (MST) on June 2, 2025.

What is the VOCA Victim Assistance Grant Funding Schedule?
Below is an approximate timeline of the application process:

April 7, 2025 – Request for Grant Application Announcement
April 23, 2025 –VOCA Guidelines and SAGE pre-recorded webinars available
June 2, 2025, 3 p.m. (MST) – Application Deadline
August 4, 2025 – Award Notification

Pre-Recorded Webinars
DPS will publish two pre-recorded webinars – 1) an overview of the DPS-VOCA Guidelines to encompass program eligibility requirements, project requirements, description of eligible direct services, allowable/unallowable costs and subrecipient responsibilities and 2) a SAGE demonstration that will include instructions regarding how to complete the application forms and an overview of the application criteria.

DPS encourages all applicants to view both webinars. In addition to the pre-recorded webinars, DPS will publish a Frequently Asked Questions (FAQ) document with actual questions posed from applicants in the past. The webinars and the FAQ will be available on the SAGE Home Page under DPS-VOCA Useful Links no later than April 23, 2025.

What do I need to know about Civil Rights Compliance?
Unless and until specific guidance is issued relating to VOCA Victim Assistance funding, all recipients of federal funds, regardless of the type of entity or the amount of money awarded,

must provide assurance that they will not discriminate against any person on the grounds of race, color, national origin, disability, religion, sex, or age in any program or activity funded in whole or in part by federal financial assistance. The recipient must certify that it will comply with all applicable non-discrimination laws and regulations and must submit this assurance when accepting a DPS-VOCA Assistance award.

Specifically, the statute that governs OJP funded programs or activities, the Victims of Crime Act of 1984 (34 U.S.C. 20110(e)) prohibits such discrimination, as follows:

No person shall on the ground of race, color, religion, national origin, handicap, or sex be excluded from participation in, denied the benefits of, subjected to discrimination under, or denied employment in connection with, any undertaking funded in whole or in part with sums made available under this chapter.

All recipients of OJP funding must also comply with the Department of Justice's regulations on Partnerships with Faith-Based and Other Neighborhood Organizations, 28 C.F.R. pt. 38. These regulations prohibit organizations from using financial assistance from the Department of Justice to fund inherently religious activities. While organizations can engage in non-funded inherently religious activities, they must be held separately from the Department of Justice funded program, and customers or beneficiaries cannot be compelled to participate in them. The regulations also make clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.

The Assistant Attorney General of OJP has delegated the enforcement of civil rights compliance of all OJP grantees to the Director, Office for Civil Rights (OCR). The Director has civil rights enforcement responsibilities and determines through established policies and procedures whether any person is being excluded from participating in, denied the benefits of, subjected to discrimination under, or denied employment in connection with the program or activity receiving OJP funds on these grounds. Where such discriminatory actions are found through compliance reviews or complaint processing the recipient agency may be determined to be in noncompliance for violation of the law and of its signed assurances. If attempts to secure voluntary compliance through negotiations are not successful, the sanction of suspension or termination of funding is required by statute. Some specific forms of discrimination that are prohibited are set out in the OJP program statute's implementing regulations 28 CFR 42.203. For more information consult the Office for Civil Rights (OCR) web site at https://www.ojp.gov/program/civil-rights-office/home.

Who can I contact if I need assistance?

ARIZONA DEPARTMENT OF PUBLIC SAFETY

VICTIMS OF CRIME ACT (VOCA)
CRIME VICTIM ASSISTANCE GRANT
VOCA GUIDELINES

The Arizona Department of Public Safety (DPS), VOCA Administration Unit, is issuing VOCA Guidelines to implement the VOCA Victim Assistance grant program as authorized by the Victims of Crime Act of 1984. *See* 34 U.S.C. 20103. The VOCA Guidelines provide information on the administration and implementation of the VOCA assistance grant program for the state of Arizona pursuant to Arizona Revised Statute (ARS) 41-1711, as amended. These guidelines are all inclusive and effective upon publication for the VOCA victim assistance grant program, until further revised by DPS.

DPS supports and promotes quality services for crime victims by partnering with local agencies throughout Arizona that perform the essential work of victim assistance. The provision of rights and mandated services outlined in Arizona's Constitution and the Victims' Rights Act provide the beginning of a foundation of important services to crime victims.

FOR FURTHER INFORMATION CONTACT: The Arizona Department of Public Safety, VOCA Administration Unit, Mail Drop 1335, PO Box 6638, Phoenix, Arizona 85005-6638.

EFFECTIVE DATE: These guidelines are in effect for grants beginning October 1, 2025, until further revised by DPS. These guidelines must be adhered to when completing an application for funding for the Request for Grant Application process for federal fiscal year 2026.

PREFACE

Over the past five years, the Crime Victim Fund has experienced changes and challenges that have impacted formula grants to states. In August 2021, the VOCA Fix to Sustain the Crime Victim Fund Act of 2021 (VOCA Fix) was signed into law, requiring monetary penalties from federal deferred prosecution and non-prosecution agreements to go into the Crime Victim Fund. Since then, over $2.1 billion has been received as a result of the VOCA Fix. These receipts, combined with the regular receipts from criminal fines and penalties, gifts, donations, and bequests from private parties, have continued to increase since 2021. However, the balance in the Crime Victim Fund remains low in comparison to prior years, and projecting the amounts available for annual formula grant allocations continues to be difficult. Furthermore, certain deposits into the Crime Victim Fund may be subject to further review and, in some instances, legal dispute, which may affect the availability of such deposits, and whether such deposits ultimately remain in the Crime Victim Fund or are moved, in whole or in part, to other accounts administered by the United States Department of Justice. The cap set by Congress on funds available for distribution has also continued to fluctuate from year to year, in turn posing challenges in stabilizing the level of funds available for DPS-VOCA subawards each year.

DPS is releasing this competitive solicitation process to grant subawards for the period of October 1, 2025, to September 30, 2026. Approximately $38.2 million will be awarded. Subawards ranging from approximately $10,000-$1,250,000 will be made. Of the approximately $38.2 million available, approximately $5.9 million is available for projects serving child victims of physical abuse or neglect, and approximately $3.4 million is available for projects serving adult sexual assault and child sexual assault/abuse victims.

Since the last DPS-VOCA solicitation process in 2020, the Annual Assistance Surveys used to solicit feedback from subrecipient agencies regarding the availability and need for services in their respective geographic areas continue to reflect shelter/safe house, emergency financial assistance, emergency legal advocacy, and therapy among the most needed services for crime victims from year to year. DPS encourages applications for eligible costs and services that help to address these needs.

UPDATES TO THE DPS-VOCA GUIDELINES

Substantive changes have been made to a few sections of these guidelines – those sections that have been changed are listed below. Additionally, minor changes (formatting, statutory references, updates to hyperlinks, etc.) were also made; however, those changes are not listed below.

1. Section III. D. 1. Confidentiality – language added relating to cybersecurity and other measures to be taken by subrecipients to safeguard information.
2. Section V. B. 4. Contracts for professional services – establishes a process in which contractor rates may be requested above the established maximum threshold rates.
3. Section V.C.1. Personnel costs – allows for on-call time to be eligible.
4. Section V.C.5. Equipment and Furniture – increases the threshold of capital equipment to $10,000.
5. Section V.C.11 Indirect organization costs – increases the de minimis rate to 15% of modified total direct costs.
6. Section VI. H. Audit Responsibilities for Subrecipients – increases the threshold for single audit requirements to $1,000,000.

The VOCA final rules are organized into six major divisions: I) General Provisions; II) VOCA Victim Assistance Application Process; III) Subrecipient Program Requirements; IV) Subrecipient Project Requirements; V) Subrecipient Allowable/Unallowable Costs; and VI) Subrecipient Responsibilities.

I. GENERAL PROVISIONS

A. Background

In 1984, VOCA established the Crime Victims Fund (Fund) in the US Treasury and authorized the Fund to receive deposits of fines and penalties levied against criminals convicted of federal crimes. This Fund provides the source of funding for carrying out all the activities authorized by VOCA for the award of crime victim compensation and crime victim assistance funds to the states. VOCA

gives the states sole authority to determine the best use of VOCA victim assistance grant funds within each state.

B. Definitions

For the purpose of the VOCA grant program, the following definitions apply:

Consultant is an individual who provides professional advice or services.

Crime victim or victim of crime means a person who has suffered physical, sexual, financial, or emotional harm as a result of the commission of a crime to include incarcerated victims and those who are victimized while working in their official capacities overseas.

Direct services or services to victims of crime including, but not limited to, those services described in 34 U.S.C. 20103(d)(2), such as:

- crisis intervention services,
- providing, in an emergency, transportation to court, short-term childcare services, and temporary housing and security measures;
- assistance in participating in criminal justice proceedings;
- payment of all reasonable costs for a forensic medical examination of a crime victim, to the extent that such costs are otherwise not reimbursed or paid;

and efforts that—

(1) Respond to the emotional, psychological, or physical needs of crime victims;
(2) Assist victims to stabilize their lives after victimization;
(3) Assist victims to understand and participate in the criminal justice system; or
(4) Restore a measure of security and safety for the victim.

DPS means the Arizona Department of Public Safety.

OVC means the Office for Victims of Crime, within the United States Department of Justice's Office of Justice Programs.

Project means the direct services project funded by a grant under this program, unless context indicates otherwise.

Spousal abuse includes domestic and intimate partner violence.

State Administering Agency or *SAA* means the governmental unit designated by the chief executive of a State to administer grant funds under this program.

Subrecipient means an entity that is eligible to receive grant funds under this program from a State under this subpart.

Supplanting means to deliberately reduce state or local funds because of the existence of federal funds.

Victim of child abuse means a victim of crime, where such crime involved an act or omission considered to be child abuse under the law of the relevant SAA jurisdiction. In addition, for purposes of this program, victims of child abuse may include, but are not limited to, child victims of: physical, sexual, or emotional abuse; child pornography related offenses; neglect; commercial sexual exploitation; bullying; and/or exposure to violence.

Victim of federal crime means a victim of an offense in violation of a federal criminal statute or regulation, including, but not limited to, offenses that occur in an area where the federal government has jurisdiction, whether in the United States or abroad, such as Indian reservations, national parks, federal buildings, and military installations.

VOCA means the Victims of Crime Act of 1984, Public Law 98-473 (Oct. 12, 1984), as amended.

VOCA funds or VOCA funding means grant funds (or grant funding) under this program.

VOCA grant means the annual grant from OVC to a State under this program.

II. VOCA VICTIM ASSISTANCE APPLICATION PROCESS

A. Subrecipient Application Process

DPS issues a funding notice outlining the availability of grant program funding. Applicants will submit applications through the System for Administering Grants Effectively (SAGE) at https://sage.azdps.gov. Applications must be submitted on or before the stated deadline as determined by DPS. Applications are reviewed and evaluated based upon:

1. Compliance with the Victims of Crime Act and state program guidelines;

2. Completeness and clarity with which it addresses each section of the application;

3. Scope of the proposal in terms of the potential number of victims to be provided with appropriate services;

4. The overall concept, feasibility and likelihood of success of the proposal through the applicant's program and fiscal structure;

5. Accountability within the organization leading to quality service delivery; and

6. A budget which represents reasonable grant expenditures and a cost-effective proposal.

An applicant's past financial/program reporting history and program compliance may impact the final funding decision.

Applicants will receive notice of award or denial via email.

B. Protest of Funding Decisions

An appeal shall comply with and be resolved according to A.R.S. 41-2704 and rules adopted there under. Protests shall be made in writing to the DPS Director within ten (10) calendar days from the date of the email notification. The protests shall include:

1. The name, address and telephone number of the protester;

2. The signature of the protester or its representative;

3. A detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and

4. the form of relief requested.

The protester cannot provide additional information that was not included in the original application.

Protests of Funding Decisions must be mailed or emailed to the following:

Colonel Jeffrey Glover, Director
Mail Drop 1000
Arizona Department of Public Safety
PO Box 6638
Phoenix, AZ 85005-6638

III. SUBRECIPIENT PROGRAM REQUIREMENTS

A. Eligible Crime Victim Assistance Programs

DPS may award VOCA funds only to crime victim assistance programs that meet the requirements of VOCA, at 34 U.S.C. 20103(b)(1), and this subpart. A victim assistance program is an eligible crime victim assistance program for the purposes of this section if such program—

1. is operated by a public agency or a nonprofit organization, or a combination of such agencies or organizations or of both such agencies and organizations, and provides services to victims of crime;

2. demonstrates—

a. a record of providing effective services to victims of crime and financial support from sources other than the Fund; or

b. substantial financial support from sources other than the Fund; (see Section III (B)(2) *Organizational capacity of the program* for further definition of demonstration factors)

3. utilizes volunteers in providing such services, unless and to the extent DPS determines that compelling reasons exist to waive this requirement;

4. promotes within the community served coordinated public and private efforts to aid crime victims;

5. assists potential recipients in seeking crime victim compensation benefits; and

6. does not discriminate against victims because they disagree with the way the State is prosecuting the criminal case.

Each such program shall abide by any additional criteria or reporting requirements established by DPS.

Federal agencies, including the US Attorney's Offices and FBI Field Offices, are not eligible for VOCA Victim Assistance funds, other than for those identified in 34 U.S.C. 20103(a)(6).

B. Types of Eligible Organizations and Organizational Capacity

1. *Eligible programs.* Eligible programs include victim services organizations whose sole mission is to provide direct services to crime victims. These organizations include, but are not limited to, police departments, county attorney offices, sexual assault and rape treatment centers, domestic violence programs and shelters, child abuse programs and children's advocacy centers, mental health programs, and other community-based victim organizations including those who serve survivors of homicide victims. Eligible programs are not limited to entities whose sole purpose is to provide direct services, however occasional counseling or occasional victim assistance would not qualify for eligibility. There are special considerations for certain types of entities, as described below:

a. Faith-based and neighborhood programs. VOCA funds may be awarded to otherwise eligible faith-based and neighborhood programs, but in receiving such awards, subrecipients shall ensure that such projects comply with all applicable federal law, including, but not limited to, 28 CFR Chapter I Part 38.

b. Crime victim compensation programs. VOCA funds may be awarded to compensation programs only for the purpose of providing direct services that extend beyond the essential duties of the staff administering the compensation program, which services may include, but are not limited to, crisis intervention, counseling, and providing information, referrals, and follow-up for crime victims.

c. Victim service organizations located in an adjacent State. DPS may award VOCA funds to otherwise eligible programs that are physically located in an adjacent State, but in making such awards, DPS shall provide notice of such award to the SAA of the adjacent

State, and coordinate, as appropriate, to ensure effective provision of services, monitoring, auditing of federal funds, compliance, and reporting.

2. *Organizational capacity of the program*. For purposes of VOCA, the following shall apply:

a. Record of effective services to victims of crime and support from sources other than the Crime Victims Fund. A program has demonstrated a record of effective direct services and support from sources other than the Crime Victims Fund when, for example, it demonstrates the support and approval of its direct services by the community, its history of providing direct services in a cost-effective manner, and the breadth or depth of its financial support from sources other than the Crime Victims Fund.

b. Substantial financial support from sources other than the Crime Victims Fund. A program has substantial financial support from sources other than the Crime Victims Fund when at least twenty-five percent of the program's funding in the year of, or the year preceding the award comes from such sources, which may include other federal funding programs. If the funding is non-federal (or meets the DOJ Grants Financial Guide exceptions for using federal funding for match), then a program may count the used funding to demonstrate non-VOCA substantial financial support toward its project match requirement.

C. Use of Volunteers, Community Efforts, Compensation Assistance, Victims' Rights

1. *Mandated use of volunteers; waiver*. Programs shall use volunteers, to the extent required by DPS, in order to be eligible for VOCA funds. DPS may waive this requirement, provided that the program submits written documentation of its efforts to recruit and maintain volunteers, or otherwise demonstrates why circumstances prohibit the use of volunteers, to the satisfaction of DPS.

2. *Waiver of use of volunteers*. Subrecipients shall maintain documentation supporting any waiver granted under VOCA, at 34 U.SC. 20103(b)(1)(C), relating to the use of volunteers by programs.

3. *Promotion of community efforts to aid crime victims*. Programs shall promote community efforts to aid crime victims. Community served coordinated public and private efforts to aid crime victims may include, but are not limited to, serving on federal, State, local, or tribal work groups to oversee and recommend improvements to community responses to crime victims and developing written agreements and protocols for such responses.

4. *Assistance to victims in applying for compensation*. Programs shall assist crime victims in applying for compensation benefits. Assistance to potential recipients of crime victim compensation benefits (including potential recipients who are victims of federal crime) in applying for such benefits may include, but is not limited to, referring such potential recipients to an organization that can so assist, identifying crime victims and advising them of the availability of such benefits, assisting such potential recipients with application forms and procedures, obtaining necessary documentation, monitoring claim status, and intervening on behalf of such potential recipients with the crime victims' compensation program.

Victim Compensation Training: Subrecipients will designate a victim compensation coordinator within their agency. This coordinator must have completed the Arizona Criminal

Justice Commission's (ACJC) online training. To access the training, refer to the Subrecipient Required Trainings document listed under My Training Materials in SAGE. If this training has not been received, subrecipients will ensure training has been received within 90 days from the start of the subgrant award agreement or 90 days after re-assignment of new staff in this role. DPS recommends that all direct service staff complete the ACJC online training, thereby enhancing each staff member's ability to assist victims with the Crime Victim Compensation application process.

5. *Inform Victims of their Legal Rights*: Programs shall notify victims of their legal rights (A.R.S. Title 13, Chapter 40 Crime Victims' Rights and A.R.S. Title 8, Chapter 3, Article 7 Victims' Rights for Juvenile Offenses) and offer to connect the victim with a representative from the prosecutor's or county attorney's office if the victim so chooses.

Victims' Rights Presentation: All VOCA-funded and match staff and their first line supervisor must attend a victims' rights presentation from the Arizona Attorney General's Office. For further information, refer to the Subrecipient Required Trainings document listed under My Training Materials in SAGE.

D. Non-Disclosure of Confidential or Private Information

1. *Confidentiality.* Subrecipients of VOCA funds shall, to the extent permitted by law, reasonably protect the confidentiality and privacy of persons receiving services under this program and shall not disclose, reveal, or release, except pursuant to paragraphs 2 and 3 of this section—

a. Any personally identifying information or individual information collected in connection with VOCA-funded services requested, utilized, or denied, regardless of whether such information has been encoded, encrypted, hashed, or otherwise protected; or

b. Individual client information, without the informed, written, reasonably time-limited consent of the person about whom information is sought, except that consent for release may not be given by the abuser of a minor, incapacitated person, or the abuser of the other parent of the minor. If a minor or a person with a legally appointed guardian is permitted by law to receive services without a parent's (or the guardian's) consent, the minor or person with a guardian may consent to release of information without additional consent from the parent or guardian.

Subrecipients must take reasonable cybersecurity and other measures to safeguard information including protected personally identifiable information and other types of information. This also includes information the U.S. Department of Justice or DPS designates as sensitive or other information the subrecipient considers sensitive and is consistent with applicable Federal, State, local or tribal laws regarding privacy and responsibility over confidentiality.

2. *Release*. If release of information described in paragraph (1)(b) of this section is compelled by statutory or court mandate, subrecipients of VOCA funds shall make reasonable attempts to provide notice to victims affected by the disclosure of the information and take reasonable steps necessary to protect the privacy and safety of the persons affected by the release of the information.

3. *Information sharing*. Subrecipients may share—

a. Non-personally identifying data in the aggregate regarding services to their clients and non-personally identifying demographic information in order to comply with reporting, evaluation, or data collection requirements;

b. Court-generated information and law enforcement-generated information contained in secure governmental registries for protection order enforcement purposes; and

c. Law enforcement- and prosecution-generated information necessary for law enforcement and prosecution purposes.

4. *Personally identifying information.* In no circumstances may—

a. A crime victim be required to provide a consent to release personally identifying information as a condition of eligibility for VOCA-funded services;

b. Any personally identifying information be shared in order to comply with reporting, evaluation, or data-collection requirements of any program;

5. *Mandatory reporting.* Nothing in this section prohibits compliance with legally mandated reporting of abuse or neglect.

IV. SUBRECIPIENT PROJECT REQUIREMENTS

A. Purpose of VOCA-Funded Projects

VOCA funds shall be available to subrecipients only to provide direct services and supporting and administrative activities as set out in this subpart. DPS shall ensure that VOCA subrecipients obligate and expend funds in accordance with VOCA and this subpart. Subrecipients must provide services to victims of federal crimes on the same basis as to victims of crimes under State or local law. Subrecipients may provide direct services regardless of a victim's participation in the criminal justice process. Victim eligibility under this program for direct services is not dependent on the victim's immigration status.

VOCA funds awarded to eligible crime victim assistance programs must not be used to supplant State and local government funds otherwise available for crime victim assistance.

B. No Charge to Victims for VOCA-Funded Services

Subrecipients must provide services to crime victims, at no charge, through the VOCA-funded project. The purpose of the VOCA victim assistance grant program is to provide services to all crime victims regardless of their ability to pay for services rendered or availability of insurance or other third-party payment resources. Crime victims suffer tremendous emotional, physical, and financial

losses. It was never the intent of VOCA to exacerbate the impact of the crime by asking the victim to pay for services.

C. Project Match Requirements

Requiring project match serves several purposes including leveraging federal funding, indicating organizational capacity, and encouraging local investment and engagement in VOCA-funded projects. However, communities often lack victim services, have great victim service needs, and are more often likely to have difficulty meeting match requirements, therefore:

1. Project match amount. Subrecipients shall contribute (*i.e.*, match) not less than twenty percent (cash or in-kind) of the total cost of each project (VOCA grant plus match), except as provided in paragraph 2 of this section. Match must be provided on a project-by-project basis.

2. Exceptions to project match requirement. The following are not subject to the requirement set forth in paragraph 1 of this section:

a. Subrecipients that are federally-recognized American Indian or Alaska Native tribes or projects that operate exclusively on tribal lands;

b. Subrecipients that are territories or possessions of the United States (except for the Commonwealth of Puerto Rico), or projects that operate therein; and

c. Subrecipients other than those described in paragraphs (2)(a) and (b) of this section, may apply for a match waiver (in full or in part) if the subrecipient can demonstrate an extraordinary need for the match requirement to be waived. Waiver requests must be justified in writing. DPS typically considers factors such as local resources, annual budget changes, past ability to provide match, and whether the funding is for new or additional activities requiring additional match versus continuing activities where match is already provided.

3. Sources of project match. Contributions under paragraph (a) of this section shall be derived from non-federal sources, except as may be provided in the DOJ Grants Financial Guide, and may include, but are not limited to, the following:

a. Cash - i.e., the value of direct funding for the project;

b. Volunteered professional or personal services - (if the services they provide are an integral and necessary part of a funded project), the value placed on which shall be consistent with the rate of compensation (which may include mandatory fringe benefits) paid for similar work in the program, but if the similar work is not performed in the program, the rate of compensation shall be consistent with the rate found in the labor market in which the program competes;

c. Materials/Equipment - the value placed on lent or donated equipment shall not exceed its fair market value;

d. Space and facilities - the value placed on which shall not exceed the fair rental value of comparable space and facilities as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality; and

e. Non-VOCA funded victim assistance activities - including but not limited to, performing direct service, coordinating, or supervising those services, training victim assistance providers, or advocating for victims.

4. Discounts. Any reduction or discount provided to the subrecipient shall be valued as the difference between what the subrecipient paid and what the provider's nominal or fair market value is for the good or service. Documentation reflecting the reduction and/or discount must be maintained.

5. *Use of project match*. Contributions under paragraph (a) of this section are restricted to the same uses, and timing deadlines for obligation and expenditure, as the project's VOCA funding.

6. *Recordkeeping for project match*. Each subrecipient shall maintain records that clearly show the source and amount of the contributions under paragraph (a) of this section, and period of time for which such contributions were allocated. The basis for determining the value of personal services, materials, equipment, and space and facilities shall be documented. Volunteer services shall be substantiated by the same methods used by the subrecipient for its paid employees (generally, this should include timesheets substantiating time worked on the project).

V. SUBRECIPIENT ALLOWABLE/UNALLOWABLE COSTS

A. Allowable Direct Service Costs

Direct services for which VOCA funds may be used include, but are not limited to, the following:

1. *Immediate emotional, psychological, and physical health and safety* — Services that respond to immediate needs (other than medical care, except as allowed under paragraph (A)(7) of this section) of crime victims, including, but not limited to:

a. Crisis intervention services;

b. Accompanying victims to hospitals for medical examinations;

c. Hotline counseling;

d. Safety planning;

e. Client Assistance (emergency food, emergency shelter, and transportation assistance) - applicants that receive funding for client assistance are required to submit the policies, procedures, and rules governing the provision of the assistance for review and approval (post award). Subrecipients will be required to revise anything that DPS determines to be unallowable or does not conform to appropriate internal controls. Additionally, unused

VOCA funds allocated for client assistance purposes cannot be reprogrammed to other line items;

f. Short-term (up to 45 days) in-home care and supervision services for children and adults who remain in their own homes when the offender/caregiver is removed;

g. Short-term (up to 45 days) nursing-home, adult foster care, or group-home placement for adults for whom no other safe, short-term residence is available;

h. Window, door, or lock replacement or repair, and other repairs necessary to ensure a victim's safety;

i. Costs on an emergency basis - Costs of the following, on an emergency basis (i.e., when the State's compensation program, the victim's (or in the case of a minor child, the victim's parent's or guardian's) health insurance plan, Medicaid, or other health care funding source, is not reasonably expected to be available quickly enough to meet the emergency needs of a victim (typically within 48 hours of the crime)): non-prescription and prescription medicine, prophylactic or other treatment to prevent HIV/AIDS infection or other infectious disease, durable medical equipment (such as wheelchairs, crutches, hearing aids, eyeglasses), and other healthcare items are allowed; and

j. Emergency legal assistance, such as for filing for restraining or protective orders, and obtaining emergency custody orders and visitation rights;

2. *Personal advocacy and emotional support* — Personal advocacy and emotional support, including, but not limited to:

a. Working with a victim to assess the impact of the crime;

b. Identification of victim's needs;

c. Case management;

d. Management of practical problems created by the victimization;

e. Identification of resources available to the victim;

f. Provision of information, referrals, advocacy, and follow-up contact for continued services, as needed; and

g. Traditional, cultural, and/or alternative therapy/healing (e.g., art therapy, yoga);

3. *Mental health counseling and care* — Mental health counseling and care, including, but not limited to, out-patient therapy/counseling (including, but not limited to, substance-abuse treatment so long as the treatment is directly related to the victimization) provided by a person who meets professional standards to provide these services in the jurisdiction in which the care is administered;

4. *Peer-support* — Peer-support, including, but not limited to, activities that provide opportunities for victims to meet other victims, share experiences, and provide self-help, information, and emotional support;

5. *Facilitation of participation in criminal justice and other public proceedings* arising from the crime — The provision of services and payment of costs that help victims participate in the criminal justice system and in other public proceedings arising from the crime (e.g., juvenile justice hearings, civil commitment proceedings), including, but not limited to:

a. Advocacy on behalf of a victim;

b. Accompanying a victim to offices and court;

c. Transportation, meals, and lodging to allow a victim who is not a witness to participate in a proceeding;

d. Interpreting for a non-witness victim who is deaf or hard of hearing, or with limited English proficiency;

e. Providing childcare and respite care to enable a victim who is a caregiver to attend activities related to the proceeding;

f. Notification to victims regarding key proceeding dates (e.g., trial dates, case disposition, incarceration, and parole hearings);

g. Assistance with Victim Impact Statements;

h. Assistance in recovering property that was retained as evidence; and

i. Assistance with restitution advocacy on behalf of crime victims.

Agencies must be cognizant of the prohibition regarding supplanting of local and state funds in reference to their victim services program;

6. *Legal assistance* — Legal assistance services (including, but not limited to, those provided on an emergency basis), where reasonable and where the need for such services arises as a direct result of the victimization. Such services include, but are not limited to:

a. Help victims assert their rights - those (other than criminal defense) that help victims assert their rights as victims in a criminal proceeding directly related to the victimization, or otherwise protect their safety, privacy, or other interests as victims in such a proceeding;

b. Motions to vacate or expunge a conviction - or similar actions, where the jurisdiction permits such a legal action based on a person’s status as a crime victim; and

c. Civil legal services - those actions (other than tort actions) that, in the civil context, are reasonably necessary as a direct result of the victimization.

The following are examples (which are merely illustrative, and not meant to be a comprehensive listing) of some circumstances where civil legal services may be appropriate: proceedings for protective/restraining orders or campus administrative protection/stay-away orders; family, custody, contract, housing, and dependency matters, particularly for victims of intimate partner violence, child abuse, sexual assault, elder abuse, and human trafficking; immigration assistance for victims of human trafficking, sexual assault, and domestic violence; intervention with creditors, law enforcement (e.g., to obtain police reports), and other entities on behalf of victims of identity theft and financial fraud; intervention with administrative agencies, schools/colleges, tribal entities, and other circumstances where legal advice or intervention would assist in addressing the consequences of a person's victimization;

7. *Forensic medical evidence collection examinations* — Forensic medical evidence collection examinations for victims to the extent that other funding sources (such as State appropriations, compensation, private insurance or public benefits) are insufficient. ARS 13-1414 states "Any medical or forensic interview expenses arising out of the need to secure evidence that a person has been the victim of a dangerous crime against children as defined in section 13-705 or a sexual assault shall be paid by the county in which the offense occurred." Based on this mandate, DPS may permit the use of VOCA funds to support enhancements that are associated with the exams of the crime types identified in ARS 13-1414 when it can be demonstrated that these costs are essential to conducting these activities and why these costs are not paid by the county. Furthermore, DPS may permit the use of VOCA funds to support exams for crime types other than those identified in ARS 13-1414.

Forensic medical evidence collection examiners are encouraged to follow relevant guidelines or protocols issued by the State or local jurisdiction. Subrecipients are encouraged to provide appropriate crisis counseling and/or other types of victim services that are offered to the victim in conjunction with the examination. Subrecipients are also encouraged to use specially trained examiners such as Sexual Assault Nurse Examiners.

Agencies must be cognizant of the prohibition regarding supplanting of local and state funds in reference to their victim services program;

8. Forensic interviews - As mentioned in section 7 above, ARS 13-1414 states "Any medical or forensic interview expenses arising out of the need to secure evidence that a person has been the victim of a dangerous crime against children as defined in section 13-705 or a sexual assault shall be paid by the county in which the offense occurred." Based on this mandate, DPS may permit the use of VOCA funds to support enhancements that are associated with the interview of the crime types identified in ARS 13-1414 when it can be demonstrated that these costs are essential to conducting these activities and why these costs are not paid by the county. Furthermore, DPS may permit the use of VOCA funds to support interviews for crime types other than those identified in ARS 13-1414.

Forensic interviews may be supported, with the following parameters:

a. Results of the interview will be used not only for law enforcement and prosecution purposes, but also for identification of needs such as social services, personal advocacy, case management, substance abuse treatment, and mental health services;

b. Interviews are conducted in the context of a multi-disciplinary investigation and diagnostic team, or in a specialized setting such as a child or family advocacy center; and

c. The interviewer is trained to conduct forensic interviews appropriate to the developmental age and abilities of children, or the developmental, cognitive, and physical or communication disabilities presented by adults.

Agencies must be cognizant of the prohibition regarding supplanting of local and state funds in reference to their victim services program;

9. *Transportation* — Transportation of victims to receive services and to participate in criminal justice proceedings;

10. Public awareness — Public awareness and education presentations (including, but not limited to, the development of presentation materials, brochures, newspaper notices, and public service announcements) in schools, community centers, and other public forums that are designed to inform crime victims of specific rights and services and provide them with (or refer them to) services and assistance;

11. *Transitional housing* —transitional housing for victims (generally, those who have a particular need for such housing, and who cannot safely return to their previous housing, due to the circumstances of their victimization), including, but not limited to, travel, rental assistance, security deposits, utilities, and other costs incidental to the relocation to such housing, as well as voluntary support services such as childcare and counseling. VOCA funds may be used for transitional housing to the extent that such is necessary as a consequence of the victimization and for the well-being of the victim and that will lead to self-sufficiency and sustainability in a safe environment.

Transitional housing, transition-in-place and rapid re-housing are intervention strategies that differ in length of time needed to re-establish a safe and independent household. Transitional housing is longer term than shelter, usually ranging from six months to two years, but is not permanent housing. Rapid Re-housing programs emphasize getting individuals and families into independent housing in the community as quickly as possible, with wrap-around support services accompanying the housing.

The goal of transitional housing is to help residents achieve self-sufficiency; therefore, the structure of eligible transitional housing programs must contain components that actively supports and furthers a victim's ability to attain independent living in a self-sufficient unit (apartment style, not dormitory style) that offers a higher level of privacy.

Supportive and follow-up services must be offered to support victims with housing stability and individual well-being. Victim participation in such services must be voluntary and not required, and access to programs must not be contingent on sobriety, minimum income requirements, lack of a criminal record, completion of treatment, or other unnecessary conditions. Organizations that rely on other community organizations to aid in the provision of supportive and follow-up services must have well developed partnerships or formal agreements.

Applicants that receive funding for transitional housing are required to submit the policies, procedures, and rules governing the provision of the transitional housing and related support services for review and approval (post award). Subrecipients will be required to revise anything that DPS determines may compromise victim safety, is unallowable, or does not conform to best practices for providing transitional housing to victims. Additionally, unused VOCA funds allocated for transitional housing purposes cannot be reprogrammed to other line items;

12. Relocation - relocation of victims (generally, to a place of safety when there is a likelihood of continued victimization and other resources are unavailable or inadequate), including, but not limited to, reasonable moving expenses, security deposits on housing, rental expenses, and utility startup costs. Mortgage expenses are not allowable. This is typically one-time assistance, not on-going.

Applicants that receive funding for relocation assistance are required to submit the policies, procedures, and rules governing the provision of the relocation assistance for review and approval (post award). Subrecipients will be required to revise anything that DPS determines to be unallowable or does not conform to appropriate internal controls. Additionally, unused VOCA funds allocated for relocation purposes cannot be reprogrammed to other line items.

B. Allowable Costs for Activities Supporting Direct Services

Supporting activities for which VOCA funds may be used include, but are not limited to, the following:

1. *Coordination of activities* — Coordination activities help to leverage community resources to provide better and more cost-effective direct services. Coordination activities that facilitate the provision of direct services, include, but are not limited to, Statewide coordination of victim notification systems, crisis response teams, multi-disciplinary teams, coalitions to support and assist victims, and other such programs, and salaries and expenses of such coordinators;

2. *Supervision of direct service providers* — Payment of salaries and expenses of supervisory staff in a project, when DPS determines that such staff are necessary and effectively facilitate the provision of direct services;

3. *Multi-system, interagency, multi-disciplinary response to crime victim needs* — Activities that support a coordinated and comprehensive response to crime victims' needs by direct service providers, including, but not limited to, payment of salaries and expenses of direct service staff serving on child and adult abuse multi-disciplinary investigation and treatment teams, coordination with federal agencies to provide services to victims of federal crimes and/or participation on

Statewide or other task forces, work groups, and committees to develop protocols, interagency, and other working agreements;

4. *Contracts for professional services* — contracting for specialized professional services (e.g., psychological/psychiatric consultation, legal services, and interpreters) that are not available within the organization, at a rate that is reasonable and consistent with that paid for similar services in the marketplace and that does not exceed the threshold consultant rates as set in the Grants Financial Guide. Rates above the established maximum threshold rate will be reviewed on a case-by-case basis. Justification for exceeding the established maximum rate may include where a rate is established through a competitive bidding process. Subrecipients must maintain signed agreements for consultant/contractual services.

The Procurement Standards in the Uniform Guidance at 2 C.F.R.§200.317 through 2 C.F.R. § 200.327 detail requirements and restrictions imposed on States, Indian Tribes, and other subrecipients that use Federal assistance funds to procure property or services needed to carry out the grant funded project;

5. *Automated systems and technology* — Subject to the provisions of the DOJ Grants Financial Guide and government-wide grant rules relating to acquisition, use and disposition of property purchased with federal funds, procuring automated systems and technology that support delivery of direct services to victims (e.g., automated information and referral systems, e-mail systems that allow communications among victim service providers, automated case-tracking and management systems, smartphones, computer equipment, and victim notification systems), including, but not limited to, procurement of personnel, hardware, and other items. In making such expenditures, VOCA subrecipients must describe the following to DPS:

a. How such procurement will enhance direct services;

b. How any acquisition will be integrated into and/or enhance the program's current system;

c. The cost of installation;

d. The cost of training staff to use the automated systems and technology;

e. The ongoing operational costs such as maintenance agreements and supplies; and

f. How additional costs relating to any acquisition will be supported.

Following the purchase of advanced technologies with VOCA funds, subrecipients must provide the following information to DPS: (1) a description of the property and a serial number or other identifying number; (2) the acquisition date; (3) the cost and the percentage of VOCA funds supporting the purchase; and (4) the location, use, and condition of the property. If, in the future, the purchasing agency is no longer a recipient of VOCA funds, any disposition of the equipment must be in accordance with the DOJ Grants Financial Guide (effective edition) and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards;

6. *Volunteer trainings* - Activities in support of training volunteers on how to provide direct services when such services will be provided primarily by volunteers; and

7. *Restorative justice* — Activities in support of opportunities for crime victims to meet with perpetrators, including, but not limited to, tribal community led meetings and peace-keeping activities, if such meetings are requested or voluntarily agreed to by the victim (who may, at any point, withdraw) and have reasonably anticipated beneficial or therapeutic value to crime victims. Review of the criteria for conducting these meetings and discussion of the proposed application with federal officials will be undertaken prior to awarding VOCA funds for this type of activity. At a minimum, the following should be considered:

a. The safety and security of the victim;

b. The cost versus the benefit or therapeutic value to the victim;

c. The procedures for ensuring that participation of the victim and offenders are voluntary and that the nature of the meeting is clear;

d. The provision of appropriate support and accompaniment for the victim;

e. Appropriate debriefing opportunities for the victim after the meeting; and

f. The credentials of the facilitators.

VOCA assistance funds cannot be used for victim-offender meetings which serve to replace criminal justice proceedings.

C. Allowable Subrecipient Administrative Costs

Administrative costs for which VOCA funds may be used by subrecipients include, but are not limited to, the following:

1. *Personnel costs* — Personnel costs that are directly related to providing direct services and supporting activities, such as staff and coordinator salaries expenses (including fringe benefits), a prorated share of liability and professional malpractice insurance; the cost of advertising to recruit VOCA-funded personnel; and the cost of training for paid and volunteer direct service staff. VOCA considers one full-time equivalent (FTE) employee to be an employee who works 2080 hours per year (excluding overtime).

The following costs associated with compensation are VOCA eligible: bi-lingual pay, longevity pay, shift differential, on-call time, and overtime.

a. Overtime: VOCA-funded employees (non-exempt) should be compensated with overtime payments for work performed in excess of the established work week (usually 40 hours). Payment of more than occasional overtime is subject to periodic review by DPS. Overtime compensation and relevant policies will be reviewed during site visits. If the VOCA-funded

employee is not 100% funded by the grant, overtime payments should be prorated among all funding sources and not charged exclusively to the VOCA grant.

b. Exempt employees: Subrecipient organizations may choose to classify certain positions as exempt; however, for the purposes of the VOCA grant, a timesheet must be completed to document VOCA eligible time worked regardless of an employee's exempt status. Only grant-related time can be charged to the VOCA grant.

Example: Employee A is an exempt employee and is paid 80 hours bi-weekly regardless of the number of hours worked and Employee A performs 100% VOCA eligible activities. Employee A must maintain a detailed timesheet which reflects actual time worked for the two-week period. If Employee A's timesheet reflects 80 hours worked on VOCA eligible activities, then all 80 hours can be charged to the VOCA grant. However, if Employee A's timesheet reflects fewer than 80 hours worked, then only the actual number of hours worked on VOCA eligible activities can be charged to the VOCA grant and the agency must use an alternate fund source for the remainder of Employee A's salary.

c. Prorating Fringe Benefits: For VOCA-funded positions, the VOCA proportionate share of fringe benefits cannot exceed the VOCA proportionate share of salary. However, fringe benefits utilized as match may be prorated up to the combined proportionate share of the salary funded by VOCA *and* the salary used as match.

d. Paid on-call time: subrecipient organizations may pay stipends to employees in addition to their base pay as compensation for being available to take calls outside of normal hours. In order to be allowable under the VOCA subaward, the subrecipient must compensate all employees, not only those funded by VOCA or other Federal grants, in the same manner. Subrecipients must comply with Federal, state, and local labor laws.

For comprehensive guidance regarding personnel costs, including salary, fringe benefits, leave time, etc. and the required supporting documentation, subrecipients should thoroughly review the following sections of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards:

- Section 200.430: Compensation – personal services and
- Section 200.431: Compensation – fringe benefits;

2. *Skills training for staff* — Training exclusively for developing the skills of direct service providers, including paid staff and volunteers (both VOCA funded and not), so that they are better able to offer quality direct services, including, but not limited to, manuals, books, videoconferencing, electronic training resources, and other materials and resources relating to such training;

3. *Training-related travel* — Training-related costs such as travel (in-State, regional, and national), meals, lodging, and registration fees for paid direct-service staff (both VOCA-funded and not). Rental car costs may be allowable with prior approval from DPS. Travel costs included in VOCA agreements may not exceed current federal rates or board-approved agency travel rates. Travel costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs

incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances and in accordance with the subrecipient's written travel reimbursement policies. If a subrecipient does not have written travel reimbursement policies, then travel costs cannot exceed the federal travel rates. Supporting documentation of travel expenses charged to this agreement must be maintained.

For comprehensive guidance regarding travel costs, subrecipients should thoroughly review the following section of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards:

- Section 200.475: Travel Costs

Travel costs associated with attendance at in-state skills building conferences offered by various Arizona coalitions, the Attorney General's Office, and other established organizations are allowable for direct service staff. When needed training is unavailable within the immediate geographical area, DPS may authorize, on an individual basis, the use of VOCA funds to support training outside of Arizona. For example, VOCA subrecipients may benefit from attending national conferences that offer skills building training workshops for victim assistance providers. Although training may be a VOCA allowable cost, the specific training/conference agenda must be submitted to DPS for review and approval via the Subrecipient Training Request Form (available under My Training Materials in SAGE). Agencies should not incur expenses until the training is approved by DPS;

4. *Organizational Expenses* — Organizational expenses that are necessary and essential to providing direct services and other allowable victim services, including, but not limited to, the prorated costs of rent (mortgage costs are not allowed); utilities; local travel expenses for service providers; and required minor building adaptations necessary to meet the Department of Justice standards implementing the Americans with Disabilities Act and/or modifications that would improve the program's ability to provide services to victims. When determining rent eligibility, agencies can include the space utilized to provide direct services to victims, e.g. advocate offices, playrooms, rooms utilized for meeting with crime victims, etc.;

5. *Equipment and furniture* — Expenses of procuring furniture and equipment that facilitate the delivery of direct services (e.g., mobile communication devices, telephones, braille and TTY/TDD equipment, computers and printers, beepers, video cameras and recorders for documenting and reviewing interviews with children, two-way mirrors, colposcopes, digital cameras, and equipment and furniture for shelters, work spaces, victim waiting rooms, and children's play areas), except that the VOCA grant may be charged only the prorated share of an item that is not used exclusively for victim-related activities. In addition, VOCA funds may not be used to purchase equipment for another organization or individual to perform a victim-related service.

Capital Equipment is any item in excess of $10,000. Subrecipients are required to maintain capital equipment records and report periodically with the following: (1) a description of the property and a serial or other identifying number; (2) identification of title holder; (3) the acquisition date; (4) the cost and the percentage of VOCA funds supporting the purchase; (5) the location, use, and condition of the property; and (6) any disposition data, including the date of disposal and sale price;

6. *Operating costs* — Operating costs include but are not limited to:

a. Supplies;

b. Equipment use fees (when supported by usage logs);

c. Property insurance;

d. Printing, photocopying, and postage;

e. Courier service;

f. Brochures that describe available services;

g. Books and other victim-related materials;

h. Computer backup files/tapes and storage;

i. Security systems;

j. Design and maintenance of websites and social media; and

k. Essential communication services, such as web hosts and mobile device services.

> Subgrantees are expected to have policies and procedures in place regarding the use of cell phones and/or other wireless devices (tablets). Prior to incurring expenses related to cell phone stipends, the cost of an employee's wireless plan must be verified by reviewing the employee's invoice for wireless services. The amount of the stipend cannot exceed the cost of the employee's wireless plan. Documentation of the verification must be maintained and available for review during a DPS-VOCA site visit.

l. Membership costs for state and/or national professional organizations (subrecipients should identify organizations which offer member benefits such as substantial discounts for training registrations and increased access to resources, books and victim-related materials).

7. *VOCA administrative time* — Costs of administrative time spent performing the following:

a. VOCA-required documentation - completing VOCA-required time and attendance sheets and programmatic documentation, reports, and statistics;

b. Crime victims' records - Collecting and maintaining crime victims' records;

c. Victim satisfaction surveys and needs assessments - conducting victim satisfaction surveys and needs assessments to improve victim services delivery in the project; and

d. Audit costs - funding the prorated share of audit costs as they pertain to Section VI (I) Audit Responsibilities for Subrecipients. VOCA funds cannot be used to support the audit of financial statements, nor can VOCA funds support accounting or payroll processing service costs.

8. *Leasing or purchasing vehicles* — VOCA funds may be used to purchase or lease vehicles if it can be demonstrated that such expenditure is essential to delivering services to crime victims. VOCA funds may also be used to support related items, such as routine maintenance, repair costs, and automobile insurance;

9. *Maintenance, repair, or replacement of essential items* — Costs of maintenance, repair, and replacement of items that contribute to maintenance of a healthy or safe environment for crime victims (such as a furnace in a shelter; and routine maintenance and repair costs), as determined by DPS after considering, at a minimum, if other sources of funding are available. Additionally, unused VOCA funds allocated for "repair and/or replacement" purposes cannot be reprogrammed to other line items;

10. *Project evaluation* — reasonable costs associated with conducting an evaluation of a specific VOCA funded project (in order to determine its effectiveness);

11. *Indirect organization costs* - Indirect Costs: The VOCA grant may be charged indirect costs based either on a federally approved negotiated rate or a de minimis rate of 15% of modified total direct costs (MTDC).

If a subrecipient has negotiated an indirect cost rate with the Federal government, that rate applies (e.g. some subrecipient also are direct recipients of Federal awards). Subrecipients that do not have a current negotiated (including provisional) indirect cost rate, may elect to charge a de minimis rate up to 15% of MTDC which may be used indefinitely. When using this method, cost must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. Also, if this method is chosen then it must be used consistently for all Federal awards until such time as the recipient or subrecipient chooses to receive a negotiated rate. See 2 C.F.R § 200.414(f).

Additionally, unused VOCA funds allocated for indirect cost purposes cannot be reprogrammed to other line items.

Subrecipients charging indirect costs to the VOCA grant must ensure compliance with the following sections of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards:

- 200.412: Classification of costs
- 200.413: Direct costs
- 200.414: Indirect costs
- 200.415: Required Certifications
- 200.416: Cost allocation plans and indirect cost proposals
- 200.417: Interagency service; and

12. *Security guards and liability insurance on buildings* may be allowable under the government-wide grant rules in 2 CFR part 200, if appropriately allocated to an award either directly or indirectly.

D. Expressly Unallowable Subrecipient Costs

Notwithstanding any other provision of this subpart, no VOCA funds may be used to fund or support the following:

1. *Lobbying* — Lobbying or advocacy activities with respect to legislation or to administrative changes to regulations or administrative policy (*cf.* 18 U.S.C. 1913), whether conducted directly or indirectly;

2. *Research and studies* — Research and studies, except for project evaluation under paragraph (C)(10) of this section;

3. *Active investigation and prosecution of criminal activities* — The active investigation and prosecution of criminal activity, except for the provision of victim assistance services (e.g., emotional support, advocacy, and legal services) to crime victims, under Section V, A. Allowable Direct Service Costs, during such investigation and prosecution;

4. *Fundraising* — Any activities related to fundraising;

5. *Capital expenses* — Capital improvements; property losses and expenses; real estate purchases; mortgage payments; and construction (except as specifically allowed elsewhere in this subpart);

6. *Compensation for victims of crime* — Reimbursement of crime victims for expenses incurred as a result of a crime, except as otherwise allowed by other provisions of this subpart;

7. Medical care — Medical care, except as otherwise allowed by other provisions of this subpart;

8. *Salaries and expenses of management* — Salaries, benefits, fees, furniture, equipment, and other expenses of executive directors, board members, and other administrators (except as specifically allowed elsewhere in this subpart); and

9. *Victim attendance at conferences.*

VI. SUBRECIPIENT RESPONSIBILITIES

A. Compliance with Other Rules and Requirements

Subrecipients shall comply with all applicable provisions of VOCA, any guidance issued by OVC, DOJ Grants Financial Guide (effective edition), and Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (government wide grant rules in 2 CFR part 200, as implemented by the Department of Justice at 2 CFR part 2800) which include maintaining

appropriate programmatic and financial records that fully disclose the amount and disposition of VOCA funds received. This includes financial documentation of disbursements, daily time and attendance records specifying time devoted to allowable VOCA victim services, client files, the portion of the project supplied by other sources of revenue, job descriptions, contracts for consultant services, and other records which facilitate an effective audit.

B. Financial and Program Reporting

Subrecipients must adhere to all reporting requirements and timelines for submitting the required reports, as indicated below. Failure to do so may result in a hold being placed on the reimbursement of all current year funds, a hold being placed on processing the next year's grant award or can result in the suspension or termination of a grant or denial of a grant application.

All required reports as outlined below are to be completed through the System for Administering Grants Effectively (SAGE) at https://sage.azdps.gov and the Federal Office for Victims of Crime Performance Measurement Tool (OVC PMT) at https://ojpsso.ojp.gov/.

Subrecipients are required to submit the following reports by the dates noted below. Failure to submit required reports by the deadline will result in the withholding of funds until the delinquency is cleared. If an agency has more than one project funded by DPS, a reporting or performance delinquency from one project will result in the withholding of payment for all current projects.

1. Subgrant Award Report is due no later than October 30th of Year 2 and Year 3 of the grant cycle.

2. Monthly Financial Reports are due no later than the 15th of each month following the end of the monthly report period via SAGE. This report must reflect actual federal and match expenditures.

3. Quarterly Statistical and Programmatic Reports are due no later than 30 days following the end of each quarter. The SAGE Program Report includes quarterly victim service and performance measure activities. Additionally, subrecipients are required to complete the Victim Assistance Subgrantee Data Report via OVC PMT.

4. Final Request to Reprogram Funds (if necessary) must be submitted via an Agreement Amendment Request in SAGE no later than June 30th of each fiscal year within the grant cycle. Requests submitted after this deadline will not be considered unless they are for emergency client assistance needs.

5. Year-end Agreement Amendment Request must be submitted via SAGE when a subrecipient has remaining funds in their budget in order to reflect actual expenditures. This process will automatically revert unexpended funds to DPS. Final year-end amendments will be required for the purpose of reconciling the SAGE budget to actual expenditures reported via the Monthly Financial Reports. Year-end amendments are due in conjunction with the final Monthly Financial Report which is due no later than October 15th.

6. Annual Report is due no later than October 30th of each fiscal year within the grant cycle. The Annual Report is available in SAGE and includes the DPS-VOCA Annual Crime Victim Assistance Survey and the Annual Narrative.

Failure to submit complete, accurate and timely required reports may result in a reduction of the current award. Any three combined occurrences of monthly or quarterly reports submitted over 15 days late and/or three combined occurrences relating to the submission of incomplete or inaccurate monthly or quarterly reports may result in up to a 10% award reduction as determined by DPS.

C. Amendments

To modify a current agreement, the subrecipient is required to use an Agreement Amendment Request form to notify DPS and request changes. This request must be completed via SAGE and is required for all modifications impacting the budget, programmatic activities of the project, and project contacts. Amendments to reprogram funds may be submitted from October 1 to June 30th of each fiscal year within the grant cycle.

If necessary, a final request to reprogram funds must be submitted via an Agreement Amendment Request in SAGE no later than June 30th of each fiscal year within the grant cycle. Requests submitted after this deadline will not be considered unless they are for emergency client assistance needs.

A year-end amendment will be required for the purpose of reconciling the SAGE budget to actual expenditures reported via the Monthly Financial Reports.

D. Beginning the Project

If a project is not operational within 60 days of the original start date of the project period, the subrecipient must submit written documentation to DPS explaining steps taken to initiate the project, the reasons for the delay, and the expected start date. If a project is not operational within 90 days of the original start date of the project period, the subrecipient must submit a second written statement explaining the implementation delay. DPS reserves the right to cancel the agreement if the proposed project is not operational within 90 days of the original start date.

E. Funding Acknowledgement

Printed materials must include an acknowledgment of the federal funding source. Post award, contact the assigned DPS-VOCA Grant Coordinator for the required funding acknowledgement.

F. Civil Rights, Prohibited Discrimination, Disclosure of Findings

1. The VOCA non-discrimination provisions specified at 34 U.S.C. 20110(e) shall be implemented in accordance with 28 CFR part 42.

Federal laws prohibit subrecipients of federal financial assistance from discriminating on the basis of race, color, national origin, religion, disability or sex in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also

prohibits federally funded programs or activities from discriminating on the basis of age in the delivery of services or benefits. Subrecipients must also take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). (For information on the civil rights responsibilities related to providing language services to LEP individuals, refer to http://www.lep.gov.)

Certain VOCA subrecipients are required to provide an Equal Employment Opportunity (EEO) Certification and, possibly, an EEO Utilization Report to the US Department of Justice with a copy to DPS. (Refer to https://www.ojp.gov/program/civil-rights-office/ to determine EEO requirements.)

If in the three years prior to the date of the grant award, a federal or state court or administrative agency makes an adverse finding of discrimination after a due process hearing against the subrecipient agency on the grounds of race, color, national origin, religion, sex, or disability, the subrecipient shall forward a copy of the finding to the Department of Justice, Office of Justice Programs, Office for Civil Rights and DPS.

> Civil Rights and Non-discrimination Training: Subrecipients will designate a Civil Rights Contact Person within their agency. This person must complete the online civil rights training program developed by the Office for Civil Rights (OCR), Office of Justice Programs (OJP), Department of Justice (DOJ). The training must be completed within 90 days from the start of the subgrant award agreement. If the Civil Rights Contact Person changes during the grant cycle, the new Civil Rights Contact Person has 90 days to complete this training requirement. This training is required once per grant cycle and can be accessed via the Subrecipient Required Trainings under My Training Materials in SAGE. DPS recommends that all employees complete the online civil rights training module, thereby enhancing each staff member's understanding of civil rights and non-discrimination regulations.

Maintain Civil Rights Information: Subrecipient agencies must maintain statutorily required civil rights statistics on victims served by race, national origin, sex, age, and disability; and permit reasonable access to its books, documents, papers, and records to determine whether the subrecipient is complying with applicable civil rights laws. This requirement is waived when providing a service, such as telephone counseling, where soliciting the information may be inappropriate or offensive to the crime victim.

2. In complying with VOCA, at 34 U.S.C. 20110(e), as implemented by 28 CFR part 42, subrecipients shall comply with such guidance as may be issued from time to time by the Office for Civil Rights within the Office of Justice Programs.

G. Reporting Suspected Fraud, Waste and Abuse

An applicant or subrecipient of an award must promptly disclose whenever, in connection with the Federal award, it has credible evidence of the commission of a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code or a violation of the civil False Claims Act (31 U.S.C. 3729-3733). The disclosure must be made in writing to the United States Department of Justice's Office of the Inspector General and the DPS. Subrecipients are also obligated to apprise DPS of the status of any on-going investigations.

An employee of a subrecipient must not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body in paragraph (a)(2) of 41 U.S.C. 4712 information that the employee reasonably believes is evidence of gross mismanagement of a VOCA contract or grant, a gross waste of VOCA funds, an abuse of authority relating to a VOCA contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation relating to a VOCA contract or grant.

Subrecipients must inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712. See statutory requirements for whistleblower protections at 10 U.S.C. 4701, 10 U.S.C. 4712, 41 U.S.C. 4304, and 10 U.S.C. 4310.

H. Audit Responsibilities for Subrecipients

As a condition of receiving an agreement, subrecipients shall adhere to the financial and administrative provisions set forth in the VOCA Guidelines, DOJ Grants Financial Guide, and Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

Non-Federal entities that expended $1,000,000 or more in Federal funds (from all sources including pass-through subawards) in the organization's fiscal year (12-month turnaround reporting period), are required to arrange for a single organization-wide audit conducted in accordance with the provisions of Title 2 CFR Subpart F (§ 200.500 et seq.).

Non-Federal entities that expended less than $1,000,000 in Federal awards are exempt from Federal audit requirements for that year. However, records must be kept that are available for review or audit by appropriate officials including the Federal agency, pass-through entity, and U.S. Government Accountability Office (GAO).

All auditees shall submit a Reporting Package and Data Collection Form for Reporting on Audits of States, Local Governments, and Non-Profit Organizations electronically to the Federal Audit Clearinghouse (https://www.fac.gov/).

I. State and Federal Financial and Programmatic Monitoring

The state and federal financial and programmatic officials conduct periodic reviews of the financial policies, procedures, and records of VOCA subrecipients. State and federal personnel will review various agreement documents and files such as: (1) reports; (2) policies and procedures governing the organization and the VOCA funds; (3) programmatic records of victims' services; (4) volunteer logs and time and attendance records; and (5) supporting documentation for costs supported by VOCA funds. Subrecipients will be subject to site inspections by state officials.

The subrecipient shall retain all financial records, supporting documentation, statistical records and all other records pertinent to this award until March 31 of the seventh year following the year indicated in the Federal Grant Number of the Subgrant Award Agreement.

With a 24-hour notice, the subrecipient shall, upon request, and consistent with 2 CFR 200.337, allow DPS, the Department of Justice, Inspectors General, the Comptroller General of the United States, or any of their authorized representative, to review all of the subrecipient's records concerning this grant project.

J. Suspension and Termination of Funding

An agreement is in full force and effect for the period specified in the subgrant award agreement but is subject to cancellation/termination as identified in the General Conditions.

Failure of the subrecipient to utilize VOCA funds for direct services to crime victims or for training purposes as stated in the approved budget will be subject to immediate cancellation. The subrecipient will not utilize VOCA funds for projects which serve perpetrators of crime or crime prevention, and/or for any other non-allowable cost or activity in accordance with DPS-VOCA guidelines. The subrecipient shall reimburse DPS for any VOCA funds expended that are not in full compliance with the subgrant award agreement.

IMPORTANT NOTE:
When completing the online application, always refer to the online instruction screens for all rules regarding variable rates and values referred to in these guidelines, (e.g. mileage rates, deadlines, contact information). The online instruction screens are maintained by DPS and are current for this funding year.

JUSTIFICATION - NON CAPITAL EQUIPMENT & FURNITURE

Provide a detailed description and justify the need for <u>each</u> item requested above.
Explain the basis for any calculations used to determine the requested amount(s), including any prorating methods.

We are requesting $9,500 to renovate the Child Victim Waiting Room within the courthouse to create a trauma-informed, developmentally appropriate, and emotionally supportive environment for children and youth awaiting court proceedings. This request includes costs for a calming wall mural, updated child-appropriate furniture, sensory tools, lighting improvements, and comfort items such as books, toys, and games.

Specifically, the funding will cover:

A custom, hand-painted mural created by a trauma-informed artist to provide a calming, hopeful visual experience.

New child-appropriate seating, including a small couch, bean bags, and reading corner furniture.

Sensory wall panels and tactile tools for emotional regulation.

Storage units for books, games, and sensory items.

Soft, non-fluorescent lighting to reduce stress.

Therapeutic and age-appropriate books, toys, and games.

Room décor, labor, and installation costs.

Justification of the Need for the Item:

The current room is outdated, sterile, and not designed to support the emotional needs of children who are often entering the courthouse due to abuse, neglect, or other traumatic experiences. These children are frequently anxious or dysregulated and face long wait times before court hearings in an unfamiliar and institutional space.

A trauma-informed and age-appropriate room can help reduce fear and anxiety, support emotional regulation, and foster a sense of dignity and safety. This kind of environment aligns with best practices in trauma-informed care and helps create a setting where children are more able to engage calmly in a difficult and often intimidating process.

By making the space physically and emotionally safer, we also support better outcomes for all involved in the court process—children, caregivers, advocates, and court personnel—by reducing behavioral disruptions and encouraging positive interactions. This investment directly enhances the court's capacity to be child-centered and responsive to trauma.

Explanation of Calculations:
The $9,500 requested is based on the following estimated breakdown:

Custom mural and paint materials: $1,800

Child/youth furniture (soft seating, reading nook, storage): $2,800

Sensory wall panels and fidget tools: $1,200

Books, games, and comfort items: $900

Soft lighting and fixtures: $500

Wall décor and artwork: $400

Labor, installation, and contingency: $1,900

Explanation of Prorating Methods (if applicable):
Not applicable. All purchased materials and improvements will be used solely in the designated Child Victim Waiting Room and will not be shared across departments. The redesign is exclusively for children and youth who are involved in the court process, ensuring the space is tailored to their unique needs

JUSTIFICATION - OPERATING COSTS

Provide a detailed description and justify the need for <u>each</u> operating cost requested above.
Explain the basis for any calculations used to determine the requested amount(s), including any prorating methods.

Operating costs are essential to maintaining the effectiveness and visibility of our CASA program. We are requesting support for the following key items:
• Office Supplies ($2,000): Supplies to build CASA Volunteer resources such as bag, notebooks, binders that provide copy of case guidelines, and trauma-informed reference tools to support effective advocacy
• Advertisement ($10,000): Supports targeted marketing efforts to recruit diverse, qualified volunteers through print, digital, media platforms. Media campaign will be with Harkins theater that includes .05 second ad and .15 second add running on 30 screens for 52 weeks.
• Outreach Events/Information Sessions ($2,000): Funds venue costs and event entry fees for sessions aimed at educating the community and attracting potential CASA volunteers. We will be participating in at least 20 outreach events in year.
• Advocacy Tool Kits ($1,500): This will include age-appropriate books for CASA volunteer to provide to child victims. Survive/Thrive Journal $12.75 x 50: Sullivan Visits Mom $12.75 x 50= $1275- $225 for tax and shipping.
• Postage for Targeted Marketing ($2,000): Enables direct mail campaigns to reach underrepresented communities and engage potential CASA volunteers and supporters. Estimated at .49 cents per postcard in targeted zip code location that can reach over 4000 residents.
• Cellular Service: 2 (VOCA) CASA Coordinators $125/month x 12= $1500
• Court Facility Dog Maintenance ($1,800): Covers grooming and supplies for our certified courthouse facility dog, who provides emotional support to child victims during stressful court proceedings. Average of $100 grooming/month x 12= $1200.00; $50

food/month x12= $600.

JUSTIFICATION - CLIENT ASSISTANCE

Provide a detailed description and justify the need for <u>each</u> Client Assistance line item requested above. Explain the basis for any calculations used to determine the requested amount(s).

JUSTIFICATION - INDIRECT COSTS

Explain the calculation used to determine the indirect cost amount(s) requested above. Indicate whether the agency is using the 15% de minimis rate or if the agency has a federally negotiated indirect cost rate.

Our agency does not have a federally negotiated indirect cost rate and has elected to use the 15% de minimis rate as allowed. The 15% is applied to Modified Total Direct Costs (MTDC), This rate helps recover a portion of administrative and facility costs associated with managing the project and supporting programmatic staff.

1.2. “Attachment” means any item in the Contract which requires the Contractor to submit as part of the Offer.

1.3. “Contract” means the combination of the Contract documents, including the Terms and Conditions, and the Specifications and Statement or Scope of Work; and any Contract Amendments.

1.4. "Contract Amendment" means a written document signed by the Procurement Officer that is issued for the purpose of making changes in the Contract.

1.5. “Contractor” means any person who has a Contract with the State.

1.6. “Data” means recorded information, regardless of form or the media on which it may be recorded. The term may include technical data and computer software. The term does not include information incidental to contract administration, such as financial, administrative, cost or pricing, or management information.

1.7. “Days” means calendar days unless otherwise specified.

1.8. “Exhibit” means any item labeled as an Exhibit in the Contract generally containing maps, schematics, examples of reports, or other documents that will be used to perform the requirements of the Scope of Work after contract award.

1.9. “Gratuity” means a payment, loan, subscription, advance, deposit of money, services, or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value is received.

1.10. “Materials” means all property, including equipment, supplies, printing, insurance and leases of property but does not include land, a permanent interest in land or real property or leasing space.

1.11. “Procurement Officer” means the person, or his or her designee, duly authorized by the State to enter into and administer Contracts and make written determinations with respect to the Contract.

1.12. “Services” means the furnishing of labor, time or effort by a Contractor or Subcontractor which does not involve the delivery of a specific end product other than required reports and performance, but does not include employment agreements or collective bargaining agreements.

1.13. “State” means any department, commission, council, board, bureau, committee, institution, agency, government corporation or other establishment or official of the executive branch or corporation commission of the State of Arizona that executes the Contract.

1.14. “State Fiscal Year” means the period beginning with July 1 and ending June 30.

1.15. “Subcontract” means any Contract, express or implied, between the Contractor and another party or between a Subcontractor and another party delegating or assigning, in whole or in part, the making or furnishing of any Materials or any Services required for the performance of the Contract.

1.16. “Subcontractor” means a person who contracts to perform work or render Services to a Contractor or to another Subcontractor as a part of a Contract with the State.

2. Contract Type

2.1. This Contract shall be:

[X] Fixed Price

3. Funding Type

3.1. This Contract shall be funded utilizing:

[X] Both State and Federal Funds

4. Contract Interpretation

4.1. Arizona Law. The Arizona law applies to this Contract including, where applicable, the Uniform Commercial Code as adopted by the State of Arizona and the Arizona Procurement Code, Arizona Revised Statutes (A.R.S.) Title 41, Chapter 23, and its implementing rules, Arizona Administrative Code (A.A.C.) Title 2, Chapter 7.

4.2. Implied Contract Terms. Each provision of law and any terms required by law to be in this Contract are a part of this Contract as if fully stated in it.

4.3. Contract Order of Precedence. In the event of a conflict in the provisions of the Contract, as accepted by the State and as they may be amended, the following shall prevail in the order set forth below:

4.3.1. Terms and Conditions.

4.3.2. Statement or Scope of Work.

4.3.3. Specifications.

4.3.4. Attachments.

4.3.5. Exhibits.

4.3.6. Any other documents referenced or included in the Contract including, but not limited to, any documents that do not fall into one (1) of the above categories.

4.4. Relationship of Parties. The Contractor under this Contract is an independent Contractor. Neither party to this Contract shall be deemed to be the employee or agent of the other party to the Contract.

4.5. Severability. The provisions of this Contract are severable. Any term or condition deemed illegal or invalid shall not affect any other term or condition of the Contract.

4.6. No Parol Evidence. This Contract is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any terms used in this document and no other understanding either oral or in writing shall be binding.

4.7. No Waiver. Either party's failure to insist on strict performance of any term or condition of the Contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

5. Contract Administration and Operation

5.1. Term. As indicated on the signature page of the Contract, the Contract shall be effective as of the Begin Date and shall remain effective until the Termination Date.

5.2. Contract Renewal. This Contract shall not bind, nor purport to bind, the State for any contractual commitment in excess of the original Contract period. The term of the Contract shall not exceed five (5) years. However, if the original Contract period is for less than five (5) years, the State shall have the right, at its sole option, to renew the Contract, so long as the original Contract period together with the renewal periods does not exceed five (5) years. If the State exercises such rights, all terms, conditions and provisions of the original Contract shall remain the same and apply during the renewal period with the exception of price and Scope of Work, which may be renegotiated.

5.3. New Budget Term. If a budget term has been completed in a multi-term Contract, the parties may agree to change the amount and type of funding to accommodate new circumstances in the next budget term. Any increase or decrease in funding at the time of the new budget term shall coincide with a change in the Scope of Work or change in cost of services as approved by the Arizona Department of Health Services.

5.4. Records. Under A.R.S. § 35-214 and § 35-215, the Contractor shall retain and shall contractually require each Subcontractor to retain any and all Data and other “records” relating to the acquisition and performance of the Contract for a period of five (5) years after the completion of the Contract. All records shall be subject to inspection and audit by the State at reasonable times. Upon request, the Contractor shall produce a legible copy of any or all such records.

5.5. Non-Discrimination. The Contractor shall comply with State Executive Order Nos. 2023-09, 2023-01, 2009-09, and any and all other applicable Federal and State laws, rules and regulations, including the Americans with Disabilities Act. Contractor shall include these provisions in contracts with Subcontractors when required by Federal or State law.

5.6. Audit. Pursuant to A.R.S. § 35-214, at any time during the term of this Contract and five (5) years thereafter, the Contractor’s or any Subcontractor’s books and records shall be subject to audit by the State and, where applicable, the Federal Government, to the extent that the books and records relate to the performance of the Contract or Subcontract.

5.7. Financial Management. For all contracts, the practices, procedures, and standards specified in and required by the Accounting and Auditing Procedures Manual for the ADHS funded programs shall be used by the Contractor in the management of Contract funds and by the State when performing a Contract audit. Funds collected by the Contractor in the form of fees, donations and/or charges for the delivery of these Contract services shall be accounted for in a separate fund.

5.7.1. Federal Funding. Contractors receiving federal funds under this Contract shall comply with the certified finance and compliance audit provision of the Office of Management and Budget (OMB) Uniform Administrative Requirements, Cost Principals, and Audit Requirements for Federal Awards (2 CFR 200) if applicable. The federal financial assistance information shall be stated in a Change Order or Purchase Order.

5.7.2. State Funding. Contractors receiving state funds under this Contract shall comply with the certified compliance provisions of A.R.S. § 35-181.03.

5.8. Facilities Inspection and Materials Testing. The Contractor agrees to permit access to its facilities, Subcontractor facilities, and the Contractor’s processes or services, at reasonable times for inspection of the facilities or Materials covered under this Contract as required under A.R.S. § 41-2547. The State shall also have the right to test, at its own cost, the Materials to be supplied under this Contract. Neither inspection of the Contractor’s facilities nor Materials testing shall constitute final acceptance of the Materials or Services. If the State determines non-compliance of the Materials, the Contractor shall be responsible for the payment of all costs incurred by the State for testing and inspection.

5.9. Notices. Notices to the Contractor required by this Contract shall be made by the State to the person indicated on the Offer and Acceptance form submitted by the Contractor unless otherwise stated in the Contract. Notices to the State required by the Contract shall be made by the Contractor stated in the Contract, or listed on the State's eProcurement system. An authorized Procurement Officer and an authorized Contractor representative may change their respective person to whom notice shall be given by written notice to the other and an amendment to the Contract shall not be necessary.

5.10. Advertising, Publishing and Promotion of Contract. The Contractor shall not use, advertise or promote information for commercial benefit concerning this Contract without the prior written approval of the ADHS. ADHS shall approve brochures, posters, public service announcements, paid media, videos, sponsorships, and other marketing materials paid with funds from this Contract prior to the development and use; including use of ADHS Logo.

5.11. Continuous Improvement. Contractor shall recommend continuous improvements on an on-going basis in relation to any Materials and Services offered under the Contract, with a view to reducing State costs and improving the quality and efficiency of the provision of Materials or Services. State may require Contractor to engage in continuous improvements throughout the term of the Contract.

5.12. Other Contractors. State may undertake on its own or award other contracts to the same or other suppliers for additional or related work. In such cases, the Contractor shall cooperate fully with State employees and such other suppliers and carefully coordinate, fit, connect, accommodate, adjust, or sequence its work to the related work by others. Where the Contract requires handing-off Contractor's work to others, Contractor shall cooperate as State instructs regarding the necessary transfer of its work product, Materials, Services, or records to State or the other suppliers. Contractor shall not commit or permit any act that interferes with the State's or other suppliers' performance of their work, provided that, State shall enforce the foregoing section equitably among all its suppliers so as not impose an unreasonable burden on any of them.

5.13. Ownership of Intellectual Property:

5.13.1. Rights In Work Product. All intellectual property originated or prepared by Contractor pursuant to the Contract, including but not limited to, inventions, discoveries, intellectual copyrights, trademarks, trade names, trade secrets, technical communications, records reports, computer programs and other documentation or improvements thereto, including Contractor's administrative communications and records relating to the Contract, are considered work product and Contractor's property, provided that, State has Government Purpose Rights to that work product as and when it was delivered to State.

5.13.2. "Government Purpose Rights" are:

5.13.2.1. The unlimited, perpetual, irrevocable, royalty free, non-exclusive, worldwide right to use, modify, reproduce, release, perform, display, sublicense, disclose and create derivatives from that work product without restriction for any activity in which State is a party.

5.13.2.2. The right to release or disclose that work product to third parties for any State government purpose.

5.13.2.3. The right to authorize those to whom it rightfully releases or discloses that work product to use, modify, release, create derivative works from the work product for any State government purpose; such recipients being understood to include the federal government, the governments of other states, and various local governments.

5.13.3. "Government Purpose Rights" do not include any right to use, modify, reproduce, perform, release, display, create derivative works from or disclose that work product for any commercial purpose, or to authorize others to do so.
